

1  
00:00:04,870 --> 00:00:01,670  
greetings from the international space

2  
00:00:07,190 --> 00:00:04,880  
station i'm chad lindgren

3  
00:00:09,669 --> 00:00:07,200  
i'm scott kelly

4  
00:00:12,629 --> 00:00:09,679  
and we just wanted to wish you a very

5  
00:00:13,990 --> 00:00:12,639  
warm and happy thanksgiving

6  
00:00:15,669 --> 00:00:14,000  
we are

7  
00:00:17,830 --> 00:00:15,679  
incredibly thankful for the opportunity

8  
00:00:19,109 --> 00:00:17,840  
to be up here on the international space

9  
00:00:20,710 --> 00:00:19,119  
station

10  
00:00:23,750 --> 00:00:20,720  
working and living

11  
00:00:25,750 --> 00:00:23,760  
in this amazing orbiting laboratory a

12  
00:00:27,509 --> 00:00:25,760  
physical manifestation of what is

13  
00:00:29,269 --> 00:00:27,519

possible when

14

00:00:31,509 --> 00:00:29,279

the great countries of the world work

15

00:00:33,830 --> 00:00:31,519

together

16

00:00:35,430 --> 00:00:33,840

with communication cooperation and

17

00:00:37,590 --> 00:00:35,440

collaboration

18

00:00:40,470 --> 00:00:37,600

towards peaceful means

19

00:00:43,510 --> 00:00:40,480

to perform research that benefits

20

00:00:45,830 --> 00:00:43,520

humanity back on the earth

21

00:00:48,229 --> 00:00:45,840

we're thankful for the thousands if not

22

00:00:50,869 --> 00:00:48,239

tens of thousands of people at nasa and

23

00:00:52,549 --> 00:00:50,879

its contractor companies and all the

24

00:00:55,029 --> 00:00:52,559

international partner space agencies

25

00:00:57,670 --> 00:00:55,039

around the world that uh work so hard to

26  
00:00:58,950 --> 00:00:57,680  
keep us safe and make us so successful

27  
00:01:01,510 --> 00:00:58,960  
up here on the international space

28  
00:01:04,229 --> 00:01:01,520  
station i'm personally thankful for for

29  
00:01:06,149 --> 00:01:04,239  
my friends and family especially my wife

30  
00:01:10,149 --> 00:01:06,159  
and children and i'm looking forward to

31  
00:01:13,670 --> 00:01:12,310  
and just to add a little bit to what

32  
00:01:15,670 --> 00:01:13,680  
shell said

33  
00:01:17,510 --> 00:01:15,680  
um you know being on the space station

34  
00:01:19,910 --> 00:01:17,520  
here and looking down at the uh our

35  
00:01:22,469 --> 00:01:19,920  
incredibly uh beautiful planet gives us

36  
00:01:24,149 --> 00:01:22,479  
a uh a different perspective on on what

37  
00:01:26,870 --> 00:01:24,159  
it means to be uh

38  
00:01:28,390 --> 00:01:26,880

you know citizens of of planet earth and

39

00:01:30,950 --> 00:01:28,400

you know since i've been up here we've

40

00:01:33,990 --> 00:01:30,960

seen you know so many bad things that

41

00:01:35,749 --> 00:01:34,000

that often happen um down there we

42

00:01:37,830 --> 00:01:35,759

follow that on the news

43

00:01:40,950 --> 00:01:37,840

and it just makes me really thankful to

44

00:01:43,350 --> 00:01:40,960

live in a a country uh like the united

45

00:01:45,190 --> 00:01:43,360

states that uh you know provides us with

46

00:01:47,830 --> 00:01:45,200

freedom and opportunity

47

00:01:49,670 --> 00:01:47,840

and uh you know for me being a you know

48

00:01:51,270 --> 00:01:49,680

a middle class kid from new jersey to

49

00:01:53,190 --> 00:01:51,280

just have the privilege to come up here

50

00:01:55,429 --> 00:01:53,200

and and represent my country like this

51  
00:01:58,469 --> 00:01:55,439  
so that's uh this is what i'm thankful

52  
00:01:59,830 --> 00:01:58,479  
for on this thanksgiving and uh

53  
00:02:03,030 --> 00:01:59,840  
you know we're gonna have the day off

54  
00:02:05,270 --> 00:02:03,040  
which is great we're gonna watch some uh

55  
00:02:06,950 --> 00:02:05,280  
some football it's a little bit later in

56  
00:02:09,270 --> 00:02:06,960  
the afternoon for us but we're planning

57  
00:02:10,550 --> 00:02:09,280  
on doing that and we are we're also

58  
00:02:12,630 --> 00:02:10,560  
going to have a little thanksgiving

59  
00:02:15,030 --> 00:02:12,640  
dinner of space food

60  
00:02:17,110 --> 00:02:15,040  
we got an example here of what we're

61  
00:02:18,150 --> 00:02:17,120  
going to have

62  
00:02:20,470 --> 00:02:18,160  
and uh

63  
00:02:23,350 --> 00:02:20,480

so we got some uh

64

00:02:25,110 --> 00:02:23,360

some turkey it's uh

65

00:02:26,790 --> 00:02:25,120

smoked turkey if shell i don't know if

66

00:02:28,070 --> 00:02:26,800

you want to open that up

67

00:02:30,710 --> 00:02:28,080

and uh

68

00:02:32,670 --> 00:02:30,720

some candied yams here

69

00:02:38,390 --> 00:02:32,680

some uh

70

00:02:40,470 --> 00:02:38,400

aug rotten

71

00:02:43,670 --> 00:02:40,480

so chell's gonna

72

00:02:45,110 --> 00:02:43,680

try the uh turkey

73

00:02:47,270 --> 00:02:45,120

and uh

74

00:02:49,110 --> 00:02:47,280

i'm gonna give this this a little try

75

00:02:54,470 --> 00:02:49,120

here show you what this looks like out

76

00:02:57,509 --> 00:02:55,910

we don't have much of this stuff so i

77

00:03:00,149 --> 00:02:57,519

hope he enjoys that because that was his

78

00:03:06,390 --> 00:03:00,159

thanksgiving dinner right there

79

00:03:11,270 --> 00:03:08,630

the candy yams

80

00:03:15,270 --> 00:03:12,630

ma'am
