

1
00:00:05,349 --> 00:00:03,350
ivanishin uh rubens and onishi uh have

2
00:00:07,349 --> 00:00:05,359
been a three-person crew for a slightly

3
00:00:09,910 --> 00:00:07,359
extended period of time

4
00:00:10,870 --> 00:00:09,920
uh because of the uh three-week launch

5
00:00:12,789 --> 00:00:10,880
delay

6
00:00:15,509 --> 00:00:12,799
that uh kimbrough

7
00:00:17,990 --> 00:00:15,519
rishikov and barasenko waited out

8
00:00:20,390 --> 00:00:18,000
as a technical problem on the soyuz mso2

9
00:00:23,029 --> 00:00:20,400
was identified and corrected

10
00:00:25,109 --> 00:00:23,039
but issue waving to the camera

11
00:00:28,150 --> 00:00:25,119
standing by for the opening of the hatch

12
00:00:31,509 --> 00:00:28,160
that you see uh in the background

13
00:00:33,910 --> 00:00:31,519

that the forward docking hatch to the

14

00:00:43,430 --> 00:00:33,920

soyuz mso2 that arrived on board the

15

00:00:48,950 --> 00:00:47,270

and the soyuz hatch is open at 7 20 a.m

16

00:00:54,310 --> 00:00:48,960

central time

17

00:01:11,350 --> 00:00:54,320

standing by for the crew to float inside

18

00:01:14,950 --> 00:01:13,750

so use commander sergey ryzikov first

19

00:01:17,270 --> 00:01:14,960

inside

20

00:01:19,270 --> 00:01:17,280

followed by andre barasenko

21

00:01:23,270 --> 00:01:19,280

arriving onboard the station for his

22

00:01:27,670 --> 00:01:25,190

and shane kimbrough the nasa flight

23

00:01:29,910 --> 00:01:27,680

engineer returning to the international

24

00:01:32,390 --> 00:01:29,920

space station

25

00:01:34,789 --> 00:01:32,400

after his first flight aboard a

26
00:01:37,030 --> 00:01:34,799
space shuttle during the assembly phase

27
00:01:39,190 --> 00:01:37,040
of the complex

28
00:02:13,510 --> 00:01:39,200
all six crew members now on board the

29
00:02:16,070 --> 00:02:15,270
so the crew now will make its way inside

30
00:02:30,470 --> 00:02:16,080
the

31
00:02:32,710 --> 00:02:30,480
soyuz hatch opened at 7 20 a.m central

32
00:02:34,790 --> 00:02:32,720
time right on time uh with the three

33
00:02:36,949 --> 00:02:34,800
crew members floating inside kimbrough

34
00:03:17,030 --> 00:02:36,959
regionkoth and borisenko now aboard the

35
00:03:20,790 --> 00:03:18,869
respond we're here on space to round one

36
00:03:22,790 --> 00:03:20,800
how do you read us

37
00:03:33,910 --> 00:03:22,800
uh read you loud and clear how is the

38
00:03:37,430 --> 00:03:35,750

we cannot see you from behind the guys

39

00:03:40,630 --> 00:03:37,440

in the front

40

00:03:44,149 --> 00:03:40,640

that's great that's great

41

00:03:44,159 --> 00:03:47,750

you're ready

42

00:03:52,149 --> 00:03:49,670

yes we are ready

43

00:03:52,949 --> 00:03:52,159

that's great then i'm going to give you

44

00:04:11,270 --> 00:03:52,959

to

45

00:04:16,469 --> 00:04:14,309

mission control center is greeting you

46

00:04:18,789 --> 00:04:16,479

on board of the international space

47

00:04:20,789 --> 00:04:18,799

station we're congratulating you on the

48

00:04:25,350 --> 00:04:20,799

successful docking

49

00:04:27,830 --> 00:04:25,360

and we're wishing you a successful new

50

00:04:32,230 --> 00:04:27,840

increment on board of the international

51
00:04:35,030 --> 00:04:32,240
space station i'm going to give the

52
00:04:37,990 --> 00:04:35,040
phone to the friends and family members

53
00:04:40,390 --> 00:04:38,000
of the crew members good afternoon guys

54
00:04:50,550 --> 00:04:40,400
congratulations

55
00:04:53,909 --> 00:04:51,590
hello

56
00:04:55,430 --> 00:04:53,919
the crew members are great the program

57
00:05:02,710 --> 00:04:55,440
is awesome

58
00:05:07,189 --> 00:05:04,310
i am glad

59
00:05:08,830 --> 00:05:07,199
i'm good i'm very happy

60
00:05:11,430 --> 00:05:08,840
i'm

61
00:05:31,350 --> 00:05:11,440
enormously happy

62
00:05:34,950 --> 00:05:33,189
satellite system we'll be locked up just

63
00:05:37,270 --> 00:05:34,960

a moment or two from now

64

00:05:39,670 --> 00:05:37,280

to resume the congratulatory calls from

65

00:05:42,150 --> 00:05:39,680

those gathered in the balcony here at

66

00:05:44,390 --> 00:05:42,160

the russian mission control center

67

00:05:46,629 --> 00:05:44,400

again a hatch opening occurring at 7 20

68

00:05:48,390 --> 00:05:46,639

a.m central time standing by for the

69

00:05:52,070 --> 00:05:48,400

resumption of a downlink signal from the

70

00:05:55,510 --> 00:05:52,080

zvezda service module

71

00:05:58,469 --> 00:05:55,520

no video there's a small dropout short

72

00:06:00,710 --> 00:05:58,479

dropout on space to ground about 30 or

73

00:06:47,670 --> 00:06:00,720

40 seconds okay we'll be standing by for

74

00:06:51,589 --> 00:06:48,950

andrew

75

00:06:53,990 --> 00:06:51,599

hello how are you feeling how did you

76

00:06:57,990 --> 00:06:54,000

make it there

77

00:07:00,629 --> 00:06:58,000

we made it great and we

78

00:07:03,909 --> 00:07:01,830

i hope we

79

00:07:06,550 --> 00:07:03,919

worked well the ground will tell us if

80

00:07:08,390 --> 00:07:06,560

something is not right and we're looking

81

00:07:10,150 --> 00:07:08,400

forward to

82

00:07:11,510 --> 00:07:10,160

uh working

83

00:07:13,990 --> 00:07:11,520

further on

84

00:07:24,469 --> 00:07:14,000

they can they dock to the right station

85

00:07:28,870 --> 00:07:26,550

nikoi

86

00:07:31,270 --> 00:07:28,880

hello

87

00:07:33,670 --> 00:07:31,280

thank you for welcoming the guys i'm

88

00:07:35,589 --> 00:07:33,680

glad to see you're doing well

89

00:07:39,029 --> 00:07:35,599

we're wishing you good

90

00:07:40,790 --> 00:07:39,039

uh good job and yes thank you

91

00:07:55,909 --> 00:07:40,800

and we're looking forward to seeing them

92

00:07:55,919 --> 00:08:07,029

drastically

93

00:08:07,039 --> 00:08:12,950

still bothering you there hello

94

00:08:12,960 --> 00:08:18,070

you are star brothers

95

00:08:23,589 --> 00:08:19,830

here

96

00:08:26,869 --> 00:08:23,599

we're wishing you and your entire crew

97

00:08:29,589 --> 00:08:26,879

and the anatoly venetian crew all the

98

00:08:32,149 --> 00:08:29,599

very very best

99

00:08:35,670 --> 00:08:32,159

every success in your work

100

00:08:39,350 --> 00:08:35,680

we love you very very much

101
00:08:41,750 --> 00:08:39,360
we're wishing you all the very best

102
00:08:45,030 --> 00:08:41,760
of course we're wishing you best of luck

103
00:08:49,430 --> 00:08:45,040
and remain in good health

104
00:08:54,949 --> 00:08:50,550
thank you

105
00:08:55,910 --> 00:08:54,959
we're doing really well everything is

106
00:09:02,710 --> 00:08:55,920
great

107
00:09:06,550 --> 00:09:05,190
you see uh we already have hot tea

108
00:09:11,430 --> 00:09:06,560
waiting for them

109
00:09:16,389 --> 00:09:13,590
as a

110
00:09:19,030 --> 00:09:16,399
nuclear submarine remember

111
00:09:22,389 --> 00:09:19,040
i am sending the best wishes to the

112
00:09:23,190 --> 00:09:22,399
entire crew and i hope

113
00:09:25,509 --> 00:09:23,200

that

114

00:09:28,230 --> 00:09:25,519

all your

115

00:09:30,550 --> 00:09:28,240

hardware and all the equipment never

116

00:09:33,670 --> 00:09:30,560

fails you because you were trained and

117

00:09:34,949 --> 00:09:33,680

prepared by wonderful specialists and

118

00:09:38,470 --> 00:09:34,959

great people

119

00:09:38,480 --> 00:09:43,829

to work well and wishing you ever

120

00:09:48,310 --> 00:09:46,790

have everything go smoothly and come

121

00:09:51,590 --> 00:09:48,320

back

122

00:09:54,630 --> 00:09:51,600

safely and we're wishing the returning

123

00:09:57,030 --> 00:09:54,640

crew a safe landing on earth

124

00:10:01,190 --> 00:09:57,040

thank you

125

00:10:08,870 --> 00:10:01,200

greatly appreciate it

126

00:10:13,670 --> 00:10:10,230

i hope

127

00:10:16,389 --> 00:10:13,680

you had a good flight to the station

128

00:10:18,949 --> 00:10:16,399

i mean good flight it was that it wasn't

129

00:10:21,829 --> 00:10:18,959

too difficult

130

00:10:24,470 --> 00:10:21,839

we're wishing you successful completion

131

00:10:27,910 --> 00:10:24,480

of all your experiments uh we're wishing

132

00:10:29,910 --> 00:10:27,920

you enjoyable work and uh

133

00:10:32,069 --> 00:10:29,920

come back to earth soon because we're

134

00:10:34,630 --> 00:10:32,079

missing you already

135

00:10:37,350 --> 00:10:34,640

evan thank you

136

00:10:39,670 --> 00:10:37,360

i see as if we have an expression we

137

00:10:42,389 --> 00:10:39,680

shouldn't come soon we should come on

138

00:10:42,399 --> 00:10:52,230

for the program so to speak

139

00:10:52,240 --> 00:11:12,870

do

140

00:11:17,350 --> 00:11:16,310

control there is a large support team

141

00:11:19,590 --> 00:11:17,360

they're all

142

00:11:20,710 --> 00:11:19,600

sending their best wishes to you and

143

00:11:22,630 --> 00:11:20,720

moreover

144

00:11:26,230 --> 00:11:22,640

there were phone calls from saint

145

00:11:28,630 --> 00:11:26,240

petersburg they were asking to

146

00:11:31,269 --> 00:11:28,640

send greetings

147

00:11:33,750 --> 00:11:31,279

regardless whether or whether you know

148

00:11:36,550 --> 00:11:33,760

them personally

149

00:11:37,430 --> 00:11:36,560

they were very happy to watch

150

00:11:39,829 --> 00:11:37,440

your

151
00:11:42,230 --> 00:11:39,839
launch and today they're going to watch

152
00:11:43,829 --> 00:11:42,240
your docking today i hope you're

153
00:11:47,750 --> 00:11:43,839
watching you always butcher which is

154
00:11:50,150 --> 00:11:48,870
remember

155
00:11:52,310 --> 00:11:50,160
the first

156
00:11:53,069 --> 00:11:52,320
check in the

157
00:11:56,550 --> 00:11:53,079
in

158
00:11:58,710 --> 00:11:56,560
1983 that's how it all started so

159
00:12:01,030 --> 00:11:58,720
wishing you best of luck during your

160
00:12:23,190 --> 00:12:01,040
flight

161
00:12:38,710 --> 00:12:25,670
yes everything is going well everything

162
00:12:42,550 --> 00:12:40,389
have a good flight

163
00:12:43,829 --> 00:12:42,560

wishing you successful

164

00:12:46,550 --> 00:12:43,839

handover

165

00:12:49,269 --> 00:12:46,560

you have a very busy day the day after

166

00:12:51,350 --> 00:12:49,279

tomorrow you're going to welcome a cargo

167

00:12:53,990 --> 00:12:51,360

vehicle it's a lot of work and then you

168

00:12:57,190 --> 00:12:54,000

will need to get ready to

169

00:13:13,350 --> 00:12:57,200

go back home to earth and wishing you

170

00:13:19,829 --> 00:13:16,310

we're very glad to be here to be able to

171

00:13:21,269 --> 00:13:19,839

see you of course they all

172

00:13:31,829 --> 00:13:21,279

all the cities in particular saying

173

00:13:36,389 --> 00:13:34,230

and we're looking forward to getting the

174

00:13:38,470 --> 00:13:36,399

harvest from the station when you come

175

00:13:40,870 --> 00:13:38,480

back of course the harvest

176
00:13:44,949 --> 00:13:40,880
will be there

177
00:13:46,550 --> 00:13:44,959
andre guys this is mitchell speaking

178
00:13:48,230 --> 00:13:46,560
our entire family

179
00:13:50,230 --> 00:13:48,240
we were all worried about you andre

180
00:13:52,870 --> 00:13:50,240
thank you very much for such a wonderful

181
00:14:01,269 --> 00:13:58,230
for us to be able to be present at lunch

182
00:14:03,590 --> 00:14:01,279
all the very best and we're always close

183
00:14:05,110 --> 00:14:03,600
dmitry we're glad to

184
00:14:08,790 --> 00:14:05,120
hear you we're

185
00:14:11,350 --> 00:14:08,800
glad you enjoyed uh the

186
00:14:12,470 --> 00:14:11,360
show of our arrival and docking to the

187
00:14:15,750 --> 00:14:12,480
station

188
00:14:18,550 --> 00:14:15,760

and i hope that in time

189

00:14:20,150 --> 00:14:18,560

lot of people are from earth are going

190

00:14:21,910 --> 00:14:20,160

to be able to

191

00:14:23,350 --> 00:14:21,920

see it with their own eyes not just

192

00:14:26,470 --> 00:14:23,360

watch it

193

00:14:32,550 --> 00:14:30,470

oh this is uh gerst from moscow and

194

00:14:34,230 --> 00:14:32,560

welcome to the new crew and to the crew

195

00:14:35,269 --> 00:14:34,240

onboard station it's great to see all

196

00:14:37,590 --> 00:14:35,279

six of you

197

00:14:39,670 --> 00:14:37,600

your families are in houston so i'm the

198

00:14:42,230 --> 00:14:39,680

designated representative here in moscow

199

00:14:43,910 --> 00:14:42,240

so again just have a you had a great

200

00:14:45,750 --> 00:14:43,920

flight up the launch was absolutely

201
00:14:47,110 --> 00:14:45,760
beautiful you got plenty of great work

202
00:14:49,670 --> 00:14:47,120
in front of you we've got a cygnus

203
00:14:50,710 --> 00:14:49,680
vehicle on the way to you and then

204
00:14:53,269 --> 00:14:50,720
pretty soon

205
00:14:54,870 --> 00:14:53,279
landing coming up so have a great great

206
00:14:57,590 --> 00:14:54,880
time on board station and enjoy your

207
00:15:01,030 --> 00:14:59,189
thanks vlad cursed i'm glad you're there

208
00:15:03,110 --> 00:15:01,040
representing the us um hello to

209
00:15:04,629 --> 00:15:03,120
everybody in houston sorry you guys

210
00:15:15,750 --> 00:15:04,639
aren't a little closer but i know we had

211
00:15:34,150 --> 00:15:17,670
great thank you very much have a great

212
00:15:49,749 --> 00:15:37,430
hello to the entire crew from sergey

213
00:15:49,759 --> 00:15:59,189

god bless

214

00:16:03,509 --> 00:16:01,749

and all the colleges that you graduated

215

00:16:05,590 --> 00:16:03,519

from all the schools

216

00:16:07,749 --> 00:16:05,600

i believe will be joining us and

217

00:16:10,310 --> 00:16:07,759

greeting you we're wishing you

218

00:16:11,670 --> 00:16:10,320

successful completion of your science

219

00:16:13,189 --> 00:16:11,680

research

220

00:16:15,030 --> 00:16:13,199

objectives

221

00:16:16,949 --> 00:16:15,040

and we're hoping the results when you

222

00:16:19,910 --> 00:16:16,959

bring them to the ground will help

223

00:16:22,389 --> 00:16:19,920

people all the best good luck

224

00:16:23,749 --> 00:16:22,399

thank you very much sergey this is

225

00:16:27,269 --> 00:16:23,759

victor

226

00:16:30,150 --> 00:16:27,279

thank you very much for such a great

227

00:16:33,749 --> 00:16:30,160

launch and such a great

228

00:16:37,910 --> 00:16:33,759

talking and ingress in the station

229

00:16:39,990 --> 00:16:37,920

thank you very much guys all the best

230

00:16:43,749 --> 00:16:40,000

thank you very much to the people who

231

00:16:56,470 --> 00:16:43,759

designed such equipment and

232

00:17:03,350 --> 00:16:59,829

what i can say looking at the one at the

233

00:17:06,069 --> 00:17:03,360

beautiful lady among uh in your ranks

234

00:17:08,949 --> 00:17:06,079

maybe you guys are going to be aborted a

235

00:17:10,710 --> 00:17:08,959

little bit when she goes back to earth

236

00:17:13,510 --> 00:17:10,720

but our

237

00:17:15,350 --> 00:17:13,520

ladies will always be sending their

238

00:17:18,710 --> 00:17:15,360

greetings to you

239

00:17:20,949 --> 00:17:18,720

hoping you're going to feel great

240

00:17:23,189 --> 00:17:20,959

because they'll be always cheering for

241

00:17:26,309 --> 00:17:24,150

and

242

00:17:28,470 --> 00:17:26,319

we're going to be

243

00:17:30,950 --> 00:17:28,480

greeting and welcoming

244

00:17:33,029 --> 00:17:30,960

the beautiful lady from your career down

245

00:17:34,950 --> 00:17:33,039

in earth soon

246

00:17:38,549 --> 00:17:34,960

and for shane

247

00:17:40,870 --> 00:17:38,559

definitely as you were saying

248

00:17:44,510 --> 00:17:40,880

prior to flying

249

00:17:46,710 --> 00:17:44,520

to the iss you were seeing

250

00:17:50,390 --> 00:17:46,720

international crew

251
00:17:53,029 --> 00:17:50,400
it is a great advantage it's a great

252
00:17:54,710 --> 00:17:53,039
advantage for all people thank you very

253
00:17:56,950 --> 00:17:54,720
much for

254
00:17:59,510 --> 00:17:56,960
understanding this approach and i

255
00:18:00,390 --> 00:17:59,520
believe all the countries

256
00:18:03,830 --> 00:18:00,400
japan

257
00:18:07,669 --> 00:18:03,840
european countries the united states

258
00:18:09,590 --> 00:18:07,679
they should all be such great friends

259
00:18:11,430 --> 00:18:09,600
as you are friends with each other and

260
00:18:14,710 --> 00:18:11,440
we will always support you thank you

261
00:18:21,110 --> 00:18:14,720
very much dear friends

262
00:18:28,150 --> 00:18:22,549
we are

263
00:18:31,909 --> 00:18:29,750

agree with you

264

00:18:35,669 --> 00:18:31,919

uh our earth is wonderful we need to

265

00:18:40,150 --> 00:18:38,070

it is a great honor

266

00:18:42,950 --> 00:18:40,160

for me to

267

00:18:44,549 --> 00:18:42,960

speak on behalf of russian pilots to

268

00:18:47,190 --> 00:18:44,559

talk to the

269

00:18:48,789 --> 00:18:47,200

crew members to express appreciation for

270

00:18:50,470 --> 00:18:48,799

all the great work that

271

00:18:52,789 --> 00:18:50,480

you do

272

00:18:55,590 --> 00:18:52,799

thank you very much and we're very glad

273

00:18:59,430 --> 00:18:55,600

everything

274

00:19:03,830 --> 00:18:59,440

circuit we were praying for you and as

275

00:19:06,390 --> 00:19:03,840

we say altitude is not too much because

276

00:19:14,390 --> 00:19:06,400

i think it's not possible

277

00:19:17,590 --> 00:19:15,590

greetings

278

00:19:27,029 --> 00:19:17,600

to all the aviation

279

00:19:30,950 --> 00:19:29,190

on behalf of our entire family we're

280

00:19:34,789 --> 00:19:30,960

wishing you

281

00:19:38,950 --> 00:19:34,799

a good flight and most of all to be in

282

00:19:42,310 --> 00:19:38,960

great health for you um you and

283

00:19:43,350 --> 00:19:42,320

entire crew and we're wishing you

284

00:20:05,750 --> 00:19:43,360

a

285

00:20:08,310 --> 00:20:05,760

success

286

00:20:11,350 --> 00:20:08,320

in your work

287

00:20:13,669 --> 00:20:11,360

thank you thank you everyone

288

00:20:15,990 --> 00:20:13,679

thank you for the real uh time support

289

00:20:17,990 --> 00:20:16,000

team thank you for uh to everyone who

290

00:20:20,549 --> 00:20:18,000

was preparing the vehicle the crew

291

00:20:22,950 --> 00:20:20,559

members are expressing their entire

292

00:20:24,070 --> 00:20:22,960

their appreciation to the entire team
