

COUNTDOWN TO
MARS

JULY 30, 2020

1
00:00:05,670 --> 00:00:03,110
we're going back to mars that's right

2
00:00:09,030 --> 00:00:05,680
nasa is sending a new rover to explore

3
00:00:11,589 --> 00:00:09,040
the red planet and after a seven month

4
00:00:14,310 --> 00:00:11,599
journey it only takes seven minutes to

5
00:00:17,510 --> 00:00:14,320
reach the surface the landing site is

6
00:00:19,029 --> 00:00:17,520
jezreel crater a giant basin that once

7
00:00:22,550 --> 00:00:19,039
contained water

8
00:00:25,029 --> 00:00:22,560
our new rover's name is perseverance

9
00:00:27,349 --> 00:00:25,039
perseverance will search for signs of

10
00:00:29,830 --> 00:00:27,359
ancient life and collect samples for

11
00:00:32,389 --> 00:00:29,840
possible return to earth this time our

12
00:00:34,709 --> 00:00:32,399
rover will not be alone nope they

13
00:00:37,830 --> 00:00:34,719

brought a friend a little helicopter

14

00:00:40,630 --> 00:00:37,840

named ingenuity ingenuity will test the

15

00:00:43,270 --> 00:00:40,640

first powered flight on mars which could

16

00:00:45,910 --> 00:00:43,280

assist future mars rovers
