At NASA, we're on a mission

3
00:00:05,572 --> 00:00:07,707
of equity, launching opportunity ...

4

Equal opportunity to challenge and inspire ...

5
00:00:11,011 --> 00:00:12,679
To learn and thrive ...

6
00:00:12,679 --> 00:00:15,348
To reach those we've never reached before ...

00:00:15,415 --> 00:00:20,487
To use science, data and technology to advance equity ...

8

To shatter boundaries ...

9
00:00:22,455 --> 00:00:25,058
and break down barriers across America.

10
00:00:25,225 --> 00:00:26,760
To create a better future.

11
00:00:26,960 --> 00:00:29,596
We hope you'll join us on this mission.

12
00:00:29,963 --> 00:00:32,932
At NASA, we're committed to making air and space available for everyone
