

A wide-angle photograph of the Perseverance rover on the surface of Mars. The rover is positioned in the center-left of the frame, facing right. It has six large, treaded wheels and a complex upper structure with various instruments and cameras. The background shows a vast, flat, reddish-brown landscape under a hazy, orange-tinted sky. The text 'MARS 2020' is overlaid in white on a dark grey rectangular background, 'PERSEVERANCE' is overlaid in orange on a dark grey rectangular background, and 'ROVER' is overlaid in white on a dark grey rectangular background.

MARS 2020
PERSEVERANCE
ROVER

1
00:00:01,160 --> 00:00:03,060
This summer

2
00:00:04,340 --> 00:00:06,780
A new rover will launch

3
00:00:07,620 --> 00:00:10,900
Heading for the Red Planet

4
00:00:18,740 --> 00:00:22,160
and after a 7 month journey,

5
00:00:27,440 --> 00:00:31,740
the Perseverance Rover will seek signs of ancient life

6
00:00:31,760 --> 00:00:38,020
collect rock and soil samples for possible return to Earth

7
00:00:39,140 --> 00:00:44,560
and help prepare for future human exploration of Mars.

8
00:00:44,760 --> 00:00:47,380
Mars 2020 Perseverance Rover
