

1

00:00:00,000 --> 00:00:08,790

Hola! This is Lola from Plaza Sésamo, and  
Lola's so happy because she loves to have

2

00:00:08,790 --> 00:00:17,890

adventures with her amigas. Diana, y Sandra.  
And guess what? They are real-life NASA engineers,

3

00:00:17,890 --> 00:00:22,630

and they work on Mars! Hahaha!

4

00:00:22,630 --> 00:00:24,990

Well Lola, we don't work on Mars ourselves.

5

00:00:24,990 --> 00:00:26,189

You don't?

6

00:00:26,189 --> 00:00:30,250

But we do have robots at Mars like Curiosity  
and MAVEN.

7

00:00:30,250 --> 00:00:34,640

Wow! Where can Lola learn more?

8

00:00:34,640 --> 00:00:37,130

Lola, right here on NASA TV.

9

00:00:37,130 --> 00:00:39,540

Right here right now?

10

00:00:39,540 --> 00:00:43,250

Yes Lola, you are on TV. Say hi, go ahead  
and say hello!
