

1  
00:00:13,420 --> 00:00:10,960  
you

2  
00:00:16,390 --> 00:00:13,430  
my name is Vicente Suarez I'm a

3  
00:00:18,550 --> 00:00:16,400  
structural dynamics engineer currently

4  
00:00:21,100 --> 00:00:18,560  
I'm be mechanically for the Sapphira

5  
00:00:24,570 --> 00:00:21,110  
payload I'm responsible for all

6  
00:00:27,429 --> 00:00:24,580  
mechanical design structural analysis

7  
00:00:29,590 --> 00:00:27,439  
dynamic analysis as well of all test

8  
00:00:31,900 --> 00:00:29,600  
activities of the Sapphira payload

9  
00:00:34,240 --> 00:00:31,910  
system what I do is to make sure that

10  
00:00:36,189 --> 00:00:34,250  
the experiment makes it to the launch

11  
00:00:39,070 --> 00:00:36,199  
environment transportation environments

12  
00:00:41,290 --> 00:00:39,080  
and gets a fit to the International

13  
00:00:41,829 --> 00:00:41,300

Space Station I was born in on Brooklyn

14

00:00:44,770 --> 00:00:41,839

New York

15

00:00:47,440 --> 00:00:44,780

and at the age of 8 years old my family

16

00:00:50,470 --> 00:00:47,450

and I went to live in my I killed a

17

00:00:52,779 --> 00:00:50,480

quarter my parents are very special to

18

00:00:56,020 --> 00:00:52,789

me they were not type of parents who

19

00:00:57,490 --> 00:00:56,030

punish us or reprimand us all the time

20

00:00:59,319 --> 00:00:57,500

they were type of parents who led by

21

00:01:01,479 --> 00:00:59,329

example there are a lot of traditions

22

00:01:03,790 --> 00:01:01,489

that Hispanic people have I think the

23

00:01:08,440 --> 00:01:03,800

one that are like the modes is they'll

24

00:01:10,300 --> 00:01:08,450

get together I think that our Hispanics

25

00:01:15,219 --> 00:01:10,310

with traditional so now we celebrate our

26

00:01:19,300 --> 00:01:15,229

festivities big families big parties a

27

00:01:21,969 --> 00:01:19,310

lot of food dynamic conversation I do

28

00:01:23,859 --> 00:01:21,979

value dialogue well I think it's a very

29

00:01:27,910 --> 00:01:23,869

specific tradition that we do in Elko

30

00:01:31,870 --> 00:01:27,920

and New Year's Eve Woodburn this dolls

31

00:01:34,270 --> 00:01:31,880

made of wood or sometimes use cloth and

32

00:01:38,260 --> 00:01:34,280

I think that then what we're trying to

33

00:01:41,199 --> 00:01:38,270

do there is to you know burn all the bad

34

00:01:43,419 --> 00:01:41,209

things that happen to you in the old

35

00:01:48,130 --> 00:01:43,429

year and at the same time start fresh

36

00:01:49,990 --> 00:01:48,140

the new year the cultured trade that I

37

00:01:53,469 --> 00:01:50,000

think is the most important to pass the

38

00:01:56,320 --> 00:01:53,479

younger generations it's the language I

39

00:01:57,160 --> 00:01:56,330

believe in now in dates here in the

40

00:01:59,290 --> 00:01:57,170

United States

41

00:02:03,479 --> 00:01:59,300

speaking more than one language it's

42

00:02:06,130 --> 00:02:03,489

almost a necessity so teaching your kids
