

The NASA logo is displayed in a large, white, stylized font. It features the letters 'N', 'A', 'S', and 'A' in a bold, sans-serif typeface, with the 'A's having a distinctive shape. The logo is centered horizontally in the upper right portion of the image.

NASA

WE DREAM BIG,
WE WORK TOGETHER

1
00:00:00,000 --> 00:00:02,540
(calm music)

2
00:00:02,540 --> 00:00:04,090
- Space is for everyone.

3
00:00:04,090 --> 00:00:05,885
We're all working towards a common goal.

4
00:00:05,885 --> 00:00:09,052
(gentle violin music)

5
00:00:11,080 --> 00:00:14,300
Just seeing people learn
and grow in the community

6
00:00:14,300 --> 00:00:16,023
benefiting as a whole.

7
00:00:17,640 --> 00:00:19,930
- We have vendors from
all around this country,

8
00:00:19,930 --> 00:00:23,330
and all of that's
bringing in a lot of jobs

9
00:00:23,330 --> 00:00:25,620
and getting to work in our community.

10
00:00:25,620 --> 00:00:28,290
- I give back by seeing companies grow.

11
00:00:28,290 --> 00:00:30,910
My work means something.

12
00:00:30,910 --> 00:00:35,155
It provides people with

ability to feed their families.

13

00:00:35,155 --> 00:00:38,322

(gentle violin music)

14

00:00:40,630 --> 00:00:44,100

- Not everyone who works on the space program is an engineer

15

00:00:44,100 --> 00:00:45,700

or a scientist in a white lab coat.

16

00:00:45,700 --> 00:00:47,593

And there's vital roles.

17

00:00:49,170 --> 00:00:52,200

- Everybody at NASA is very teamwork-driven.

18

00:00:52,200 --> 00:00:54,500

Nothing that we do here is done by itself.

19

00:00:54,500 --> 00:00:57,890

- All successful missions come from a team

20

00:00:57,890 --> 00:01:00,430

that works together that is diverse.

21

00:01:00,430 --> 00:01:02,560

- And we each bring a different perspective

22

00:01:02,560 --> 00:01:05,660

to the team to help us achieve our goals.

23

00:01:05,660 --> 00:01:09,290

- There's literally an expert within arms reach

24

00:01:09,290 --> 00:01:11,240

that you can ask any question to,

25

00:01:11,240 --> 00:01:13,060

and you'll probably get one

26

00:01:13,060 --> 00:01:14,792

of the best answers in the world.

27

00:01:14,792 --> 00:01:17,959

(gentle violin music)

28

00:01:23,530 --> 00:01:25,820

- We take a lot of

ownership in what we do.

29

00:01:25,820 --> 00:01:28,090

+You get to see a lot of that passion.

30

00:01:28,090 --> 00:01:30,130

You get to see a lot of that drive.

31

00:01:30,130 --> 00:01:32,300

People want to do their best.

32

00:01:32,300 --> 00:01:35,580

People want to pull together

to be a part of this program.

33

00:01:35,580 --> 00:01:37,731

That's bigger than what any of
us can accomplish on our own.

34

00:01:37,731 --> 00:01:40,481

(all applauding)

35

00:01:41,720 --> 00:01:44,660

- NASA does the trailblazing

with technology.

36

00:01:44,660 --> 00:01:46,240

The kind of work we do,

37

00:01:46,240 --> 00:01:49,028

you can't rest on your laurels
and say, "Okay, we're there."

38

00:01:49,028 --> 00:01:50,920

There is no end to what we can achieve,

39

00:01:50,920 --> 00:01:53,060

so we have to keep pushing ourselves.

40

00:01:53,060 --> 00:01:55,290

- In any airplane that
I get on it's exciting

41

00:01:55,290 --> 00:01:57,460

to think about, "Oh,
this airplane probably

42

00:01:57,460 --> 00:01:59,930

at some point passed through
many of our centers."

43

00:01:59,930 --> 00:02:01,650

We are with you when you fly.

44

00:02:01,650 --> 00:02:05,180

We are coming up with
safer, newer technologies

45

00:02:05,180 --> 00:02:07,380

that are more silent,
more energy-efficient.

46

00:02:09,630 --> 00:02:13,680

- Just to be able to work
here and be able to design

47

00:02:13,680 --> 00:02:16,140
and touch something
that will one day travel

48

00:02:16,140 --> 00:02:18,210
to a new planet is amazing.

49

00:02:18,210 --> 00:02:19,683
I mean, it's indescribable.

50

00:02:21,370 --> 00:02:25,560
- NASA brings hope and
inspiration by leading the world
