

1
00:03:09,319 --> 00:00:59,440

[Music]

2
00:03:20,410 --> 00:03:09,329

please be seated for God spoke the first

3
00:03:30,559 --> 00:03:24,410

when we draw our last breath and leave

4
00:03:38,209 --> 00:03:33,709

you are everlasting fortune he returned

5
00:03:40,099 --> 00:03:38,219

home to his home to Ohio and after

6
00:03:44,360 --> 00:03:40,109

leaving office to the ohio state

7
00:03:48,589 --> 00:03:44,370

university 549 mid combat missions in

8
00:03:52,099 --> 00:03:48,599

two wars he never shirked from danger he

9
00:03:54,830 --> 00:03:52,109

crossed the country in three hours 23

10
00:04:03,620 --> 00:03:54,840

minutes and prove that the engine was a

11
00:04:24,200 --> 00:04:21,939

[Music]

12
00:04:27,499 --> 00:04:24,210

we served in the Senate together

13
00:04:30,680 --> 00:04:27,509

side-by-side for 25 years and we travel

14

00:04:34,580 --> 00:04:33,140

John was one of the happiest people I

15

00:04:37,550 --> 00:04:34,590

ever knew

16

00:04:40,090 --> 00:04:37,560

don't think about it one of the happiest

17

00:04:44,940 --> 00:04:40,100

people I ever knew he had that

18

00:04:49,110 --> 00:04:47,010

I think John defined what i meant to be

19

00:04:53,730 --> 00:04:49,120

America would have meant to be in

20

00:04:57,840 --> 00:04:53,740

America what we were about Jess by how

21

00:04:59,780 --> 00:04:57,850

reactive was always about promised we

22

00:05:08,800 --> 00:04:59,790

were country of possibilities

23

00:05:16,090 --> 00:05:12,610

John believe it was right that future

24

00:05:20,170 --> 00:05:16,100

generations of Americans will also look

25

00:05:28,310 --> 00:05:20,180

deep within the heavens and understand

26
00:05:33,390 --> 00:05:31,680
his passing has affected me deeply but

27
00:05:37,140 --> 00:05:33,400
in the spirit of optimism that he has

28
00:05:39,960 --> 00:05:37,150
always radiated I'd also like us to

29
00:05:46,060 --> 00:05:39,970
remember his many achievements and the

30
00:05:52,270 --> 00:05:50,740
John Glenn always said yes yes to his

31
00:05:55,600 --> 00:05:52,280
country's call in the united states

32
00:05:58,150 --> 00:05:55,610
marine corps yes to being the first

33
00:05:59,880 --> 00:05:58,160
american to orbit earth as one of

34
00:06:02,950 --> 00:05:59,890
mercury seven

35
00:06:06,130 --> 00:06:02,960
yes to his state's nomination to serve

36
00:06:07,930 --> 00:06:06,140
in the Senate and yes to the on-call of

37
00:06:12,780 --> 00:06:07,940
his nation to help it forge a path

38
00:06:18,300 --> 00:06:15,810

even in his seventies he continued to
