

INTERNATIONAL SPACE STATION

1
00:00:04,204 --> 00:00:06,506
The International Space Station ...

2
00:00:07,107 --> 00:00:11,077
an unparalleled laboratory
for cutting edge research

3
00:00:11,077 --> 00:00:16,583
unachievable in Earth's gravity
for the benefit of all humanity.

4
00:00:17,851 --> 00:00:22,055
An observatory for Earth's evolving
climate ...

5
00:00:23,123 --> 00:00:26,459
A beacon of international collaboration ...

6
00:00:28,094 --> 00:00:31,664
And our home until 2030.

7
00:00:34,434 --> 00:00:36,803
As the station enters its third decade,

8
00:00:36,803 --> 00:00:39,039
it is busier than ever.

9
00:00:39,239 --> 00:00:42,575
Developing technology
for human exploration missions

10
00:00:42,575 --> 00:00:44,711
to the Moon and Mars...

11
00:00:45,078 --> 00:00:48,181
finding new ways to combat disease

12
00:00:48,848 --> 00:00:53,486

and acting as a testbed for in-space
manufacturing of advanced materials

13

00:00:53,486 --> 00:00:56,022

and new medical products...

14

00:01:03,930 --> 00:01:07,000

Humanity's future is an ever-expanding team...

15

00:01:07,267 --> 00:01:10,336

of nations and companies

16

00:01:10,336 --> 00:01:12,806

enabling exploration together

17

00:01:12,806 --> 00:01:15,141

and for the benefit of all.

18

00:01:17,310 --> 00:01:18,845

The International Space Station
