

1
00:00:12,160 --> 00:00:16,950
foreign

2
00:00:16,960 --> 00:00:30,390
commander of the vehicle

3
00:00:30,400 --> 00:00:51,510
thanks

4
00:00:51,520 --> 00:00:56,150
we are happy to see you

5
00:00:56,160 --> 00:01:29,670
hello

6
00:01:29,680 --> 00:01:42,149
okay

7
00:01:54,149 --> 00:01:43,109
alec

8
00:01:54,159 --> 00:02:37,589
amen

9
00:02:37,599 --> 00:02:55,430
um

10
00:02:55,440 --> 00:03:13,589
oh thank you this is just right

11
00:03:18,149 --> 00:03:15,990
it's about the same

12
00:03:38,149 --> 00:03:18,159
as you did before

13
00:03:38,159 --> 00:03:54,949

get it a bit tighter

14

00:03:54,959 --> 00:04:11,910

oh

15

00:04:11,920 --> 00:04:54,550

guys look this way please

16

00:04:54,560 --> 00:05:11,830

this is good

17

00:05:11,840 --> 00:06:00,230

okay

18

00:06:00,240 --> 00:06:24,710

remember the timer

19

00:06:24,720 --> 00:06:51,589

okay

20

00:06:51,599 --> 00:07:28,870

um

21

00:07:28,880 --> 00:07:54,550

look at me it's better

22

00:08:10,469 --> 00:07:56,710

very good

23

00:08:10,479 --> 00:08:19,909

very carefully

24

00:08:19,919 --> 00:08:34,389

that's it thank you

25

00:08:34,399 --> 00:08:56,949

um

26

00:08:56,959 --> 00:09:18,389

thank you

27

00:09:18,399 --> 00:09:32,550

is

28

00:09:37,190 --> 00:09:33,990

tomorrow

29

00:09:40,070 --> 00:09:37,200

we're going to work for the plan

30

00:09:42,310 --> 00:09:40,080

all the support personnel

31

00:09:44,670 --> 00:09:42,320

will be here

32

00:09:47,269 --> 00:09:44,680

and of course the honored

33

00:10:11,509 --> 00:09:47,279

representatives of

34

00:10:11,519 --> 00:10:24,470

make our selection

35

00:10:24,480 --> 00:10:58,470

all the data should be here

36

00:11:01,509 --> 00:10:59,509

and

37

00:11:19,350 --> 00:11:01,519

range

38

00:11:41,269 --> 00:11:22,550

this stage of our preparation

39

00:11:41,279 --> 00:12:06,629

and we take walks

40

00:12:06,639 --> 00:12:16,470

uh

41

00:12:16,480 --> 00:12:25,750

um

42

00:12:25,760 --> 00:12:58,230

you did it beautifully

43

00:12:58,240 --> 00:13:28,389

so

44

00:13:28,399 --> 00:13:38,550

yes

45

00:13:38,560 --> 00:13:56,870

behind the fence

46

00:14:13,189 --> 00:13:57,829

it's a

47

00:14:13,199 --> 00:14:18,870

quickly

48

00:14:22,790 --> 00:14:21,030

and put your hands together on the

49

00:14:23,910 --> 00:14:22,800

shovel

50

00:14:29,670 --> 00:14:23,920

excellent

51

00:14:29,680 --> 00:14:53,910

and please look towards us

52

00:14:53,920 --> 00:15:08,230

quite a picture

53

00:15:13,590 --> 00:15:11,509

well i know first we have to look and

54

00:15:16,470 --> 00:15:13,600

check

55

00:15:29,350 --> 00:15:16,480

and be sure otherwise you may issue a

56

00:15:33,189 --> 00:15:31,430

well we got uh down here to baikonur

57

00:15:35,509 --> 00:15:33,199

about a week ago from star city after

58

00:15:37,189 --> 00:15:35,519

finishing our final exams up there uh

59

00:15:40,550 --> 00:15:37,199

it's been great to come back here i've

60

00:15:42,629 --> 00:15:40,560

been here i think six or seven times now

61

00:15:45,030 --> 00:15:42,639

six or seven times it's great to be in

62

00:15:45,990 --> 00:15:45,040

baikonur um it's a

63

00:15:48,710 --> 00:15:46,000

it's a

64

00:15:50,710 --> 00:15:48,720

great opportunity actually to review uh

65

00:15:52,870 --> 00:15:50,720

all the things necessary for the flight

66

00:15:54,949 --> 00:15:52,880

as well as uh just rest and finally get

67

00:15:59,829 --> 00:15:54,959

ready for the flight uh because the next

68

00:16:03,350 --> 00:16:01,749

our call sign is

69

00:16:20,710 --> 00:16:03,360

for luck

70

00:16:25,509 --> 00:16:23,030

because it will remind me of my

71

00:16:27,509 --> 00:16:25,519

hometown

72

00:16:34,150 --> 00:16:27,519

people close to me

73

00:16:39,189 --> 00:16:36,870

it will be similar to us on the space

74

00:16:42,310 --> 00:16:39,199

station doing a lot of work

75

00:16:43,990 --> 00:16:42,320

yes very hard work

76

00:16:45,670 --> 00:16:44,000

barge hauler

77

00:16:46,470 --> 00:16:45,680

and it's a beautiful

78

00:16:49,430 --> 00:16:46,480

old

79

00:16:51,590 --> 00:16:49,440

piece of art that depicts the barge

80

00:16:54,470 --> 00:16:51,600

haulers on the volga river and i think

81

00:16:55,910 --> 00:16:54,480

it's a very appropriate uh

82

00:16:58,389 --> 00:16:55,920

symbol if you will

83

00:16:59,910 --> 00:16:58,399

to use for our flight because as lxa

84

00:17:02,310 --> 00:16:59,920

said

85

00:17:05,510 --> 00:17:02,320

our work on board station for six months

86

00:17:08,710 --> 00:17:05,520

every day is is difficult it's a

87

00:17:10,870 --> 00:17:08,720

continuous it's a long

88

00:17:13,350 --> 00:17:10,880

process of working all of the things

89

00:17:15,029 --> 00:17:13,360

that were assigned to work each day

90

00:17:16,829 --> 00:17:15,039

when we get on board station we'll also

91

00:17:19,829 --> 00:17:16,839

continue to communicate

92

00:17:21,110 --> 00:17:19,839

on the equivalent of a telephone that we

93

00:17:23,189 --> 00:17:21,120

have on board

94

00:17:25,110 --> 00:17:23,199

i typically call my wife twice a day

95

00:17:27,029 --> 00:17:25,120

once when

96

00:17:28,630 --> 00:17:27,039

when she is waking up or i think she's

97

00:17:30,470 --> 00:17:28,640

awake and then once before i go to bed

98

00:17:33,029 --> 00:17:30,480

because of the time change

99

00:17:35,669 --> 00:17:33,039

i talk to my sons and daughters-in-law

100

00:17:38,710 --> 00:17:35,679

uh frequently uh once a week we have a

101
00:17:40,310 --> 00:17:38,720
video teleconference where we're able to

102
00:17:41,830 --> 00:17:40,320
to see each other a little bit more

103
00:17:43,830 --> 00:17:41,840
clearly

104
00:17:45,990 --> 00:17:43,840
and talk that way of course we we have

105
00:17:47,750 --> 00:17:46,000
email and then we send messages back and

106
00:17:49,990 --> 00:17:47,760
forth video greetings and that kind of

107
00:17:52,230 --> 00:17:50,000
thing too to not only the immediate

108
00:18:26,230 --> 00:17:52,240
family but extended family as well as

109
00:18:26,240 --> 00:18:32,950
thank you

110
00:18:40,950 --> 00:18:35,190
smile please

111
00:18:40,960 --> 00:19:02,950
remember to turn this way

112
00:19:02,960 --> 00:19:20,630
thank you

113
00:19:24,470 --> 00:19:22,390

you've just seen your spacecraft ready

114

00:19:29,510 --> 00:19:24,480

to fly and next time you will see from

115

00:19:34,310 --> 00:19:31,909

what amazes me is the amount of detail

116

00:19:36,789 --> 00:19:34,320

that goes into getting ready to fly

117

00:19:39,909 --> 00:19:36,799

uh into space and to launch a rocket and

118

00:19:42,390 --> 00:19:39,919

the incredible effort that everybody

119

00:19:44,150 --> 00:19:42,400

makes to prepare the rocket to make sure

120

00:19:45,909 --> 00:19:44,160

everything is just right

121

00:19:56,070 --> 00:19:45,919

so that we can safely and efficiently

122

00:20:01,830 --> 00:19:59,830

and also we inspected our vehicle

123

00:20:04,789 --> 00:20:01,840

when we did it the first time

124

00:20:07,350 --> 00:20:04,799

the vehicle was almost empty now it's

125

00:20:10,310 --> 00:20:07,360

all loaded with cargo

126
00:20:11,510 --> 00:20:10,320
and we have some of our personal items

127
00:20:13,750 --> 00:20:11,520
there

128
00:20:16,710 --> 00:20:13,760
which will remind us of home

129
00:20:27,510 --> 00:20:16,720
for the next six months

130
00:20:35,029 --> 00:20:29,510
so we are familiar with where all the

131
00:20:41,350 --> 00:20:37,270
and just to make sure that everything is

132
00:20:46,230 --> 00:20:43,750
what are you taking with you

133
00:20:47,990 --> 00:20:46,240
on the sawyers

134
00:20:52,630 --> 00:20:48,000
although you know that the progress

135
00:21:21,270 --> 00:20:56,710
personal items that were taken right now

136
00:21:26,549 --> 00:21:23,909
that is going to arrive after us on the

137
00:21:29,029 --> 00:21:26,559
progress of course we

138
00:21:31,990 --> 00:21:29,039

had our share in the planning of that

139

00:21:41,029 --> 00:21:32,000

but there will be some surprises for us

140

00:21:41,039 --> 00:21:53,270

well this is good

141

00:21:53,280 --> 00:22:21,990

guys pictures now

142

00:22:36,070 --> 00:22:23,750

of course it's a little bit different

143

00:22:36,080 --> 00:22:53,110

april 15 1967.

144

00:23:19,430 --> 00:22:56,470

today is the 14th

145

00:23:19,440 --> 00:23:24,390

that's a good signature

146

00:23:40,950 --> 00:23:25,430

can you

147

00:23:40,960 --> 00:24:04,549

hopefully he will turn around

148

00:24:04,559 --> 00:24:25,029

be sure

149

00:24:30,470 --> 00:24:27,830

it is separated into four parts

150

00:24:44,630 --> 00:24:30,480

and the colors are the colors of

151

00:24:44,640 --> 00:24:49,110

which is the symbol of the united states

152

00:24:52,470 --> 00:24:50,070

and

153

00:24:54,870 --> 00:24:52,480

this particular check mark is a part of

154

00:24:57,269 --> 00:24:54,880

the nasa emblem for jeff

155

00:25:09,190 --> 00:24:57,279

and here is oleg's part
