

THE MARTIAN

1

00:00:09,700 --> 00:00:14,370

What surprised you most while working with NASA astronauts? Laughs, So what surprised

2

00:00:14,370 --> 00:00:19,750

me most about working with YOU ! Yes, With the one. . Laughs .

3

00:00:19,750 --> 00:00:29,290

Ummm, you made me feel like any question I had was a good question and it was good to get to know the human

4

00:00:29,290 --> 00:00:41,140

Well you asked a lot of good questions and I appreciated you getting to the human side of it because that's, that

5

00:00:41,280 --> 00:00:49,700

Alright, what do you relate to most about your character, Commander Lewis? What do I relate to about Commander

6

00:00:49,780 --> 00:01:03,620

Laughs... I was thinking you were going to say that! Laughs! I like all music. I do like some...I do like some um

7

00:01:03,780 --> 00:01:16,940

And also I like that, ummm her group, her crew, is a family to her. You know they're one unit and that's important

8

00:01:16,940 --> 00:01:26,680

That's spoken very Commander like. Well, thank you. I don't know that I'd be able to be very good at giving people

9

00:01:26,680 --> 00:01:30,900

Alright, What do you hope that people take away from your character, Commander Lewis?

10

00:01:30,900 --> 00:01:37,320

You know what would be great is that there is a little girl who watches the film and then says, "Ah, I want to do

11

00:01:37,320 --> 00:01:47,120

Like, we're not at the point yet where we are doing manned missions to Mars, but like how great would it be if t

12

00:01:47,120 --> 00:01:55,900

" I want to be a commander on a space mission or you know, I want to umm, be an astronaut and to explore."

13

00:01:55,900 --> 00:01:59,600

We love you so much...Laughs.

14

00:01:59,700 --> 00:02:10,900

I will tell you what I told my husband when we watched the trailer and how exciting that was and of course I'm s

15

00:02:10,960 --> 00:02:20,780

Really, It was, it was exciting to see that portrayed and I got motivated myself so the little girl in me came out...

16

00:02:20,780 --> 00:02:23,900

Ah, well you made me want to keep doing it! !
