

1

00:00:00,000 --> 00:00:04,529

Star Trek has inspired many real-life explorers including NASA scientist,

2

00:00:04,529 --> 00:00:09,570

engineers and astronauts who often cite star trek as inspiring them to focus on

3

00:00:09,570 --> 00:00:13,740

space exploration from earth's largest federation of scientists, engineers and

4

00:00:13,740 --> 00:00:18,660

explorers we congratulate Star Trek on its 50th anniversary from the birthplace

5

00:00:18,660 --> 00:00:23,310

of " V'ger " so from all of us here at NASA Headquarters as Star Trek continues to

6

00:00:23,310 --> 00:00:28,000

push the final frontiers of our imagination. Happy 50th Star Trek.

7

00:00:35,840 --> 00:00:32,520

Happy 50th anniversary Star Trek!

8

00:00:35,840 --> 00:00:40,440

We set a course to seek out the strange new worlds in our own universe.

9

00:00:40,440 --> 00:00:41,980

Warp factor 9

10

00:00:41,980 --> 00:00:43,460

Engage!

11

00:00:43,460 --> 00:00:46,120

Happy anniversary Star Trek!

12
00:00:46,120 --> 00:00:49,360
for boldly going where no one has gone before.

13
00:00:49,360 --> 00:00:52,140
Going boldly for 50 years.

14
00:00:56,540 --> 00:00:54,140
Live long and prosper.

15
00:00:57,300 --> 00:01:00,079
Happy 50th anniversary Star Trek!
