

1

00:00:00,000 --> 00:00:07,380

Alaska, a vast remote wilderness twice the size of Texas.

2

00:00:07,480 --> 00:00:11,640

There are dangerous, unpredictable forces at work here

3

00:00:11,720 --> 00:00:14,480

in one of the most mysterious corners of the globe.

4

00:00:14,580 --> 00:00:19,280

A lot of things can kill you out here without even trying.

5

00:00:19,360 --> 00:00:21,920

This is a place hundreds of times more deadly

6

00:00:22,000 --> 00:00:24,000

than the Bermuda Triangle.

7

00:00:24,060 --> 00:00:25,300

Oh my god.

8

00:00:25,400 --> 00:00:27,640

Stories of alien abductions.

9

00:00:27,660 --> 00:00:30,340

I believe it was a UFO.

10

00:00:30,440 --> 00:00:34,340

The paranormal, vanishing airplanes, and strange beasts.

11

00:00:34,440 --> 00:00:37,080

The Alaskan Bigfoot, he can rip you in half.

12

00:00:37,180 --> 00:00:39,680

These accounts are a really wide spread.

13

00:00:39,780 --> 00:00:41,620

It peaked out of the tree right there.

14

00:00:41,720 --> 00:00:46,020

Have hunted those who dare set foot here.

15

00:00:46,120 --> 00:00:49,400

In the last 30 years, 16,000 people

16

00:00:49,500 --> 00:00:51,760

have disappeared without a trace.

17

00:00:51,860 --> 00:00:54,860

More people have disappeared than the Bermuda Triangle.

18

00:00:54,960 --> 00:00:56,500

Two to three times the amount.

19

00:00:57,260 --> 00:01:00,400

Witnesses tell us their shocking stories.

20

00:01:00,500 --> 00:01:01,860

I was petrified.

21

00:01:01,960 --> 00:01:03,800

And we've gathered some of the world's leading

22

00:01:03,900 --> 00:01:05,500

experts in their field.

23

00:01:05,600 --> 00:01:08,340

I'm always after scientific evidence

24

00:01:08,440 --> 00:01:10,880

that can be independently corroborated

25

00:01:10,980 --> 00:01:15,580

to try and unlock the mystery of the Alaska Triangle.

26

00:01:15,580 --> 00:01:27,780

Alaska, a mysterious and deadly place,

27

00:01:27,880 --> 00:01:30,920

where stories of apparitions and the paranormal

28

00:01:31,020 --> 00:01:32,560

curse the land.

29

00:01:32,660 --> 00:01:36,660

From go ships like SS Bay Chimo that sailed

30

00:01:36,760 --> 00:01:41,240

cruel for over 40 years to haunted hotels like the Alaskan

31

00:01:41,340 --> 00:01:43,740

and Juno, where guests have jumped

32

00:01:43,760 --> 00:01:46,540

three stories to escape its hauntings.

33

00:01:46,640 --> 00:01:52,140

He was found in the streets blood covering the walls.

34

00:01:52,240 --> 00:01:54,480

Could the spirits of the Alaska Triangle

35

00:01:54,580 --> 00:01:58,520

be conspiring to drive out those who dare visit

36

00:01:58,620 --> 00:02:00,720

and those who live there?

37

00:02:00,820 --> 00:02:02,520

Some of these cases are so terrifying

38

00:02:02,620 --> 00:02:06,820

that the victims are actually forced to flee from their homes.

39

00:02:06,920 --> 00:02:07,820

Go, go, go, go, go!

40

00:02:07,920 --> 00:02:10,560

Even hearty ghost hunters have been chased off

41

00:02:10,660 --> 00:02:12,160

by what they've discovered.

42

00:02:13,160 --> 00:02:15,880

It came on our recorders.

43

00:02:15,980 --> 00:02:18,660

What are these ghosts trying to tell us?

44

00:02:18,760 --> 00:02:20,460

I think it's saying I want you dead.

45

00:02:20,560 --> 00:02:23,960

I'm shaking a little bit because it's a little spooky.

46

00:02:24,060 --> 00:02:26,460

The deadly forces of the Alaska Triangle

47

00:02:26,560 --> 00:02:28,500

will seemingly stop at nothing.

48

00:02:28,600 --> 00:02:30,000

Just devastating.

49

00:02:30,100 --> 00:02:30,900

Sarah!

50

00:02:31,000 --> 00:02:31,880

Sarah!

51

00:02:31,980 --> 00:02:32,880

Sarah!

52

00:02:32,980 --> 00:02:33,880

Sarah!

53

00:02:33,980 --> 00:02:34,880

Sarah!

54

00:02:34,980 --> 00:02:35,880

Sarah!

55

00:02:35,980 --> 00:02:36,880

Sarah!

56

00:02:36,980 --> 00:02:37,880

Sarah!

57

00:02:37,980 --> 00:02:38,880

Sarah!

58

00:02:38,980 --> 00:02:39,880

Sarah!

59

00:02:39,980 --> 00:02:40,880

Sarah!

60

00:02:40,980 --> 00:02:41,880

Sarah!

61

00:02:42,540 --> 00:02:43,300

Sarah!

62

00:02:43,400 --> 00:02:43,540

Sarah!

63

00:02:43,660 --> 00:02:44,080

Sarah!

64

00:02:44,180 --> 00:02:44,640

Sarah!

65

00:02:44,820 --> 00:02:46,300

Sarah!

66

00:02:46,400 --> 00:02:46,880

Sarah!

67

00:02:46,980 --> 00:02:47,420

Sarah!

68

00:02:47,540 --> 00:02:48,780

Sarah!

69

00:02:48,880 --> 00:02:49,640

Sarah!

70

00:02:49,720 --> 00:02:50,520

Sarah!

71

00:02:57,220 --> 00:03:01,620

This was once Sarah Jeppson's idyllic cabin.

72

00:03:01,720 --> 00:03:06,160

Before it seems, a violent spirit raised it to the ground,

73

00:03:06,260 --> 00:03:09,360

forcing Sarah and her children out of their home.

74

00:03:09,440 --> 00:03:11,360

All the years and hard work I put into this

75

00:03:11,360 --> 00:03:14,960

from the Alaska Triangle that could have cost a family

76

00:03:15,060 --> 00:03:15,660

their lives.

77

00:03:18,260 --> 00:03:22,200

This property just has, like, this weird vibe.

78

00:03:22,300 --> 00:03:26,040

Almost like I lived on a vortex.

79

00:03:26,140 --> 00:03:29,380

Sarah's story begins near the town of Sterling,

80

00:03:29,480 --> 00:03:32,180

in the south of Alaska.

81

00:03:32,280 --> 00:03:35,080

Behind the picturesque setting, this area

82

00:03:35,180 --> 00:03:37,860

is a hotspot for unwanted spirits,

83

00:03:37,960 --> 00:03:41,120

according to Tony Hernandez, a local paratrooper

84

00:03:41,140 --> 00:03:43,180

paranormal investigator.

85

00:03:43,280 --> 00:03:47,420

This area has been populated and traveled through

86

00:03:47,520 --> 00:03:50,260

for thousands of years.

87

00:03:50,360 --> 00:03:54,200

Alaska itself, there's so many undisclosed burial

88

00:03:54,300 --> 00:03:56,560

grounds from the old Indians.

89

00:03:56,660 --> 00:03:59,760

The swaths of hidden native burial grounds

90

00:03:59,860 --> 00:04:03,800

seem to act like a magnet to unwanted spirits.

91

00:04:03,900 --> 00:04:06,640

Do we have a lot of strange and unexplained activity

92

00:04:06,740 --> 00:04:08,580

within a certain defined area?

93

00:04:08,680 --> 00:04:09,940

Yes, we do.

94

00:04:10,000 --> 00:04:13,660

Where this activity is happening is where people live.

95

00:04:13,760 --> 00:04:18,000

In 1999, Sarah Jebson moved to a quaint trappers cabin

96

00:04:18,100 --> 00:04:19,100

in the woods.

97

00:04:19,200 --> 00:04:22,280

She was two miles from her nearest neighbor.

98

00:04:22,380 --> 00:04:23,880

As soon as I, like, stepped out there,

99

00:04:23,980 --> 00:04:26,520

I was like, I got to have this.

100

00:04:26,620 --> 00:04:29,720

I had, like, big plans for it.

101

00:04:29,820 --> 00:04:33,920

Sarah's daughter, Montana, was just five years old at the time.

102

00:04:34,020 --> 00:04:35,720

We kind of just played outside a lot.

103

00:04:35,820 --> 00:04:37,600

The girls, we're going to live.

104

00:04:37,660 --> 00:04:41,220

Kind of live in the mud life.

105

00:04:41,320 --> 00:04:44,600

It was something that said, this is yours.

106

00:04:44,700 --> 00:04:46,300

I loved it.

107

00:04:46,400 --> 00:04:50,200

Soon, though, it was clear that Sarah and her children

108

00:04:50,300 --> 00:04:52,240

were not welcome here.

109

00:04:52,340 --> 00:04:54,380

Could the forces of the Alaska Triangle

110

00:04:54,480 --> 00:04:56,140

be at work around her property?

111

00:04:58,820 --> 00:05:02,380

The place was full of carpenter ants.

112

00:05:02,480 --> 00:05:03,980

All over my property.

113

00:05:04,080 --> 00:05:05,080

You're fighting me.

114

00:05:05,180 --> 00:05:06,080

Push them off.

115

00:05:06,180 --> 00:05:07,080

Push them off.

116

00:05:07,140 --> 00:05:10,540

They came out of the woodwork.

117

00:05:10,640 --> 00:05:11,980

Got really bad.

118

00:05:12,080 --> 00:05:14,340

I'd be laying in bed at night, and ants

119

00:05:14,440 --> 00:05:16,220

would be falling on my face.

120

00:05:23,680 --> 00:05:27,820

We started to notice just a lot of, like, bizarre happenings.

121

00:05:32,160 --> 00:05:34,700

The light would flicker on and off.

122

00:05:37,140 --> 00:05:41,340

It's just not in service at this time,

123

00:05:41,440 --> 00:05:42,840

and there is no new number.

124

00:05:42,940 --> 00:05:44,340

Please be sure you have check.

125

00:05:44,440 --> 00:05:49,120

Things like my answering machine going off randomly.

126

00:05:49,220 --> 00:05:50,260

You are dialing correctly.

127

00:05:50,360 --> 00:05:51,120

Make a call.

128

00:05:51,220 --> 00:05:52,920

Please hang up and try again.

129

00:05:53,020 --> 00:05:57,320

If you need help, hang up and then dial your operator.

130

00:05:57,420 --> 00:05:59,960

Just the weirdest things like that.

131

00:06:00,060 --> 00:06:02,900

It seems Alaska could be a breeding ground

132

00:06:03,000 --> 00:06:04,860

that has been brought into the world.

133

00:06:04,920 --> 00:06:07,480

It seems Alaska could be a breeding ground

134

00:06:07,580 --> 00:06:09,660

for paranormal activity.

135

00:06:09,760 --> 00:06:11,920

Some experts believe there's more here

136

00:06:12,020 --> 00:06:14,620

than anywhere else in the US.

137

00:06:14,720 --> 00:06:18,500

One reason could be the many native burial grounds

138

00:06:18,600 --> 00:06:21,800

drawing unwanted spirits to the area.

139

00:06:21,900 --> 00:06:25,700

Sarah discovered her home may have been built on one.

140

00:06:25,800 --> 00:06:27,440

I started walking around my property,

141

00:06:27,540 --> 00:06:30,240

and I found all these, like, little holes.

142

00:06:30,340 --> 00:06:34,640

And then I found holes that look like a grave site big enough

143

00:06:34,700 --> 00:06:37,000

to make a hole in her body.

144

00:06:37,100 --> 00:06:41,100

So I thought maybe I live on an Indian burial ground.

145

00:06:41,200 --> 00:06:44,940

So could it be the ghosts of these ancient burial grounds

146

00:06:45,040 --> 00:06:47,740

that were terrorizing Sarah and her family?

147

00:06:47,840 --> 00:06:48,740

We're sorry.

148

00:06:48,840 --> 00:06:49,740

We're sorry.

149

00:06:49,840 --> 00:06:51,880

Jeff Richards may have the answer.

150

00:06:51,980 --> 00:06:55,720

He's an intuitive and an expert in the paranormal.

151

00:06:55,820 --> 00:07:00,820

Building a home on sacred grounds, on burial lands,

152

00:07:00,920 --> 00:07:04,360

I mean, that can potentially be problematic.

153

00:07:04,420 --> 00:07:08,980

Because those grounds are protected in the living world,

154

00:07:09,080 --> 00:07:11,160

but they're also protected in the spirit world.

155

00:07:11,260 --> 00:07:15,360

And those energies might take action against whoever is there.

156

00:07:15,460 --> 00:07:19,000

But now, had the triangle produced a spirit much more

157

00:07:19,100 --> 00:07:25,900

malevolent, more terrifying, that was targeting Sarah herself?

158

00:07:26,000 --> 00:07:30,440

I started having, like, a dream that I was, like, digging,

159

00:07:30,540 --> 00:07:32,780

digging a hole under my cabin.

160

00:07:32,800 --> 00:07:35,100

I probably had about 20 times.

161

00:07:35,200 --> 00:07:37,580

Why would I want to dig a hole under my cabin?

162

00:07:37,680 --> 00:07:39,940

It never really made sense.

163

00:07:40,040 --> 00:07:44,620

At night, Sarah's dreams of digging kept recurring

164

00:07:44,720 --> 00:07:45,880

until one evening.

165

00:07:52,200 --> 00:07:53,200

I heard this woman's voice.

166

00:07:59,300 --> 00:08:00,700

I heard this woman's voice.

167

00:08:03,780 --> 00:08:07,940

That could have happened probably good 15 times.

168

00:08:08,040 --> 00:08:11,580

Who was this woman speaking to Sarah?

169

00:08:11,680 --> 00:08:15,880

Soon, she'd have an answer when she took pictures of her children.

170

00:08:18,520 --> 00:08:24,060

One she had processed would shock her to the core.

171

00:08:24,160 --> 00:08:26,560

This is the actual photograph.

172

00:08:29,160 --> 00:08:30,660

It was very flurry.

173

00:08:30,720 --> 00:08:34,520

But you can see this woman's face and her hair

174

00:08:34,620 --> 00:08:37,620

and her head turned looking at me.

175

00:08:37,720 --> 00:08:40,960

It's scary to see.

176

00:08:41,060 --> 00:08:46,360

But her daughter, Montana, saw something even more terrifying.

177

00:08:46,460 --> 00:08:48,740

In the photo, there's a hole in her head.

178

00:08:53,000 --> 00:08:56,840

So why was this female spirit targeting Sarah?

179

00:08:56,900 --> 00:08:59,560

The strange forces of the Alaska Triangle

180

00:08:59,660 --> 00:09:03,500

were coming together to haunt her home.

181

00:09:03,600 --> 00:09:06,200

Soon, Sarah would uncover the reason.

182

00:09:11,440 --> 00:09:13,540

The Alaska Triangle.

183

00:09:13,640 --> 00:09:18,040

Thousands of people have mysteriously gone missing here,

184

00:09:18,140 --> 00:09:22,840

many possibly driven out by dark spirits.

185

00:09:22,940 --> 00:09:25,400

The Alaska Triangle is absolutely riddled

186

00:09:25,460 --> 00:09:26,800

with the paranormal.

187

00:09:26,900 --> 00:09:29,500

We have more cases of hauntings and possessions

188

00:09:29,600 --> 00:09:32,300

than many other places in North America.

189

00:09:32,400 --> 00:09:35,200

We have many different types of phenomena

190

00:09:35,300 --> 00:09:37,700

that are all manifesting themselves in this space,

191

00:09:37,800 --> 00:09:41,100

and none of them are really connected to one another.

192

00:09:41,200 --> 00:09:43,600

The strange forces of the Triangle

193

00:09:43,700 --> 00:09:48,200

had violently come together over Sarah Jebson's home near Sterling.

194

00:09:50,200 --> 00:09:53,200

A ghostly figure had appeared in her photographs,

195

00:09:53,260 --> 00:09:56,860

and she'd had bizarre dreams of digging under her cabin.

196

00:09:56,960 --> 00:10:01,700

Sarah realized this was a message that she needed to act on.

197

00:10:01,800 --> 00:10:05,000

I ripped up the main floorboard out of the cabin

198

00:10:05,100 --> 00:10:06,900

and started digging that hole.

199

00:10:07,000 --> 00:10:09,100

She was shocked by what she found.

200

00:10:11,700 --> 00:10:17,400

I found up six Tierra candle holders from the 70s

201

00:10:17,500 --> 00:10:22,000

with melted wax in the bottom and up women's blouse.

202

00:10:22,000 --> 00:10:23,800

But as Sarah dug deeper,

203

00:10:23,900 --> 00:10:26,800

she uncovered something even more horrific.

204

00:10:28,200 --> 00:10:31,800

I found almost like finger bone fragments,

205

00:10:31,900 --> 00:10:34,600

and I found hair.

206

00:10:35,700 --> 00:10:39,200

Now Sarah was closer to a horrifying truth.

207

00:10:39,300 --> 00:10:42,200

Perhaps someone was buried under her home

208

00:10:42,300 --> 00:10:44,800

and had returned to haunt it.

209

00:10:44,900 --> 00:10:47,600

In an abandoned car on her property,

210

00:10:47,700 --> 00:10:50,400

Sarah found another clue to the mystery.

211

00:10:50,900 --> 00:10:55,600

A secret diary belonging to a man who once lived in the cabin.

212

00:10:56,700 --> 00:11:00,400

This guy's like personal, like deep thoughts

213

00:11:00,500 --> 00:11:02,300

were all in that diary.

214

00:11:02,400 --> 00:11:07,600

And the last journal entry in there was about his mistress.

215

00:11:08,700 --> 00:11:11,800

She just had had enough and wanted to leave.

216

00:11:11,900 --> 00:11:14,100

After she threatened to leave him,

217

00:11:14,200 --> 00:11:18,000

the jealous lover wrote chilling words to his mistress.

218

00:11:18,500 --> 00:11:22,800

He was like, well, if I can't have you, no one can have you.

219

00:11:25,300 --> 00:11:28,500

Sarah came to one terrifying conclusion.

220

00:11:28,600 --> 00:11:30,800

The woman threatened by her lover

221

00:11:30,900 --> 00:11:34,100

was the ghostly voice speaking to her in her dreams.

222

00:11:38,300 --> 00:11:40,300

So nobody else could have her.

223

00:11:42,400 --> 00:11:47,300

This guy killed her and buried her underneath her.

224

00:11:47,300 --> 00:11:49,000

Underneath my cabin.

225

00:11:49,100 --> 00:11:51,800

And that's what she'd been trying to tell me

226

00:11:51,900 --> 00:11:53,900

with her whispers in my dreams.

227

00:11:55,700 --> 00:11:57,800

But instead of settling the spirits,

228

00:11:57,900 --> 00:12:02,200

Sarah's discovery would unleash something far more sinister.

229

00:12:02,300 --> 00:12:08,500

It started off very subtle, and then it got like,

230

00:12:08,600 --> 00:12:10,700

like progressively got worse.

231

00:12:12,000 --> 00:12:14,400

There was this one time being in my sister's

232

00:12:14,500 --> 00:12:16,700

and my mom were all sleeping in the living room.

233

00:12:17,400 --> 00:12:18,700

Oh this is strange...

234

00:12:18,800 --> 00:12:18,900

The only time perhaps was once more on one of the south Yukya na weatherless

235

00:12:19,800 --> 00:12:21,100

one two three four five six seven.

236

00:12:21,100 --> 00:12:23,200

The only time maybe...

237

00:12:23,300 --> 00:12:24,600

on next level to go back to what was called simplest,

238

00:12:24,700 --> 00:12:28,300

move my stability relative.

239

00:12:41,400 --> 00:12:42,700

You inside.

240

00:12:42,800 --> 00:12:44,100

You're in time.

241

00:12:44,200 --> 00:12:46,500

You know this ball bistro?

242

00:12:46,500 --> 00:12:53,500

I got a weird feeling, and I opened my eyes,

243

00:12:53,500 --> 00:12:54,500

kind of looked around.

244

00:12:54,500 --> 00:12:59,500

OK, something's not right.

245

00:12:59,500 --> 00:13:05,500

My 75-pound glass table was lit.

246

00:13:05,500 --> 00:13:07,500

I was so scared.

247

00:13:07,500 --> 00:13:08,500

I was so scared.

248

00:13:08,500 --> 00:13:10,500

I was so scared.

249

00:13:10,500 --> 00:13:11,500

I was so scared.

250

00:13:11,500 --> 00:13:12,500

I was so scared.

251

00:13:12,500 --> 00:13:13,500

I was so scared.

252

00:13:13,500 --> 00:13:14,500

I was so scared.

253

00:13:14,500 --> 00:13:22,500

My table was levitated in the air about five feet.

254

00:13:22,500 --> 00:13:25,500

And the center of us was this table and had, like,

255

00:13:25,500 --> 00:13:32,500

a really heavy glass top, and it lifts up in the air.

256

00:13:32,500 --> 00:13:34,500

Girls!

257

00:13:34,500 --> 00:13:37,500

Guys!

258

00:13:37,500 --> 00:13:41,500

It dropped out of the air and about fell on my kids.

259

00:13:41,500 --> 00:13:43,500

And it comes, like, slamming down.

260

00:13:43,500 --> 00:13:45,500

It's like, what's going on?

261

00:13:45,500 --> 00:13:47,500

Let's go. Let's go. Let's go.

262

00:13:47,500 --> 00:13:48,500

Let's go. Let's go.

263

00:13:48,500 --> 00:13:51,500

One, go, go, go, go, go, go, go.

264

00:13:51,500 --> 00:13:53,500

Go, go, go, go, go, go, go.

265

00:13:53,500 --> 00:13:55,500

Get in the car!

266

00:13:55,500 --> 00:13:57,500

Get in the car!

267

00:13:57,500 --> 00:13:59,500

We just immediately get up.

268

00:13:59,500 --> 00:14:01,500

We didn't really know what was going on.

269

00:14:01,500 --> 00:14:03,500

Like, why did you do that?

270

00:14:03,500 --> 00:14:05,500

Like, what would do that?

271

00:14:05,500 --> 00:14:07,500

Um...

272

00:14:07,500 --> 00:14:09,500

I mean, it was frightening.

273

00:14:09,500 --> 00:14:12,500

Petrified in the dark of night,

274

00:14:12,500 --> 00:14:16,500

Sarah fled with her family to her mother's house.

275

00:14:18,500 --> 00:14:22,500

But the dark spirit wasn't done with Sarah yet.

276

00:14:25,500 --> 00:14:31,500

All of a sudden, this black mist started rolling underneath the doorway.

277

00:14:32,500 --> 00:14:37,500

Then, the evil spirit launched a physical attack.

278

00:14:38,500 --> 00:14:45,500

I could actually feel something pulling me by my ankles.

279

00:14:54,500 --> 00:14:56,500

I felt petrified.

280

00:14:56,500 --> 00:14:58,500

Like, I was, like...

281

00:14:58,500 --> 00:15:01,500

I was, like, dead, but I was alive.

282

00:15:02,500 --> 00:15:04,500

I was alive!

283

00:15:06,500 --> 00:15:11,500

Expert-intuitive Jeff Richards has been examining Sarah's case.

284

00:15:11,500 --> 00:15:13,500

I've done over 185 investigations,

285

00:15:13,500 --> 00:15:17,500

and I've been attacked physically twice by spirit.

286

00:15:17,500 --> 00:15:20,500

It happens in very extreme instances.

287

00:15:20,500 --> 00:15:23,500

And when it does happen, it's very worrisome.

288

00:15:23,500 --> 00:15:27,500

You know, if a spirit has that type of power,

289

00:15:27,500 --> 00:15:31,500

then we have to sort of wonder what else they're capable of.

290

00:15:31,500 --> 00:15:33,500

I mean, we don't know.

291

00:15:43,500 --> 00:15:48,500

Sarah left her children safe with relatives and returned home alone.

292

00:15:49,500 --> 00:15:52,500

But the haunting didn't stop.

293

00:15:56,500 --> 00:15:59,500

Objects would mysteriously move.

294

00:16:02,500 --> 00:16:05,500

And all of a sudden, I'd hear a tink.

295

00:16:14,500 --> 00:16:16,500

And a bead would fall.

296

00:16:19,500 --> 00:16:23,500

And I'm like, what the heck is that?

297

00:16:27,500 --> 00:16:30,500

The bead from my daughter's door that's at the end of the hallway.

298

00:16:33,500 --> 00:16:37,500

I mean, this went on for a good six months.

299

00:16:37,500 --> 00:16:41,500

Sarah soon realized she could no longer handle this on her own.

300

00:16:41,500 --> 00:16:44,500

And I was like, I need some help.

301

00:16:44,500 --> 00:16:46,500

I can't live this way.

302

00:16:46,500 --> 00:16:48,500

I can't live this way.

303

00:16:57,500 --> 00:17:03,500

Sarah finally sought help from two of Alaska's leading paranormal investigators,

304

00:17:03,500 --> 00:17:06,500

Neely Lithko and Tony Hernandez.

305

00:17:06,500 --> 00:17:12,500

For years, they've been tackling some of the Alaska Triangle's most terrifying spirits.

306

00:17:12,500 --> 00:17:17,500

What sparked our interest in the case initially was the violent activity

307

00:17:17,500 --> 00:17:20,500

that was happening on the property.

308

00:17:20,500 --> 00:17:28,500

We had never had a report of this high of violence in a haunting situation.

309

00:17:28,500 --> 00:17:34,500

So Tony and Neely made the 140-mile journey to Sarah's home in Sterling.

310

00:17:34,500 --> 00:17:37,500

We got out there to Sterling really late that night.

311

00:17:37,500 --> 00:17:41,500

And the location was in the back woods, you know?

312

00:17:41,500 --> 00:17:47,500

So you got a small dirt road, and it's dark and really dark.

313

00:17:47,500 --> 00:17:52,500

And we're in this car, and you're driving down the road, and it's spooky.

314

00:17:52,500 --> 00:17:54,500

You know, you're spook.

315

00:17:56,500 --> 00:18:00,500

People come to us in general because they have no one else to go to.

316

00:18:00,500 --> 00:18:08,500

When she called, Sarah was very distraught and really got her wit's end.

317

00:18:31,500 --> 00:18:35,500

Hi, Neely. Sarah. Tony. Sarah.

318

00:18:35,500 --> 00:18:37,500

I need your help.

319

00:18:37,500 --> 00:18:42,500

As soon as Neely and Tony arrived, they could sense that all was not well.

320

00:18:42,500 --> 00:18:46,500

Are you okay? You know...

321

00:18:46,500 --> 00:18:51,500

We can handle it from here. We got everything. You don't have to be here.

322

00:18:51,500 --> 00:18:54,500

I want to be here. Is that okay with you? Can I stay? You can stay.

323

00:18:54,500 --> 00:18:58,500

Okay. Show us where to go and we'll get set up. Okay. Right in the living room.

324

00:18:58,500 --> 00:19:00,500

Okay, Sarah. Let's go.

325

00:19:00,500 --> 00:19:04,500

I was concerned for Sarah the minute we met her.

326

00:19:04,500 --> 00:19:11,500

The state that she was in, and the fear that she had.

327

00:19:11,500 --> 00:19:13,500

And the ghostly approach.

328

00:19:13,500 --> 00:19:20,500

They set up their infrared cameras and audio recorders to capture any sounds or sights of the ghostly presence.

329

00:19:29,500 --> 00:19:32,500

Hey, Tony.

330

00:19:35,500 --> 00:19:37,500

So how high did the table levitate?

331

00:19:37,500 --> 00:19:41,500

I'd say probably around this high.

332

00:19:41,500 --> 00:19:46,500

It wasn't long before Tony picked up paranormal activity.

333

00:19:46,500 --> 00:19:48,500

Hey, I got something.

334

00:19:48,500 --> 00:19:50,500

Whoa.

335

00:19:50,500 --> 00:19:56,500

I even get a little tense right now thinking about that activity level that was there.

336

00:20:00,500 --> 00:20:06,500

His electromagnetic readings grew stronger still.

337

00:20:10,500 --> 00:20:14,500

Right off, I know where something's there. You can feel it at that point.

338

00:20:14,500 --> 00:20:16,500

You mess off the scales.

339

00:20:44,500 --> 00:20:58,500

And then it came on our recorders.

340

00:20:58,500 --> 00:21:03,500

This is a never-before-heard clip of the original recording.

341

00:21:08,500 --> 00:21:09,500

Clear as a bell.

342

00:21:09,500 --> 00:21:11,500

I want you.

343

00:21:15,500 --> 00:21:18,500

But then, a far more menacing warning.

344

00:21:18,500 --> 00:21:20,500

It threatened us.

345

00:21:25,500 --> 00:21:29,500

I will get you in time, Tony.

346

00:21:29,500 --> 00:21:30,500

Let's go back outside, guys.

347

00:21:30,500 --> 00:21:33,500

This was where I got unsettled.

348

00:21:36,500 --> 00:21:40,500

It was one of the most intense paranormal activities that I've had.

349

00:21:40,500 --> 00:21:43,500

These were no empty threats either.

350

00:21:43,500 --> 00:21:54,500

Down the end of the hall, I saw the beads just moving on their own like they were dancing.

351

00:21:56,500 --> 00:22:02,500

I didn't know if those beads were going to wrap around my head or what was going to happen.

352

00:22:04,500 --> 00:22:06,500

And that's when we saw the ball of light.

353

00:22:11,500 --> 00:22:20,500

Sarah and her paranormal investigators were now facing one of the darkest of forces in the Alaska Triangle.

354

00:22:25,500 --> 00:22:29,500

Inexplicable forces are at work in the Alaska Triangle.

355

00:22:29,500 --> 00:22:36,500

Legends tell of ghosts driving out those who live here and those who dare set foot here.

356

00:22:37,500 --> 00:22:44,500

In the south of Alaska, near Sterling, Sarah Jepsen was being hounded by a violent spirit.

357

00:22:44,500 --> 00:22:45,500

It was huge.

358

00:22:45,500 --> 00:22:49,500

A basketball-sized sphere.

359

00:22:52,500 --> 00:22:55,500

It was the weirdest thing ever.

360

00:22:56,500 --> 00:23:00,500

I wanted to see if it was hot or cold.

361

00:23:01,500 --> 00:23:07,500

And next thing you know, Nealey's walking up to it, reaching out her hand to this thing.

362

00:23:10,500 --> 00:23:13,500

And the thing shot off out the window.

363

00:23:17,500 --> 00:23:21,500

We gathered our equipment and drove home.

364

00:23:21,500 --> 00:23:22,500

We'll be in touch.

365

00:23:22,500 --> 00:23:23,500

Okay.

366

00:23:23,500 --> 00:23:29,500

Even after years of ghost hunting, it was an encounter Tony and Nealey would never forget.

367

00:23:30,500 --> 00:23:34,500

We've investigated many cases in the state of Alaska.

368

00:23:35,500 --> 00:23:41,500

Sarah's case was one of the scariest cases we've ever done.

369

00:23:43,500 --> 00:23:47,500

When Nealey and Tony got back to base, they reviewed their evidence.

370

00:23:47,500 --> 00:23:50,500

They captured one inexplicable image.

371

00:23:51,500 --> 00:23:57,500

This is the never-before-seen photograph of what the investigators believe is the apparition.

372

00:23:59,500 --> 00:24:06,500

The type of apparition photos that we got, the orb floating around, I was definitely scared for Sarah.

373

00:24:06,500 --> 00:24:12,500

Something was there and either wanted her to leave or wanted to dominate or hurt in some way.

374

00:24:12,500 --> 00:24:19,500

The investigators listened back to their recordings for any signs of what ghost hunters call electronic voice phenomena.

375

00:24:19,500 --> 00:24:25,500

They found one sinister message, and this is the original recording.

376

00:24:28,500 --> 00:24:32,500

Where do bouquets happen? Usually at funerals.

377

00:24:32,500 --> 00:24:39,500

Is it referring to the dead or is it referring to burials on the property?

378

00:24:40,500 --> 00:24:46,500

So could Sarah shed any further light on what the ghost that terrorized her is trying to say?

379

00:24:46,500 --> 00:24:51,500

For the first time, she's about to hear Tony and Nealey's story.

380

00:24:51,500 --> 00:24:57,500

The story of the ghost that was shot off the window, and the story of the ghost that was shot off the window,

381

00:24:57,500 --> 00:25:04,500

is what the investigators say. For the first time, she's about to hear Tony and Nealey's disturbing recordings.

382

00:25:11,500 --> 00:25:14,500

See, that's super creepy.

383

00:25:14,500 --> 00:25:18,500

I'm scared to think that something I can't see wants me.

384

00:25:21,500 --> 00:25:23,500

He terrorized me.

385

00:25:28,500 --> 00:25:31,500

That really makes me kind of sick to my stomach.

386

00:25:31,500 --> 00:25:37,500

Could this be a message from the mysterious hole Sarah found under her home?

387

00:25:37,500 --> 00:25:43,500

Is this evil spirit a former resident who she believes murdered his mistress?

388

00:25:45,500 --> 00:25:52,500

When I ripped up that floor in the cabin, there were fake flowers under there too.

389

00:25:52,500 --> 00:25:54,500

I don't know.

390

00:25:56,500 --> 00:25:58,500

It makes me want to look.

391

00:25:58,500 --> 00:26:06,500

Intuitive Jeff Richards is particularly interested in the paranormal spirits of the Alaska Triangle.

392

00:26:06,500 --> 00:26:12,500

He's found something no one else had noticed in the recording.

393

00:26:14,500 --> 00:26:17,500

I think it's saying I want you dead.

394

00:26:18,500 --> 00:26:23,500

Which is even worse.

395

00:26:26,500 --> 00:26:28,500

It's a horrific capture.

396

00:26:28,500 --> 00:26:32,500

Could this be a deadly warning from the spirits stalking Sarah?

397

00:26:37,500 --> 00:26:43,500

Soon, Sarah would find out when she invited an old friend to stay for a while.

398

00:26:43,500 --> 00:26:49,500

Recently, he had lost his girlfriend, so he had a very empty spot in his soul.

399

00:26:49,500 --> 00:26:54,500

He came in and I made him smile and laugh and he was a good friend of mine.

400

00:26:54,500 --> 00:27:00,500

But it seemed the paranormal presence in Sarah's cabin took hold of her friend.

401

00:27:01,500 --> 00:27:04,500

Within a week, things started changing.

402

00:27:04,500 --> 00:27:09,500

He started getting very irritable, very possessive, very controlling.

403

00:27:09,500 --> 00:27:13,500

Spouts of anger, hatred, foulness.

404

00:27:14,500 --> 00:27:17,500

It's like he almost was possessed.

405

00:27:20,500 --> 00:27:25,500

Soon, the evil spirits taunting Sarah pushed her friend to the edge.

406

00:27:31,500 --> 00:27:33,500

He looks at me.

407

00:27:34,500 --> 00:27:37,500

And then decides to freak out.

408

00:27:38,500 --> 00:27:41,500

Something in the house did that to him.

409

00:27:43,500 --> 00:27:48,500

One day, Sarah says these spirits drove her friend to set her cabin ablaze.

410

00:27:48,500 --> 00:27:53,500

She came home that evening to find fire raging through her house.

411

00:27:58,500 --> 00:28:03,500

Everything I ever worked for was in the house.

412

00:28:04,500 --> 00:28:11,500

The spirits of the Alaska Triangle had finally succeeded in driving Sarah out of her home.

413

00:28:11,500 --> 00:28:13,500

Put a lot into it.

414

00:28:16,500 --> 00:28:18,500

It was a lot.

415

00:28:25,500 --> 00:28:32,500

Homeless and scared, Sarah and her family were forced to flee Alaska altogether.

416

00:28:34,500 --> 00:28:40,500

But today, Sarah's bravely going back to her burnt out cabin.

417

00:28:43,500 --> 00:28:52,500

I hope when I go there that whatever happens for me, I can finally get some closure from the past so I can live for the future.

418

00:28:53,500 --> 00:28:57,500

After all this time, what will Sarah find in her shell of a home?

419

00:28:58,500 --> 00:29:04,500

The sight of so much sadness and fear for her and her family.

420

00:29:13,500 --> 00:29:15,500

Oh my God.

421

00:29:15,500 --> 00:29:17,500

I'm so nervous.

422

00:29:25,500 --> 00:29:28,500

Wow, this is way worse than I could ever imagine it.

423

00:29:29,500 --> 00:29:33,500

I'm actually very nervous about being back here.

424

00:29:36,500 --> 00:29:39,500

A lot has happened here, good and bad.

425

00:29:39,500 --> 00:29:41,500

Just devastating.

426

00:29:42,500 --> 00:29:48,500

Are the spirits that hounded Sarah out still present?

427

00:29:48,500 --> 00:29:52,500

There's most definitely something still here.

428

00:29:59,500 --> 00:30:01,500

Hey Sarah.

429

00:30:02,500 --> 00:30:05,500

I'm so sorry Sarah, I love you so much.

430

00:30:06,500 --> 00:30:14,500

Paranormal detectives Neely Lithgow and Tony Hernandez have also returned to conclude their investigation.

431

00:30:14,500 --> 00:30:21,500

I know, I know, I never thought I'd ever see you again.

432

00:30:22,500 --> 00:30:27,500

Last time they set foot here, the entity made threats to the investigators.

433

00:30:28,500 --> 00:30:37,500

Is it waiting for me somewhere or us or you know now we're going back here?

434

00:30:38,500 --> 00:30:41,500

So they are also aware of the danger here.

435

00:30:42,500 --> 00:30:49,500

It being so active the last time we were here, I'm just hoping that you know we are going to get evidence.

436

00:30:50,500 --> 00:30:53,500

And if we don't pick anything up that might be a good thing.

437

00:30:53,500 --> 00:31:01,500

There's like a beacon you know for negativity and then it just feeds all the bad spirits.

438

00:31:01,500 --> 00:31:03,500

Well I think we should get started.

439

00:31:06,500 --> 00:31:09,500

Tony tries communicating with the spirit.

440

00:31:10,500 --> 00:31:13,500

I'm talking to the spirit that we talked to you before.

441

00:31:13,500 --> 00:31:17,500

Why are you here? Did you cause the fire here?

442

00:31:17,500 --> 00:31:20,500

There is an entity there on a negative side.

443

00:31:20,500 --> 00:31:27,500

Maybe that whole area could be in a way cleansed and so it can heal.

444

00:31:28,500 --> 00:31:29,500

Who are you?

445

00:31:30,500 --> 00:31:35,500

Neely wants to capture any messages from the other side.

446

00:31:36,500 --> 00:31:41,500

I'm just going to take out some digital recorders to try to pick up electronic voice phenomenon.

447

00:31:42,500 --> 00:31:44,500

Breathe, breathe, breathe.

448

00:31:45,500 --> 00:31:48,500

Will the spirit speak to them once again?

449

00:31:49,500 --> 00:31:54,500

This would have been the bedroom right here and this was a very active area.

450

00:31:57,500 --> 00:32:00,500

Tony scans for any electromagnetic fields.

451

00:32:00,500 --> 00:32:03,500

A spike means a ghostly presence.

452

00:32:03,500 --> 00:32:13,500

He's drawn towards the hole that Sarah dug beneath her cabin as she was told to do in a dream.

453

00:32:16,500 --> 00:32:19,500

Oh, oh, I did get a spike here.

454

00:32:19,500 --> 00:32:23,500

Whoa, I did get a spike in this area here.

455

00:32:24,500 --> 00:32:29,500

I know Sarah had shut off all the power out here so for there to be a spike is very unusual.

456

00:32:29,500 --> 00:32:37,500

Here Sarah thought she'd uncovered the grave of a woman murdered by her jealous lover.

457

00:32:39,500 --> 00:32:45,500

In a diary she found nearby a former resident of the cabin left a chilling message.

458

00:32:46,500 --> 00:32:56,500

He killed her so nobody else could have her buried her underneath my cabin and that's what she'd been trying to tell me.

459

00:32:56,500 --> 00:33:04,500

Could the spirit be the murderer preventing his dark secret from getting out or could it be his innocent victim?

460

00:33:06,500 --> 00:33:09,500

Yeah, I did get a spike right here.

461

00:33:09,500 --> 00:33:13,500

Oh, there's some kind of electromagnetic field right here.

462

00:33:17,500 --> 00:33:20,500

I think we need to start digging here right away.

463

00:33:21,500 --> 00:33:24,500

I think that's the next step. See what we find.

464

00:33:25,500 --> 00:33:33,500

This may be the only way to find answers to one of the most violent and dangerous of hauntings in Alaska.

465

00:33:37,500 --> 00:33:42,500

The Alaska Triangle, one of the most haunted places on Earth.

466

00:33:43,500 --> 00:33:46,500

Sarah Jepsen believes a violent entity,

467

00:33:46,500 --> 00:33:48,500

Sarah!

468

00:33:48,500 --> 00:33:50,500

burned her home to the ground.

469

00:33:54,500 --> 00:33:57,500

Sarah plans to dig deeper.

470

00:34:00,500 --> 00:34:06,500

I'm really hoping I could actually set this woman free that's been trying to tell me to listen to her.

471

00:34:08,500 --> 00:34:14,500

Because I would hate to be that woman that was just forgotten about, buried, forgotten about and

472

00:34:15,500 --> 00:34:18,500

she needs clothes as much as the rest of us do.

473

00:34:19,500 --> 00:34:23,500

I wouldn't want to be stuck underneath of a cabin with nobody carrying.

474

00:34:24,500 --> 00:34:26,500

I'm going to go get my clothes.

475

00:34:35,500 --> 00:34:39,500

It's not long before Sarah has struck on something.

476

00:34:40,500 --> 00:34:42,500

I thought what a tarp would be doing underneath.

477

00:34:43,500 --> 00:34:45,500

Oh, it smells bad.

478

00:34:45,500 --> 00:34:49,500

Could something sinister be wrapped in this tarp?

479

00:34:50,500 --> 00:34:55,500

But it's frozen in the subsoil. Sarah can't break it free.

480

00:34:56,500 --> 00:35:00,500

I've dug down so far I'm hitting frost. I'm hitting ice.

481

00:35:03,500 --> 00:35:08,500

To go deeper, Sarah will have to wait until the ground thaws in spring.

482

00:35:10,500 --> 00:35:15,500

But there could be more clues in one of the abandoned cars left here.

483

00:35:16,500 --> 00:35:25,500

We did pick up another EVP on the property that told Tony and I to check the vehicle plates.

484

00:35:26,500 --> 00:35:31,500

Found another car here. So I'm curious if there is a plate on this car.

485

00:35:32,500 --> 00:35:37,500

I'm not seeing one. It doesn't look like it. Maybe we got something in here.

486

00:35:40,500 --> 00:35:41,500

Here we go.

487

00:35:42,500 --> 00:35:45,500

Hey, I found a newspaper with a date.

488

00:35:47,500 --> 00:35:50,500

Sunday, May 7, 1978.

489

00:35:51,500 --> 00:35:54,500

It turns out this could be a message for Sarah.

490

00:35:55,500 --> 00:35:58,500

May 7 is my birthday, but it's only 76.

491

00:36:02,500 --> 00:36:05,500

I'm shaking a little bit because it's a little spooky.

492

00:36:06,500 --> 00:36:08,500

May 7th. It's Sarah's birthday.

493

00:36:08,500 --> 00:36:15,500

It's not the right year, but for it to be the same day, warrants more investigation. Definitely.

494

00:36:16,500 --> 00:36:18,500

It was almost like it was placed there for us.

495

00:36:20,500 --> 00:36:23,500

So what does the placing of this clue mean?

496

00:36:24,500 --> 00:36:28,500

Expert-intuitive Jeff Richards has been looking at the evidence.

497

00:36:29,500 --> 00:36:34,500

The drive for the spirit that does appear was to take everything that Sarah loved away from her.

498

00:36:34,500 --> 00:36:36,500

And they succeeded in a way.

499

00:36:36,500 --> 00:36:42,500

I think the fact that somebody was compelled to burn down this cabin, that's pretty terrifying.

500

00:36:45,500 --> 00:36:50,500

With the EMF readings, I think we can say that there is still something here.

501

00:36:51,500 --> 00:36:56,500

Well, I find it ironic with the date of Sarah's birthday on it.

502

00:36:57,500 --> 00:37:02,500

That right there is telling us that actually something is working.

503

00:37:02,500 --> 00:37:04,500

And the works here still.

504

00:37:07,500 --> 00:37:14,500

I definitely believe there's something more spiritual here than any of us could even fathom.

505

00:37:15,500 --> 00:37:17,500

It's deeper than what we know.

506

00:37:21,500 --> 00:37:25,500

The quest for the truth behind Sarah's case goes on.

507

00:37:25,500 --> 00:37:31,500

As Neely and Tony's investigation continues, there's perhaps more to it than what we know.

508

00:37:32,500 --> 00:37:36,500

There's more to uncover in one of the most infamous hauntings in Alaska.

509

00:37:37,500 --> 00:37:40,500

It's done nothing but bring me grief and heartache.

510

00:37:41,500 --> 00:37:46,500

That's how extreme the paranormal and the haunting activity has been there.

511

00:37:47,500 --> 00:37:53,500

Maybe I can move on and maybe have some sort of normal life, whatever that might be.

512

00:37:54,500 --> 00:37:59,500

But evil spirits aren't the only dark forces threatening the lives of Alaskans.

513

00:38:00,500 --> 00:38:07,500

The triangle has over 500,000 square miles of terrain, with much of it uninhabited.

514

00:38:09,500 --> 00:38:14,500

A vast array of strange and paranormal creatures could be hiding in any corner.

515

00:38:16,500 --> 00:38:23,500

Native legends tell of huge monsters lurking deep in the forests, ready to pounce at any moment.

516

00:38:24,500 --> 00:38:31,500

If the public knew that these creatures existed, I think it would go against everything they believe.

517

00:38:32,500 --> 00:38:35,500

The giants are so huge and muscular, they could literally rip you limb from limb.

518

00:38:37,500 --> 00:38:39,500

They would have been menacing with their appearance.

519

00:38:40,500 --> 00:38:45,500

They had reddish hair and they were very frightening to encounter.

520

00:38:46,500 --> 00:38:53,500

We have about 1500 accounts of giant skeletons found.

521

00:38:54,500 --> 00:38:59,500

One of the theories is that tribes of giants still exist.

522

00:39:00,500 --> 00:39:02,500

They're still hunting humans today.

523

00:39:02,500 --> 00:39:18,500

Stretching back to biblical times, stories of giants, such as the battle between David and Goliath, have long sparked the imagination.

524

00:39:20,500 --> 00:39:25,500

But many of the legends about these colossal creatures are found here in Alaska.

525

00:39:26,500 --> 00:39:30,500

According to native Alaskans, like Keduviduak Lichard,

526

00:39:31,500 --> 00:39:35,500

Giants and humans have never really coexist peacefully together.

527

00:39:35,500 --> 00:39:38,500

According to the native stories, they're very dangerous.

528

00:39:38,500 --> 00:39:45,500

Anywhere from 12 to 20 feet tall, they ate people, they hunted people and they thought of us as food.

529

00:39:49,500 --> 00:39:56,500

One particular legend has been passed down by Keduviduak's forefathers as a warning of the danger of giants here.

530

00:39:57,500 --> 00:40:00,500

There's a place in Alaska called the Headless Valley.

531

00:40:00,500 --> 00:40:04,500

According to the native people, there was a tribe of giants and they were not to be messed with.

532

00:40:04,500 --> 00:40:09,500

When people went there to explore, they'd often find decapitated bodies.

533

00:40:11,500 --> 00:40:14,500

Giants, they're violent if you enter their territory.

534

00:40:14,500 --> 00:40:17,500

But people didn't listen until enough people went missing.

535

00:40:20,500 --> 00:40:23,500

So, there's places where we're not supposed to go.

536

00:40:27,500 --> 00:40:30,500

But tales of giants here are not mere folklore.

537

00:40:30,500 --> 00:40:35,500

During the early 20th century gold rush, a discovery was made near Atlin

538

00:40:35,500 --> 00:40:41,500

in the southeast corner of the Alaska Triangle that would make news headlines across the USA.

539

00:40:43,500 --> 00:40:49,500

Researcher Johnny Enoch has uncovered a press report from November 18, 1900

540

00:40:49,500 --> 00:40:53,500

showing startling scientific evidence of giants in Alaska.

541

00:40:54,500 --> 00:40:58,500

I found this article from the 1900s that says,

542

00:40:58,500 --> 00:41:05,500

Skeletons of Giants in Alaska, ancient cemetery uncovered in the Atlin Gold District.

543

00:41:05,500 --> 00:41:14,500

This is incredible because this really lends credibility to the stories we've heard from Native American traditions about giants.

544

00:41:14,500 --> 00:41:21,500

After digging at the Yellow Jacket Mine in Atlin, a gold prospector, James L. Perkinson,

545

00:41:21,500 --> 00:41:24,500

made a find beyond anything he ever expected.

546

00:41:24,500 --> 00:41:32,500

Five skeletons, nearly complete, were exhumed and each is the set of bones that belong to a giant.

547

00:41:32,500 --> 00:41:36,500

One of the skeletons measures over seven feet in length,

548

00:41:36,500 --> 00:41:42,500

so the man must have been considerably over that height and the men were of gigantic frame.

549

00:41:43,500 --> 00:41:50,500

The forearms of these monsters were described as enormous and they were armed and dangerous too.

550

00:41:50,500 --> 00:41:54,500

With three-foot wooden spears found alongside their bodies.

551

00:41:57,500 --> 00:42:02,500

For Johnny Enoch, this is evidence that giants existed in Alaska.

552

00:42:05,500 --> 00:42:14,500

Could this be verifiable proof that at one time those ancient lands of Alaska were inhabited by giants?

553

00:42:14,500 --> 00:42:23,500

But giants investigator Hugh Newman suspects the true number of giants in the Alaska Triangle has been covered up by the scientific establishment.

554

00:42:25,500 --> 00:42:33,500

In 1936, on the Aleutian Islands in the southwest corner of the Triangle, a giant skull was found,

555

00:42:33,500 --> 00:42:36,500

measuring nearly twice the size of a human's.

556

00:42:36,500 --> 00:42:41,500

However, there's little in the history books about this groundbreaking discovery.

557

00:42:42,500 --> 00:42:51,500

It was found on Kagamil Island and it was so large that it was claimed that it would have held the largest brain ever discovered in the western hemisphere.

558

00:42:51,500 --> 00:42:59,500

What's really interesting is that it was discovered by the head of the Smithsonian Institution, Aelis Hadlichka.

559

00:42:59,500 --> 00:43:05,500

But the well-respected anthropologist Hadlichka had previously questioned the existence of giants.

560

00:43:06,500 --> 00:43:14,500

He had declared publicly to the world all the giant discoveries that had been found over the last 50 to 70 years were hoaxes and so forth.

561

00:43:15,500 --> 00:43:25,500

Hugh Newman has uncovered evidence that the giant skull was registered with America's National Smithsonian Museum, but he cannot trace what has happened to it.

562

00:43:26,500 --> 00:43:35,500

We even have the accession card as well, proving that it was discovered, proving that it was given to the Smithsonian, proving that it really existed.

563

00:43:35,500 --> 00:43:39,500

So that in itself is really intriguing in its own rights.

564

00:43:40,500 --> 00:43:48,500

Four years later, in 1940, on the Aleutian Island of Shemya, more giant skulls and leg bones were discovered.

565

00:43:48,500 --> 00:43:53,500

They were found during excavation work by the military for World War II.

566

00:43:55,500 --> 00:44:01,500

They were building some airstrips to help with the war effort. People there discovered giant skeletons.

567

00:44:01,500 --> 00:44:08,500

Some of the skulls were at least two or three times the size of an average human skull. Completely blew them away.

568

00:44:08,500 --> 00:44:17,500

And there were many of them, not just one. And so this really opened up a whole possibility that there could be a reality to these giants in Alaska.

569

00:44:17,500 --> 00:44:28,500

This evidence was later revealed to the world famous biologist Ivan Sanderson, when two servicemen who found the bones wrote to him about their important discovery.

570

00:44:28,500 --> 00:44:35,500

But when Sanderson tried to trace these giant artifacts, the U.S. authorities had no record of them.

571

00:44:35,500 --> 00:44:41,500

The bones, it seemed, had been collected by academics, then mysteriously disappeared.

572

00:44:41,500 --> 00:44:44,500

They were never to be heard of again.

573

00:44:45,500 --> 00:44:54,500

And so the problem is, is that we've got this massive cover-up, almost like a conspiracy, to not bring giants into the historical timeline.

574

00:44:57,500 --> 00:45:04,500

So could scientists and the U.S. authorities be hiding the existence of giants in Alaska?

575

00:45:04,500 --> 00:45:09,500

Could this superhuman race one day reappear in these lands?

576

00:45:10,500 --> 00:45:17,500

Crypto-Zoologist Lance Hightower has been investigating the stories of giants here.

577

00:45:17,500 --> 00:45:24,500

At this point, we know that thousands of people have gone missing without a trace, never to be found again.

578

00:45:24,500 --> 00:45:32,500

But who's to say that people couldn't go missing because of giants, and just because we haven't seen them doesn't mean they don't exist?

579

00:45:32,500 --> 00:45:38,500

What is certain is that the numerous legends of these monsters cannot be ignored.

580

00:45:39,500 --> 00:45:53,500

If there's one place on the planet where such creatures could exist, it could only be in a land as strange as this, in the deadly and treacherous Alaska Triangle.
