

NASA EXPLORERS

F I R E S

1  
00:00:01,470 --> 00:00:03,790

Introducing the next season of NASA Explorers

2  
00:00:03,790 --> 00:00:09,860

I feel like the work that I do, the knowledge that I'm trying to pull together

3  
00:00:09,860 --> 00:00:15,240

Is important for the human race, for our country

4  
00:00:15,240 --> 00:00:18,080

When the opportunity came along to do this type of work

5  
00:00:18,080 --> 00:00:20,270

I really resonated with it

6  
00:00:20,270 --> 00:00:23,800

With better science we have better information

7  
00:00:23,800 --> 00:00:26,960

And with better information, we can all make better decisions
