

1
00:00:05,405 --> 00:00:08,908
NOW IS GREAT TIME FOR ME

2
00:00:08,908 --> 00:00:10,810
MY FAMILY THINK THAT ITS

3
00:00:10,810 --> 00:00:14,047
MY LAST LIFE IN SPACE

4
00:00:14,047 --> 00:00:15,949
I AM LIKE MAN WHO SAY

5
00:00:15,949 --> 00:00:18,051
NEVER SAY NEVER

6
00:00:18,051 --> 00:00:21,054
WHO KNOWS. I ASKED GOD

7
00:00:21,054 --> 00:00:23,790
AND HE DIDNT ANSWER ME

8
00:00:23,790 --> 00:00:26,092
ABOUT THIS

9
00:00:26,092 --> 00:00:31,831
SO IT'S VERY GREAT TIME, AND

10
00:00:31,831 --> 00:00:33,833
THIS BEGAN ABOUT TWO YEARS AGO

11
00:00:33,833 --> 00:00:37,937
AND CHANGE, MANY CHANGES WHEN WE

12
00:00:37,937 --> 00:00:40,440
WE BEGUN OUR TRAINING, WHEN WE

13
00:00:40,440 --> 00:00:42,409

CONTINUED OUR TRAINING.

14

00:00:42,409 --> 00:00:47,347

MY FIVE TIME IN SPACE AND FIVE

15

00:00:47,347 --> 00:00:50,350

TIMES IN SPACE, REAL GREAT

16

00:00:50,350 --> 00:00:51,684

STATION, A REAL GREAT PROGRAM.

17

00:00:51,684 --> 00:00:56,389

I AM A VERY LUCKY MAN, A VERY

18

00:00:56,389 --> 00:00:58,458

LUCKY COSMONAUT BECAUSE EACH ONE

19

00:00:58,458 --> 00:01:00,927

OF MY CREW WAS THE BEST ONE.

20

00:01:00,927 --> 00:01:02,929

THANK A LOT THE BEST CREW IN THE

21

00:01:02,929 --> 00:01:03,229

WORLD.

22

00:01:03,229 --> 00:01:05,899

SOMEBODY MAY SHEA THAT IT'S ONLY

23

00:01:05,899 --> 00:01:08,268

ONE CREW IN SPACE NOW, BUT,

24

00:01:08,268 --> 00:01:11,337

GUYS, IT'S THE BEST CREW.

25

00:01:11,337 --> 00:01:12,405

FIRST OF ALL, I WOULD LIKE TO

26

00:01:12,405 --> 00:01:16,109
SAY THANKS A LOT TO JACK

27

00:01:16,109 --> 00:01:16,709
FISCHER.

28

00:01:16,709 --> 00:01:19,112
HE WALKS WITH ME.

29

00:01:19,112 --> 00:01:22,449
HE'S VERY YOUNG WHEN HE BEGUN

30

00:01:22,449 --> 00:01:24,617
LIKE A YOUNG ASTRONAUT.

31

00:01:24,617 --> 00:01:27,921
NOW HE'S A VERY EXPERIENCED MAN

32

00:01:27,921 --> 00:01:34,594
AND ONE OF THE MOST INTELLIGENT

33

00:01:34,594 --> 00:01:36,529
NASA ASTRONAUTS IN THE WORLD.

34

00:01:36,529 --> 00:01:39,666
I WOULD LIKE TO SAY THANKS A LOT

35

00:01:39,666 --> 00:01:42,335
TO PAOLO NESPOLI.

36

00:01:42,335 --> 00:01:44,103
WE BEGAN WORKING TOGETHER.

37

00:01:44,103 --> 00:01:45,605
WE WERE BACK-UP CREW MEMBERS.

38

00:01:45,605 --> 00:01:48,675

THEN WE CHANGED THE VEHICLE,

39

00:01:48,675 --> 00:01:51,711

CHANGED THE EXPEDITIONS.

40

00:01:51,711 --> 00:01:55,148

BUT WE'RE IN SPACE, AND PAOLO, I

41

00:01:55,148 --> 00:01:57,283

AM A VERY, VERY LUCKY MAN WITH

42

00:01:57,283 --> 00:01:57,550

HIM.

43

00:01:57,550 --> 00:02:01,287

I WOULD LIKE TO SAY THANKS A LOT

44

00:02:01,287 --> 00:02:06,292

TO SERGEY BECAUSE WITH SERGEY,

45

00:02:06,292 --> 00:02:09,062

IT'S A TIME HERE.

46

00:02:09,062 --> 00:02:15,068

LIKE JACK, HE'S NOW A VERY

47

00:02:15,068 --> 00:02:16,102

EXPERIENCED COSMONAUT.

48

00:02:16,102 --> 00:02:17,570

I HOPE HE CONTINUES HIS

49

00:02:17,570 --> 00:02:19,405

EXPERIENCE IN SPACE.

50

00:02:19,405 --> 00:02:20,306

WHO KNOWS.

51
00:02:20,306 --> 00:02:25,745
AND MANY PEOPLE ASK ME ABOUT MY

52
00:02:25,745 --> 00:02:26,412
NEW CREW.

53
00:02:26,412 --> 00:02:28,748
IT'S IMPOSSIBLE FOR YOU BECAUSE

54
00:02:28,748 --> 00:02:34,387
EACH TIME YOU'VE FLOWN WITH A

55
00:02:34,387 --> 00:02:34,687
WOMAN.

56
00:02:34,687 --> 00:02:36,489
SOMEBODY LIKE THIS.

57
00:02:36,489 --> 00:02:36,956
WHAT HAPPENED?

58
00:02:36,956 --> 00:02:40,426
I THOUGHT MAYBE I AM TOO OLD,

59
00:02:40,426 --> 00:02:48,234
BUT TIME AGAIN CHANGED, AND I

60
00:02:48,234 --> 00:02:52,539
HAVE -- WOMAN IN THE WORLD,

61
00:02:52,539 --> 00:03:00,680
PEGGY WHITSON.

62
00:03:00,680 --> 00:03:03,283
THIS TIME IT'S VERY IMPORTANT

63
00:03:03,283 --> 00:03:10,290

FOR ME BECAUSE IT'S A NEW

64

00:03:10,290 --> 00:03:11,224

STATION COMMANDER, RANDY

65

00:03:11,224 --> 00:03:11,591

BRESNIK.

66

00:03:11,591 --> 00:03:13,126

THANK YOU VERY MUCH.

67

00:03:13,126 --> 00:03:15,461

YOU WERE OUR BACK-UP CREW

68

00:03:15,461 --> 00:03:15,795

MEMBER.

69

00:03:15,795 --> 00:03:19,299

I KNOW ABOUT YOU PROFESSIONAL,

70

00:03:19,299 --> 00:03:24,837

BUT, GUYS, I HAVE SPECIAL GUEST

71

00:03:24,837 --> 00:03:26,439

MEMBER FOR THIS CEREMONY.

72

00:03:26,439 --> 00:03:28,975

I INVITE THIS SPECIAL GUEST

73

00:03:28,975 --> 00:03:30,476

BECAUSE IT'S IMPOSSIBLE FOR ME

74

00:03:30,476 --> 00:03:33,680

TO BE ONLY ALONE HERE.

75

00:03:33,680 --> 00:03:48,227

PEGGY, PLEASE, STAY WITH ME.

76

00:03:48,227 --> 00:03:50,530

THANK YOU, MA'AM.

77

00:03:50,530 --> 00:03:54,367

RANDY, I AM WORKING NOT MAYBE SO

78

00:03:54,367 --> 00:03:59,405

HARD, BUT I WANT THE CREW TO BE

79

00:03:59,405 --> 00:04:00,673

ALL TOGETHER.

80

00:04:00,673 --> 00:04:02,575

WE DO NOT HAVE NATIONS HERE.

81

00:04:02,575 --> 00:04:03,409

WE HAVE A GREAT TIME.

82

00:04:03,409 --> 00:04:06,879

ARE YOU READY FOR THIS ROLE, TO

83

00:04:06,879 --> 00:04:09,282

CONTINUE THIS ROLE?

84

00:04:09,282 --> 00:04:13,820

>> I AM.

85

00:04:13,820 --> 00:04:14,854

>> PEGGY WHITSON: WELL, RANDY, I

86

00:04:14,854 --> 00:04:16,322

THINK YOU ALSO NEED TO CARRY ON

87

00:04:16,322 --> 00:04:20,593

THE TRADITION OF HAVING A GOOD

88

00:04:20,593 --> 00:04:20,893

TIME.

89

00:04:20,893 --> 00:04:21,794

I THINK YOU SHOULD CONTINUE

90

00:04:21,794 --> 00:04:23,997

DINNER AND MOVIE NIGHT BECAUSE I

91

00:04:23,997 --> 00:04:27,367

THINK THAT'S A GREAT TRADITION

92

00:04:27,367 --> 00:04:32,005

TO HAVE.

93

00:04:32,005 --> 00:04:32,872

I THINK

94

00:04:32,872 --> 00:04:34,707

I'M CONFIDENT THAT YOUR CREW IS

95

00:04:34,707 --> 00:04:35,875

GOING TO BE SUCCESSFUL.

96

00:04:35,875 --> 00:04:38,111

>> RANDY, IF YOU UNDERSTAND

97

00:04:38,111 --> 00:04:40,113

ABOUT THIS ROLE, PLEASE SAY

98

00:04:40,113 --> 00:04:42,215

SOMETHING FOR US, FOR EVERYBODY.

99

00:04:42,215 --> 00:04:55,561

IT'S MAYBE A NEW TRADITION.

100

00:04:55,561 --> 00:04:57,964

>> TAKING THE COMMAND OF THE

101
00:04:57,964 --> 00:04:59,732
NAIKS INTERNATIONAL SPACE

102
00:04:59,732 --> 00:05:02,669
STATION, I ACCEPT THIS CREW.

103
00:05:02,669 --> 00:05:03,970
WITH THE KNOWLEDGE OF THE SKILLS

104
00:05:03,970 --> 00:05:06,939
AS ONE TEAM, WE'LL ASSURE

105
00:05:06,939 --> 00:05:09,208
OPERATING EFFICIENCY AND

106
00:05:09,208 --> 00:05:10,043
INTEGRITY OF THE SCIENCE

107
00:05:10,043 --> 00:05:11,778
EQUIPMENT, SAFETY OF CREW AND

108
00:05:11,778 --> 00:05:12,145
STATION.

109
00:05:12,145 --> 00:05:13,446
WE'LL GUARANTEE STRICT EXECUTION

110
00:05:13,446 --> 00:05:16,849
OF THE FLIGHT RULES AND THE CREW

111
00:05:16,849 --> 00:05:18,084
CODE OF CONDUCT.

112
00:05:18,084 --> 00:05:20,053
CONSIDERING THAT ISS SYMBOLIZES

113
00:05:20,053 --> 00:05:22,188

OPEN AND COLLABORATING

114

00:05:22,188 --> 00:05:24,524
PARTNERSHIPS WITH PARTNERS,

115

00:05:24,524 --> 00:05:30,496
WE'LL CONTINUE -- AND

116

00:05:30,496 --> 00:05:33,833
EXPLORATION OF SPACE.

117

00:05:33,833 --> 00:05:35,001
>> FYODOR YURCHIKHIN: THANK YOU,

118

00:05:35,001 --> 00:05:38,771
VERY MUCH, RANDY.

119

00:05:38,771 --> 00:05:41,574
EACH COMMANDER SHOULD HAVE THE

120

00:05:41,574 --> 00:05:41,841
KEY.

121

00:05:41,841 --> 00:05:43,943
I THOUGHT WHAT SHOULD THIS

122

00:05:43,943 --> 00:05:44,811
SPECIAL KEY, YEAH?

123

00:05:44,811 --> 00:05:48,581
FOR COMMANDERS IN STATION.

124

00:05:48,581 --> 00:05:50,550
I REMEMBER THE STATION

125

00:05:50,550 --> 00:05:51,584
EXPEDITION FROM NO. 1.

126
00:05:51,584 --> 00:05:55,822
NOW IT'S 52 AND CONTINUES TO BE

127
00:05:55,822 --> 00:05:56,155
53.

128
00:05:56,155 --> 00:05:58,091
EACH EXPEDITION OPENS THE DOOR

129
00:05:58,091 --> 00:05:58,524
TO STATION.

130
00:05:58,524 --> 00:06:02,762
IT OPENS THE DOOR WITH KEY.

131
00:06:13,673 --> 00:06:06,632
IT'S

132
00:06:13,673 --> 00:06:16,909
SO MUNICH, SO, HOUSTON,

133
00:06:16,909 --> 00:06:21,848
HUNTSVILLE, MUNICH, MOSCOW, WITH

134
00:06:21,848 --> 00:06:26,586
PEGGY AND WITH EVERYBODY HERE,

135
00:06:26,586 --> 00:06:29,956
WE INVITE YOU, THE NEW STATION

136
00:06:29,956 --> 00:06:30,623
COMMANDER.

137
00:06:30,623 --> 00:06:33,926
GIVE HIM THE KEY FROM STATION.

138
00:06:33,926 --> 00:06:37,530

RANDY BRESNIK, WELCOME ON BOARD.

139

00:06:37,530 --> 00:06:45,972

[APPLAUSE]

140

00:06:45,972 --> 00:06:46,973

>> THANK YOU VERY MUCH.

141

00:06:46,973 --> 00:06:49,375

I DON'T KNOW IF I'M SUPPOSED TO

142

00:06:49,375 --> 00:06:52,645

WEAR THIS THE WHOLE TIME.

143

00:06:52,645 --> 00:06:53,913

[LAUGHTER]

144

00:06:53,913 --> 00:06:54,280

[APPLAUSE]

145

00:06:54,280 --> 00:06:55,114

>> ALL RIGHT.

146

00:06:55,114 --> 00:07:02,388

HERE COMES A GOOD VIEW FOR

147

00:07:02,388 --> 00:07:03,456

EVERYBODY.

148

00:07:03,456 --> 00:07:05,591

WELL, THANK YOU VERY MUCH FOR

149

00:07:05,591 --> 00:07:11,430

THAT, FYODOR.

150

00:07:11,430 --> 00:07:14,500

THANK YOU, PEGGY, 2 FISH.

151
00:07:14,500 --> 00:07:16,502
WE HAVE A SAYING THAT THE

152
00:07:16,502 --> 00:07:18,571
COMMANDER'S COMMENTS SHOULD BE

153
00:07:18,571 --> 00:07:22,441
SHORTER THAN A FIGHTER AIRCRAFT

154
00:07:22,441 --> 00:07:26,712
IN CATAPULT ON THE AFTERBURNER.

155
00:07:26,712 --> 00:07:27,880
IT WAS ONE WEEK AGO WHEN

156
00:07:27,880 --> 00:07:29,682
HURRICANE HARVEY'S WEATHER

157
00:07:29,682 --> 00:07:32,185
STARTED TO BE FELT ON TEXAS

158
00:07:32,185 --> 00:07:33,486
SHORES.

159
00:07:33,486 --> 00:07:36,756
SINCE THEN, THERE HAVE BEEN

160
00:07:36,756 --> 00:07:39,692
HISTORIC RAINFALL THAT THEY SAY

161
00:07:39,692 --> 00:07:43,396
HOUSTON HASN'T SEEN IN A

162
00:07:43,396 --> 00:07:43,796
MILLENNIUM.

163
00:07:43,796 --> 00:07:47,900

DURING THAT TIME, THE JOHNSON

164

00:07:47,900 --> 00:07:50,002

SPACE CENTER SHOWED FORTITUDE TO

165

00:07:50,002 --> 00:07:51,771

MAKE SURE THEY EXECUTED THEIR

166

00:07:51,771 --> 00:07:53,206

JOB TO MAKE SURE WE COULD BE

167

00:07:53,206 --> 00:07:55,174

SAFE UP HERE AND WORK UP HERE

168

00:07:55,174 --> 00:07:57,343

WHILE THEY MONITORED AND

169

00:07:57,343 --> 00:07:58,344

CONTROLLED THIS SPACE STATION

170

00:07:58,344 --> 00:07:59,912

FOR US.

171

00:07:59,912 --> 00:08:01,681

YOU KNOW, THAT SAME NASA SPIRIT

172

00:08:01,681 --> 00:08:03,616

IS WHAT ALLOWED, YOU KNOW,

173

00:08:03,616 --> 00:08:05,351

INITIALLY US TO GET TO THE MOON,

174

00:08:05,351 --> 00:08:07,653

TO ALLOW ALL OF THE THINGS IN

175

00:08:07,653 --> 00:08:08,020

SPACE.

176
00:08:08,020 --> 00:08:10,857
IT ALLOWS OUR INTERNATIONAL

177
00:08:10,857 --> 00:08:14,460
PARTNERSHIP NOW FOR THIS

178
00:08:14,460 --> 00:08:15,962
INTERNATIONAL SPACE STATION AND

179
00:08:15,962 --> 00:08:17,063
EVENTUALLY WHAT'S GOING TO BE

180
00:08:17,063 --> 00:08:18,397
STEPS ON MARS SOME DAY.

181
00:08:18,397 --> 00:08:21,434
I WILL SAY WE'LL DO OUR UTMOST

182
00:08:21,434 --> 00:08:23,236
ENDEAVOR TO SHOW THE SAME

183
00:08:23,236 --> 00:08:26,639
DEDICATION AND FORTITUDE EVERY

184
00:08:31,244 --> 00:08:27,773
SINGLE DAY

185
00:08:31,244 --> 00:08:33,045
EVERY DAY OF 52.

186
00:08:33,045 --> 00:08:36,315
I AM HUMBLED, AND I AM THANKFUL

187
00:08:36,315 --> 00:08:37,984
FOR THIS HONOR AND PRIVILEGE TO

188
00:08:37,984 --> 00:08:40,353

ACCEPT THE RESPONSIBILITY AS THE

189

00:08:40,353 --> 00:08:41,754

COMMANDER OF HUMANITIES

190

00:08:41,754 --> 00:08:43,856

INTERNATIONAL SPACE STATION HERE

191

00:08:43,856 --> 00:08:47,260

IN LOW-EARTH ORBIT.

192

00:08:47,260 --> 00:08:49,362

I COULDN'T BE BLESSED TO HAVE A

193

00:08:49,362 --> 00:08:51,297

FINER CREW TO SERVE WITH.

194

00:08:51,297 --> 00:08:52,732

SO WHILE MY COMMENTS ARE BRIEF,

195

00:08:52,732 --> 00:08:53,866

WHAT IS NOT BRIEF IS THE

196

00:08:53,866 --> 00:08:54,867

EXPERIENCE YOU GUYS REPRESENT

197

00:08:54,867 --> 00:08:57,937

THAT WE'RE LOSING TOMORROW.

198

00:08:57,937 --> 00:09:01,540

TOMORROW WE LOSE 1,474 DAYS

199

00:09:01,540 --> 00:09:03,643

WORTH OF SPACE FLIGHT

200

00:09:03,643 --> 00:09:04,043

EXPERIENCE.

201
00:09:04,043 --> 00:09:06,379
IF YOU DO THE MATH, THAT'S FOUR

202
00:09:06,379 --> 00:09:07,580
YEARS AND TWO WEEKS OF SPACE

203
00:09:07,580 --> 00:09:12,118
FLIGHT EXPERIENCE THAT YOU GUYS

204
00:09:12,118 --> 00:09:15,655
CUMULATIVELY HAVE TOGETHER.

205
00:09:15,655 --> 00:09:19,058
THAT'S 673 DAYS FOR FYODOR

206
00:09:19,058 --> 00:09:21,360
YURCHIKHIN.

207
00:09:21,360 --> 00:09:25,965
PEGGY, EIGHT DAYS BEHIND.

208
00:09:25,965 --> 00:09:28,067
2FISH, NO SLOUCH HIMSELF.

209
00:09:28,067 --> 00:09:29,969
STILL 90 DAYS MORE THAN I HAVE

210
00:09:29,969 --> 00:09:30,369
RIGHT NOW.

211
00:09:32,972 --> 00:09:31,604
YOU'RE DOING WELL.

212
00:09:32,972 --> 00:09:34,674
WHEN YOU THINK ABOUT THE DAYS OF

213
00:09:34,674 --> 00:09:38,110

TRAINING THAT IT TAKES FOR EVERY

214

00:09:38,110 --> 00:09:41,280

SINGLE DAY HERE ON ORBIT, THAT

215

00:09:41,280 --> 00:09:43,182

FOUR YEARS AND TWO MONTHS COMES

216

00:09:43,182 --> 00:09:46,719

ACROSS AS MANY, MANY LIFE TIMES

217

00:09:46,719 --> 00:09:49,555

OF ASTRONAUTS AND COSMONAUTS,

218

00:09:49,555 --> 00:09:50,790

NORMAL ASTRONAUTS AND

219

00:09:50,790 --> 00:09:51,190

COSMONAUTS.

220

00:09:51,190 --> 00:09:56,762

AND THE EFFECTS THAT YOU GUYS

221

00:09:56,762 --> 00:09:58,798

WILL HAVE, THE WORK YOU PUT

222

00:09:58,798 --> 00:09:59,999

FORWARD, IT WILL BE FELT FOR

223

00:09:59,999 --> 00:10:01,167

MANY, MANY YEARS TO WOMAN.

224

00:10:01,167 --> 00:10:03,936

AND WE'RE IN YOUR DEBT FOR THE

225

00:10:03,936 --> 00:10:06,272

SUPREME DEDICATION THAT YOU GUYS

226

00:10:06,272 --> 00:10:09,775

HAVE TO THE MISSION OF

227

00:10:09,775 --> 00:10:10,209

EXPLORATION.

228

00:10:10,209 --> 00:10:16,048

SO WE WOULD LIKE TO SAY --

229

00:10:16,048 --> 00:10:21,187

[FOREIGN LANGUAGE] -- AMERICAN

230

00:10:21,187 --> 00:10:25,491

SPACE NINJA PEGGY.

231

00:10:25,491 --> 00:10:28,728

WE WOULD LIKE TO WISH FOR YOU

232

00:10:28,728 --> 00:10:32,932

GODSPEED AND --

233

00:10:32,932 --> 00:10:33,666

[SPEAKING IN A FOREIGN LANGUAGE]

234

00:10:33,666 --> 00:10:50,383

-- MAY YOU HAVE A SAFE LANDING.
