

1
00:00:30,439 --> 00:01:00,130
a jules thomas yayou hockey

2
00:01:06,410 --> 00:01:02,000
hello thomas it's someone of life

3
00:01:30,140 --> 00:01:06,420
you can hear me hello yves I can

4
00:01:34,340 --> 00:01:30,150
hear you very well I'm ready his voice

5
00:01:41,480 --> 00:01:34,350
without living there where lives at the stadium of

6
00:01:42,830 --> 00:01:41,490
france in cairo hello he yes I can

7
00:02:05,200 --> 00:01:42,840
hear you very well well well long very well

8
00:02:05,210 --> 00:02:08,800
it's true that it's hard

9
00:02:16,020 --> 00:02:12,309
social and by tensions the most

10
00:02:18,010 --> 00:02:16,030
difficult that we can imagine

11
00:02:22,920 --> 00:02:18,020
new breasts is that we rock

12
00:02:30,220 --> 00:02:24,790
but in the end I look at

13
00:02:58,710 --> 00:02:30,230

magnificent images but at the end I slowed down

14

00:03:23,560 --> 00:03:14,830

blues I didn't know the night with its

15

00:03:33,599 --> 00:03:23,570

carpet of light looks so much at them

16

00:03:37,330 --> 00:03:36,370

really very fine and that's what protects us

17

00:03:57,970 --> 00:03:56,140

there we only have one what I learned

18

00:03:59,860 --> 00:03:57,980

is that here is a veil of stats the

19

00:04:04,120 --> 00:03:59,870

borders you can't see from space and

20

00:04:05,559 --> 00:04:04,130

burgundy where it seems that

21

00:04:11,030 --> 00:04:05,569

everything to be really more harmonious

22

00:04:23,270 --> 00:04:21,710

ask that and that's just giving

23

00:04:28,060 --> 00:04:23,280

a maintenance and that you really have to

24

00:04:31,820 --> 00:04:30,200

the special inspection we didn't choose

25

00:04:52,629 --> 00:04:31,830

to be together we have

26

00:05:16,490 --> 00:05:12,980

not without doubt it is to be able to

27

00:05:21,279 --> 00:05:16,500

work as a team to close six

28

00:05:25,610 --> 00:05:21,289

months in a tin can his

29

00:05:28,909 --> 00:05:25,620

battle has held up well like

30

00:05:30,680 --> 00:05:28,919

that and then and then here it is now we

31

00:05:35,469 --> 00:05:30,690

know each other by heart in fact we are a

32

00:05:40,670 --> 00:05:37,820

it has become more than friends since

33

00:05:47,420 --> 00:05:40,680

cpnc colleges because it make me funny

34

00:05:49,339 --> 00:05:47,430

no doubt is fairness it is one

35

00:05:52,010 --> 00:05:49,349

of the people new people I

36

00:06:00,350 --> 00:05:52,020

n I haven't experienced that db bobo brawl

37

00:06:00,360 --> 00:06:14,290

[Music]

38

00:06:17,020 --> 00:06:15,339

around me and still full

39

00:06:19,270 --> 00:06:17,030

of equipment which are

40

00:06:24,550 --> 00:06:19,280

scientific experiments I have to put his

41

00:06:29,100 --> 00:06:24,560

doctors a lot of things to

42

00:06:31,480 --> 00:06:29,110

do wrong and is of cession' I have

43

00:06:33,460 --> 00:06:31,490

never goes around the world without

44

00:07:01,649 --> 00:06:33,470

bad games no new things

45

00:07:15,730 --> 00:07:14,260

strong but sometimes we are reproached we are

46

00:07:20,800 --> 00:07:15,740

sometimes missing in the

47

00:07:23,800 --> 00:07:20,810

pond canned food this dish every

48

00:07:27,580 --> 00:07:23,810

day six months that's ok we wants to

49

00:07:29,290 --> 00:07:27,590

change but once again we

50

00:07:33,430 --> 00:07:29,300

believe that the challenge is the chance

51

00:07:38,379 --> 00:07:33,440

of a teenage life is there to do

52

00:07:40,930 --> 00:07:38,389

something useful for people it

53

00:07:42,279 --> 00:07:40,940

gives a goal with it because it

54

00:07:45,189 --> 00:07:42,289

allows not fall into routine

55

00:07:48,510 --> 00:07:45,199

the team will be overcome a little all that is there

56

00:07:58,559 --> 00:07:50,890

but sometimes it is also a bit of a

57

00:08:07,689 --> 00:08:06,219

to see the earth from where csg what is the

58

00:08:09,399 --> 00:08:07,699

walk and then and then six months ago in the

59

00:08:24,830 --> 00:08:09,409

end it's not very good boat was

60

00:08:32,870 --> 00:08:30,860

I learned that it was

61

00:08:34,250 --> 00:08:32,880

it was at my doorstep and finally I

62

00:08:35,390 --> 00:08:34,260

was never completely sure because

63

00:08:36,740 --> 00:08:35,400

it seems so huge

64

00:08:39,290 --> 00:08:36,750

and I was doing my best better but I

65

00:08:40,370 --> 00:08:39,300

said to myself doesn't it matter that

66

00:08:50,180 --> 00:08:40,380

I'm going to be able to do all the things

67

00:08:52,010 --> 00:08:50,190

that I need and then that somewhere

68

00:08:53,540 --> 00:08:52,020

the only way to function is to

69

00:08:59,470 --> 00:08:53,550

open up to others I break down doors a bit

70

00:09:01,490 --> 00:08:59,480

open travel and adventure

71

00:09:06,650 --> 00:09:01,500

everyone there are lucky people

72

00:09:14,269 --> 00:09:06,660

because like that he hasn't had any

73

00:09:15,260 --> 00:09:14,279

career that is individual no need

74

00:09:37,100 --> 00:09:15,270

to go into space to know that

75

00:09:40,460 --> 00:09:37,110

but today no no it screams that do

76

00:09:43,310 --> 00:09:40,470

n't create anxiety again, that is to

77

00:09:45,350 --> 00:09:43,320

say that but but no but I don't have any

78

00:09:46,670 --> 00:09:45,360

j&j nothing to sell finally I'm not going to

79

00:09:54,710 --> 00:09:46,680

do a promotional tour

80

00:10:01,130 --> 00:09:54,720

so is what I was doing before in

81

00:10:03,620 --> 00:10:01,140

fact this mission it's hard and

82

00:10:05,390 --> 00:10:03,630

I hope we may be before before his

83

00:10:07,220 --> 00:10:05,400

rights I go back to work

84

00:10:08,810 --> 00:10:07,230

when I arrive so well I will continue to

85

00:10:16,640 --> 00:10:08,820

do what I was doing before his

86

00:10:32,060 --> 00:10:16,650

agency for us in a selfish way

87

00:10:34,579 --> 00:10:32,070

made me for adequate battles on what

88

00:10:35,830 --> 00:10:34,589

I I'm doing well there are always I

89

00:10:37,300 --> 00:10:35,840

arrive at three months

90

00:10:39,010 --> 00:10:37,310

something to complain about that's for sure moreover

91

00:10:39,940 --> 00:10:39,020

it's a bit French we like it even

92

00:10:45,090 --> 00:10:39,950

when the French football team

93

00:10:54,810 --> 00:10:48,490

it's are these programs actually done

94

00:11:02,380 --> 00:10:58,210

felt fiq the results even if a priori

95

00:11:05,470 --> 00:11:02,390

the pigeons and 7 but here I am at

96

00:11:09,910 --> 00:11:05,480

home I am if we have done 250 experiments

97

00:11:11,590 --> 00:11:09,920

we know we have broken the record of 2

98

00:11:14,650 --> 00:11:11,600

hours of the experience aboard the

99

00:11:18,610 --> 00:11:14,660

space station immediately done nicely

100

00:11:21,400 --> 00:11:18,620

2% of the time 220 sport that just doesn't make

101
00:11:24,580 --> 00:11:21,410
280 hours a week to three experts

102
00:11:28,840 --> 00:11:24,590
from catherine to say that in fact i spent

103
00:11:30,160 --> 00:11:28,850
my time there it doesn't matter to us

104
00:11:31,750 --> 00:11:30,170
what we do here it doesn't cost that much we

105
00:11:39,940 --> 00:11:31,760
have a space station that was

106
00:11:41,530 --> 00:11:39,950
built essential of the French

107
00:11:43,690 --> 00:11:41,540
tobacco games the things

108
00:11:44,860 --> 00:11:43,700
that really nothing and then we try

109
00:11:50,110 --> 00:11:44,870
to advance science

110
00:11:54,280 --> 00:11:50,120
knowledge yes me I'm really

111
00:11:55,720 --> 00:11:54,290
that it's positive because my life after

112
00:11:56,530 --> 00:11:55,730
I know that I will not arrive convinced

113
00:11:57,910 --> 00:11:56,540

everyone will always have people

114

00:12:13,650 --> 00:11:57,920

who they will find fault with it but

115

00:12:20,800 --> 00:12:16,540

the international has not reduced above

116

00:12:24,900 --> 00:12:20,810

from France you forgot

117

00:12:26,420 --> 00:12:24,910

I heard about that in the press

118

00:12:28,070 --> 00:12:26,430

it's

119

00:12:29,630 --> 00:12:28,080

not really the main interest

120

00:12:35,150 --> 00:12:29,640

I think of the mission in space

121

00:12:36,610 --> 00:12:35,160

but well that means or

122

00:12:38,050 --> 00:12:36,620

another and then

123

00:12:42,250 --> 00:12:38,060

and then so much the better in the end so much the

124

00:12:43,750 --> 00:12:42,260

better so if they are interested in it I

125

00:12:48,610 --> 00:12:43,760

think that we succeeded in part of the

126

00:13:01,050 --> 00:12:55,060

it's true the code they can't wait to

127

00:13:01,060 --> 00:13:21,460

winchester

128

00:13:33,579 --> 00:13:23,630

so we my name is crisis but i

129

00:13:35,300 --> 00:13:33,589

started with the questions about weibo

130

00:13:36,230 --> 00:13:35,310

power of attorney it's one of the things

131

00:13:39,230 --> 00:13:36,240

when you leave for six months in space is

132

00:13:43,550 --> 00:13:39,240

not done i see that she is i

133

00:13:45,590 --> 00:13:43,560

mentioned maybe think enough about her

134

00:13:46,370 --> 00:13:45,600

duties of a citizen his rights and his

135

00:13:47,000 --> 00:13:46,380

duties so I made a

136

00:14:05,240 --> 00:13:47,010

power of attorney

137

00:14:07,610 --> 00:14:05,250

before leaving I communicate them

138

00:14:08,440 --> 00:14:07,620

by email in fact it is a friend who will

139

00:14:11,480 --> 00:14:08,450

vote for me

140

00:14:19,040 --> 00:14:11,490

flap to communicate by e-mail I try

141

00:14:20,329 --> 00:14:19,050

my form and yes even

142

00:14:21,139 --> 00:14:20,339

last week because I still

143

00:14:32,949 --> 00:14:21,149

gave myself some time for

144

00:14:48,560 --> 00:14:47,389

how we have a kind of

145

00:14:50,300 --> 00:14:48,570

somewhat watered-down web pages, that is to say that we are

146

00:14:51,889 --> 00:14:50,310

sent, for example, articles or

147

00:14:57,260 --> 00:14:51,899

small videos we are not connected to

148

00:14:59,210 --> 00:14:57,270

face the wac and its right continuously

149

00:15:04,000 --> 00:14:59,220

me my companion obviously trains me

150

00:15:06,980 --> 00:15:04,010

a lot by e-mail to I was

151
00:15:08,329 --> 00:15:06,990
simply because I was not caught

152
00:15:15,620 --> 00:15:08,339
in the in the turmoil a little

153
00:15:21,350 --> 00:15:15,630
media and therefore get to

154
00:15:22,370 --> 00:15:21,360
the point somewhere look at

155
00:15:31,069 --> 00:15:22,380
what the candidates' ideas are

156
00:15:53,939 --> 00:15:31,079
rather than the different themes that

157
00:16:00,220 --> 00:15:58,259
pregnancy environment come on it's easy yes it's

158
00:16:02,199 --> 00:16:00,230
it's difficult but another times

159
00:16:05,379 --> 00:16:02,209
what the great interest is that we can

160
00:16:06,699 --> 00:16:05,389
take a step back and not only

161
00:16:07,509 --> 00:16:06,709
geographical and physical but there is

162
00:16:17,949 --> 00:16:07,519
somewhere perhaps a little

163
00:16:19,179 --> 00:16:17,959

psychological old in france it

164

00:16:24,309 --> 00:16:19,189

concerns everyone obviously quite

165

00:16:25,629 --> 00:16:24,319

important I also have months for to

166

00:16:31,600 --> 00:16:25,639

act as if it didn't concern and

167

00:16:34,479 --> 00:16:31,610

then to settle there what do I

168

00:16:38,350 --> 00:16:34,489

think about it ray all in calgary that marc

169

00:16:39,999 --> 00:16:38,360

verzeri and then 7-7 six month break in the

170

00:16:41,439 --> 00:16:40,009

end two sexes my sentence only

171

00:16:43,030 --> 00:16:41,449

beneficial and cambo des hyper

172

00:16:48,579 --> 00:16:43,040

hot players ideas a little different

173

00:17:08,500 --> 00:16:48,589

on some things here for this pact

174

00:17:10,029 --> 00:17:08,510

live on the phone so no longer 24

175

00:17:12,679 --> 00:17:10,039

hours a day but I try to call from

176

00:17:19,720 --> 00:17:12,689

and be as interested

177

00:17:22,639 --> 00:17:19,730

as possible he is not in lions

178

00:17:24,350 --> 00:17:22,649

and then I cross my fingers while

179

00:17:42,919 --> 00:17:24,360

waiting to see the result of the first
