3

00:00:06,980 --> 00:00:10,190

Land cover and land use are the foundations for critical science and social issues such as:

4

00:00:10,190 --> 00:00:12,050

Climate Change

5

00:00:12,050 --> 00:00:14,240

Food Production

6

00:00:14,240 --> 00:00:15,610

Human Health

7

00:00:15,610 --> 00:00:22,250

With the data, we can better analyze natural hazards like floods, fires, and landslides.

8

00:00:22,250 --> 00:00:27,380

Photograph the land.

9

00:00:27,380 --> 00:00:30,790

Classify land cover.

10

00:00:30,790 --> 00:00:33,120

Compare your observations to satellite data.
