

1  
00:00:13,730 --> 00:00:10,970  
yes yes that's fine

2  
00:00:17,660 --> 00:00:13,740  
but then let's do it with testimony we don't

3  
00:00:17,670 --> 00:00:25,890  
because it's going to decompensation I

4  
00:00:25,900 --> 00:00:30,529  
hear

5  
00:00:37,460 --> 00:00:33,350  
the father saying

6  
00:00:37,470 --> 00:01:16,109  
red

7  
00:01:16,119 --> 00:01:24,600  
b

8  
00:01:32,620 --> 00:01:26,870  
competition from my mouth

9  
00:01:32,630 --> 00:02:28,839  
rightly

10  
00:02:31,729 --> 00:02:30,289  
incredible to have finally

11  
00:02:34,309 --> 00:02:31,739  
arrived at the moment when it's time to

12  
00:02:36,080 --> 00:02:34,319  
leave to take flying to maicon

13  
00:02:39,050 --> 00:02:36,090

now it's been the last 2 3

14  
00:02:41,120 --> 00:02:39,060  
really hectic days from a preparation point of view

15  
00:02:43,550 --> 00:02:41,130  
pack your bags pack your

16  
00:02:44,680 --> 00:02:43,560  
bags for for after pack your bags

17  
00:02:47,300 --> 00:02:44,690  
for baikonur

18  
00:02:49,640 --> 00:02:47,310  
complete everything there is to

19  
00:02:51,680 --> 00:02:49,650  
do before a couple hours to take on

20  
00:02:54,559 --> 00:02:51,690  
the plane that will take us to baikonur and

21  
00:02:56,660 --> 00:02:54,569  
freely you already have the sensation of

22  
00:02:58,580 --> 00:02:56,670  
being almost gone because you know

23  
00:03:01,039 --> 00:02:58,590  
in a sort of tunnel 6the sun

24  
00:03:02,960 --> 00:03:01,049  
shielded from much of the noise in the world

25  
00:03:05,150 --> 00:03:02,970  
and for two weeks we will be really

26  
00:03:06,590 --> 00:03:05,160  
concentrated we will get ready for the to the

27  
00:03:08,569 --> 00:03:06,600  
departure which is now very close with a

28  
00:03:10,699 --> 00:03:08,579  
mixture of a sense of gratification for

29  
00:03:14,330 --> 00:03:10,709  
all that has been done is now

30  
00:03:16,010 --> 00:03:14,340  
completed and of course a look forward to

31  
00:03:19,750 --> 00:03:16,020  
those who arrive at the time of

32  
00:03:19,760 --> 00:03:28,540  
battisti
