

12

1  
00:00:05,349 --> 00:00:03,030  
hello football fans and greetings from

2  
00:00:08,230 --> 00:00:05,359  
the international space station i'm

3  
00:00:11,110 --> 00:00:08,240  
expedition 42 commander and navy captain

4  
00:00:13,110 --> 00:00:11,120  
barry butch wilmore of nasa and yes a

5  
00:00:14,709 --> 00:00:13,120  
big titans fan

6  
00:00:17,590 --> 00:00:14,719  
and i'm air force colonel and nasa

7  
00:00:19,510 --> 00:00:17,600  
astronaut terry verts a huge ravens fan

8  
00:00:21,750 --> 00:00:19,520  
but also a fan of the houston texans

9  
00:00:23,269 --> 00:00:21,760  
where butch and i now both call home

10  
00:00:25,429 --> 00:00:23,279  
now even though our teams didn't make it

11  
00:00:27,029 --> 00:00:25,439  
to the big game you know we'll be

12  
00:00:28,630 --> 00:00:27,039  
watching the hawks and the pats square

13  
00:00:30,710 --> 00:00:28,640

off today as we take a break from our

14

00:00:32,630 --> 00:00:30,720

scientific research that is helping to

15

00:00:35,110 --> 00:00:32,640

start us on our journey to mars and when

16

00:00:36,150 --> 00:00:35,120

we get there now that will really be

17

00:00:38,950 --> 00:00:36,160

super

18

00:00:40,470 --> 00:00:38,960

for now from our sky box 260 miles above

19

00:00:42,790 --> 00:00:40,480

the earth this is the international

20

00:00:45,750 --> 00:00:42,800

space station signing off back to you

21

00:00:46,950 --> 00:00:45,760

guys at the nfl network
