

A close-up photograph of Glynn Lunney, a man with dark hair, smiling broadly. He is wearing a light blue collared shirt. The background is out of focus, showing other people, including one wearing glasses. The text 'Glynn Lunney 1936 - 2021' is overlaid in white on the right side of the image.

Glynn Lunney  
1936 - 2021

1  
00:00:47,710 --> 00:00:48,710  
Glynn Lunney

2  
00:00:48,710 --> 00:00:49,710  
worked as an engineer with NASA since its  
creation in 1958

3  
00:00:49,710 --> 00:00:50,710  
Flight director during the Gemini and Apollo  
programs

4  
00:00:50,710 --> 00:00:51,710  
Helped astronauts land on the Moon

5  
00:00:51,710 --> 00:00:52,710  
Guided a team through the Apollo 13 crisis

6  
00:00:52,710 --> 00:00:53,710  
[Glynn in his words]: "We all knew each other.

7  
00:00:53,710 --> 00:00:54,739  
We all were comfortable with who could do  
what so here we are.

8  
00:00:54,739 --> 00:00:57,940  
We pulled that off."
