1

00:00:00,520 --> 00:00:07,540

Meet Joe. Joe is in space. This is the International Space Station.

2

00:00:07,540 --> 00:00:13,460

Eight years ago Joe helped build it. That's the solar panel that Joe installed.

3

00:00:13,460 --> 00:00:19,260

Before he was an astronaut, Joe was a science teacher. You can hear more

4

00:00:19,260 --> 00:00:24,420

about Joe's adventures and listen to his favorite music on Third Rock Radio.

5

00:00:24,420 --> 00:00:29,189

Tune into the Joe show on Thursday December 7th at 5:00 p.m.
