

NASA Celebrates

LGBT

Lesbian, Gay, Bisexual, and Transgender

Pride Month

00:00:01,670 --> 00:00:08,630

[Music]

2
00:00:08,630 --> 00:00:14,090

My name's Larry Liou, a Project Manager at NASA Glenn Research Center.

3
00:00:14,090 --> 00:00:19,960

I manage science projects, especially earth science projects.

4
00:00:19,960 --> 00:00:27,539

Right now, we use our sensors on aircraft to monitor the harmful algae blooms in Lake

5
00:00:27,539 --> 00:00:29,090

Erie.

6
00:00:29,090 --> 00:00:37,079

We hope to study how to use our sensors, and how do we use the data to clearly tell where

7
00:00:37,079 --> 00:00:43,190

the harmful species are, and hopefully the sensors can be used in the future for other

8
00:00:43,190 --> 00:00:47,629

scientific investigations as well.

9
00:00:47,629 --> 00:00:52,499

Pride Month means a special time for celebration.

10
00:00:52,499 --> 00:01:00,829

Celebrating our differences, celebrating the LGBT lifestyle and choice, celebrating the

11
00:01:00,829 --> 00:01:09,159

acceptance we have for each other, then we can only, by accepting each other, produce

12
00:01:09,159 --> 00:01:14,650
a productive society and harmonious society.

13
00:01:14,650 --> 00:01:23,950
So it is a special time for us to share, to
talk about LGBT, and to get to know LGBT.

14
00:01:23,950 --> 00:01:33,620
I feel fierce when I worked for underdogs,
for the people who are disadvantaged, may

15
00:01:33,620 --> 00:01:42,249
they be a member, be members of my family,
members of the society, or animals, innocent

16
00:01:42,249 --> 00:01:53,880
animals often are the object of aggressors,
or abuse, I feel most energetic and fierce,

17
00:01:53,880 --> 00:01:59,619
you may say, when I work for the benefit of
them.

18
00:01:59,619 --> 00:02:09,709
I house many abandoned animals in my, you
know, myself, I have 7, 8, no, 6 animals,

19
00:02:09,709 --> 00:02:18,310
and I also donate regularly to humane societies,
and APL, Animal Protection League, and, you

20
00:02:18,310 --> 00:02:26,340
know, just, and a general advocate for equality
for animals.

21
00:02:26,340 --> 00:02:33,409
My superpower is unconditional love, and unconditional
acceptance.

22

00:02:33,409 --> 00:02:43,510

I feel it's only, it's only with that energy
in my mind that I'm acting and thinking off

23

00:02:43,510 --> 00:02:47,260

from it then I can be the best.

24

00:02:47,260 --> 00:02:56,380

And there's no magic, there's no, any dramatic
things I need to do, but I do believe continue

25

00:02:56,380 --> 00:03:05,019

to look at light, following that energy, life
will be good, and I can be the most efficient

26

00:03:05,019 --> 00:03:09,140

and effective being a human being.

27

00:03:09,140 --> 00:03:13,470

In 10 years, I most likely will be retired.

28

00:03:13,470 --> 00:03:22,200

I hope to be on my sailboat a lot more with
my puppies, with my animal children, maybe

29

00:03:22,200 --> 00:03:25,189

go out to the ocean and see other places.

30

00:03:25,189 --> 00:03:34,780

I like to visit my children, my nephews and
cousins in Taiwan, where I came from, or any

31

00:03:34,780 --> 00:03:36,469

other parts of the world.

32

00:03:36,469 --> 00:03:44,360

I'd like to donate more time, working, working
for the benefit of underdogs, whatever the

33

00:03:44,360 --> 00:03:46,480

groups they may be.

34

00:03:46,480 --> 00:03:51,460

I know animals, for sure, will be one.
