

1
00:00:00,160 --> 00:00:06,249

The NASA aeronautics portfolio is incredible
and every day we're making breakthroughs

2
00:00:06,249 --> 00:00:07,939

coming up with inspirational things.

3
00:00:07,939 --> 00:00:15,120

We're improving safety and reducing noise
and really paying attention to the environment

4
00:00:15,120 --> 00:00:18,010

and environmentally friendly aircraft.

5
00:00:18,010 --> 00:00:21,840

So all of this is to say that NASA is with
you when you fly.
