

# PRESIDENT BIDEN CALLS NASA

---

A WEEKLY CONVERSATION

1  
00:00:05,910 --> 00:00:03,350  
about 20 meters off the surface

2  
00:00:08,070 --> 00:00:05,920  
we're getting signals from mro

3  
00:00:13,760 --> 00:00:08,080  
uhf is good

4  
00:00:18,830 --> 00:00:16,630  
[Applause]

5  
00:00:21,990 --> 00:00:18,840  
hello mr president hey steve

6  
00:00:25,029 --> 00:00:22,000  
congratulations man hey thank you so

7  
00:00:27,589 --> 00:00:25,039  
much sir i'm so proud of you guys

8  
00:00:29,429 --> 00:00:27,599  
and tell all your folks down there i

9  
00:00:30,950 --> 00:00:29,439  
watched it with baited breath like

10  
00:00:31,910 --> 00:00:30,960  
millions of other people around the

11  
00:00:33,990 --> 00:00:31,920  
world

12  
00:00:36,549 --> 00:00:34,000  
nasa hopes that the perseverance can

13  
00:00:38,229 --> 00:00:36,559

find evidence of ancient life on mars

14

00:00:41,030 --> 00:00:38,239

it's the ninth successful landing on

15

00:00:43,270 --> 00:00:41,040

mars since the 1970s all completed by

16

00:00:46,229 --> 00:00:43,280

the united states right nothing we can't

17

00:00:48,229 --> 00:00:46,239

do with folks like you nothing i agree

18

00:00:50,229 --> 00:00:48,239

sir it was an amazing team and another

19

00:00:52,549 --> 00:00:50,239

amazing accomplishment thank you so much

20

00:00:54,389 --> 00:00:52,559

for your support and your and your

21

00:00:55,590 --> 00:00:54,399

congratulations i absolutely will pass

22

00:00:57,510 --> 00:00:55,600

it on to the team

23

00:01:01,510 --> 00:00:57,520

well please do and

24

00:01:03,830 --> 00:01:01,520

tell them i am so so so impressed a lot

25

00:01:05,030 --> 00:01:03,840

of what we do is show the united states

26

00:01:06,870 --> 00:01:05,040

and the world the country in the world

27

00:01:08,230 --> 00:01:06,880

what is possible that's right and we did

28

00:01:09,670 --> 00:01:08,240

that again today

29

00:01:11,429 --> 00:01:09,680

you sure did

30

00:01:14,710 --> 00:01:11,439

well i look forward to coming down there

31

00:01:18,370 --> 00:01:14,720

sometime but thanks pal keep it going
