

1
00:00:04,950 --> 00:00:03,110
okay houston and everybody welcome to

2
00:00:07,430 --> 00:00:04,960
the change of command ceremony between

3
00:00:09,990 --> 00:00:07,440
expeditions 50 and 51.

4
00:00:12,310 --> 00:00:10,000
uh crews are behind me here uh we're

5
00:00:14,870 --> 00:00:12,320
ready to do this thing and uh get

6
00:00:17,430 --> 00:00:14,880
expedition 50 off of here so 51 can

7
00:00:18,870 --> 00:00:17,440
enjoy their experience even more

8
00:00:20,630 --> 00:00:18,880
but we've had a great time up here it's

9
00:00:22,950 --> 00:00:20,640
been an amazing experience for almost

10
00:00:25,349 --> 00:00:22,960
six months now for andre and sergey and

11
00:00:27,189 --> 00:00:25,359
i and we've gotten to enjoy peggy and

12
00:00:28,630 --> 00:00:27,199
taman oleg for about four and a half

13
00:00:30,230 --> 00:00:28,640

months of that so it's that's pretty

14

00:00:31,669 --> 00:00:30,240

unusual but we've really enjoyed having

15

00:00:32,950 --> 00:00:31,679

them around

16

00:00:35,270 --> 00:00:32,960

it's really neat to be part of something

17

00:00:38,310 --> 00:00:35,280

this big something bigger than ourselves

18

00:00:40,229 --> 00:00:38,320

for one but even bigger than a nation um

19

00:00:41,590 --> 00:00:40,239

it's you know we get the ability up here

20

00:00:43,830 --> 00:00:41,600

to interact with things that actually

21

00:00:46,229 --> 00:00:43,840

benefit all of humanity so it's really

22

00:00:47,670 --> 00:00:46,239

humbling for one but uh very neat and

23

00:00:48,709 --> 00:00:47,680

special to be part of something like

24

00:00:50,229 --> 00:00:48,719

that

25

00:00:51,990 --> 00:00:50,239

none of us could do any of this without

26

00:00:53,750 --> 00:00:52,000

the support of a lot of people so i'll

27

00:00:55,510 --> 00:00:53,760

just try to thank a few and i know i

28

00:00:57,189 --> 00:00:55,520

won't ever hit everybody but first and

29

00:00:59,510 --> 00:00:57,199

foremost i want to thank my family and

30

00:01:00,869 --> 00:00:59,520

friends who've really been incredibly

31

00:01:02,630 --> 00:01:00,879

strong with their support throughout

32

00:01:04,469 --> 00:01:02,640

this whole process the training as well

33

00:01:06,230 --> 00:01:04,479

as the mission itself

34

00:01:08,710 --> 00:01:06,240

we've had incredible support from the

35

00:01:10,390 --> 00:01:08,720

ground teams all across the globe the

36

00:01:13,670 --> 00:01:10,400

mission control centers in houston

37

00:01:15,109 --> 00:01:13,680

huntsville munich scuba japan and moscow

38

00:01:17,350 --> 00:01:15,119

russia

39

00:01:20,469 --> 00:01:17,360

all led by our lead flight director

40

00:01:22,469 --> 00:01:20,479

ahmet so ahmet special thanks to you and

41

00:01:24,630 --> 00:01:22,479

all the people who have worked

42

00:01:26,950 --> 00:01:24,640

all you know many hours supporting our

43

00:01:29,350 --> 00:01:26,960

mission over the past six months and

44

00:01:31,109 --> 00:01:29,360

there's many other people in those teams

45

00:01:32,710 --> 00:01:31,119

from the hardware side that actually

46

00:01:34,390 --> 00:01:32,720

make the equipment or they trained us on

47

00:01:35,270 --> 00:01:34,400

the equipment so thanks to all of you as

48

00:01:36,710 --> 00:01:35,280

well

49

00:01:39,030 --> 00:01:36,720

it's really neat and special to be part

50

00:01:40,230 --> 00:01:39,040

of such a huge team and you guys really

51
00:01:42,069 --> 00:01:40,240
are the heroes of this mission we're

52
00:01:44,149 --> 00:01:42,079
just up here executing your plan so

53
00:01:46,230 --> 00:01:44,159
thank you for working so hard for us

54
00:01:47,670 --> 00:01:46,240
uh we really appreciate it sergey and

55
00:01:49,990 --> 00:01:47,680
andre and i certainly want to thank

56
00:01:51,910 --> 00:01:50,000
peggy and oleg and tomah

57
00:01:53,749 --> 00:01:51,920
we've learned so much from you and just

58
00:01:55,270 --> 00:01:53,759
really enjoyed our time together it's

59
00:01:57,190 --> 00:01:55,280
made this experience so much better

60
00:01:59,190 --> 00:01:57,200
having you on board so

61
00:02:00,950 --> 00:01:59,200
with that i'm going to turn command of

62
00:02:02,950 --> 00:02:00,960
the international space station over to

63
00:02:05,030 --> 00:02:02,960

dr peggy whitson

64

00:02:06,870 --> 00:02:05,040

she will set another record at this

65

00:02:08,550 --> 00:02:06,880

moment she's been doing this many times

66

00:02:10,710 --> 00:02:08,560

throughout the last few weeks

67

00:02:12,309 --> 00:02:10,720

but she now becomes the first two-time

68

00:02:14,309 --> 00:02:12,319

female commander of the international

69

00:02:18,710 --> 00:02:14,319

space station the space station is in

70

00:02:23,190 --> 00:02:21,350

well up here we don't wear shoes but

71

00:02:25,910 --> 00:02:23,200

shane's leaving some really big socks

72

00:02:26,630 --> 00:02:25,920

for me to fill

73

00:02:28,550 --> 00:02:26,640

but

74

00:02:31,430 --> 00:02:28,560

expedition 50 has been incredibly

75

00:02:32,630 --> 00:02:31,440

successful and conducted four space

76

00:02:35,470 --> 00:02:32,640

walks

77

00:02:36,710 --> 00:02:35,480

grappled to visiting vehicles

78

00:02:37,430 --> 00:02:36,720

[Music]

79

00:02:40,229 --> 00:02:37,440

we

80

00:02:43,270 --> 00:02:40,239

packed and unpacked uh three cargo

81

00:02:46,150 --> 00:02:43,280

vehicles in in relatively short order

82

00:02:49,110 --> 00:02:46,160

and uh and got an amazing amount of

83

00:03:00,229 --> 00:02:49,120

science done all thanks to expedition 50

84

00:03:04,470 --> 00:03:03,270

we have very nice crew we have excellent

85

00:03:06,229 --> 00:03:04,480

commander

86

00:03:08,229 --> 00:03:06,239

and we have

87

00:03:10,710 --> 00:03:08,239

beautiful ground support

88

00:03:12,630 --> 00:03:10,720

and we have

89

00:03:16,070 --> 00:03:12,640

unforgettable

90

00:03:22,949 --> 00:03:19,910

beautiful nice spa spending time on

91

00:03:25,750 --> 00:03:22,959

board iss thank you everybody

92

00:03:25,760 --> 00:03:32,789

moving friends
