00:00:03,100 --> 00:00:09,460

(Music)

::O say can you see by the dawn's early light,What

2

00:00:09,460 --> 00:00:12,610

so proudly we hailed....:

3

00:00:12,610 --> 00:00:17,310

Hi this is NASA astronaut Reid Wiseman aboard
the International space station,\h

4

00:00:17,310 --> 00:00:21,410

::Whose broad stripes and bright stars....:

5

00:00:21,410 --> 00:00:25,760

as a Navy commander and a proud American I'm
honored to greet you during the commemoration

6

00:00:25,760 --> 00:00:30,450

of the two hundredth anniversary of the Star
Spangled banner, this song represents the

7

00:00:30,450 --> 00:00:33,260

courage of our nation and the strength of
our flag.\h

8

00:00:33,260 --> 00:00:37,770

::And the rockets' red glare....:

9

00:00:37,770 --> 00:00:43,510

I get chills every time I see the stars and
stripes flying high and few have flown higher

10

00:00:43,510 --> 00:00:45,809

than this one behind me.\h

11

00:00:45,809 --> 00:00:49,559

It launched onboard the first space shuttle
in nineteen eighty one and is with us now

12

00:00:49,559 --> 00:00:52,079

on the space station.

13

00:00:52,079 --> 00:00:58,100

Today I stand with you as we pay tribute to
Francis Scott Key whose words and lyrics ring

14

00:00:58,100 --> 00:01:03,079

as true now as they did in eighteen fourteen,
may we always walk the path of freedom in

15

00:01:03,079 --> 00:01:05,939

the land of the free and the home of the brave.

16

00:01:05,939 --> 00:01:08,080

\h

Thank you.\h

17

00:01:08,080 --> 00:01:09,140
