

1
00:00:03,002 --> 00:00:03,703
>> MISSION CONTROL HOUSTON:

2
00:00:03,703 --> 00:00:04,504
STATION, THIS IS HOUSTON, ARE

3
00:00:04,504 --> 00:00:07,907
YOU READY FOR THE EVENT.

4
00:00:07,907 --> 00:00:09,676
>> MARK VANDE HEI: HOUSTON, THIS

5
00:00:09,676 --> 00:00:10,410
IS STATION.

6
00:00:10,410 --> 00:00:15,014
WE'RE READY FOR THE EVENT.

7
00:00:15,014 --> 00:00:15,782
>> MISSION CONTROL HOUSTON: THIS

8
00:00:15,782 --> 00:00:17,317
IS MISSION CONTROL HOUSTON.

9
00:00:17,317 --> 00:00:18,251
PLEASE CALL STATION FOR A VOICE

10
00:00:18,251 --> 00:00:21,087
CHECK.

11
00:00:21,087 --> 00:00:27,927
>> STATION, THIS IS ASHLEY.

12
00:00:27,927 --> 00:00:29,396
CAN YOU HEAR ME?

13
00:00:29,396 --> 00:00:31,398

>> MARK VANDE HEI: I CAN HEAR

14

00:00:31,398 --> 00:00:32,699

LOUD AND CLEAR.

15

00:00:32,699 --> 00:00:33,867

>> HI.

16

00:00:33,867 --> 00:00:36,236

WELL, TO START WITH THE EASIEST

17

00:00:36,236 --> 00:00:36,836

ONE.

18

00:00:36,836 --> 00:00:37,737

LET'S START WITH THE CURRENT

19

00:00:37,737 --> 00:00:39,839

MISSION YOU'RE ON.

20

00:00:39,839 --> 00:00:40,607

>> MARK VANDE HEI: WELL, THE

21

00:00:40,607 --> 00:00:44,177

MISSION WE'RE CURRENTLY ON IS

22

00:00:44,177 --> 00:00:45,078

EXPEDITION 53.

23

00:00:45,078 --> 00:00:47,981

IT STARTED ABOUT A WEEK AGO AND

24

00:00:47,981 --> 00:00:50,650

WILL CONTINUE THROUGH

25

00:00:50,650 --> 00:00:51,084

MID-DECEMBER.

26

00:00:51,084 --> 00:00:52,085

THE PRIMARY PURPOSE OF THIS

27

00:00:52,085 --> 00:00:54,954

MISSION IS TO SERVE AS A

28

00:00:54,954 --> 00:00:56,689

NATIONAL SCIENCE LAB.

29

00:00:56,689 --> 00:00:57,757

OF COURSE IT'S AN

30

00:00:57,757 --> 00:00:58,925

INTERPRETATIONAL PROGRAM, SO

31

00:00:58,925 --> 00:01:00,293

WE'VE GOT MANY COUNTRIES

32

00:01:00,293 --> 00:01:00,660

INVOLVED.

33

00:01:00,660 --> 00:01:01,861

THIS IS ALL ABOUT SCIENCE.

34

00:01:01,861 --> 00:01:04,664

WE'RE LEARNING ABOUT NOT JUST

35

00:01:04,664 --> 00:01:08,601

SCIENCE FOR THE SAKE OF SPACE

36

00:01:08,601 --> 00:01:09,869

FLIGHT BUT ALSO SCIENCE THAT

37

00:01:09,869 --> 00:01:12,138

HELPS PEOPLE ON THE GROUND

38

00:01:12,138 --> 00:01:12,439

TODAY.

39
00:01:12,439 --> 00:01:14,641
>> AND HOW WILL THAT HELP PEOPLE

40
00:01:14,641 --> 00:01:16,042
TODAY?
WHAT KIND OF THINGS ARE YOU

41
00:01:16,042 --> 00:01:18,545
LOOKING TO GAIN FROM THIS?

42
00:01:18,545 --> 00:01:21,314
>> I CAN GIVE YOU AN EXAMPLE.

43
00:01:21,314 --> 00:01:23,983
WE JUST HAD A SPACE CRAFT LEAVE

44
00:01:23,983 --> 00:01:26,186
THIS PAST WEEKEND.

45
00:01:26,186 --> 00:01:27,787
IT WAS A DRAGON CAPSULE.

46
00:01:27,787 --> 00:01:33,326
ONE OF THE THINGS WE HAD DONE --

47
00:01:33,326 --> 00:01:35,462
OR WE DELIVERED BACK TO THE

48
00:01:35,462 --> 00:01:38,765
EARTH ON THAT CAPSULE WAS SOME

49
00:01:38,765 --> 00:01:43,303
LUNG TISSUE WE HAD GROWN.

50
00:01:43,303 --> 00:01:45,939
THE GOAL IS THAT THOSE CELLS

51
00:01:45,939 --> 00:01:47,307
WILL HELP FIGHT CANCER IN THE

52
00:01:47,307 --> 00:01:47,640
FUTURE.

53
00:01:47,640 --> 00:01:48,208
>> WOW.

54
00:01:48,208 --> 00:01:51,377
THAT'S REALLY EXCITING.

55
00:01:51,377 --> 00:01:54,047
YOU'VE GONE ON A FEW OTHER

56
00:01:54,047 --> 00:01:54,414
MISSIONS.

57
00:01:54,414 --> 00:01:55,949
HOW DOES THIS ONE COMPARE TO

58
00:01:55,949 --> 00:01:59,919
OTHERS YOU' BEEN ON?

59
00:01:59,919 --> 00:02:02,589
>> THE OTHER MISSIONS I'VE BEEN

60
00:02:02,589 --> 00:02:05,058
ON HAVE ALL BEEN ON THE GROUND.

61
00:02:05,058 --> 00:02:06,192
THIS IS MY FIRST SPACE FLIGHT.

62
00:02:06,192 --> 00:02:09,195
JUST TO TELL YOU REALLY QUICKLY,

63

00:02:09,195 --> 00:02:10,830

IT'S REALLY AN AMAZING

64

00:02:10,830 --> 00:02:11,231

EXPERIENCE.

65

00:02:11,231 --> 00:02:12,932

AS THE ONLY NEW GUY ON THE CREW

66

00:02:12,932 --> 00:02:15,335

I'M IN, SOMETIMES I FEEL LIKE A

67

00:02:15,335 --> 00:02:16,503

BUBBLING IDIOT SOMETIMES, BUT

68

00:02:16,503 --> 00:02:18,471

THAT'S QUICKLY IMPROVING AS I'M

69

00:02:18,471 --> 00:02:21,641

LEARNING HOW TO MOVE AROUND IN

70

00:02:21,641 --> 00:02:22,342

ZERO G.

71

00:02:22,342 --> 00:02:23,810

>> THAT'S VERY EXCITING.

72

00:02:23,810 --> 00:02:26,012

YOU'RE FROM MINNESOTA.

73

00:02:26,012 --> 00:02:28,748

TALK A LITTLE BIT ABOUT HOW YOU

74

00:02:28,748 --> 00:02:31,150

WENT TO HIGH SCHOOL HERE, YOU

75

00:02:31,150 --> 00:02:32,252

WENT TO COLLEGE HERE.

76
00:02:32,252 --> 00:02:34,454
HOW DID THAT LEAD TO YOU BEING

77
00:02:34,454 --> 00:02:36,723
UP IN SPACE RIGHT NOW?

78
00:02:36,723 --> 00:02:38,358
>> WELL, I THINK CERTAINLY THE

79
00:02:38,358 --> 00:02:40,927
SCHOOLS I WENT TO HELPED ME

80
00:02:40,927 --> 00:02:44,764
LEARN A LOT, NOT JUST

81
00:02:44,764 --> 00:02:46,065
KNOWLEDGE-WISE BUT ALSO A SET OF

82
00:02:46,065 --> 00:02:47,534
VALUES I LEARNED FROM MY FAMILY

83
00:02:47,534 --> 00:02:48,968
AND RELATIVES AND FRIENDS.

84
00:02:48,968 --> 00:02:54,274
THE INSTITUTIONS I WAS PART OF.

85
00:02:54,274 --> 00:02:56,209
JOKINGLY, OF COURSE, MINNESOTA

86
00:02:56,209 --> 00:02:59,379
HAS SOME HARSH WINTERS, SO

87
00:02:59,379 --> 00:03:00,980
CERTAINLY THAT HELPED ME GET

88

00:03:00,980 --> 00:03:02,682
COMFORTABLE WITH MORE EXTREME

89
00:03:02,682 --> 00:03:03,116
ENVIRONMENTS.

90
00:03:03,116 --> 00:03:04,684
NOT AS EXTREME AS THE ONE I'M IN

91
00:03:04,684 --> 00:03:05,852
RIGHT NOW, BUT THANKFULLY WE

92
00:03:05,852 --> 00:03:07,954
HAVE A LOT OF PEOPLE MAKING SURE

93
00:03:07,954 --> 00:03:09,556
WE'RE SAFE UP HERE.

94
00:03:09,556 --> 00:03:11,024
>> VERY NICE.

95
00:03:11,024 --> 00:03:13,293
STILL HOLDING ONTO SUMMER HERE

96
00:03:13,293 --> 00:03:14,127
RIGHT NOW.

97
00:03:14,127 --> 00:03:15,094
DO YOU HAVE ANY MESSAGE TO

98
00:03:15,094 --> 00:03:17,463
YOUNGER MINNESOTANS HERE THAT

99
00:03:17,463 --> 00:03:19,566
HOPE TO EVENTUALLY ONE DAY ALSO

100
00:03:19,566 --> 00:03:21,868
BE A PART OF NASA AND GO UP INTO

101

00:03:21,868 --> 00:03:31,945

SPACE?

>> I WOULD SAY FIGURE OUT WHAT

102

00:03:31,945 --> 00:03:36,749

YOU WANT TO DO AND LEARN HOW TO

103

00:03:36,749 --> 00:03:40,253

DO IT.

104

00:03:40,253 --> 00:03:43,723

HAVE FEW PEOPLE GET TO DO THE

105

00:03:43,723 --> 00:03:44,123

OPPORTUNITY.

106

00:03:44,123 --> 00:03:47,126

YOU CAN BE A SUCCESS IF YOU DO

107

00:03:47,126 --> 00:03:52,398

SOMETHING YOU ENJOY DOING.

108

00:03:52,398 --> 00:03:55,335

NASA TENDS TO HIRE PEOPLE VERY

109

00:03:55,335 --> 00:03:55,735

SUCCESSFUL.

110

00:03:55,735 --> 00:03:56,936

IF YOU'RE DOING SOMETHING YOU

111

00:03:56,936 --> 00:03:58,771

LOVE, THE CHANCE OF BEING

112

00:03:58,771 --> 00:04:00,073

SUCCESSFUL AT IT ARE MUCH

113
00:04:00,073 --> 00:04:00,406
HIGHER.

114
00:04:00,406 --> 00:04:03,710
>> THAT'S GREAT ADVICE.

115
00:04:03,710 --> 00:04:05,578
WE TALKED ABOUT WINTERS HERE.

116
00:04:05,578 --> 00:04:08,147
ANY OTHER STORIES ABOUT

117
00:04:08,147 --> 00:04:11,818
MINNESOTA AND BEING UP IN SPACE

118
00:04:11,818 --> 00:04:13,519
THAT YOU HAVE, OTHER

119
00:04:13,519 --> 00:04:19,225
CONNECTIONS?

120
00:04:19,225 --> 00:04:23,730
>> I'M HOPING TO TAKE SOME

121
00:04:23,730 --> 00:04:27,000
PICTURES OF PLACES ON EARTH,

122
00:04:27,000 --> 00:04:28,568
INCLUDING MINNESOTA, AND SEND

123
00:04:28,568 --> 00:04:29,769
BACK TO THE GROUND.

124
00:04:29,769 --> 00:04:31,004
SO THAT WILL BE KIND OF FUN.

125
00:04:31,004 --> 00:04:32,705

THAT TAKES SOME PLANNING BECAUSE

126

00:04:32,705 --> 00:04:36,275

WE TRAVEL OVER PIECES OF THE

127

00:04:36,275 --> 00:04:38,077

PLANET VERY QUICKLY.

128

00:04:38,077 --> 00:04:40,380

I'M HOPING TO MAKE THAT HAPPEN.

129

00:04:40,380 --> 00:04:41,781

>> SURE.

130

00:04:41,781 --> 00:04:43,916

THAT WOULD BE VERY COOL.

131

00:04:43,916 --> 00:04:44,717

DO YOU WANT TALK A LITTLE BIT

132

00:04:44,717 --> 00:04:46,786

ABOUT HOW LONG YOU'RE UP THERE

133

00:04:46,786 --> 00:04:49,188

AND WHAT OTHER KIND OF WORK YOU

134

00:04:49,188 --> 00:04:56,996

DO FOR NASA?

135

00:04:56,996 --> 00:04:57,664

>> SURE.

136

00:04:57,664 --> 00:04:59,632

I WILL BE UP HERE FOR SIX

137

00:04:59,632 --> 00:04:59,966

MONTHS.

138

00:04:59,966 --> 00:05:01,934

THE CREW OF THREE THAT LAUNCHED

139

00:05:01,934 --> 00:05:04,504

TOGETHER ON A SOYUZ SPACE CRAFT,

140

00:05:04,504 --> 00:05:07,674

WE'RE GOING TO CONTINUE THROUGH

141

00:05:07,674 --> 00:05:09,008

EXPEDITION 53 INTO EXPEDITION

142

00:05:09,008 --> 00:05:09,742

54.

143

00:05:09,742 --> 00:05:11,678

THE THREE OF US WILL RETURN TO

144

00:05:11,678 --> 00:05:15,715

EARTH AROUND MIDDLE OF FEBRUARY.

145

00:05:15,715 --> 00:05:17,917

WE'VE GOT SOME SPACEWALKS COMING

146

00:05:17,917 --> 00:05:20,953

UP ON THE SPACE STATION, THREE

147

00:05:20,953 --> 00:05:21,854

OF THEM, IN FACT.

148

00:05:21,854 --> 00:05:24,257

A LOT OF VISITING VEHICLES.

149

00:05:24,257 --> 00:05:26,359

IT'S AN EXCITING TIME TO BE ON

150

00:05:26,359 --> 00:05:27,593

THE SPACE STATION.

151

00:05:27,593 --> 00:05:31,297

>> WITNESS -- ONCE YOU COME

152

00:05:31,297 --> 00:05:33,266

BACK DOWN, WHAT KIND OF WORK

153

00:05:33,266 --> 00:05:34,901

WILL YOU BE DOING WITH NASA WHEN

154

00:05:34,901 --> 00:05:37,170

YOU'RE BACK ON THE GROUND?

155

00:05:37,170 --> 00:05:40,039

>> MY HOPE IS THAT I GET TO HELP

156

00:05:40,039 --> 00:05:41,374

OTHER PEOPLE DO EXACTLY WHAT

157

00:05:41,374 --> 00:05:43,109

WE'RE DOING RIGHT NOW.

158

00:05:43,109 --> 00:05:44,110

EVERY TIME SPACE FLIGHT

159

00:05:44,110 --> 00:05:46,045

EXPERIENCE IS A RARE COMMODITY,

160

00:05:46,045 --> 00:05:48,781

AND BEING ABLE TO PASS ON WHAT

161

00:05:48,781 --> 00:05:51,684

YOU KNOW TO OTHER PEOPLE,

162

00:05:51,684 --> 00:05:58,324

THERE'S A LOT OF BENEFITS.

163
00:05:58,324 --> 00:06:00,626
PEOPLE MAY NOT BE AWARE OF THE

164
00:06:00,626 --> 00:06:03,429
TYPE OF ISSUES THAT COME UP.

165
00:06:03,429 --> 00:06:05,298
ASTRONAUTS ON THE GROUND

166
00:06:05,298 --> 00:06:07,734
PARTICIPATE IN A LOT OF

167
00:06:07,734 --> 00:06:08,968
TECHNICAL JOBS AND PROVIDE

168
00:06:08,968 --> 00:06:10,636
SUPPORTS AND TRAINING FOR OTHER

169
00:06:10,636 --> 00:06:11,104
FLIGHTS.

170
00:06:11,104 --> 00:06:13,439
THERE'S ALWAYS THAT HOPE.

171
00:06:13,439 --> 00:06:17,143
I'M NOT 100% CERTAIN, BUT I'M

172
00:06:17,143 --> 00:06:19,312
PRETTY POSITIVE IT WILL BE

173
00:06:19,312 --> 00:06:19,746
INTERESTING.

174
00:06:19,746 --> 00:06:24,050
>> DEFINITELY SOUND LIKE IT FOR

175
00:06:24,050 --> 00:06:25,752

SURE.
ANY OTHER LAST THOUGHTS OR ANY

176
00:06:25,752 --> 00:06:26,986
OTHER MESSAGES TO THE FAMILY

177
00:06:26,986 --> 00:06:28,621
BACK HERE, TO YOUR PARENTS OR

178
00:06:28,621 --> 00:06:32,792
ANYONE ELSE IN MINNESOTA?

179
00:06:32,792 --> 00:06:33,826
>> YES, DEFINITELY.

180
00:06:33,826 --> 00:06:36,262
TO MY FAMILY AND FRIENDS,

181
00:06:36,262 --> 00:06:37,697
ANYBODY WHO IS FOLLOWING ALONG

182
00:06:37,697 --> 00:06:41,868
WITH THIS ADVENTURE, THANKS VERY

183
00:06:41,868 --> 00:06:43,035
MUCH FOR THE SUPPORT.

184
00:06:43,035 --> 00:06:44,971
IT MEANS A LOT.

185
00:06:44,971 --> 00:06:46,873
SPACE FLIGHT IS ALWAYS

186
00:06:46,873 --> 00:06:47,273
INTERESTING.

187
00:06:47,273 --> 00:06:48,207
IT'S NOT ALWAYS EASY AND THE

188

00:06:48,207 --> 00:06:49,375

LOVE AND SUPPORT OF PEOPLE YOU

189

00:06:49,375 --> 00:06:50,576

CARE ABOUT IS EXTREMELY

190

00:06:50,576 --> 00:06:50,943

IMPORTANT.

191

00:07:01,754 --> 00:06:54,180

THANK YOU.

192

00:07:01,754 --> 00:07:02,455

>> MISSION CONTROL HOUSTON:

193

00:07:02,455 --> 00:07:04,690

STATION, THIS IS HOUSTON.

194

00:07:04,690 --> 00:07:10,997

THAT CONCLUDES THE PORTION OF

195

00:07:10,997 --> 00:07:12,398

THE EVENT.

196

00:07:12,398 --> 00:07:15,835

PLEASE STAND BY FOR THE

197

00:07:15,835 --> 00:07:32,685

ASSOCIATED PRESS.

198

00:07:32,685 --> 00:07:36,489

>> STATION, THIS IS MARSHA DUNN

199

00:07:36,489 --> 00:07:37,857

WITH THE ASSOCIATED PRESS.

200

00:07:37,857 --> 00:07:40,159

HOW DO YOU HEAR ME?

201

00:07:40,159 --> 00:07:42,228

>> MARSHA, WE HEAR YOU LOUD AND

202

00:07:42,228 --> 00:07:42,662

CLEAR.

203

00:07:42,662 --> 00:07:46,866

HOW DO YOU HEAR US?

204

00:07:46,866 --> 00:07:48,701

>> PERFECT.

205

00:07:48,701 --> 00:07:54,407

HOW IS ADJUSTMENT TO SPACE

206

00:07:54,407 --> 00:07:57,076

STATION LIVING GOING SO FAR?

207

00:07:57,076 --> 00:07:59,245

>> HEY, MARSHA.

208

00:07:59,245 --> 00:08:00,146

THIS IS JOE.

209

00:08:00,146 --> 00:08:00,613

IT'S GREAT.

210

00:08:00,613 --> 00:08:02,315

IT'S BEEN ABOUT FIVE YEARS SINCE

211

00:08:02,315 --> 00:08:04,483

MY LAST VISIT, SO SOME THINGS

212

00:08:04,483 --> 00:08:08,387

HAVE CHANGED, BUT IT'S BEEN

213

00:08:08,387 --> 00:08:09,822

ABOUT A WEEK.

214

00:08:09,822 --> 00:08:11,057

I'M GETTING INTO THE GROOVE OF

215

00:08:11,057 --> 00:08:13,092

THINGS, AND IT'S STARTING TO

216

00:08:13,092 --> 00:08:14,160

FEEL LIKE HOME AGAIN.

217

00:08:14,160 --> 00:08:18,264

>> MARK, WHAT ABOUT YOU.

218

00:08:18,264 --> 00:08:20,266

>> SO FOR ME, IT'S STARTING TO

219

00:08:20,266 --> 00:08:21,234

FEEL LIKE HOME.

220

00:08:21,234 --> 00:08:22,235

IT WAS QUITE A SHOCK.

221

00:08:22,235 --> 00:08:23,836

EVERYTHING I WANTED TO DO WHEN I

222

00:08:23,836 --> 00:08:25,538

FIRST GOT UP HERE SEEMED A LOT

223

00:08:25,538 --> 00:08:26,606

HARDER THAN I EXPECTED.

224

00:08:26,606 --> 00:08:28,341

THESE GUYS WERE VERY GOOD

225

00:08:28,341 --> 00:08:29,742
NATURED ABOUT THINGS.

226
00:08:29,742 --> 00:08:30,877
THEY SEE ME FLOATING BY WHEN

227
00:08:30,877 --> 00:08:33,646
THEY KNEW I WANTED TO STOP, AND

228
00:08:33,646 --> 00:08:40,753
THEY JUST KIND OF CHUCKLED TO

229
00:08:40,753 --> 00:08:41,153
THEMSELVES.

230
00:08:41,153 --> 00:08:43,623
>> JOE, HURRICANE MARIA MADE

231
00:08:43,623 --> 00:08:44,857
LANDFALL IN PUERTO RICO JUST

232
00:08:44,857 --> 00:08:46,359
ABOUT AN HOUR AGO.

233
00:08:46,359 --> 00:08:49,195
DO YOU STILL HAVE FAMILY THERE?

234
00:08:49,195 --> 00:08:50,096
IF SO, HAVE YOU BEEN IN TOUCH

235
00:08:50,096 --> 00:08:51,664
WITH THEM?

236
00:08:51,664 --> 00:08:53,900
>> WELL, THANKS FOR THE UPDATE.

237
00:08:53,900 --> 00:08:57,436
I HAD HEARD ABOUT MARIA, BUT I

238

00:08:57,436 --> 00:08:59,505
HAVEN'T SEEN THE TRACK.

239

00:08:59,505 --> 00:09:02,942
YEAH, I DO STILL HAVE A LOT OF

240

00:09:02,942 --> 00:09:06,012
FAMILY THERE.

241

00:09:06,012 --> 00:09:07,947
A LOT OF RELATIVES.

242

00:09:07,947 --> 00:09:09,782
I HAVE NOT HAD A CHANCE TO TALK

243

00:09:09,782 --> 00:09:10,416
TO EVERYBODY.

244

00:09:10,416 --> 00:09:11,918
I HOPE EVERYBODY IS DOING WELL

245

00:09:11,918 --> 00:09:14,020
AND THAT YOU TAKE CARE OF

246

00:09:14,020 --> 00:09:14,487
YOURSELVES.

247

00:09:14,487 --> 00:09:16,155
>> HAVE YOU SEEN THE HURRICANE

248

00:09:16,155 --> 00:09:16,889
FROM SPACE YET?

249

00:09:16,889 --> 00:09:19,091
I'M WONDERING IF YOU'VE GOTTEN A

250

00:09:19,091 --> 00:09:23,095

PEAK AT MARIA.

251

00:09:23,095 --> 00:09:25,131

>> I HAVE NOT SEEN MARIA YET.

252

00:09:25,131 --> 00:09:27,667

IT'S KIND OF HARD TO BELIEVE,

253

00:09:27,667 --> 00:09:30,836

BUT YOU GET SO BUSY IN THE DAY,

254

00:09:30,836 --> 00:09:32,405

WORKING SO HARD, AT TIMES YOU

255

00:09:32,405 --> 00:09:33,773

FORGET TO LOOK OUT THE WINDOW.

256

00:09:33,773 --> 00:09:35,174

I WILL BE LOOKING AT YOUR

257

00:09:35,174 --> 00:09:36,309

APPLICATION THAT LETS US KNOW

258

00:09:36,309 --> 00:09:38,744

WHERE WE'RE GOING AND HOPEFULLY

259

00:09:38,744 --> 00:09:40,613

WE CAN TAKE A LOOK AND SEE IF WE

260

00:09:40,613 --> 00:09:42,648

CAN GET SOME PICTURES FOR FOLKS.

261

00:09:42,648 --> 00:09:44,450

>> FOR THIS MISSION, DID YOU

262

00:09:44,450 --> 00:09:47,954

TAKE UP ANY MEMORABILIA FROM

263

00:09:47,954 --> 00:09:48,654

PUERTO RICO OR ANYTHING FROM

264

00:09:48,654 --> 00:09:51,991

PEOPLE THERE?

265

00:09:51,991 --> 00:09:55,294

>> WELL, NO PUERTO RICAN CAN

266

00:09:55,294 --> 00:09:58,597

TRAVEL WITHOUT THEIR PUERTO

267

00:09:58,597 --> 00:09:59,031

RICAN FLAG.

268

00:09:59,031 --> 00:10:01,233

I HAVE MY SHARE OF THOSE.

269

00:10:01,233 --> 00:10:06,439

PRETTY SOON THE STAGS IS GOING

270

00:10:06,439 --> 00:10:09,342

-- THE STATION IS GOING TO START

271

00:10:09,342 --> 00:10:10,676

LOOKING LIKE PUERTO RICO BECAUSE

272

00:10:10,676 --> 00:10:12,745

OF THE FLAGS.

273

00:10:12,745 --> 00:10:13,479

SORRY, GENTLEMEN.

274

00:10:13,479 --> 00:10:18,417

>> I'M WONDERING HOW YOUR HOME

275

00:10:18,417 --> 00:10:20,586
IS DOING AFTER HURRICANE HARVEY.

276
00:10:20,586 --> 00:10:22,688
IS IT HARD TO GET READY FOR A

277
00:10:22,688 --> 00:10:23,923
MISSION AT A TIME OF SUCH

278
00:10:23,923 --> 00:10:28,327
INTENSE WEATHER?

279
00:10:28,327 --> 00:10:32,465
>> WELL, I HATE TO HOG THE MIC,

280
00:10:32,465 --> 00:10:34,700
BUT I WILL START THIS ONE.

281
00:10:34,700 --> 00:10:35,868
PERSONALLY I HAD SOME PROBLEMS

282
00:10:35,868 --> 00:10:36,902
WITH MY HOUSE.

283
00:10:36,902 --> 00:10:38,938
IT DID FLOOD.

284
00:10:38,938 --> 00:10:40,306
LUCKILY THERE WAS AN ARMY OF

285
00:10:40,306 --> 00:10:44,310
FOLKS IN THE HOUSTON AREA, A LOT

286
00:10:44,310 --> 00:10:45,678
COMING FROM THE JOHNSON SPACE

287
00:10:45,678 --> 00:10:48,247
CENTER THAT HELPED CLEAN OUT MY

288

00:10:48,247 --> 00:10:50,149

HOUSE, STARTED YANKING OUT WALLS

289

00:10:50,149 --> 00:10:52,752

AND GOING THROUGH THE DRYING

290

00:10:52,752 --> 00:10:53,085

PROCESS.

291

00:10:53,085 --> 00:10:55,921

AT THE TIME OF THE HURRICANE, WE

292

00:10:55,921 --> 00:10:58,991

WERE IN RUSSIA GETTING READY FOR

293

00:10:58,991 --> 00:11:00,292

THE FINAL EXAMS.

294

00:11:00,292 --> 00:11:01,594

IT WAS NICE TO KNOW THAT THERE

295

00:11:01,594 --> 00:11:04,030

WERE PEOPLE AT HOME TAKING CARE

296

00:11:04,030 --> 00:11:04,830

OF ME.

297

00:11:04,830 --> 00:11:05,998

IT HELPS A LOT.

298

00:11:05,998 --> 00:11:10,669

I PERSONALLY KNOW THAT.

299

00:11:10,669 --> 00:11:14,407

>> WHAT ABOUT PAOLO, MARK, WHAT

300

00:11:14,407 --> 00:11:16,275
ABOUT YOUR HOMES?

301
00:11:16,275 --> 00:11:19,111
>> SO MY HOME WAS FINE,

302
00:11:19,111 --> 00:11:19,478
ACTUALLY.

303
00:11:19,478 --> 00:11:20,846
WE WERE VERY FORTUNATE.

304
00:11:20,846 --> 00:11:22,948
THERE WAS SOME LONG, BORING DAYS

305
00:11:22,948 --> 00:11:24,350
FOR MY WIFE AS SHE WAITED OUT

306
00:11:24,350 --> 00:11:27,820
THE STORM AT THE HOUSE, BUT

307
00:11:27,820 --> 00:11:37,596
OTHERWISE, THAT WAS IT.

308
00:11:37,596 --> 00:11:39,765
>> CONTINUE FOR MARK.

309
00:11:39,765 --> 00:11:47,239
LET'S FINISH.

310
00:11:47,239 --> 00:11:49,642
>> IS IT DIFFICULT BEING OFF THE

311
00:11:49,642 --> 00:11:51,043
EARTH AT THIS TIME?

312
00:11:51,043 --> 00:11:53,746
THESE HURRICANES JUST SEEM TO BE

313

00:11:53,746 --> 00:11:56,182

SWEEPING ACROSS THE ATLANTIC

314

00:11:56,182 --> 00:11:58,184

WITH FREQUENCY AND INTENSITY, IT

315

00:11:58,184 --> 00:11:59,285

SEEMS SO BIZARRE FOR ALL OF US

316

00:11:59,285 --> 00:12:04,990

BACK HERE.

317

00:12:04,990 --> 00:12:06,926

>> YEAH, I THINK IT'S CERTAINLY

318

00:12:06,926 --> 00:12:09,361

HARD WHEN PEOPLE YOU CARE ABOUT

319

00:12:09,361 --> 00:12:12,598

ARE NOT IN A SITUATION WHERE YOU

320

00:12:12,598 --> 00:12:15,868

CAN HELP THEM OUT AND THEY NEED

321

00:12:15,868 --> 00:12:19,338

HELP.

SO THAT CAN BE TOUGH.

322

00:12:19,338 --> 00:12:20,673

WE'RE VERY FORTUNATE BECAUSE

323

00:12:20,673 --> 00:12:22,475

THERE REALLY ARE A LOT OF PEOPLE

324

00:12:22,475 --> 00:12:23,976

IN THE COMMUNITY WHERE OUR

325

00:12:23,976 --> 00:12:24,944

FAMILIES LIVE THAT ARE WILLING

326

00:12:24,944 --> 00:12:26,345

TO GO OUT OF THEIR WAY TO LOOK

327

00:12:26,345 --> 00:12:27,913

AFTER OUR FAMILIES, RECOGNIZING

328

00:12:27,913 --> 00:12:30,282

THAT WE CAN'T DO IT OURSELVES.

329

00:12:30,282 --> 00:12:33,152

SO THAT'S BEEN HUGELY

330

00:12:33,152 --> 00:12:34,386

APPRECIATED.

331

00:12:34,386 --> 00:12:35,721

>> JOE, ANOTHER QUESTION FOR

332

00:12:35,721 --> 00:12:36,856

YOU, IF I MIGHT.

333

00:12:36,856 --> 00:12:38,858

I'M WONDERING IF YOU HAVE ANY

334

00:12:38,858 --> 00:12:40,326

EDUCATION EVENTS PLANNED FOR

335

00:12:40,326 --> 00:12:41,093

YOUR MISSION?

336

00:12:41,093 --> 00:12:42,561

I KNOW RICKY ARNOLD IS GOING TO

337

00:12:42,561 --> 00:12:44,563

BE FOLLOWING YOU NEXT YEAR.

338

00:12:44,563 --> 00:12:46,732

HOW DO YOU HOPE TO MAKE A

339

00:12:46,732 --> 00:12:47,466

DIFFERENCE WITH YOUR WORLD

340

00:12:47,466 --> 00:12:51,837

CLASSROOM UP THERE?

341

00:12:51,837 --> 00:12:55,841

>> YEAH, SO WE'RE FORTUNATE THAT

342

00:12:55,841 --> 00:12:58,511

WE'RE GOING TO HAVE A YEAR OF

343

00:12:58,511 --> 00:12:59,278

EDUCATORS IN SPACE.

344

00:12:59,278 --> 00:13:00,913

NASA IS TAKING ADVANTAGE OF THIS

345

00:13:00,913 --> 00:13:01,313

OPPORTUNITY.

346

00:13:01,313 --> 00:13:06,752

WE'RE DOING LOTS OF PARTNERSHIPS

347

00:13:06,752 --> 00:13:09,388

WITH FOLKS, TAKING ADVANTAGE OF

348

00:13:09,388 --> 00:13:10,389

HAVING US UP HERE CONNECTING

349

00:13:10,389 --> 00:13:13,025

WITH TOO MUCHERS AND STUDENTS.

350

00:13:13,025 --> 00:13:15,060

-- WITH TEACHERS AND STUDENTS.

351

00:13:15,060 --> 00:13:16,862

I KNOW I HAVE ONE PLANNED WITH

352

00:13:16,862 --> 00:13:18,664

STUDENTS IN PUERTO RICO.

353

00:13:18,664 --> 00:13:20,199

I KNOW WE HAVE DEMONSTRATIONS

354

00:13:20,199 --> 00:13:21,467

THAT WE HOPE TO PERFORM, ALL OF

355

00:13:21,467 --> 00:13:23,435

THE CREW, THAT TEACHERS CAN USE

356

00:13:23,435 --> 00:13:25,604

TO ENHANCE WHAT THEY DO IN THE

357

00:13:25,604 --> 00:13:25,971

CLASSROOM.

358

00:13:25,971 --> 00:13:27,273

SO AS MUCH AS WE CAN DO TO HELP

359

00:13:27,273 --> 00:13:28,674

THE GREAT TEACHERS OUT THERE,

360

00:13:28,674 --> 00:13:31,744

WE'RE GOING TO TRY TO DO THAT.

361

00:13:31,744 --> 00:13:35,748

>> AND, MARK, FOR YOU, LAST WEEK

362

00:13:35,748 --> 00:13:38,117

JACK FISCHER SAID UPON HIS

363

00:13:38,117 --> 00:13:39,752

RETURN TO EARTH SAID BEING IN

364

00:13:39,752 --> 00:13:41,487

SPACE GROWS YOUR FACE.

365

00:13:41,487 --> 00:13:42,922

THOSE ARE HIS WORDS.

366

00:13:42,922 --> 00:13:45,090

I'M WONDERING, HAVE YOU FOUND

367

00:13:45,090 --> 00:13:45,958

THIS TO BE TRUE.

368

00:13:45,958 --> 00:13:47,726

WHAT PREPARATIONS DID YOU MAKE

369

00:13:47,726 --> 00:13:49,662

TO KEEP YOUR LIGHT SHINING UP

370

00:13:49,662 --> 00:13:57,236

THERE, AS JACK PUT IT?

371

00:13:57,236 --> 00:14:00,706

>> I'M ASSUMING HE SAID IT GROW

372

00:14:00,706 --> 00:14:02,074

YOUR FACE BECAUSE YOU HAVE SUCH

373

00:14:02,074 --> 00:14:03,342

A BIG SMILE ON IT.

374

00:14:03,342 --> 00:14:05,878

JACK HAS A WAY WITH WORDS.

375

00:14:05,878 --> 00:14:11,183

HE'S LIKE A SPACE POET.

376

00:14:11,183 --> 00:14:12,585

I THINK IT'S DEFINITELY

377

00:14:12,585 --> 00:14:13,385

EXCITING.

378

00:14:13,385 --> 00:14:17,022

WE WERE PACKING UP THE SPACEX

379

00:14:17,022 --> 00:14:17,556

SPACE CRAFT.

380

00:14:17,556 --> 00:14:19,124

I REMEMBER NOTICING THAT THE

381

00:14:19,124 --> 00:14:21,093

CARGO NETS WE PUT INSIDE THE

382

00:14:21,093 --> 00:14:23,195

CENTER STACK LOOKED A LOT LIKE A

383

00:14:23,195 --> 00:14:23,963

MILITARY CARGO NET.

384

00:14:23,963 --> 00:14:25,931

AND I THOUGHT TO MYSELF, THIS IS

385

00:14:25,931 --> 00:14:28,334

LIKE GETTING SOME CARGO READY

386

00:14:28,334 --> 00:14:31,904

FOR A PARACHUTE DROP, BUT WE'RE

387

00:14:31,904 --> 00:14:34,073

A LOT HIGHER UP.

388

00:14:34,073 --> 00:14:35,841

I THOUGHT THAT WAS PRETTY NEAT.

389

00:14:35,841 --> 00:14:38,043

>> FOR PAOLO, I'VE BEEN ENJOYING

390

00:14:38,043 --> 00:14:41,814

YOUR PHOTOS OF ITALY FROM SPACE.

391

00:14:41,814 --> 00:14:43,082

IF YOU COULD BEAM YOURSELF DOWN

392

00:14:43,082 --> 00:14:47,319

IN ITALY FOR A GOOD MEAL, WHERE

393

00:14:47,319 --> 00:14:50,522

WOULD IT BE AND WHAT WOULD YOU

394

00:14:50,522 --> 00:14:52,825

EAT.

>> MARSHA, THOSE ARE TOUGH

395

00:14:52,825 --> 00:14:53,225

QUESTIONS.

396

00:14:53,225 --> 00:14:55,828

EVERY REGION IN ITALY HAS ITS

397

00:14:55,828 --> 00:15:00,065

OWN SPECIALTY AND ITS OWN

398

00:15:00,065 --> 00:15:00,432

FLAVORS.

399

00:15:00,432 --> 00:15:01,934

RIGHT NOW, I WOULD BE REALLY

400

00:15:01,934 --> 00:15:05,037

HARD PRESSED TO PICK ANY PLACE.

401

00:15:05,037 --> 00:15:05,971

SEND ME DOWN ANYWHERE.

402

00:15:05,971 --> 00:15:07,139

THAT WOULD BE REALLY NICE.

403

00:15:07,139 --> 00:15:08,474

IT WOULD BE NICE TO BE ABLE TO

404

00:15:08,474 --> 00:15:12,478

GO BACK FOR A MEAL AND COME BACK

405

00:15:12,478 --> 00:15:12,811

AGAIN.

406

00:15:12,811 --> 00:15:14,046

>> TAKE ME WITH YOU.

407

00:15:14,046 --> 00:15:15,581

>> AND I WILL TAKE THESE GUYS

408

00:15:15,581 --> 00:15:17,049

WITH ME TOO.

409

00:15:17,049 --> 00:15:19,385

>> WONDERFUL, BUT WHAT ONE DISH

410

00:15:19,385 --> 00:15:22,288

ARE YOU HUNGRY FOR, IF YOU COULD

411

00:15:22,288 --> 00:15:22,988

PICK ONE?

412

00:15:22,988 --> 00:15:26,258
>> ACTUALLY, I'M ALWAYS JOKING

413
00:15:26,258 --> 00:15:29,161
ABOUT THE PIZZA, NOT BECAUSE

414
00:15:29,161 --> 00:15:33,966
PIZZA IS VERY -- IT'S JUST A

415
00:15:33,966 --> 00:15:35,668
SIMPLE DISH, AND PIZZA MEANS

416
00:15:35,668 --> 00:15:37,169
GOING OUT WITH FRIENDS, RELAX

417
00:15:37,169 --> 00:15:39,271
AND HAVE A GOOD TIME OUTSIDE.

418
00:15:39,271 --> 00:15:41,907
ESPECIALLY IN ITALY, YOU USUALLY

419
00:15:41,907 --> 00:15:43,842
GO FOR PIZZA OUTSIDE AND LOOK AT

420
00:15:43,842 --> 00:15:44,610
THE SKY.

421
00:15:44,610 --> 00:15:46,111
YOU LOOK AT THE PEOPLE PASSING

422
00:15:46,111 --> 00:15:46,445
AROUND.

423
00:15:46,445 --> 00:15:49,548
SO SIT'S KIND OF A SOCIAL EVENT.

424
00:15:49,548 --> 00:15:53,118
THIS IS WHAT I'M MISSING A

425

00:15:53,118 --> 00:15:53,519

LITTLE BIT.

426

00:15:53,519 --> 00:15:55,754

STATION IS REALLY, REALLY NICE,

427

00:15:55,754 --> 00:15:57,423

BUT WE FOCUS ON WORK AND GETTING

428

00:15:57,423 --> 00:16:00,459

YOUR MIND OUT WOULD NOT BE BAD.

429

00:16:00,459 --> 00:16:03,629

>> LET ME ALSO ASK YOU, IS THE

430

00:16:03,629 --> 00:16:05,030

ESPRESSO MACHINE UP THERE STILL

431

00:16:05,030 --> 00:16:06,732

WORKING AND HAVE YOU MANAGED TO

432

00:16:06,732 --> 00:16:10,569

HAVE A CUP OR TWO OF ESPRESSO?

433

00:16:10,569 --> 00:16:13,372

>> THAT'S A GOOD QUESTION.

434

00:16:13,372 --> 00:16:15,474

WELL, EVERYBODY HERE IS LOOKING

435

00:16:15,474 --> 00:16:18,210

FORWARD TO TRYING THIS MACHINE

436

00:16:18,210 --> 00:16:19,378

AGAIN.

437

00:16:19,378 --> 00:16:20,813
I FOUND IT STORED SOMEWHERE ALL

438
00:16:20,813 --> 00:16:22,114
THE WAY IN THE BACK.

439
00:16:22,114 --> 00:16:27,019
I BROUGHT WITH ME SOME OF THE

440
00:16:27,019 --> 00:16:29,321
CAPSULES THAT ARE NEEDED FOR IT.

441
00:16:29,321 --> 00:16:31,323
WE DID NOT HAVE YET THE TIME TO

442
00:16:31,323 --> 00:16:34,793
SET IT UP AND TRY IT AGAIN.

443
00:16:34,793 --> 00:16:37,596
WE WILL DO IT IN THE FUTURE.

444
00:16:37,596 --> 00:16:40,599
WE'LL BE LOOKING FORWARD TO

445
00:16:40,599 --> 00:16:42,101
DOING IT.

446
00:16:42,101 --> 00:16:45,237
SO FAR WE HAVE THE REGULAR

447
00:16:45,237 --> 00:16:46,872
COFFEE, BUT I GUESS A REALLY

448
00:16:46,872 --> 00:16:48,841
GOOD ESPRESSO WOULD MAKE A

449
00:16:48,841 --> 00:16:49,241
DIFFERENCE.

450

00:16:49,241 --> 00:16:52,711

>> WELL, YOU KNOW, THE 60TH

451

00:16:52,711 --> 00:16:53,846

ANNIVERSARY OF SPUTNIK IS COMING

452

00:16:53,846 --> 00:16:54,446

UP.

453

00:16:54,446 --> 00:16:56,648

WHAT ARE THE PLANS TO CELEBRATE

454

00:16:56,648 --> 00:17:04,590

IT FROM ORBIT?

455

00:17:04,590 --> 00:17:07,059

>> I CAN TELL YOU ONE THING THAT

456

00:17:07,059 --> 00:17:09,928

WAS KIND OF NEAT.

457

00:17:09,928 --> 00:17:12,097

IN OUR SOYUZ CAPSULE THAT JOE

458

00:17:12,097 --> 00:17:15,033

AND I WERE IN TO GET HERE, WE

459

00:17:15,033 --> 00:17:17,936

USED A MINIATURE OF THE SPUTNIK,

460

00:17:17,936 --> 00:17:20,072

THE VERY FIRST SATELLITE THAT

461

00:17:20,072 --> 00:17:23,108

WAS LAUNCHED IN OUR SPACE CRAFT

462

00:17:23,108 --> 00:17:24,943
AS THE ZERO GRAVITY INDICATOR.

463
00:17:24,943 --> 00:17:26,745
THERE'S A TRADITION IN EVERY

464
00:17:26,745 --> 00:17:29,048
SPACE CRAFT, THAT THERE'S

465
00:17:29,048 --> 00:17:33,852
SOMETHING HANGING FROM THE

466
00:17:33,852 --> 00:17:35,821
HABITATION COMPARTMENT AND THE

467
00:17:35,821 --> 00:17:36,388
MODULE.

468
00:17:36,388 --> 00:17:39,124
WE USED A SMALL SATELLITE IN

469
00:17:39,124 --> 00:17:42,127
MEMORY OF THAT.

470
00:17:42,127 --> 00:17:43,295
>> AND I WOULD HOPE THAT, YOU

471
00:17:43,295 --> 00:17:45,063
KNOW, EDUCATORS AROUND THE WORLD

472
00:17:45,063 --> 00:17:47,332
WILL TAKE THIS OPPORTUNITY TO

473
00:17:47,332 --> 00:17:49,568
REFLECT ON WHAT HAPPENED 60

474
00:17:49,568 --> 00:17:52,070
YEARS AGO, HOW IT MOTIVATED SO

475

00:17:52,070 --> 00:17:53,472

MANY NATIONS AND WHERE WE ARE

476

00:17:53,472 --> 00:17:55,174

TODAY AND THEN TO IMAGINE WHERE

477

00:17:55,174 --> 00:17:56,775

WE MIGHT BE, YOU KNOW, 60 YEARS

478

00:17:56,775 --> 00:17:57,242

FROM NOW.

479

00:17:57,242 --> 00:17:59,845

SO I THINK IT'S A GREAT

480

00:17:59,845 --> 00:18:00,579

EDUCATIONAL OPPORTUNITY.

481

00:18:00,579 --> 00:18:03,081

IF WE CAN HELP OUT UP HERE,

482

00:18:03,081 --> 00:18:05,851

WE'LL TRY TO HELP THAT CAUSE.

483

00:18:05,851 --> 00:18:07,986

>> JOE, I WAS READING SOME OF

484

00:18:07,986 --> 00:18:10,255

THE QUOTES FROM YEARS AGO THAT

485

00:18:10,255 --> 00:18:11,623

YOU MADE UPON BEING SELECTED.

486

00:18:11,623 --> 00:18:13,826

ONE WAS THAT WHEN YOU GOT PICKED

487

00:18:13,826 --> 00:18:14,960
AS AN ASTRONAUT WHEN YOU WERE

488
00:18:14,960 --> 00:18:16,395
GOING INTO TRAINING, YOU FIGURED

489
00:18:16,395 --> 00:18:19,598
YOU NEEDED TO GET YOUR LONG

490
00:18:19,598 --> 00:18:19,965
HAIRCUT.

491
00:18:19,965 --> 00:18:21,366
THE KIDS WERE MAKING SOME JOKES.

492
00:18:21,366 --> 00:18:22,968
TELL ME, NOW THAT YOU'RE GOING

493
00:18:22,968 --> 00:18:25,304
TO BE OFF THE PLANET FOR SIX

494
00:18:25,304 --> 00:18:27,272
MONTHS, ARE YOU GOING TO DO YOUR

495
00:18:27,272 --> 00:18:28,740
BEST TO GROW YOUR HAIR BACK TO

496
00:18:28,740 --> 00:18:31,577
THE WAY IT USED TO BE?

497
00:18:31,577 --> 00:18:34,580
>> WELL, AT 50 YEARS OF AGE, I'M

498
00:18:34,580 --> 00:18:36,682
NOT SURE I CAN GROW IT LIKE IT

499
00:18:36,682 --> 00:18:38,684
WAS 15 OR 16 YEARS AGO, BUT, YOU

500
00:18:38,684 --> 00:18:40,185
KNOW, I'M GOING TO GIVE IT A

501
00:18:40,185 --> 00:18:40,486
SHOT.

502
00:18:40,486 --> 00:18:44,923
AS I GET OLDER, I PROBABLY DON'T

503
00:18:44,923 --> 00:18:46,725
HAVE MUCH MORE TIME WITH THIS

504
00:18:46,725 --> 00:18:48,694
HAIR OF MINE.

505
00:18:48,694 --> 00:18:50,329
I THINK I WILL LET IT GROW UNTIL

506
00:18:50,329 --> 00:18:53,665
THESE GUYS WRESTLE ME DOWN AND

507
00:18:53,665 --> 00:18:54,933
MAKE ME SHAVE IT.

508
00:18:54,933 --> 00:18:57,503
>> ANYTHING YOU'RE PLANNING TO

509
00:18:57,503 --> 00:19:01,240
DO TO GET KIDS HOOKED ON THE

510
00:19:01,240 --> 00:19:01,707
SPACE PROGRAM?

511
00:19:01,707 --> 00:19:05,978
>> I HOPE WE CAN SHARE

512

00:19:05,978 --> 00:19:06,745
EFFICIENTLY AND APPROPRIATELY

513
00:19:06,745 --> 00:19:07,980
THE WORK WE'RE DOING.

514
00:19:07,980 --> 00:19:08,814
I THINK SOMETIMES PEOPLE LOOK AT

515
00:19:08,814 --> 00:19:10,482
THE WORK WE'RE DOING, AND THEY

516
00:19:10,482 --> 00:19:11,817
CAN'T RELATE TO IT.

517
00:19:11,817 --> 00:19:13,218
SOCIAL MEDIA, I THINK, IS GOING

518
00:19:13,218 --> 00:19:14,319
TO BE HELPFUL FOR US.

519
00:19:14,319 --> 00:19:18,724
WE'RE GOING TO TRY TO MAYBE MAKE

520
00:19:18,724 --> 00:19:20,158
SOME SHORT CLIPS, SHOWING PEOPLE

521
00:19:20,158 --> 00:19:22,027
WHAT WE'RE DOING, JUST TRYING TO

522
00:19:22,027 --> 00:19:24,496
SHOW KIDS FOR ALL OF US IT'S A

523
00:19:24,496 --> 00:19:25,297
DREAM COME TRUE.

524
00:19:25,297 --> 00:19:26,465
WE WANT THEM TO BELIEVE THE

525

00:19:26,465 --> 00:19:28,467

SAME.

WE WANT THEM TO PURSUE WHATEVER

526

00:19:28,467 --> 00:19:30,836

FIELD IT IS THAT THEY ENJOY.

527

00:19:30,836 --> 00:19:32,938

HOPEFULLY THE ENTHUSIASM THAT WE

528

00:19:32,938 --> 00:19:34,406

HAVE FOR BEING UP HERE, WE CAN

529

00:19:34,406 --> 00:19:35,173

SHARE WITH STUDENTS AROUND THE

530

00:19:35,173 --> 00:19:36,308

WORLD.

531

00:19:36,308 --> 00:19:41,346

>> WELL, THANK YOU, GENTLEMEN.

532

00:19:41,346 --> 00:19:51,560

GODSPEED AND SAFE TRAVELS.

533

00:19:56,460 --> 00:19:57,260

>> MISSION CONTROL HOUSTON:

534

00:19:57,262 --> 00:19:58,200

STATION, THIS IS HOUSTON ACR.
