

JAMES WEBB

SPACE TELESCOPE
#UnfoldTheUniverse

1
00:00:05,829 --> 00:00:03,830
we have uncovered wonders undreamt by

2
00:00:07,670 --> 00:00:05,839
our ancestors who first speculated on

3
00:00:09,430 --> 00:00:07,680
the nature

4
00:00:10,510 --> 00:00:09,440
of those wandering lights in the night

5
00:00:14,230 --> 00:00:10,520
sky

6
00:00:16,950 --> 00:00:14,240
[Music]

7
00:00:20,660 --> 00:00:16,960
we've crossed the solar system

8
00:00:23,429 --> 00:00:20,670
and sent ships to the stars

9
00:00:26,710 --> 00:00:23,439
[Music]

10
00:00:29,669 --> 00:00:26,720
but we continue to search

11
00:00:29,679 --> 00:00:34,630
a central element of the human future

12
00:00:34,640 --> 00:00:50,100
lies far beyond the earth

13
00:00:50,110 --> 00:01:03,830

[Music]

14

00:01:08,310 --> 00:01:06,550

if we crave some cosmic purpose then let
