

BOB AND DOUG'S

SCIENTIFIC JOURNEYS ABOARD THE SPACE STATION

1
00:00:12,709 --> 00:00:11,190
and doug hurley open the hatch to the

2
00:00:21,269 --> 00:00:12,719
international space station after

3
00:00:24,790 --> 00:00:22,790
thanks so much doug and i do want to

4
00:00:26,550 --> 00:00:24,800
pass along from the pd that the videos

5
00:00:28,390 --> 00:00:26,560
and pictures look great you guys are

6
00:00:31,189 --> 00:00:28,400
doing excellent work

7
00:00:32,630 --> 00:00:31,199
thank you very much we're enjoying it we

8
00:00:34,709 --> 00:00:32,640
really recognize on board the

9
00:00:36,950 --> 00:00:34,719
international space station the value of

10
00:00:39,350 --> 00:00:36,960
working together that's the message that

11
00:00:40,549 --> 00:00:39,360
we would like to share

12
00:00:43,110 --> 00:00:40,559
look forward to working with you guys

13
00:00:46,210 --> 00:00:43,120

again soon so thank you very much and

14

00:00:50,310 --> 00:00:48,470

[Music]

15

00:00:51,910 --> 00:00:50,320

and bob this is amber thank you for all

16

00:00:54,869 --> 00:00:51,920

your hard work today

17

00:00:56,470 --> 00:00:54,879

hey i thank you amber it was uh it was

18

00:00:58,790 --> 00:00:56,480

interesting to see what's behind one of

19

00:01:00,069 --> 00:00:58,800

these racks

20

00:01:02,709 --> 00:01:00,079

when we get a chance to look out the

21

00:01:04,390 --> 00:01:02,719

window it's uh spectacular i i can't

22

00:01:06,230 --> 00:01:04,400

begin to describe some of the sights

23

00:01:07,830 --> 00:01:06,240

that you get to see it's just an

24

00:01:10,390 --> 00:01:07,840

incredible view of our planet that we

25

00:01:12,230 --> 00:01:10,400

have from here

26

00:01:14,630 --> 00:01:12,240

yeah it sounds really uh really

27

00:01:16,890 --> 00:01:14,640

interesting and frankly really cool i
