

**BUILDING
NASA'S NEXT
GENERATION
SPACESUITS**

1
00:00:01,368 --> 00:00:02,402
COMING

2
00:00:02,402 --> 00:00:03,703
SOON:

3
00:00:03,703 --> 00:00:04,738
the NEXT

4
00:00:04,738 --> 00:00:05,705
GENERATION of

5
00:00:05,705 --> 00:00:07,874
SPACESUITS

6
00:00:07,874 --> 00:00:11,578
NASA is partnering with industry
for revolutionary

7
00:00:11,578 --> 00:00:15,982
NEW spacesuits for exploration
like we've never seen before.

8
00:00:16,282 --> 00:00:20,320
These personalized spaceships
will be more high-tech and modern ...

9
00:00:20,820 --> 00:00:24,057
provide a better fit
for a larger range of sizes,

10
00:00:24,208 --> 00:00:27,460
and adapt to a more diverse
group of astronauts ...

11
00:00:28,294 --> 00:00:31,731
and have better protection
from the harsh environment of space.

12

00:00:32,699 --> 00:00:37,237

With enhanced mobility, our astronauts
are more nimble than ever before.

13

00:00:38,972 --> 00:00:42,542

New spacesuits will be used
at the International Space Station ...

14

00:00:43,143 --> 00:00:45,412

during Artemis lunar surface missions ...

15

00:00:45,912 --> 00:00:48,314

at Gateway orbiting the Moon ...
