1
00:00:00,000 --> 00:00:05,000
[MUSIC]

2
00:00:08,780 --> 00:00:11,640
These, these women, they transcended.

3
00:00:11,650 --> 00:00:14,770
Their genius transcended race and gender and

4
00:00:14,770 --> 00:00:16,750
they were able to achieve the

5
00:00:16,750 --> 00:00:21,160
extraordinary not just alone but with a

6
00:00:21,160 --> 00:00:23,650
unified front with a shared humanity

7
00:00:23,650 --> 00:00:26,199
with everyone at NASA. You know there

8
00:00:26,199 --> 00:00:29,650
were white women and men, everyone

9
00:00:29,650 --> 00:00:31,689
coming together to get our first

10
00:00:31,689 --> 00:00:34,270
Americans into space and finally, we're

11
00:00:34,270 --> 00:00:36,280
able to celebrate them and and we're

12
00:00:36,280 --> 00:00:38,560
going to see these nuanced brilliant

13
00:00:38,560 --> 00:00:41,770

mindful women on screen and and no other

14

00:00:41,770 --> 00:00:45,220

young girl will not know about these young

15

00:00:45,220 --> 00:00:47,320

these women these extraordinarily gifted women.

16

00:00:47,320 --> 00:00:50,500

You know honestly when I started working on

17

00:00:50,500 --> 00:00:51,140

this book

18

00:00:51,140 --> 00:00:53,480

six years ago I had no idea that this is

19

00:00:53,480 --> 00:00:57,020

what it would turn into, but you know

20

00:00:57,020 --> 00:00:59,750

the excitement, all the people, there you know

21

00:00:59,750 --> 00:01:03,080

families of the women here tonight.

22

00:01:03,080 --> 00:01:05,740

So it's an amazing experience and super

23

00:01:06,290 --> 00:01:08,550

thrilled to be here.

24

00:01:08,980 --> 00:01:13,600

I have never, in all of the time that we've explored anything

25

00:01:13,610 --> 00:01:15,500

about the space race we've only seen

26
00:01:15,500 --> 00:01:17,690
footage or heard of the contributions

27
00:01:17,690 --> 00:01:22,310
made by men and so it was a little

28
00:01:22,310 --> 00:01:24,590
disheartening at first but then you know

29
00:01:24,590 --> 00:01:27,350
the light came on and we realized that

30
00:01:27,350 --> 00:01:30,320
we have the opportunity to be part of

31
00:01:30,320 --> 00:01:32,479
something greater than ourselves just

32
00:01:32,479 --> 00:01:33,619
like these women.

33
00:01:33,700 --> 00:01:36,740
It's again one of these things where a legacy was

34
00:01:36,770 --> 00:01:38,570
generated and now is coming to let

35
00:01:38,570 --> 00:01:40,790
everyone see the works of Katherine

36
00:01:40,790 --> 00:01:42,979
Johnson and the team and NASA Langley.

37
00:01:42,979 --> 00:01:45,110
I had the fortune of working there with

38
00:01:45,110 --> 00:01:46,940

her and it was just an incredible

39

00:01:46,940 --> 00:01:49,430

journey of grit, determination and

40

00:01:49,430 --> 00:01:51,410

perseverance to get us to the moon and

41

00:01:51,410 --> 00:01:53,800

back and when you think about those types of

42

00:01:53,810 --> 00:01:56,869

things we can do with our brains to let

43

00:01:56,869 --> 00:01:58,729

other kids see these types of things can

44

00:01:58,729 --> 00:02:00,129

be done by anyone.

45

00:02:00,360 --> 00:02:03,619

It's great! It's been a story that we felt for a while but we're

46

00:02:03,619 --> 00:02:05,360

celebrating our women pioneers, our

47

00:02:05,360 --> 00:02:06,350

African-American computers

48

00:02:06,350 --> 00:02:08,030

couldn't be happier.

49

00:02:08,030 --> 00:02:10,009

Yeah, It's so important for the country

50

00:02:10,009 --> 00:02:11,990

that we know the truth that all of us

51
00:02:11,990 --> 00:02:14,120
have always been amazing forever and the

52
00:02:14,120 --> 00:02:15,860
NASA team is of course made up of men

53
00:02:15,860 --> 00:02:17,630
and women people from across our country

54
00:02:17,630 --> 00:02:20,510
all parts, all geographies, all races. You

55
00:02:20,510 --> 00:02:22,330
know we got talent everywhere.

56
00:02:22,340 --> 00:02:24,440
One of the most crucial points of this story

57
00:02:24,440 --> 00:02:28,430
that I hope everyone takes away is the

58
00:02:28,430 --> 00:02:31,280
culmination of events and people that

59
00:02:31,280 --> 00:02:32,900
have to come together to do something as

60
00:02:32,900 --> 00:02:35,030
amazing as sending John Glenn into orbit,

61
00:02:35,030 --> 00:02:41,000
is the lesson I think to take forward in

62
00:02:41,000 --> 00:02:45,019
our own lives now in that you know when

63
00:02:45,019 --> 00:02:48,200

we don't let certain societal norms or

64

00:02:48,200 --> 00:02:51,110

barrier stand in the way of who we join

65

00:02:51,110 --> 00:02:54,760

with to work on certain things together

66

00:02:54,760 --> 00:02:56,409

the results can truly be

67

00:02:56,409 --> 00:02:58,749

out-of-this-world.

68

00:02:58,820 --> 00:03:01,840

And to be a part of re-implementing this back into our

69

00:03:01,870 --> 00:03:04,450

history is very important

70

00:03:04,450 --> 00:03:06,579

I think we all felt a sense of

71

00:03:06,579 --> 00:03:08,439

responsibility to get it right.

72

00:03:08,439 --> 00:03:10,900

You're talking about heroes and
