

1
00:00:07,589 --> 00:00:09,790
Hello from the International Space Station

2
00:00:09,790 --> 00:00:11,450
I'm Navy Captain Barry Wilmore

3
00:00:11,450 --> 00:00:13,699
This is Air Force Colonel Terry Virts

4
00:00:13,699 --> 00:00:16,410
And we want to take the opportunity just briefly
to

5
00:00:16,410 --> 00:00:19,359
wish you all a Merry Christmas and a Happy
New Year.

6
00:00:19,359 --> 00:00:23,109
Terry and I, you know ... Christmas for us
is a time of worship.

7
00:00:23,109 --> 00:00:25,250
It's a time that we think back to the birth
of

8
00:00:25,250 --> 00:00:27,300
what we would consider our lord.

9
00:00:27,300 --> 00:00:29,640
And we will, we do that at our homes, and

10
00:00:29,640 --> 00:00:32,050
we plan to do the same thing up here

11
00:00:32,050 --> 00:00:35,460
and take just a little bit of time to reflect
on those topics

12

00:00:35,460 --> 00:00:38,160

and also, as well, just like the wise men
gave gifts

13

00:00:38,160 --> 00:00:42,010

we have a couple of gifts, you'll notice stockings
behind us here.

14

00:00:42,010 --> 00:00:45,070

so we have a couple of gifts for each other,
so we'll share in that as well

15

00:00:48,579 --> 00:00:51,329

it's such an honor and it's so much fun to
celebrate Christmas up here.

16

00:00:51,329 --> 00:00:53,920

This is definitely going to be a Christmas
that we'll remember.

17

00:00:53,920 --> 00:00:56,550

Getting a chance to see the beautiful Earth.

18

00:00:56,550 --> 00:01:01,300

And I hope that for you also it'll be a memorable
Christmas this year.
