

Hello Expedition 49!
Welcome to Cygnus OA-5

ARMY

DECK

1
00:00:04,470 --> 00:00:02,550
hello everyone happy thanksgiving from

2
00:00:05,749 --> 00:00:04,480
the international space station i hope

3
00:00:07,430 --> 00:00:05,759
everyone's going to have a wonderful

4
00:00:09,030 --> 00:00:07,440
thanksgiving this year with family and

5
00:00:10,870 --> 00:00:09,040
friends it's going to be a little bit

6
00:00:12,470 --> 00:00:10,880
different for us up here in space but

7
00:00:15,030 --> 00:00:12,480
i'm going to try to make it as much like

8
00:00:16,550 --> 00:00:15,040
home as as we can

9
00:00:18,870 --> 00:00:16,560
our our crew's gonna have a thanksgiving

10
00:00:20,230 --> 00:00:18,880
dinner uh it is a work day for us so

11
00:00:22,710 --> 00:00:20,240
we're not gonna get the day off like

12
00:00:24,230 --> 00:00:22,720
most folks do in in the united states

13
00:00:27,109 --> 00:00:24,240

but uh we're gonna work all day and then

14

00:00:28,630 --> 00:00:27,119

we're gonna have a an evening big dinner

15

00:00:30,230 --> 00:00:28,640

um full of most of things that you're

16

00:00:32,470 --> 00:00:30,240

gonna have at your table let me show you

17

00:00:33,830 --> 00:00:32,480

a few of those

18

00:00:36,389 --> 00:00:33,840

so of course we're going to have our

19

00:00:37,910 --> 00:00:36,399

foods a little bit different so

20

00:00:39,270 --> 00:00:37,920

here's our turkey right here so it's

21

00:00:41,030 --> 00:00:39,280

going to be in a pouch we'll heat this

22

00:00:44,069 --> 00:00:41,040

up and it'll taste really good just like

23

00:00:47,590 --> 00:00:44,079

you're having it at home

24

00:00:57,510 --> 00:00:49,430

we got cherry blueberry cobbler for

25

00:01:01,029 --> 00:00:59,349

let's see one of our side dishes is

26
00:01:03,189 --> 00:01:01,039
candied yams that something else will

27
00:01:04,950 --> 00:01:03,199
heat up obviously and now we have some

28
00:01:07,590 --> 00:01:04,960
dehydrated food as well but it's going

29
00:01:10,310 --> 00:01:07,600
to make the thanksgiving meal that much

30
00:01:12,550 --> 00:01:10,320
more special to simulate being at home

31
00:01:14,310 --> 00:01:12,560
with our families this is our cornbread

32
00:01:16,149 --> 00:01:14,320
dressing that we will obviously put some

33
00:01:19,749 --> 00:01:16,159
water in and heat it up

34
00:01:22,550 --> 00:01:19,759
and it'll taste really good i'm sure

35
00:01:24,630 --> 00:01:22,560
followed by green beans and mushrooms so

36
00:01:28,070 --> 00:01:24,640
we can't can't have a thanksgiving meal

37
00:01:31,830 --> 00:01:29,830
and the last item we're going to have is

38
00:01:34,230 --> 00:01:31,840

mashed potatoes also comes in a small

39

00:01:37,030 --> 00:01:34,240

package that we will rehydrate

40

00:01:39,429 --> 00:01:37,040

and have a good meal with that

41

00:01:41,429 --> 00:01:39,439

i'm from i'm from atlanta so i can't

42

00:01:43,910 --> 00:01:41,439

have thanksgiving dinner without having

43

00:01:46,710 --> 00:01:43,920

some sweet tea in our case we have sweet

44

00:01:48,310 --> 00:01:46,720

tea with lemon in this uh drink packet

45

00:01:50,069 --> 00:01:48,320

that we're going to have

46

00:01:52,950 --> 00:01:50,079

i keep saying we because i've kind of

47

00:01:55,350 --> 00:01:52,960

made this meal for our entire crew

48

00:01:57,030 --> 00:01:55,360

we're gonna have me and peggy whitson

49

00:01:58,469 --> 00:01:57,040

which is the other american that's gonna

50

00:02:00,469 --> 00:01:58,479

be here for the meal

51
00:02:01,429 --> 00:02:00,479
the other person is a french astronaut

52
00:02:02,950 --> 00:02:01,439
and then we're gonna have three

53
00:02:05,910 --> 00:02:02,960
cosmonauts from russia and we're all

54
00:02:07,749 --> 00:02:05,920
gonna be enjoying uh thanksgiving dinner

55
00:02:09,669 --> 00:02:07,759
we're obviously gonna be talking about

56
00:02:11,910 --> 00:02:09,679
what thanksgiving means to us what we're

57
00:02:14,710 --> 00:02:11,920
thankful for and sharing the tradition

58
00:02:16,470 --> 00:02:14,720
with our french and russian colleagues

59
00:02:18,470 --> 00:02:16,480
because they you know in general don't

60
00:02:19,990 --> 00:02:18,480
participate in these kind of holidays

61
00:02:21,670 --> 00:02:20,000
unless they happen to be in the u.s at

62
00:02:23,350 --> 00:02:21,680
the time of thanksgiving so we're going

63
00:02:25,430 --> 00:02:23,360

to have a great time

64

00:02:27,110 --> 00:02:25,440

of course thanksgiving in my world is

65

00:02:29,270 --> 00:02:27,120

not complete without some football so

66

00:02:31,110 --> 00:02:29,280

we're going to have uh mission control

67

00:02:32,869 --> 00:02:31,120

send up some live football games to us

68

00:02:34,830 --> 00:02:32,879

to for us to watch

69

00:02:37,110 --> 00:02:34,840

to complete the experience of

70

00:02:38,869 --> 00:02:37,120

thanksgiving i hope you all have

71

00:02:39,830 --> 00:02:38,879

something very special to be thankful

72

00:02:42,309 --> 00:02:39,840

for

73

00:02:43,750 --> 00:02:42,319

we do we're very safe up here we're

74

00:02:46,229 --> 00:02:43,760

going to have a great time enjoying
