

1  
00:00:04,550 --> 00:00:01,990  
there's even more because i'm

2  
00:00:06,630 --> 00:00:04,560  
okay the control room is telling me

3  
00:00:08,390 --> 00:00:06,640  
we have a very special guest who wants

4  
00:00:10,230 --> 00:00:08,400  
to talk to you

5  
00:00:14,150 --> 00:00:10,240  
uh we're truly going above and beyond

6  
00:00:16,710 --> 00:00:14,160  
here astronaut astronaut scott kelly

7  
00:00:19,510 --> 00:00:16,720  
joining us live from the international

8  
00:00:23,670 --> 00:00:19,520  
space station

9  
00:00:29,269 --> 00:00:25,990  
good morning and uh you know i'd like to

10  
00:00:37,110 --> 00:00:29,279  
say congratulations to to trent there

11  
00:00:46,869 --> 00:00:38,709  
i am

12  
00:00:50,790 --> 00:00:48,389  
well that's great trent and you know a

13  
00:00:53,510 --> 00:00:50,800

lot of people look up to uh astronauts

14

00:00:56,389 --> 00:00:53,520

because we we fly in space

15

00:00:57,670 --> 00:00:56,399

but we really really rely on the people

16

00:00:59,510 --> 00:00:57,680

on the ground the people that work in

17

00:01:02,470 --> 00:00:59,520

the control centers the engineers the

18

00:01:04,789 --> 00:01:02,480

technicians people like yourself that

19

00:01:07,030 --> 00:01:04,799

help us do our job up here

20

00:01:08,390 --> 00:01:07,040

and you know make our life safer and

21

00:01:10,550 --> 00:01:08,400

easier

22

00:01:11,270 --> 00:01:10,560

but you know what i really look look up

23

00:01:13,109 --> 00:01:11,280

to

24

00:01:15,670 --> 00:01:13,119

are people that do things when they

25

00:01:17,270 --> 00:01:15,680

don't expect any recognition and i think

26

00:01:19,429 --> 00:01:17,280

that's what you do

27

00:01:20,789 --> 00:01:19,439

uh by donating your time

28

00:01:22,390 --> 00:01:20,799

and uh

29

00:01:24,230 --> 00:01:22,400

you know by getting these bikes for

30

00:01:26,310 --> 00:01:24,240

underprivileged kids and getting them on

31

00:01:28,070 --> 00:01:26,320

the right track and getting them to you

32

00:01:30,469 --> 00:01:28,080

know be in a position someday where they

33

00:01:32,870 --> 00:01:30,479

can be successful adults and you know

34

00:01:34,870 --> 00:01:32,880

you're the real role model here

35

00:01:36,950 --> 00:01:34,880

so you know what i'd like to do is

36

00:01:39,109 --> 00:01:36,960

announce uh today

37

00:01:41,830 --> 00:01:39,119

that uh you know we are putting together

38

00:01:43,190 --> 00:01:41,840

some donations for some new bikes for

39

00:01:45,190 --> 00:01:43,200

your program

40

00:01:51,990 --> 00:01:45,200

so you can continue to help kids reach

41

00:01:52,000 --> 00:01:57,670

oh wow that's amazing thank you

42

00:02:02,550 --> 00:02:00,310

that is amazing thank you final words

43

00:02:04,149 --> 00:02:02,560

commander kelly there commander kelly we

44

00:02:06,389 --> 00:02:04,159

here i'd like to thank you for your

45

00:02:09,029 --> 00:02:06,399

service to nasa and all the things you

46

00:02:11,510 --> 00:02:09,039

do in space it makes me

47

00:02:12,470 --> 00:02:11,520

feel like i'm doing something worthwhile

48

00:02:15,190 --> 00:02:12,480

when i

49

00:02:16,949 --> 00:02:15,200

do everything i can to make sure you're

50

00:02:17,910 --> 00:02:16,959

safe

51

00:02:19,990 --> 00:02:17,920

wow

52

00:02:23,030 --> 00:02:20,000

thank you i like that little solution

53

00:02:24,390 --> 00:02:23,040

commander kelly and trent thank you

54

00:02:25,990 --> 00:02:24,400

thank you we really appreciate

55

00:02:27,510 --> 00:02:26,000

everything you do thanks for giving us

56

00:02:29,670 --> 00:02:27,520

so much joy this morning thank you for
