[Music]

2  
00:00:07,510 --> 00:00:05,670

at this time i'd like to introduce the

3  
00:00:09,669 --> 00:00:07,520

apollo 11 crew

4  
00:00:12,140 --> 00:00:09,679

astronauts neil armstrong michael

5  
00:00:13,830 --> 00:00:12,150

collins edwin

6  
00:00:14,910 --> 00:00:13,840

[Music]

7  
00:00:17,189 --> 00:00:14,920

it was the

8  
00:00:21,029 --> 00:00:17,199

ultimate peaceful

9  
00:00:22,710 --> 00:00:21,039

competition usa versus ussr

10  
00:00:23,990 --> 00:00:22,720

i'll not assert that

00:00:28,550 --> 00:00:26,000

it was a diversion which prevented the

13  
00:00:31,269 --> 00:00:28,560

war nevertheless it was a diversion it

14

00:00:33,670 --> 00:00:31,279

was intense and it did allow to both

15

00:00:35,910 --> 00:00:33,680

sides to take the high road with the

16

00:00:38,630 --> 00:00:35,920

objectives of science and learning and

17

00:00:40,709 --> 00:00:38,640

exploration eventually

18

00:00:42,830 --> 00:00:40,719

provided a mechanism

19

00:00:46,150 --> 00:00:42,840

for engendering

20

00:00:48,630 --> 00:00:46,160

cooperation between former adversaries

21

00:00:51,029 --> 00:00:48,640

in that sense among others it was an

22

00:00:53,390 --> 00:00:51,039

exceptional national investment for both
