

NASA Celebrates
Black History Month

1
00:00:09,049 --> 00:00:06,619
so many young girls do you need to see

2
00:00:10,730 --> 00:00:09,059
someone who looks like them doing things

3
00:00:12,709 --> 00:00:10,740
that they never thought they could do

4
00:00:15,470 --> 00:00:12,719
it's very important for young

5
00:00:17,540 --> 00:00:15,480
african-american girls to see not only

6
00:00:19,760 --> 00:00:17,550
can you go off and do something like

7
00:00:21,590 --> 00:00:19,770
caves and be a crew member you can fly

8
00:00:23,779 --> 00:00:21,600
to space you can become an aerospace

9
00:00:29,660 --> 00:00:23,789
engineer or a molecular cell biologist

10
00:00:32,089 --> 00:00:29,670
and you can be very successful for me as

11
00:00:34,250 --> 00:00:32,099
a little girl I really admired my mom

12
00:00:36,170 --> 00:00:34,260
she always taught us that there's no

13
00:00:37,819 --> 00:00:36,180

reason you can't do these things just

14

00:00:45,440 --> 00:00:37,829

because you're a female and you're brown

15

00:00:47,450 --> 00:00:45,450

a lot of young girls have people who are

16

00:00:49,580 --> 00:00:47,460

discouraging them from going forward

17

00:00:51,170 --> 00:00:49,590

saying well you know no one who looks

18

00:00:53,299 --> 00:00:51,180

like you have has ever done that

19

00:00:55,040 --> 00:00:53,309

so I want to be a positive voice to tell

20

00:00:57,170 --> 00:00:55,050

them and show them don't listen to that

21

00:00:58,310 --> 00:00:57,180

Here I am I'm doing a lot of these

22

00:01:03,520 --> 00:00:58,320

things that you never thought you would
