

1
00:00:09,169 --> 00:00:05,630
pushing out into the solar system not

2
00:00:10,940 --> 00:00:09,179
just to visit but to state now last

3
00:00:12,860 --> 00:00:10,950
month we launched a new spacecraft as

4
00:00:14,839 --> 00:00:12,870
part of a reenergized space program that

5
00:00:17,779 --> 00:00:14,849
will send American astronauts to Mars

6
00:00:21,290 --> 00:00:17,789
and in two months to prepare us for

7
00:00:24,590 --> 00:00:21,300
those missions Scott Kelly will begin a

8
00:00:25,310 --> 00:00:24,600
year-long stay in space so good luck
