can we join them yes absolutely

37

00:04:49,749 --> 00:04:46,710

and move a little bit to the left

38

00:04:57,110 --> 00:04:49,759

39

00:04:57,120 --> 00:05:04,230

yes you can fit in here

41

00:05:07,600 --> 00:05:18,790

keep smiling

42

00:05:22,870 --> 00:05:21,029

can you please answer what kind of work

43

00:05:25,510 --> 00:05:22,880

you will be performing at baikonur as

44

00:05:27,029 --> 00:05:25,520

usual our traditional activities at

45

00:05:28,950 --> 00:05:27,039

baikonur will be preparing for the

46

00:05:34,310 --> 00:05:28,960

flight

47

00:05:41,029 --> 00:05:37,590

no it won't take a lot of time and we're

48

00:05:48,790 --> 00:05:44,950

and i was jumping with parachute

49

00:05:50,150 --> 00:05:48,800

on the 13th so everything is fine

50

00:05:51,510 --> 00:05:50,160

we are

51

00:05:57,749 --> 00:05:51,520

religious people but we're not

52

00:06:02,629 --> 00:05:59,749

so what are your objectives for this

53

00:06:06,629 --> 00:06:02,639

flight it's really hard to

54

00:06:07,430 --> 00:06:06,639

explain all the objectives in brief here

55

00:06:09,670 --> 00:06:07,440

but

56

00:06:11,990 --> 00:06:09,680

mostly we will be

57

00:06:14,070 --> 00:06:12,000

devoting our time to performing

58

00:06:16,550 --> 00:06:14,080

scientific program

59

00:06:17,350 --> 00:06:16,560

and we will be performing experiments

60

00:06:20,710 --> 00:06:17,360

and

61

00:06:23,830 --> 00:06:20,720

my colleagues will help me with that

62

00:06:28,309 --> 00:06:26,550

a good crew yes absolutely we have a

63

00:06:31,990 --> 00:06:28,319

great crew

64

00:06:34,870 --> 00:06:32,000

and we also met the

65

00:06:36,629 --> 00:06:34,880

cosmonauts and astronauts who returned

66

00:06:38,469 --> 00:06:36,639

recently and we

67

00:06:40,150 --> 00:06:38,479

talked to them the station is in great

68

00:06:42,710 --> 00:06:40,160

shape thank you very much once again can

69

00:06:44,150 --> 00:06:42,720

you repeat your question please once

70

00:06:45,189 --> 00:06:44,160

again

71

00:06:48,309 --> 00:06:45,199

so

72

00:06:51,270 --> 00:06:48,319

are you missing space did you miss space

73

00:06:59,110 --> 00:06:51,280

since your last flight yes of course it

74

00:07:06,550 --> 00:07:02,790

we made a pie for you

75

00:07:11,589 --> 00:07:09,510

your wives should stay here oh no they

76

00:07:12,790 --> 00:07:11,599

are going with you yes they are going

77

00:07:22,550 --> 00:07:12,800

with you

78

00:07:22,560 --> 00:07:41,029

see you soon bye bye

79

00:07:46,309 --> 00:07:43,430

surgeons only flight surgeons can go

80

00:07:51,270 --> 00:07:46,319

inside the bus
