

ARTEMIS I

1
00:00:02,135 --> 00:00:02,569
>> WE ARE AT

2
00:00:02,569 --> 00:00:04,437
KENNEDY SPACE CENTER.

3
00:00:06,306 --> 00:00:07,374
EVERY PIECE OF HARDWARE

4
00:00:07,374 --> 00:00:08,775
NECESSARY TO RETURN TO

5
00:00:08,775 --> 00:00:11,311
THE MOON IS NOW HERE.

6
00:00:12,679 --> 00:00:19,986
[MUSIC]

7
00:00:21,187 --> 00:00:22,856
>> THEY ARE BEING ASSEMBLED,

8
00:00:22,856 --> 00:00:25,191
STACKED, FUELED,

9
00:00:25,191 --> 00:00:27,727
AND PRIMED FOR FLIGHT.

10
00:00:29,696 --> 00:00:30,663
>> THE NEXT TIME THESE ENGINES

11
00:00:30,663 --> 00:00:32,632
FIRE UP WILL BE ON THE LAUNCHPAD

12
00:00:32,632 --> 00:00:33,533
TO SEND AN UNCREWED

13
00:00:33,533 --> 00:00:34,667

ORION SPACECRAFT

14

00:00:34,667 --> 00:00:35,468

AROUND THE MOON

15

00:00:35,468 --> 00:00:36,202

ON A FLIGHT TEST FOR

16

00:00:36,202 --> 00:00:38,204

THE ARTEMIS 1 MISSION.

17

00:00:39,739 --> 00:00:43,610

[MUSIC]

18

00:00:44,611 --> 00:00:45,445

>> IT'S BEEN A JOURNEY

19

00:00:45,445 --> 00:00:46,846

OF A THOUSAND MILES

20

00:00:46,846 --> 00:00:47,981

FROM FACTORY FLOORS

21

00:00:47,981 --> 00:00:49,883

ALL ACROSS THIS COUNTRY

22

00:00:49,883 --> 00:00:52,118

AND AROUND THE WORLD

23

00:00:52,118 --> 00:00:53,686

TO HERE.

24

00:00:55,321 --> 00:00:59,225

[MUSIC]

25

00:01:00,160 --> 00:01:00,894

AND NOW,

26

00:01:00,894 --> 00:01:03,797

THE STAGE HAS BEEN SET.

27

00:01:03,797 --> 00:01:05,532

>> WE ARE SEEING ARTEMIS

28

00:01:05,532 --> 00:01:08,168

TAKE HER PLACE.

29

00:01:08,168 --> 00:01:12,505

[INDISTINCT CHATTER]

30

00:01:15,508 --> 00:01:16,609

>> THE FRAMEWORK TO SUPPORT

31

00:01:16,609 --> 00:01:18,344

THE ENORMITY OF THIS MOMENT

32

00:01:18,344 --> 00:01:20,180

CAN'T BE MEASURED IN RENOVATIONS

33

00:01:20,180 --> 00:01:22,282

AND REHEARSALS ALONE.

34

00:01:25,718 --> 00:01:27,020

>> BUT IN THE TESTING

35

00:01:27,020 --> 00:01:31,090

OF A METAL FOUND MUCH DEEPER.

36

00:01:31,090 --> 00:01:32,425

>> WITH EACH SEGMENT BUILT

37

00:01:32,425 --> 00:01:34,561

UPON THE ONE BEFORE IT...

38

00:01:35,795 --> 00:01:43,837

[MUSIC]

39

00:01:44,838 --> 00:01:46,739

...THE VOLUME OF ANTICIPATION

40

00:01:46,739 --> 00:01:48,408

CAN BE SEEN RISING.

41

00:01:49,709 --> 00:01:51,511

>> FOR IN ADDITION TO CERTIFYING

42

00:01:51,511 --> 00:01:52,645

WHAT A HOST OF TESTING

43

00:01:52,645 --> 00:01:54,614

HAS ALREADY PREVIEWED...

44

00:01:56,182 --> 00:02:02,322

[MUSIC]

45

00:02:03,323 --> 00:02:06,092

>> AND LIFTOFF!

46

00:02:06,092 --> 00:02:07,427

>> THE DAWN OF ORION

47

00:02:07,427 --> 00:02:08,328

AND A NEW ERA OF

48

00:02:08,328 --> 00:02:11,264

AMERICAN SPACE EXPLORATION.

49

00:02:11,264 --> 00:02:12,966

>> ARTEMIS WILL DEMONSTRATE

50

00:02:12,966 --> 00:02:14,667

A NEW PATH TO THE MOON

51
00:02:14,667 --> 00:02:16,669
FOR THIS GENERATION.

52
00:02:18,071 --> 00:02:19,472
>> ARTEMIS 1.

53
00:02:19,472 --> 00:02:21,341
>> AN UNCREWED TEST FLIGHT

54
00:02:21,341 --> 00:02:23,243
WILL BE A FINAL PROVING

55
00:02:23,243 --> 00:02:24,544
OF EVERY SYSTEM...

56
00:02:24,544 --> 00:02:26,179
>> AND EVERY COMPONENT...

57
00:02:26,179 --> 00:02:28,615
>> IN THE HARSHNESS OF SPACE.

58
00:02:28,615 --> 00:02:29,682
>> A MISSION THAT,

59
00:02:29,682 --> 00:02:30,750
WHEN SUCCESSFUL,

60
00:02:30,750 --> 00:02:31,784
WILL OPEN THE DOOR

61
00:02:31,784 --> 00:02:32,852
FOR THE MOON WALKERS

62
00:02:32,852 --> 00:02:34,287
AND LUNAR EXPERIMENTS...

63
00:02:34,287 --> 00:02:35,154

>> THAT SO MANY HAVE
