

JEANETTE EPPS | NASA ASTRONAUT
JOHNSON SPACE CENTER

1
00:00:01,459 --> 00:00:07,120

The biggest piece of advice I would give young women going into a stem field is that anything

2
00:00:07,120 --> 00:00:09,290

that you don't know is going to be hard at first.

3
00:00:09,290 --> 00:00:13,860

But if you stay the course, you put the time and effort in, it will become seamless eventually.
