

1  
00:00:01,000 --> 00:00:02,580  
Hi, I'm Charlie Bolden.

2  
00:00:02,580 --> 00:00:07,259  
I'm an astronaut myself and I'm recruiting  
the best and the brightest Americans to join

3  
00:00:07,259 --> 00:00:08,290  
me.

4  
00:00:08,290 --> 00:00:13,170  
You see, NASA's on a Journey to Mars and  
we're on the lookout for a new generation

5  
00:00:13,170 --> 00:00:14,380  
of space pioneers.

6  
00:00:14,380 --> 00:00:19,260  
Do you think you have what it takes to join  
NASA's next astronaut class?
