

1
00:00:05,670 --> 00:00:02,070
excellent guys thank you for being with

2
00:00:07,749 --> 00:00:05,680
us i'm alejandra berry from univision so

3
00:00:10,150 --> 00:00:07,759
i'll uh start with the questions in

4
00:00:11,749 --> 00:00:10,160
spanish then translate in english and

5
00:00:14,709 --> 00:00:11,759
then you can answer does that work for

6
00:00:14,719 --> 00:00:24,150
that'd be great thank you

7
00:00:24,160 --> 00:00:48,389
okay folks here we go

8
00:00:53,189 --> 00:00:50,310
the expedition 40 commander steve

9
00:00:55,029 --> 00:00:53,199
swanson flight engineers reed weitzman

10
00:00:57,029 --> 00:00:55,039
alexander gerst

11
00:00:58,470 --> 00:00:57,039
muchas gracias por estar conosotros

12
00:01:02,470 --> 00:00:58,480
thank you guys for being with us what

13
00:01:05,590 --> 00:01:04,070

we're doing great we're having fun up

14

00:01:21,270 --> 00:01:05,600

here doing a little science and keeping

15

00:01:25,109 --> 00:01:23,350

we're just coming up over central south

16

00:01:27,830 --> 00:01:25,119

america and then we'll go across the

17

00:01:34,789 --> 00:01:27,840

north coast of south america and up over

18

00:01:34,799 --> 00:01:39,990

perfecto estando donde

19

00:01:40,000 --> 00:01:47,510

can you really watch the world cup games

20

00:01:50,710 --> 00:01:48,389

yes

21

00:01:53,350 --> 00:01:50,720

some of the games will get uplinked

22

00:01:55,190 --> 00:01:53,360

directly through radio transmission and

23

00:01:58,149 --> 00:01:55,200

we can watch them live of course we have

24

00:02:00,870 --> 00:01:58,159

a lot of signs to do on the side and so

25

00:02:08,790 --> 00:02:00,880

once in a while we can get a peek at the

26
00:02:13,750 --> 00:02:10,869
great technology so i understand there's

27
00:02:15,510 --> 00:02:13,760
two americans on board and one german

28
00:02:18,550 --> 00:02:15,520
there's a match coming up between the

29
00:02:34,550 --> 00:02:18,560
states and germany do you have um any

30
00:02:38,710 --> 00:02:36,550
yes of course we have a bet going uh

31
00:02:40,869 --> 00:02:38,720
these guys said if usa loses they're

32
00:02:42,949 --> 00:02:40,879
gonna shave their heads actually

33
00:02:45,830 --> 00:02:42,959
and uh if of course because i have

34
00:02:48,630 --> 00:02:45,840
already my head shaved if i if germany

35
00:02:55,910 --> 00:02:48,640
loses then they're gonna paint a us flag

36
00:02:59,589 --> 00:02:58,390
so i i see that you can have a ball can

37
00:03:01,750 --> 00:02:59,599
you actually

38
00:03:09,670 --> 00:03:01,760

play some some soccer

39

00:03:39,190 --> 00:03:12,149

oh we try we have fun with it yeah we

40

00:03:48,789 --> 00:03:41,589

what would be your message to your

41

00:04:07,429 --> 00:03:50,789

i think the message is i believe we will

42

00:04:11,110 --> 00:04:09,030

i'm sure he told his team good luck

43

00:04:12,830 --> 00:04:11,120

because the americans are going to beat

44

00:04:15,509 --> 00:04:12,840

them and try to

45

00:04:17,990 --> 00:04:15,519

recover from your sadness

46

00:04:24,950 --> 00:04:18,000

somebody's afraid of having to fulfill

47

00:04:40,550 --> 00:04:26,150

so

48

00:04:43,270 --> 00:04:40,560

go ahead and read one of them octavio

49

00:04:46,150 --> 00:04:43,280

flores asks if they could come back to

50

00:04:49,350 --> 00:04:46,160

earth in time for one world cup match

51
00:04:57,830 --> 00:04:49,360
what teams would they face each other

52
00:05:03,189 --> 00:04:59,830
that's a really good question

53
00:05:05,510 --> 00:05:03,199
i've been enjoying many of the games

54
00:05:07,590 --> 00:05:05,520
argentina messi his play has been

55
00:05:09,909 --> 00:05:07,600
fantastic but for me it would have to be

56
00:05:10,790 --> 00:05:09,919
a game of course hopefully the us will

57
00:05:12,310 --> 00:05:10,800
make it

58
00:05:14,550 --> 00:05:12,320
to the championship

59
00:05:16,070 --> 00:05:14,560
i sure hope so and if they would play

60
00:05:32,310 --> 00:05:16,080
germany in a championship that would be

61
00:05:42,950 --> 00:05:34,230
what team do you support and what's your

62
00:05:46,790 --> 00:05:44,550
yeah my favorite player probably already

63
00:05:49,350 --> 00:05:46,800

mentioned messi he was just fantastic uh

64

00:05:51,590 --> 00:05:49,360

so far in the tournament and uh i love

65

00:05:53,670 --> 00:05:51,600

watching the the australian sorry the

66

00:06:01,749 --> 00:05:53,680

argentinian team so that's just a great

67

00:06:01,759 --> 00:06:11,189

do you have any world cup memories

68

00:06:14,710 --> 00:06:13,110

i think without a doubt we all have our

69

00:06:16,710 --> 00:06:14,720

own personal world cup memories but i

70

00:06:18,070 --> 00:06:16,720

think when we look back at the next

71

00:06:20,070 --> 00:06:18,080

world cup we're going to remember

72

00:06:21,590 --> 00:06:20,080

watching all these games up here is a

73

00:06:23,670 --> 00:06:21,600

crew and a lot of times we have our

74

00:06:25,430 --> 00:06:23,680

russian crewmates down here to watch

75

00:06:27,189 --> 00:06:25,440

with us and i think when all six of us

76

00:06:28,469 --> 00:06:27,199

are together watching world cup that's

77

00:06:30,950 --> 00:06:28,479

going to be a memory that i'll keep with

78

00:06:44,950 --> 00:06:30,960

me forever and i know alex and steve

79

00:06:48,309 --> 00:06:46,390

most of the people that are watching are

80

00:06:50,710 --> 00:06:48,319

mexican so uh have you watched the

81

00:06:54,710 --> 00:06:50,720

mexican national team do do you like the

82

00:06:58,950 --> 00:06:57,430

yeah we watched l3 a few times i watched

83

00:07:02,070 --> 00:06:58,960

them when we're back in houston actually

84

00:07:09,110 --> 00:07:02,080

too so uh they're another fantastic team

85

00:07:13,589 --> 00:07:11,909

so um let me ask some scientific

86

00:07:15,510 --> 00:07:13,599

questions what are you doing up there

87

00:07:22,790 --> 00:07:15,520

what what experiments are you conducting

88

00:07:25,589 --> 00:07:23,670

actually

89

00:07:28,629 --> 00:07:25,599

just today i was working right here in

90

00:07:32,070 --> 00:07:28,639

this glove box on an experiment that is

91

00:07:33,830 --> 00:07:32,080

about burning things in space for better

92

00:07:35,510 --> 00:07:33,840

fire safety on earth we look how

93

00:07:38,230 --> 00:07:35,520

materials burn in weightlessness and we

94

00:07:40,309 --> 00:07:38,240

can learn a lot about making materials

95

00:07:43,430 --> 00:07:40,319

much more safe down on earth and that's

96

00:07:55,830 --> 00:07:43,440

just one of 160 experiments that we have

97

00:08:02,950 --> 00:07:57,510

what's the coolest thing of having no

98

00:08:07,510 --> 00:08:05,670

yeah just moving around doing flips we

99

00:08:09,510 --> 00:08:07,520

we have contests on how many flips you

100

00:08:11,670 --> 00:08:09,520

can do and how far you can go without

101
00:08:13,430 --> 00:08:11,680
hitting the wall all sorts of contests

102
00:08:21,430 --> 00:08:13,440
it's just a wonderful it's the biggest

103
00:08:21,440 --> 00:08:25,510
excellent

104
00:08:32,469 --> 00:08:27,029
how much time have you been up there and

105
00:08:36,709 --> 00:08:34,310
i've been up here almost three months

106
00:08:37,670 --> 00:08:36,719
come back in two and a half and these

107
00:08:39,829 --> 00:08:37,680
guys

108
00:08:41,909 --> 00:08:39,839
yeah alex and i showed up almost a month

109
00:08:43,430 --> 00:08:41,919
ago and we're loving it i don't think

110
00:08:49,990 --> 00:08:43,440
we're ready to come home yet we'll see

111
00:08:53,750 --> 00:08:52,230
okay boys thank you very much guys i

112
00:08:55,269 --> 00:08:53,760
really appreciate

113
00:08:57,670 --> 00:08:55,279

you being with us it was a great

114

00:09:02,870 --> 00:08:57,680

interview very excited here at univision

115

00:09:08,310 --> 00:09:06,070

thank you very much take care

116

00:09:10,630 --> 00:09:08,320

station this is houston acr that

117

00:09:12,710 --> 00:09:10,640

concludes the univision deportes portion

118

00:09:15,190 --> 00:09:12,720

of the event please stand by for a voice

119

00:09:17,269 --> 00:09:15,200

check from espn

120

00:09:19,670 --> 00:09:17,279

well we have done live shots before but

121

00:09:21,670 --> 00:09:19,680

nothing like this joining us from t from

122

00:09:24,389 --> 00:09:21,680

the international space station is

123

00:09:27,030 --> 00:09:24,399

american astronaut reed weissman and

124

00:09:29,670 --> 00:09:27,040

german astronaut alexander gerst in

125

00:09:31,670 --> 00:09:29,680

between them is commander steven swanson

126

00:09:34,630 --> 00:09:31,680

and all these men are part of the

127

00:09:37,030 --> 00:09:34,640

expedition 40 and guys in between your

128

00:09:39,269 --> 00:09:37,040

scientific research on board the station

129

00:09:40,150 --> 00:09:39,279

you guys watch the world cup matches

130

00:09:42,310 --> 00:09:40,160

read

131

00:09:44,550 --> 00:09:42,320

how are you feeling about this team the

132

00:09:49,990 --> 00:09:44,560

us entering thursday's match against

133

00:09:54,150 --> 00:09:51,990

well i you know i guess i gotta say i

134

00:09:57,269 --> 00:09:54,160

believe we will win i think it's kind of

135

00:09:58,470 --> 00:09:57,279

a a perfect recipe here for us uh we've

136

00:10:00,230 --> 00:09:58,480

already looked at our schedules for

137

00:10:02,310 --> 00:10:00,240

thursday to see how we can sneak in a

138

00:10:04,150 --> 00:10:02,320

few peaks of the game and our what will

139

00:10:06,230 --> 00:10:04,160

be our afternoon and you better believe

140

00:10:07,350 --> 00:10:06,240

we'll be watching and i think it's uh

141

00:10:09,030 --> 00:10:07,360

it's looking good because it's two

142

00:10:13,430 --> 00:10:09,040

against one up here so i think the u.s

143

00:10:16,310 --> 00:10:14,870

well this is a question now for

144

00:10:18,069 --> 00:10:16,320

alexander

145

00:10:19,829 --> 00:10:18,079

how do you feel about a german legend

146

00:10:24,310 --> 00:10:19,839

like jurgen klinsman coaching against

147

00:10:29,110 --> 00:10:26,949

well it's interesting to see of course

148

00:10:31,350 --> 00:10:29,120

for me even more so because he's from

149

00:10:33,910 --> 00:10:31,360

the same state of germany than i he he

150

00:10:37,190 --> 00:10:33,920

grew up at this almost at the same place

151
00:10:38,949 --> 00:10:37,200
so uh well in a way even if the u.s win

152
00:10:41,030 --> 00:10:38,959
they it's still a little bit of a

153
00:10:43,030 --> 00:10:41,040
victory for germany then

154
00:10:45,269 --> 00:10:43,040
so i'm not afraid we have this little

155
00:10:48,630 --> 00:10:45,279
bet going of course

156
00:10:50,630 --> 00:10:48,640
if the us if the u.s win these guys are

157
00:10:52,949 --> 00:10:50,640
allowed to draw a little u.s flag on my

158
00:10:54,630 --> 00:10:52,959
head but then again if germany wins i

159
00:10:57,269 --> 00:10:54,640
think these guys need to need to shave

160
00:10:58,710 --> 00:10:57,279
their heads so we all look alike so in

161
00:11:00,470 --> 00:10:58,720
either way i'm looking forward to the

162
00:11:04,949 --> 00:11:00,480
outcome of this game and

163
00:11:08,870 --> 00:11:07,190

steven now you have the soccer ball in

164

00:11:11,670 --> 00:11:08,880

your hand right there it was so cool

165

00:11:13,910 --> 00:11:11,680

floating in space as we started the

166

00:11:16,310 --> 00:11:13,920

interview i hear you guys try to play

167

00:11:20,550 --> 00:11:16,320

some soccer on board the international

168

00:11:25,430 --> 00:11:22,870

yes we did we actually played almost but

169

00:11:28,710 --> 00:11:25,440

for a half hour and we had a really good

170

00:11:30,230 --> 00:11:28,720

time uh but uh uh

171

00:11:31,670 --> 00:11:30,240

nobody actually won i don't think we

172

00:11:36,389 --> 00:11:31,680

actually got a goal ever scored but we

173

00:11:41,670 --> 00:11:38,230

well gravity is your biggest opponent

174

00:11:44,310 --> 00:11:41,680

steven uh we do appreciate as well as uh

175

00:11:46,310 --> 00:11:44,320

reid and alexander of course we're going

176

00:11:47,670 --> 00:11:46,320

to see how things play out on thursday i

177

00:11:49,670 --> 00:11:47,680

just want to get back with you guys to

178

00:11:51,430 --> 00:11:49,680

see if the u.s wins so we can see the

179

00:11:53,670 --> 00:11:51,440

the american flag

180

00:11:56,710 --> 00:11:53,680

on alexander's head by the end of the

181

00:12:00,790 --> 00:11:59,190

oh definitely definitely there'll be uh

182

00:12:04,310 --> 00:12:00,800

lots of stars up in his head that's for

183

00:12:08,150 --> 00:12:06,389

you know actually thank you so much i'll

184

00:12:09,190 --> 00:12:08,160

be happy with the draw

185

00:12:11,910 --> 00:12:09,200

so

186
