NASA Astronaut, One-Year Mission

1  
00:00:06,490 --> 00:00:08,820

I'd like to wish everyone a happy Independence Day.

2  
00:00:08,820 --> 00:00:13,849

It's a great holiday, great tradition and hopefully the timing will be right and I will

3  
00:00:13,849 --> 00:00:17,050

be able to look down and see little specks of light over the United

4  
00:00:17,050 --> 00:00:20,160

States on the evening of the fourth of July.
