

TWO THE ... ARE

Mary W. Jackson  
NASA Headquarters

1  
00:00:05,250 --> 00:00:04,070  
i present to you the mary w jackson nasa

2  
00:00:07,650 --> 00:00:05,260  
headquarters building

3  
00:00:10,150 --> 00:00:07,660  
[Music]

4  
00:00:11,830 --> 00:00:10,160  
[Applause]

5  
00:00:13,430 --> 00:00:11,840  
we're here to pay tribute to a person

6  
00:00:15,110 --> 00:00:13,440  
who blazed trails

7  
00:00:17,029 --> 00:00:15,120  
but didn't boast

8  
00:00:19,109 --> 00:00:17,039  
a high achiever who never sought

9  
00:00:21,670 --> 00:00:19,119  
attention or accolades

10  
00:00:23,830 --> 00:00:21,680  
instead she used her success to help

11  
00:00:25,109 --> 00:00:23,840  
countless others to follow in her

12  
00:00:26,790 --> 00:00:25,119  
footsteps

13  
00:00:29,550 --> 00:00:26,800

she helped others find their path

14

00:00:48,670 --> 00:00:29,560

forward

15

00:00:56,069 --> 00:00:48,680

[Music]

16

00:01:03,110 --> 00:00:59,830

she was always our hero she was always

17

00:01:05,350 --> 00:01:03,120

our star when i wake up in the morning

18

00:01:06,469 --> 00:01:05,360

knowing the woman i love honored and

19

00:01:08,469 --> 00:01:06,479

respected

20

00:01:10,950 --> 00:01:08,479

all my life

21

00:01:12,950 --> 00:01:10,960

has a statue of hampton university

22

00:01:15,830 --> 00:01:12,960

that i can go visit

23

00:01:18,070 --> 00:01:15,840

a community center in hampton that my

24

00:01:20,310 --> 00:01:18,080

kids will be attending next year

25

00:01:22,310 --> 00:01:20,320

a movie that i can put on the big screen

26

00:01:24,469 --> 00:01:22,320

at any time i want

27

00:01:26,469 --> 00:01:24,479

a congressional gold medal

28

00:01:28,390 --> 00:01:26,479

and now in washington dc

29

00:01:30,069 --> 00:01:28,400

nasa's headquarters

30

00:01:31,749 --> 00:01:30,079

there's no words that can explain how

31

00:01:34,069 --> 00:01:31,759

i'm feeling right now because of

32

00:01:37,109 --> 00:01:34,079

engineers like mary w jackson

33

00:01:38,550 --> 00:01:37,119

america and the world was not only able

34

00:01:40,789 --> 00:01:38,560

to dream of

35

00:01:43,990 --> 00:01:40,799

landing among the stars

36

00:01:45,350 --> 00:01:44,000

but to make that dream a reality my hope

37

00:01:47,670 --> 00:01:45,360

is that when we are safely able to

38

00:01:49,830 --> 00:01:47,680

return to work in person

39

00:01:52,230 --> 00:01:49,840

walking through the doors of the mary w

40

00:01:54,870 --> 00:01:52,240

jackson nasa headquarters each morning
