

1
00:00:01,100 --> 00:00:05,940

My background is in fashion design, and they had a job and it said, "do you like Star

2
00:00:05,940 --> 00:00:09,179

Trek?" And I said yeah, I like Star Trek! I'm a Trekkie.

3
00:00:09,179 --> 00:00:14,519

So I applied for the job which was for a thermal blanket technician. I build blankets

4
00:00:14,519 --> 00:00:18,750

and those blankets help protect satellites, instruments and spacecrafts.

5
00:00:18,750 --> 00:00:22,220

One of my favorite things about this shop is that it's different every day.

6
00:00:22,220 --> 00:00:26,760

One day you could be fabricating, one day you could be climbing on scaffolding.

7
00:00:26,760 --> 00:00:31,590

I've built things that are on the International Space Station. That I had a

8
00:00:31,590 --> 00:00:37,110

hand in that that there's things that I have touched that are up there. Don't
