

INVINCIBLE
EDDIE VEDDER
X NASA

1
00:00:04,037 --> 00:00:06,339
Alright, let's go on with a few.

2
00:00:06,339 --> 00:00:08,842
We're going to just play a few new songs.

3
00:00:08,842 --> 00:00:10,744
And I'm going to try them out and see if they fit.

4
00:00:20,387 --> 00:00:24,090
Can you hear...? Are we clear...?

5
00:00:26,259 --> 00:00:29,696
Cleared for lift off... takeoff...

6
00:00:32,766 --> 00:00:35,568
For making reverberations...

7
00:00:36,703 --> 00:00:40,907
Are we affirmative...? No negatory...

8
00:00:40,907 --> 00:00:45,378
Come in, come in... radio what's your story?

9
00:00:45,378 --> 00:00:50,817
Are you Oscar Kilo...? Will you Wilco?

10
00:00:52,752 --> 00:00:54,354
Are you ready for a bit of...

11
00:00:55,155 --> 00:00:56,956
A bit of echo victor?

12
00:00:58,558 --> 00:01:03,897
Feeling wider than awake... yeah...

13
00:01:03,897 --> 00:01:05,565

Better crooked not straight!

14

00:01:24,651 --> 00:01:15,675

Ah ah ah... invincible... when we love

15

00:01:27,153 --> 00:01:30,256

When we love

16

00:01:31,658 --> 00:01:34,260

Now there's smoke on the horizon

17

00:01:34,260 --> 00:01:36,563

And the clouds are looking violent

18

00:01:36,563 --> 00:01:39,532

There's a future in need of a frame

19

00:01:39,532 --> 00:01:41,468

Compass spinning in my brain

20

00:01:42,001 --> 00:01:45,105

There's a theory for everything

21

00:01:45,105 --> 00:01:47,707

Resurrection to the big ol' bang

22

00:01:47,707 --> 00:01:50,477

Rachmaninoff to the excitement gang

23

00:01:52,245 --> 00:01:54,514

We got the density of our beings...

24

00:01:54,514 --> 00:01:56,850

The unbearable weight, the unbearable light

25

00:01:56,850 --> 00:01:59,385

The unbearable weight, let's lift it up

26
00:02:00,553 --> 00:02:09,129
Ah ah ah... invincible... when we love

27
00:02:09,129 --> 00:02:16,503
Ah ah ah... invincible...

28
00:02:16,503 --> 00:02:19,038
Feeling honest as a promise

29
00:02:19,038 --> 00:02:21,141
Troubled times have come upon us

30
00:02:21,141 --> 00:02:23,476
At the core of the cosmos

31
00:02:23,476 --> 00:02:25,979
We are so much more than particles

32
00:02:25,979 --> 00:02:27,914
Sonic to the subatomic

33
00:02:27,914 --> 00:02:30,350
You are a whisper and a scream

34
00:02:30,350 --> 00:02:32,585
You are... we are...

35
00:02:32,585 --> 00:02:36,990
All part of this everything...

36
00:02:38,525 --> 00:02:40,393
Yeah, so feel important

37
00:02:43,363 --> 00:02:50,904
You are light... you are principle...

38
00:02:52,005 --> 00:02:59,445

When you love... invincible.

39

00:03:00,580 --> 00:03:10,223

Our shared light... indivisible...

40

00:03:10,223 --> 00:03:20,166

When we love... we're invincible...

41

00:03:58,238 --> 00:03:30,310

Ah ah ah... invincible... when we love

42

00:04:03,409 --> 00:04:06,212

When we love

43

00:04:13,052 --> 00:04:15,688

The humanity, the calamity...

44

00:04:15,688 --> 00:04:18,424

The spilling blood, the gravity

45

00:04:18,424 --> 00:04:20,727

We got the heavens, we got the earth

46

00:04:20,727 --> 00:04:22,962

And in between we got big surf...
