

■1

00:00:01,091 --> 00:00:04,021

(crickets chirping)

2

00:00:04,021 --> 00:00:06,604

(loud buzzing)

3

00:00:15,110 --> 00:00:17,217

- [Man] Do flying saucers exist?

4

00:00:17,217 --> 00:00:18,330

(camera clicking)

5

00:00:18,330 --> 00:00:20,024

Are extraterrestrials real?

6

00:00:20,024 --> 00:00:21,160

(camera clicking)

7

00:00:21,160 --> 00:00:22,951

Is there a government cover up?

8

00:00:22,951 --> 00:00:24,260

(camera clicking)

9

00:00:24,260 --> 00:00:27,400

- For nearly 60 years denial

has been the only official

10

00:00:27,400 --> 00:00:31,430

position of the governments

of the world relative to UFOs,

11

00:00:31,430 --> 00:00:35,940

alien abductions and

extraterrestrial contactee reports.

12

00:00:35,940 --> 00:00:38,100

Endless debates have

raged over the thousands

13

00:00:38,100 --> 00:00:40,730

of documented cases that
have been brought forward

14

00:00:40,730 --> 00:00:42,423

without official recognition.

15

00:00:43,310 --> 00:00:46,610

Some have been monumental
incidents involving hundreds

16

00:00:46,610 --> 00:00:48,460

or even thousands of people.

17

00:00:48,460 --> 00:00:50,980

- [Man] Roswell, New Mexico, USA.

18

00:00:50,980 --> 00:00:53,023

July the 4th, 1947.

19

00:00:53,023 --> 00:00:54,960

A flying disc crashed.

20

00:00:54,960 --> 00:00:57,040

The debris and alien bodies were flown to

21

00:00:57,040 --> 00:01:00,717

Wright Field Air Force

Base in Dayton, Ohio.

22

00:01:00,717 --> 00:01:03,660

Suffolk, England, Rendlesham Forrest,

23

00:01:03,660 --> 00:01:06,960

December the 26th to 28th, 1980.

24

00:01:06,960 --> 00:01:10,080

A triangular shaped object

illuminated the entire forest

25

00:01:10,080 --> 00:01:11,220

with white light.

26

00:01:11,220 --> 00:01:13,460

The object had a pulsing red light on top

27

00:01:13,460 --> 00:01:15,140

and a bank of blue lights underneath.

28

00:01:15,140 --> 00:01:18,380

It left ground traces and

radioactive anomalies.

29

00:01:18,380 --> 00:01:21,831

This was a multiple witness

sighting by military personnel.

30

00:01:21,831 --> 00:01:24,560

(dramatic music)

31

00:01:24,560 --> 00:01:29,560

Belgium, the Belgian Wave,

October 1989 to 1990.

32

00:01:29,960 --> 00:01:33,040

Hundreds of reports of lighted

objects frequently described

33

00:01:33,040 --> 00:01:35,330

as enormous and triangular in shape.

34

00:01:35,330 --> 00:01:38,670

Air Force F16s chased

many of these objects.

35

00:01:38,670 --> 00:01:40,370

The Belgian government cooperated

36

00:01:40,370 --> 00:01:42,003

with civilian UFO investigation.

37

00:01:43,490 --> 00:01:45,150

Arizona, USA.

38

00:01:45,150 --> 00:01:46,530

The Phoenix Lights.

39

00:01:46,530 --> 00:01:49,610

March the 13th, 1997.

40

00:01:49,610 --> 00:01:52,330

A huge V shaped object

hovered over Phoenix

41

00:01:52,330 --> 00:01:53,980

for 10 to 15 minutes,

42

00:01:53,980 --> 00:01:56,663

observed by tens of thousands of people.

43

00:01:58,580 --> 00:02:01,180

Mexico, the Mexico Flap.

44

00:02:01,180 --> 00:02:04,150

Hundreds of objects appearing
alone and in clusters

45

00:02:04,150 --> 00:02:05,600

appear throughout Mexico,

46

00:02:05,600 --> 00:02:08,257

observed by tens of thousands of people.

47

00:02:09,120 --> 00:02:12,120

(suspenseful music)

48

00:02:20,270 --> 00:02:23,320

- Flying saucers are real.

49

00:02:23,320 --> 00:02:25,870

- On the Blackvault you
can download documents

50

00:02:25,870 --> 00:02:28,880

that prove that the United
States Air Force bases

51

00:02:28,880 --> 00:02:32,023

have been breached by UFOs,
their restricted airspace.

52

00:02:32,870 --> 00:02:35,300

That missile silos have
mysteriously been shut down

53

00:02:35,300 --> 00:02:38,820

due to UFOs hovering over the base.

54

00:02:38,820 --> 00:02:40,950

I think you download that and you read it,

55

00:02:40,950 --> 00:02:42,830

you conclude, yeah, OK, UFOs pose

56

00:02:42,830 --> 00:02:45,570

a national security threat

to the US government.

57

00:02:45,570 --> 00:02:47,190

- In 1952 I was an 8th grader

58

00:02:47,190 --> 00:02:48,670

and old enough to read for myself

59

00:02:48,670 --> 00:02:51,180

the big screen headlines that July about

60

00:02:51,180 --> 00:02:54,020

UFOs flying over the nation's capitol,

61

00:02:54,020 --> 00:02:58,150

and the Air Force planes not
being able to catch them.

62

00:02:58,150 --> 00:03:00,450

- They're there, and
they're paying attention.

63

00:03:01,440 --> 00:03:04,850

Incidents happened in the
Soviet Union before it collapsed

64

00:03:04,850 --> 00:03:07,240

Incidents happened all
over the northern US

65

00:03:07,240 --> 00:03:11,880

at ICBM bases, where they came down

66

00:03:11,880 --> 00:03:13,737

hovered over the silos

67

00:03:13,737 --> 00:03:16,053

and played hell with the electronics.

68

00:03:17,470 --> 00:03:18,653

Pictures were taken.

69

00:03:19,600 --> 00:03:21,633

Hundreds of witnesses watched them.

70

00:03:23,286 --> 00:03:24,940

It's highly classified,

you'll never hear about it.

71

00:03:24,940 --> 00:03:28,560

except from whistleblowers

and bigmouths like me.

72

00:03:28,560 --> 00:03:32,220

- While I was attending

Northrop Aeronautical Institute

73

00:03:32,220 --> 00:03:35,380

and working for Douglas Aircraft

74

00:03:35,380 --> 00:03:36,933

in El Segundo, California.

75

00:03:38,430 --> 00:03:40,120

I had heard about George Adamski

76

00:03:40,120 --> 00:03:43,640

in one of the Sunday newspapers.

77

00:03:43,640 --> 00:03:46,470

He had his story and

his pictures of contacts

78

00:03:46,470 --> 00:03:48,530

plus pictures of his ships.

79

00:03:48,530 --> 00:03:51,110

Well I had, by that time, seen so many

80

00:03:51,110 --> 00:03:53,810

during the day and the night that I felt

81

00:03:53,810 --> 00:03:56,580

I would like to go up

and meet this gentleman.

82

00:03:56,580 --> 00:03:58,650

On the weekend he would entertain people

83

00:03:58,650 --> 00:04:00,700

who had come to see him.

84

00:04:00,700 --> 00:04:03,870

Military people, engineers, scientists.

85

00:04:03,870 --> 00:04:05,770

People from all walks of life.

86

00:04:05,770 --> 00:04:09,650

He had taken some beautiful
pictures of the scout craft

87

00:04:09,650 --> 00:04:11,820

as well as the carrier ships.

88

00:04:11,820 --> 00:04:13,110

I went up to see him.

89

00:04:13,110 --> 00:04:15,060

He had a six-inch telescope that he used

90

00:04:15,060 --> 00:04:17,480

to take the pictures
of the flying saucers.

91

00:04:17,480 --> 00:04:21,000

And in using that scope,

when I had finished

92

00:04:21,000 --> 00:04:23,730

I was just about to take

my eye off the eyepiece

93

00:04:23,730 --> 00:04:28,050

when there was a blue,

white streak that went by

94

00:04:28,050 --> 00:04:29,550

and I jerked my head up to see

95

00:04:29,550 --> 00:04:31,100

if I could see it and I didn't.

96

00:04:32,770 --> 00:04:36,910

I looked at his 15-inch telescope dome

97

00:04:36,910 --> 00:04:39,750

which was a couple of
hundred yards from his house

98

00:04:41,030 --> 00:04:45,020

and there was a big flare
of blue, white light

99

00:04:45,020 --> 00:04:47,570

and then it kind of closed
back down, no noise.

100

00:04:47,570 --> 00:04:49,450

At first I thought it was an explosion,

101

00:04:49,450 --> 00:04:51,300

but it was a little slower than that.

102

00:04:52,137 --> 00:04:56,470

And there was an elliptical flying saucer.

103

00:04:56,470 --> 00:04:58,930

Looked to me like it was

hovering above the ground.

104

00:04:58,930 --> 00:05:01,410

So I heard it increase its frequency

105

00:05:01,410 --> 00:05:02,850

and it got brighter and brighter,

106

00:05:02,850 --> 00:05:04,910

and it was really pretty hard to look at.

107

00:05:04,910 --> 00:05:06,860

And it shot straight up,

108

00:05:06,860 --> 00:05:09,950

until it looked like one of the stars.

109

00:05:09,950 --> 00:05:11,830

If you've ever been to

Mount Panama at night,

110

00:05:11,830 --> 00:05:14,750

on a dark night, boy

they're big and bright.

111

00:05:14,750 --> 00:05:16,530

And it stopped for an instant,

112

00:05:16,530 --> 00:05:19,760

and then it shot over the

horizon over San Diego.

113

00:05:19,760 --> 00:05:21,010

- We have more than one witness

114

00:05:21,010 --> 00:05:24,070

who have been involved in the tracking

115

00:05:24,070 --> 00:05:25,360

of these objects on radar.

116

00:05:25,360 --> 00:05:28,240

And many people say, well

look if this stuff is real,

117

00:05:28,240 --> 00:05:29,530

why are there no radar reports?

118

00:05:29,530 --> 00:05:30,363

I said, we have them.

119

00:05:30,363 --> 00:05:33,450

We actually have the

radar tapes from the FAA.

120

00:05:33,450 --> 00:05:37,320

- This is not just UFOs,
and this is not just not

121

00:05:37,320 --> 00:05:40,303

being visited by guys from other planets.

122

00:05:41,680 --> 00:05:45,590

I was to learn later that our security,

123

00:05:45,590 --> 00:05:48,460

our intelligence people,
our military people,

124

00:05:48,460 --> 00:05:49,780

concluded and learned,

125

00:05:49,780 --> 00:05:53,770

we're not merely dealing with
inter-planetary visitation.

126

00:05:53,770 --> 00:05:56,973

We were being visited by
guys from other star systems.

127

00:05:57,810 --> 00:06:00,360

Which, technologically
we know what that means.

128

00:06:00,360 --> 00:06:03,030

They're not just from another
like planet like Venus

129

00:06:03,030 --> 00:06:04,283

or Mars or somewhere.

130

00:06:05,190 --> 00:06:06,820

These guys are from other stars.

131

00:06:06,820 --> 00:06:11,730

- I'm convinced after studies since 1958

132

00:06:12,762 --> 00:06:14,090

that the evidence is overwhelming

133

00:06:14,090 --> 00:06:15,820

that planet Earth is being visited by

134

00:06:15,820 --> 00:06:18,800

intelligently controlled

extraterrestrial spacecraft,

135

00:06:18,800 --> 00:06:22,160

in other words, some UFOs

are alien spacecraft.

136

00:06:22,160 --> 00:06:24,200

Most are not, I don't care about those.

137

00:06:24,200 --> 00:06:25,830

Most isotopes aren't fissionable,

138

00:06:25,830 --> 00:06:27,500

I don't care about the ones that aren't,

139

00:06:27,500 --> 00:06:28,800

if I'm going to build a reactor.

140

00:06:28,800 --> 00:06:31,840

- If somebody who had the

clearance to carry nuclear weapons

141

00:06:31,840 --> 00:06:33,500

or launch nuclear weapons

142

00:06:33,500 --> 00:06:36,530

saw these objects over a nuclear facility

143

00:06:36,530 --> 00:06:39,890

and reported it, and have

documents to prove it happened

144

00:06:39,890 --> 00:06:41,370

this is dispositive.

145

00:06:41,370 --> 00:06:43,507

That's what someone who is

wanting to look into this

146

00:06:43,507 --> 00:06:45,440

who says, well, could this really be true

147

00:06:45,440 --> 00:06:46,600

and I don't know about it?

148

00:06:46,600 --> 00:06:48,430

They need to look at that,

and we've assembled it.

149

00:06:48,430 --> 00:06:51,217

We have a 600 page book

of top secret documents

150

00:06:51,217 --> 00:06:53,180

and the transcripts of these witnesses.

151

00:06:53,180 --> 00:06:54,180

We have videotape.

152

00:06:54,180 --> 00:06:55,900

- So I began watching the newspapers

153

00:06:55,900 --> 00:06:57,820

for any newspaper reports,

154

00:06:57,820 --> 00:06:59,180

I started buying magazines

155

00:06:59,180 --> 00:07:01,340

that had a UFO article in the magazine

156

00:07:01,340 --> 00:07:03,120

and collecting these and from those

157

00:07:03,120 --> 00:07:05,800

I would get names and addresses.

158

00:07:05,800 --> 00:07:07,770

And I often called the people that wrote

159

00:07:07,770 --> 00:07:09,090

the articles to get them.

160

00:07:09,090 --> 00:07:11,020

Then I would go interview

those people myself,

161

00:07:11,020 --> 00:07:11,970

and if they took pictures,

162

00:07:11,970 --> 00:07:14,310

then I would try to get
a copy of the pictures.

163

00:07:14,310 --> 00:07:16,110

And frequently did.

164

00:07:16,110 --> 00:07:17,730

And then I began trading the pictures

165

00:07:17,730 --> 00:07:20,640

that I already had with other
people that had pictures,

166

00:07:20,640 --> 00:07:21,710

to get more pictures,

167

00:07:21,710 --> 00:07:23,870

and eventually built
a library of pictures,

168

00:07:23,870 --> 00:07:25,617

probably the largest in
private hands in the world

169

00:07:25,617 --> 00:07:28,610

it's over 4000, pictures of real UFOs.

170

00:07:28,610 --> 00:07:31,010

Now, if I can collect that many alone,

171

00:07:31,010 --> 00:07:34,490

as a single individual working by myself,

172

00:07:34,490 --> 00:07:36,600

how many pictures do you
think the government has got,

173

00:07:36,600 --> 00:07:40,850

when every government employee
is a potential investigator,

174

00:07:40,850 --> 00:07:43,550

and every agent is a trained investigator,

175

00:07:43,550 --> 00:07:47,520

all collecting and contributing

to the government files,

176

00:07:47,520 --> 00:07:49,760

they must have hangers full of pictures.

177

00:07:49,760 --> 00:07:52,990

- What Air Force manual

10-206 says is that

178

00:07:52,990 --> 00:07:56,510

a US Air Force pilot, who sees a UFO,

179

00:07:56,510 --> 00:07:59,940

has to report it in a

particular way and manner.

180

00:07:59,940 --> 00:08:04,130

They outline in this form

exactly how to report it.

181

00:08:04,130 --> 00:08:07,010

They say, list the size, the shape,

182

00:08:07,010 --> 00:08:09,920

direction of travel,

how big the object was,

183

00:08:09,920 --> 00:08:11,740

what were the wind conditions like?

184

00:08:11,740 --> 00:08:13,410

And you go through this big form,

185

00:08:13,410 --> 00:08:16,190

and say, you know, your UFO sighting.

186

00:08:16,190 --> 00:08:18,110

The manual then goes on to state

187

00:08:18,110 --> 00:08:20,010

that you have to forward this

188

00:08:20,010 --> 00:08:22,220

to the NORAD installation.

189

00:08:22,220 --> 00:08:24,080

This is that one Air

Force base that claims,

190

00:08:24,080 --> 00:08:26,680

oh no, we haven't collected

these things since 1969.

191

00:08:27,610 --> 00:08:29,530

The problem is that this form

192

00:08:29,530 --> 00:08:32,390

was last updated in October of 2004.

193

00:08:32,390 --> 00:08:37,390

- In 1977, I proposed

and became a director

194

00:08:37,540 --> 00:08:40,543

of a proposed extraterrestrial

communications study

195

00:08:40,543 --> 00:08:44,510

done in conjunction with the

Jimmy Carter White House.

196

00:08:44,510 --> 00:08:49,510

Jimmy Carter, of course,

had had a close encounter

197

00:08:49,730 --> 00:08:52,640

with a UFO, in the company of

198

00:08:52,640 --> 00:08:57,640

10 members of the Leary

Georgia Lions Club in 1969

199

00:08:58,080 --> 00:09:00,290

while he was running

for governor of Georgia.

200

00:09:00,290 --> 00:09:03,210

While he was governor of Georgia in 1973,

201

00:09:03,210 --> 00:09:07,660

he had filed an official UFO report,

202

00:09:07,660 --> 00:09:12,480

it's now on the Internet,

so everybody can see it.

203

00:09:12,480 --> 00:09:17,480

The 1976 US Presidential
campaign was extraordinary,

204

00:09:17,920 --> 00:09:22,290

because it was waged between Jimmy Carter,

205

00:09:22,290 --> 00:09:24,860

on the one hand, he's
had a close encounter

206

00:09:24,860 --> 00:09:28,970

and the first campaign,
waged on a platform,

207

00:09:28,970 --> 00:09:33,300

which included a
disclosure plank, of sorts.

208

00:09:33,300 --> 00:09:36,220

Jimmy Carter was asked

on various occasions,

209

00:09:36,220 --> 00:09:37,940

and this is documented.

210

00:09:37,940 --> 00:09:40,340

Once elected, would he open up

211

00:09:40,340 --> 00:09:43,190

the extraterrestrial UFO files.

212

00:09:43,190 --> 00:09:45,000

And he said yes, he would.

213

00:09:45,000 --> 00:09:50,000

- We have over 450 military

and intelligence witnesses.

214

00:09:50,470 --> 00:09:53,560

Some are, they range from

Generals and Brigadier Generals

215

00:09:53,560 --> 00:09:55,400

to Air Traffic Controllers

216

00:09:55,400 --> 00:09:58,700

and Strategic Air Command

personnel in the Air Force

217

00:09:58,700 --> 00:10:02,100

to civilian people in the FAA,

218

00:10:02,100 --> 00:10:04,870

The Federal Aviation Administration

219

00:10:04,870 --> 00:10:06,890

to Astronauts and Cosmonauts.

220

00:10:06,890 --> 00:10:09,640

And it's an enormous database of,

221

00:10:09,640 --> 00:10:13,000

of people who have up

close and personally seen

222

00:10:13,000 --> 00:10:15,430

UFOs or worked in those projects

223

00:10:16,750 --> 00:10:21,060

in their capacity as a

government or military person.

224

00:10:21,060 --> 00:10:23,160

- Even with the massive amount of pressure

225

00:10:23,160 --> 00:10:27,020

governments can exert to

maintain the ongoing cover-up,

226

00:10:27,020 --> 00:10:29,300

people continue to come forward and tell

227

00:10:29,300 --> 00:10:31,990

what they have personally experienced.

228

00:10:31,990 --> 00:10:32,990

- Whoosh, like that!

229

00:10:34,140 --> 00:10:36,220

15 miles in a fraction of a second.

230

00:10:36,220 --> 00:10:39,170

I disengaged the autopilot

to push the nose over

231

00:10:39,170 --> 00:10:41,270

because we were on a collision course.

232

00:10:41,270 --> 00:10:43,957

And when I did, I just saw it head-on.

233

00:10:43,957 --> 00:10:45,530

It was 300 feet in diameter.

234

00:10:45,530 --> 00:10:46,620

We knew that, but we had only known that

235

00:10:46,620 --> 00:10:49,090

because somebody was telling

us, 300 feet in diameter.

236

00:10:49,090 --> 00:10:51,217

So at that time, I

heard a hell of a noise.

237

00:10:51,217 --> 00:10:53,670

and I said to Fred,

what the hell was that?

238

00:10:53,670 --> 00:10:56,703

He said, well, the navigator
and the radioman ducking,

239

00:10:57,590 --> 00:11:00,040

fell, hit their head,
one hit, hurt their arm,

240

00:11:00,040 --> 00:11:02,010

they were scrambling on the
deck, so a hell of a noise.

241

00:11:02,010 --> 00:11:04,370

I thought it had hit us underneath.

242

00:11:04,370 --> 00:11:06,260

So I said, well, where
in the hell did it go?

243

00:11:06,260 --> 00:11:07,954

And Fred said, it's
right over to the right.

244

00:11:07,954 --> 00:11:11,510

I couldn't see it, so it drifted far

245

00:11:11,510 --> 00:11:13,000

about 5 miles away.

246

00:11:13,000 --> 00:11:15,250

It never got to the
altitude that we were at.

247

00:11:16,099 --> 00:11:17,340

A few hundred feet below.

248

00:11:17,340 --> 00:11:18,730

I begin to watch it, well,

249

00:11:18,730 --> 00:11:20,780

we knew then it was a friendly encounter,

250

00:11:20,780 --> 00:11:22,960

it just wanted us to see it.

251

00:11:22,960 --> 00:11:26,380

So then I went to engage

the autopilot again.

252

00:11:26,380 --> 00:11:29,103

The magnetic compass was going like this.

253

00:11:30,010 --> 00:11:32,510

and the Bird Dogs, which

is a directional finder,

254

00:11:32,510 --> 00:11:34,370

Two of the Bird Dogs are

pointing right at this thing,

255

00:11:34,370 --> 00:11:36,470

just vibrating like this.

256

00:11:36,470 --> 00:11:38,560

And it was all of the
electrical things in the airplane

257

00:11:38,560 --> 00:11:40,090

that went haywire.

258

00:11:40,090 --> 00:11:42,020

So, I told Fred, did you see that coming?

259

00:11:42,020 --> 00:11:45,880

He said, as it was coming
closer it was doing this.

260

00:11:45,880 --> 00:11:49,130

And so, I went back to
the vacuum operated desk.

261

00:11:49,130 --> 00:11:50,370

The whole airplane was vacuum operated

262

00:11:50,370 --> 00:11:51,640

and hydraulically operated controls,

263

00:11:51,640 --> 00:11:53,290

so I'd go back to that side.

264

00:11:53,290 --> 00:11:55,310

So then we'd sit there

and watch it for a while,

265

00:11:55,310 --> 00:11:57,110

because it just paced us, stayed with us.

266

00:11:57,110 --> 00:11:58,200

And so the other crew

267

00:11:58,200 --> 00:11:59,240

knew how to land the large engines

268

00:11:59,240 --> 00:12:01,260

so I was sent back and they came forth.

269

00:12:01,260 --> 00:12:03,810

Al Jones, which was the

Regional Plane Commander,

270

00:12:03,810 --> 00:12:04,733

took my seat.

271

00:12:05,850 --> 00:12:07,080

And was still there.

272

00:12:07,080 --> 00:12:08,260

He was watching it.

273

00:12:08,260 --> 00:12:09,930

And as I was walking back off,

274

00:12:09,930 --> 00:12:11,730

he decided he was going to chase it.

275

00:12:12,717 --> 00:12:13,923

And so he disengaged the autopilot.

276

00:12:13,923 --> 00:12:15,510

When I get back off,

277

00:12:15,510 --> 00:12:16,923

I wanted to see how the
passengers were doing.

278

00:12:16,923 --> 00:12:18,470

They were all on the right hand side.

279

00:12:18,470 --> 00:12:20,680

they could see it underneath the wing.

280

00:12:20,680 --> 00:12:21,610

And then I thought, oh hell.

281

00:12:21,610 --> 00:12:24,360

I recognized the doctor back there.

282

00:12:24,360 --> 00:12:27,770

He was a psychiatrist out of
the Thesdon Naval hospital.

283

00:12:27,770 --> 00:12:29,197

Plus a lot of other things.

284

00:12:29,197 --> 00:12:31,263

So I said, I had better talk to him first.

285

00:12:32,290 --> 00:12:33,192

Carnet would say,

286

00:12:33,192 --> 00:12:35,002

did you see what we
saw back there, Doctor?

287

00:12:35,002 --> 00:12:36,407

And he grinned at me and looked
at me straight in the eyes,

288

00:12:36,407 --> 00:12:39,420

and he says, yeah that
was a flying saucer.

289

00:12:39,420 --> 00:12:40,470

I didn't look at it.

290

00:12:40,470 --> 00:12:42,490

I don't believe in such things.

291

00:12:42,490 --> 00:12:44,760

- When I was 16 years old

292

00:12:44,760 --> 00:12:47,120

I was walking down the
street in Arlington, Virginia

293

00:12:47,120 --> 00:12:50,953

and saw seven red light
type UFOs over Washington,

294

00:12:51,810 --> 00:12:54,810

that made headlines around the world,

295

00:12:54,810 --> 00:12:58,580

and since then, I have seen eight

296

00:12:58,580 --> 00:13:01,300

alien vehicles on eight occasions.

297

00:13:01,300 --> 00:13:04,760

- The sightings I've had, are

more things flying right by

298

00:13:04,760 --> 00:13:06,837

or blueish green orb things.

299

00:13:06,837 --> 00:13:08,977

I've had ive sightings.

300

00:13:08,977 --> 00:13:12,500

I've never reported them

because I don't need the grief.

301

00:13:12,500 --> 00:13:13,960

But the trick is, you know,

302

00:13:13,960 --> 00:13:16,390

you can't mention the company

name or be a company uniform.

303

00:13:16,390 --> 00:13:17,940

Two of my friends,

304

00:13:17,940 --> 00:13:21,280

excellent pilots, one of

them was a famous pilot,

305

00:13:21,280 --> 00:13:23,870

and yet, they both got fired

for doing interviews like this,

306

00:13:23,870 --> 00:13:25,400

but they were in uniform.

307

00:13:25,400 --> 00:13:26,500

- Since I've been a child

308

00:13:26,500 --> 00:13:28,720

I'm looking up into the sky thinking,

309

00:13:28,720 --> 00:13:31,580

is there more than just us human beings

310

00:13:31,580 --> 00:13:33,690

in this huge universe?

311

00:13:33,690 --> 00:13:36,810

Now I do believe there is more life forms.

312

00:13:36,810 --> 00:13:39,730

Different life forms and more dimensions

313

00:13:39,730 --> 00:13:41,760

than we can perceive.

314

00:13:41,760 --> 00:13:43,100

- I've had several sightings.

315

00:13:43,100 --> 00:13:47,290

Probably, the closest

sighting would have been

316

00:13:48,160 --> 00:13:50,020

back in 1974.

317

00:13:50,020 --> 00:13:53,560

I was driving back between

Ottawa and Montreal

318

00:13:53,560 --> 00:13:55,630

going towards Montreal.

319

00:13:55,630 --> 00:13:58,550

And I remember going on the highway,

320

00:13:58,550 --> 00:14:01,420

and we came within, literally,

321

00:14:01,420 --> 00:14:05,810

probably, several hundred

feet of a huge, huge ship.

322

00:14:05,810 --> 00:14:09,170

And at first, you know,
we were driving away here,

323

00:14:09,170 --> 00:14:12,740

and I'm thinking, am I really seeing this?

324

00:14:12,740 --> 00:14:16,360

And we slowed down and sort of peeked out.

325

00:14:16,360 --> 00:14:18,250

and an enormous, enormous ship.

326

00:14:18,250 --> 00:14:21,110

I would have to say that
it was two or three times

327

00:14:21,110 --> 00:14:23,960

the size of a 747.

328

00:14:23,960 --> 00:14:27,820

And it completely, silently
glided over across the highway

329

00:14:27,820 --> 00:14:30,540

and we saw it go off into the distance.

330

00:14:30,540 --> 00:14:31,740

So there was no mistaking

331

00:14:31,740 --> 00:14:34,320

that that was not anything at that time

332

00:14:35,240 --> 00:14:39,110

that would have existed
conventionally or militarily.

333

00:14:39,110 --> 00:14:41,810

- I was a Lieutenant from

the Bulgarian Air Force.

334

00:14:41,810 --> 00:14:43,900

My plane was the MIG 21.

335

00:14:43,900 --> 00:14:44,980

What I believe?

336

00:14:44,980 --> 00:14:46,803

I believe there is much more going on

337

00:14:46,803 --> 00:14:49,710

than we can see with our naked eye.

338

00:14:49,710 --> 00:14:53,730

- Being in the 3rd Battalion,

7th Marine regiment,

339

00:14:53,730 --> 00:14:55,890

we were pretty active,

we were on the East Coast

340

00:14:55,890 --> 00:14:58,590

in an area called The Punchbowl,

341

00:14:58,590 --> 00:15:01,113

which is just down the

road from Heartbreak Ridge.

342

00:15:02,210 --> 00:15:05,570

We had a lull in the fighting, so,

343

00:15:05,570 --> 00:15:07,370

we just sat around and played poker.

344

00:15:08,511 --> 00:15:10,280

And somebody looked up and said,

345

00:15:10,280 --> 00:15:11,720

what the heck is that?

346

00:15:11,720 --> 00:15:14,750

We all looked up and there was,

347

00:15:14,750 --> 00:15:18,210

it look for all of the

world, like a chrome hubcap

348

00:15:19,180 --> 00:15:20,110

sitting up above us.

349

00:15:20,110 --> 00:15:21,573

And if you looked at it

350

00:15:21,573 --> 00:15:25,380

it kind of had a watery, shimmery look

351

00:15:25,380 --> 00:15:29,900

and a little bit blueish white periphery.

352

00:15:29,900 --> 00:15:32,320

And from time to time,

it would appear to be

353

00:15:33,170 --> 00:15:36,500

elliptical and sometimes circular.

354

00:15:36,500 --> 00:15:39,733

So I imagine it was rocking a little bit.

355

00:15:42,035 --> 00:15:45,203

There was just a hint of

a dome sometimes on it.

356

00:15:46,207 --> 00:15:47,447

Well we watched it,

357

00:15:47,447 --> 00:15:50,887

and our Colonel came out

and took a look at it,

358

00:15:50,887 --> 00:15:52,137

and he made a phone call.

359

00:15:53,990 --> 00:15:58,990

Pretty soon, 4 F86 D

model, saber jets came out,

360

00:16:01,140 --> 00:16:04,500

and they tried to get to the object,

361

00:16:04,500 --> 00:16:09,010

and it appeared that

they hit some barrier,

362

00:16:09,010 --> 00:16:12,490

which you couldn't see, because

they would stall out and do

363

00:16:12,490 --> 00:16:17,235

a one and a half turn spin and
then pull out at the bottom.

364

00:16:17,235 --> 00:16:21,690

The flying saucer

finally decided to leave,

365

00:16:21,690 --> 00:16:23,203

and it got very, very bright.

366

00:16:24,310 --> 00:16:28,470

And it was pretty difficult

to look directly at it.

367

00:16:28,470 --> 00:16:32,860

But it rose straight up and

it went through the overcast.

368

00:16:32,860 --> 00:16:35,400

Now, when it went through the overcast,

369

00:16:35,400 --> 00:16:38,820

there were three black rings

370

00:16:38,820 --> 00:16:41,580

that radiated from the

flange of the craft,

371

00:16:41,580 --> 00:16:44,180

and went from the flange of the craft

372

00:16:44,180 --> 00:16:47,140

all the way over the horizon

with no sound at all.

373

00:16:47,140 --> 00:16:48,780

And what it looked like was

374

00:16:48,780 --> 00:16:51,670

somebody dropping a pebble

into a glassy pool of water,

375

00:16:51,670 --> 00:16:54,500

and the rings were spreading out.

376

00:16:54,500 --> 00:16:56,850

- In January of '05.

377

00:16:56,850 --> 00:17:00,290

5.24pm, I was driving

south on Interstate 25,

378

00:17:00,290 --> 00:17:04,700

south of Denver and I

see this black object

379

00:17:05,610 --> 00:17:08,453

coming up the road, above

the road, in the sky.

380

00:17:10,280 --> 00:17:11,850

And I thought, that's
curious, what is that?

381

00:17:11,850 --> 00:17:13,270

As I get closer, as we close,

382

00:17:13,270 --> 00:17:18,070

I see that it is a solid object.

383

00:17:18,070 --> 00:17:20,570

I thought it might have been

Canadian geese, for a start,

384

00:17:20,570 --> 00:17:22,400

I thought it might have

been a piece of plastic

385

00:17:22,400 --> 00:17:24,760

blown up in the breeze, like a kite.

386

00:17:24,760 --> 00:17:26,830

But I could see it was a solid object.

387

00:17:26,830 --> 00:17:29,000

It was not affected by breeze in anyway.

388

00:17:29,000 --> 00:17:31,310

It was flying on a straight course.

389

00:17:31,310 --> 00:17:33,080

It looked black, it may

have been some color

390

00:17:33,080 --> 00:17:35,340

but because it was

silhouetted against the sky,

391

00:17:35,340 --> 00:17:36,940

it looked very dark.

392

00:17:36,940 --> 00:17:37,900

It looked like a plank.

393

00:17:37,900 --> 00:17:38,960

It looked like a board.

394

00:17:38,960 --> 00:17:39,940

An oblong shape.

395

00:17:39,940 --> 00:17:41,190

It was bizarre.

396

00:17:41,190 --> 00:17:43,890

It had a couple of little
bumps on the leading edge,

397

00:17:43,890 --> 00:17:46,630

on one end, and I thought,
well if it's just junk,

398

00:17:46,630 --> 00:17:48,140

that would be random, perhaps,

399

00:17:48,140 --> 00:17:49,590

it certainly wouldn't be symmetrical.

400

00:17:49,590 --> 00:17:50,840

and I looked at the other

side, and sure enough

401

00:17:50,840 --> 00:17:53,030

it had the identical

bumps on the other side

402

00:17:53,030 --> 00:17:54,520

of the leading edge.

403

00:17:54,520 --> 00:17:59,034

So it was an anomalous object.

404

00:17:59,034 --> 00:17:59,867

Could I identify it?

405

00:17:59,867 --> 00:18:02,070

Heck no, I couldn't relate to it.

406

00:18:02,070 --> 00:18:05,090

It had no sweepback, no

anhedral, no dihedral.

407

00:18:05,090 --> 00:18:07,880

It didn't have any external power plants,

408

00:18:07,880 --> 00:18:11,340

no wings, no tail empennage,

409

00:18:11,340 --> 00:18:15,693

flight control surfaces or probes.

410

00:18:17,220 --> 00:18:20,300

- A search of the term

Fastwalkers on the Internet

411

00:18:20,300 --> 00:18:23,120

immediately reveals

references that Fastwalker

412

00:18:23,120 --> 00:18:26,510

is a codename used by

various government agencies

413

00:18:26,510 --> 00:18:30,700

to refer to UFOs or as

they are sometimes called,

414

00:18:30,700 --> 00:18:32,840

Non Reference Targets.

415

00:18:32,840 --> 00:18:34,920

- Okay, this is holding pretty well.

416

00:18:34,920 --> 00:18:38,990

Craft that I recorded that
did the 180 degree turn

417

00:18:38,990 --> 00:18:40,963

down on this portion of the screen.

418

00:18:41,870 --> 00:18:45,820

They're called Fastwalkers,
because of their speed.

419

00:18:45,820 --> 00:18:49,770

The whole episode took about

420

00:18:49,770 --> 00:18:51,900

half a second to perform, or less.

421

00:18:51,900 --> 00:18:53,450

And we're talking milliseconds.

422

00:18:54,300 --> 00:18:55,570

And that kind of lets you know,

423

00:18:55,570 --> 00:18:57,970

that it's not an earth

satellite that we're looking at,

424

00:18:57,970 --> 00:18:59,573

because it's moving so fast.

425

00:19:00,460 --> 00:19:01,463

Plus the fact,

426

00:19:02,490 --> 00:19:06,000

our satellites don't change direction,

427

00:19:06,000 --> 00:19:09,663

180 degrees without changing

speed, or 90 degrees.

428

00:19:10,610 --> 00:19:12,640

And I have seen many of the shadows

429

00:19:12,640 --> 00:19:16,850

go up and do a 90 degree

right across the screen.

430

00:19:16,850 --> 00:19:19,700

Sometimes, you'll see

three or four objects

431

00:19:19,700 --> 00:19:21,587

in formation, looks like formation flying,

432

00:19:21,587 --> 00:19:22,940

and one will branch off to the left

433

00:19:22,940 --> 00:19:24,930

and one will go to the right.

434

00:19:24,930 --> 00:19:27,460

Somebody coined the phrase Fastwalker.

435

00:19:29,075 --> 00:19:30,873

And it's appropriate.

436

00:19:31,770 --> 00:19:35,937

- The Fastwalkers are

these very rapid moving,

437

00:19:35,937 --> 00:19:39,280

electrogravitic and anti-gravity discs

438

00:19:39,280 --> 00:19:41,150

and craft of various shapes.

439

00:19:41,150 --> 00:19:43,470

The National Security Agency

actually for a long time

440

00:19:43,470 --> 00:19:46,520

had called these ETVs,
Extra-Terrestrial Vehicles

441

00:19:46,520 --> 00:19:49,743

and from the military who
have tracked these objects.

442

00:19:50,630 --> 00:19:52,760

They've been called Fastwalkers because

443

00:19:52,760 --> 00:19:55,590

as apposed to Slowwalkers,
which are satellites.

444

00:19:55,590 --> 00:19:58,110

Because they move at enormous speeds,

445

00:19:58,110 --> 00:19:59,820

for example, they've been

tracked at going tens

446

00:19:59,820 --> 00:20:02,210

of thousands of miles per

hour in the atmosphere

447

00:20:02,210 --> 00:20:04,910

and making a right hand

turn without decelerating.

448

00:20:04,910 --> 00:20:07,730

Well, you can't do that

with a conventional system.

449

00:20:07,730 --> 00:20:10,310

You have to correct for

gravity and mass inertia

450

00:20:10,310 --> 00:20:11,590

but that's what these things are doing.

451

00:20:11,590 --> 00:20:13,470

So these have been tracked on

452

00:20:13,470 --> 00:20:16,420

dedicated and classified radar systems.

453

00:20:16,420 --> 00:20:18,930

Occasionally, people who

are on an ordinary system

454

00:20:18,930 --> 00:20:20,260

will pick them up.

455

00:20:20,260 --> 00:20:22,430

- [Narrator] Today, the

Internet is literally alive

456

00:20:22,430 --> 00:20:25,110

with websites that are

filled with detailed reports,

457

00:20:25,110 --> 00:20:27,530

many of which include convincing videos

458

00:20:27,530 --> 00:20:31,200

and pictures of unknown crafts

and alien like creatures.

459

00:20:31,200 --> 00:20:32,900

- I live in Phoenix, Arizona.

460

00:20:32,900 --> 00:20:36,080

I am a sky watcher, a UFO hunter.

461

00:20:36,080 --> 00:20:38,660

I have a website called www.cnufos.com

462

00:20:38,660 --> 00:20:41,550

I've had an interest

in UFOs my whole life,

463

00:20:41,550 --> 00:20:44,710

but officially that started

on April 15th of 2004,

464

00:20:44,710 --> 00:20:47,760

when I walked my dog in

the middle of the night,

465

00:20:47,760 --> 00:20:50,330

looked up in the sky and

saw some strange lights.

466

00:20:50,330 --> 00:20:53,580

I've got over 200 UFO

video clips on my website.

467

00:20:53,580 --> 00:20:55,530

I'm more interested in the day footage.

468

00:20:55,530 --> 00:20:58,410

Now, the day footage
is completely different

469

00:20:58,410 --> 00:21:00,380

because that's harder to dismiss.

470

00:21:00,380 --> 00:21:02,380

You know, so I would have
to say every other month,

471

00:21:02,380 --> 00:21:04,810

it seems like I'm catching something.

472

00:21:04,810 --> 00:21:08,290

And I go out every day
pretty much six days a week,

473

00:21:08,290 --> 00:21:10,000

a couple of hours a day.

474

00:21:10,000 --> 00:21:11,270

You know, you add all those hours up

475

00:21:11,270 --> 00:21:12,430

and that's a lot of time

476

00:21:12,430 --> 00:21:15,150

just to catch one thing for 20 seconds.

477

00:21:15,150 --> 00:21:18,130

But that's more than most

people see in a lifetime, so,

478

00:21:18,130 --> 00:21:19,680

I think that's better than nothing.

479

00:21:19,680 --> 00:21:23,040

- Well, I'm involved in

the political resolution

480

00:21:23,040 --> 00:21:26,910

of the I prefer to call it,

481

00:21:26,910 --> 00:21:29,680

the Truth Embargo that the

government have imposed,

482

00:21:29,680 --> 00:21:33,560

on the facts regarding the

extraterrestrial presence.

483

00:21:33,560 --> 00:21:37,610

That presence has been

established, I think,

484

00:21:37,610 --> 00:21:40,433

many times over by the

citizen science research

485

00:21:40,433 --> 00:21:43,100

that has been going on since the '40s.

486

00:21:43,100 --> 00:21:44,830

The government did studies,

487

00:21:44,830 --> 00:21:47,430

but they were primarily for show.

488

00:21:47,430 --> 00:21:50,930

And the issue from a government
standpoint has been managed

489

00:21:50,930 --> 00:21:55,023

very intensely since '47 at minimum.

490

00:21:56,380 --> 00:21:58,090

Managed in a sense that

491

00:21:58,090 --> 00:22:00,040

the government was going to deal with it,

492

00:22:00,040 --> 00:22:02,660

but deal with it within the
national security structure,

493

00:22:02,660 --> 00:22:06,190

and never acknowledge that
there is anything to this,

494

00:22:06,190 --> 00:22:07,570

but in fact there is.

495

00:22:07,570 --> 00:22:10,460

We are being engaged as
a planet and as a species

496

00:22:10,460 --> 00:22:12,880

by other beings.

497

00:22:12,880 --> 00:22:14,850

Possibly multiple species.

498

00:22:14,850 --> 00:22:17,720

This has just been proven
beyond any doubt at all,

499

00:22:17,720 --> 00:22:19,500

anyone who reads the research

500

00:22:19,500 --> 00:22:24,500

who isn't compromised
by being either an idiot

501

00:22:24,710 --> 00:22:28,460

or an employee of the government
management of the issue

502

00:22:28,460 --> 00:22:30,070

can only arrive at one conclusion.

503

00:22:30,070 --> 00:22:31,910

The evidence is overwhelming.

504

00:22:31,910 --> 00:22:35,720

Videotape, daylight

discs, night time discs,

505

00:22:35,720 --> 00:22:40,000

photographs, direct pilot

sightings by the thousands,

506

00:22:40,000 --> 00:22:41,770

millions of sightings around the world.

507

00:22:41,770 --> 00:22:45,280

There are testimonies from

direct government involvement,

508

00:22:45,280 --> 00:22:47,780

and of course, you've

got an entire contactee

509

00:22:47,780 --> 00:22:49,140

body of evidence that's now

510

00:22:49,140 --> 00:22:51,570

in the tens of thousands of reports.

511

00:22:51,570 --> 00:22:53,430

- [Narrator] Now, like never before,

512

00:22:53,430 --> 00:22:55,710

astounding events are

transcending national

513

00:22:55,710 --> 00:22:57,250

and geographical boundaries,

514

00:22:57,250 --> 00:23:00,620

currently happening in Brazil and Mexico.

515

00:23:00,620 --> 00:23:02,620

Unprecedented UFO sightings

516

00:23:02,620 --> 00:23:06,660

are sweeping the entire area
of South and Central America.

517

00:23:06,660 --> 00:23:09,060

Does the key to
understanding UFOs and aliens

518

00:23:09,060 --> 00:23:10,900

and their relationship with each of us

519

00:23:10,900 --> 00:23:12,900

laying being able to simply perceive

520

00:23:12,900 --> 00:23:14,800

what is in a higher spectrum?

521

00:23:14,800 --> 00:23:16,590

Like seeing the infrared range

522

00:23:16,590 --> 00:23:18,630

or other dimensional frequencies?

523

00:23:18,630 --> 00:23:22,230

Images gathered from

infrared cameras in Mexico

524

00:23:22,230 --> 00:23:24,560

and the special cameras used in Brazil

525

00:23:24,560 --> 00:23:27,430

seem to indicate that the

aliens and their crafts

526

00:23:27,430 --> 00:23:29,493

may in fact be all around us.

527

00:23:30,520 --> 00:23:34,150

Jaime Maussan is one of
Mexico's foremost journalists,

528

00:23:34,150 --> 00:23:35,910

internationally known and respected

529

00:23:35,910 --> 00:23:38,720

for more than three decades
of journalistic work.

530

00:23:38,720 --> 00:23:41,500

His investigations and
reporting in the UFO field

531

00:23:41,500 --> 00:23:45,090

have made him an icon to
UFO researchers worldwide.

532

00:23:45,090 --> 00:23:48,170

Jaime's weekly network

television show, 60 Minutes,

533

00:23:48,170 --> 00:23:50,890

in Mexico, reaches millions

of people each week

534

00:23:50,890 --> 00:23:54,640

and regularly carries segments

on the subject of UFOs.

535

00:23:54,640 --> 00:23:59,640

- This flap has been recorded on video.

536

00:23:59,820 --> 00:24:03,420

It means that we have evidence to prove

537

00:24:03,420 --> 00:24:05,920

that something is really happening

538

00:24:05,920 --> 00:24:07,677

in the Mexican Republic.

539

00:24:07,677 --> 00:24:11,300

The video camera has become
the most important instrument

540

00:24:12,840 --> 00:24:17,840

to really capture this new reality.

541

00:24:17,910 --> 00:24:22,530

Even the Mexican Army,
the Air Force in Mexico,

542

00:24:22,530 --> 00:24:23,993

recorded UFOs.

543

00:24:25,240 --> 00:24:27,120

The video was given to me

544

00:24:27,120 --> 00:24:29,190

and I released that to the world.

545

00:24:29,190 --> 00:24:33,623

In that case, that happened

on March the 5th, 2004.

546

00:24:35,580 --> 00:24:37,920

The soldiers were able to record something

547

00:24:37,920 --> 00:24:40,580

that they couldn't see

with their own eyes.

548

00:24:40,580 --> 00:24:41,570

And that's amazing.

549

00:24:41,570 --> 00:24:46,093

That was the first time

someone recorded something

550

00:24:46,982 --> 00:24:50,597

that they weren't able to see.

551

00:24:52,662 --> 00:24:55,430

(men talking on radio indistinctly)

552

00:24:55,430 --> 00:24:58,160

- With Jaime Maussan aboard a plane

553

00:24:58,160 --> 00:25:01,300

coming from San Antonio

to Mexico City flying

554

00:25:01,300 --> 00:25:04,460

over a place called San Luis Potosi

555

00:25:04,460 --> 00:25:07,510

to film a UFO following the plane.

556

00:25:07,510 --> 00:25:09,180

It was the detected by the radars

557

00:25:09,180 --> 00:25:10,500

and they have everything on film.

558

00:25:10,500 --> 00:25:12,410

So, for us it's normal

559

00:25:12,410 --> 00:25:14,290

maybe because we're searching for it.

560

00:25:14,290 --> 00:25:17,540

Maybe because we are trying

to look for this reality.

561

00:25:17,540 --> 00:25:18,850

Maybe they are following us.

562

00:25:18,850 --> 00:25:21,200

I don't know, but it happened to me,

563

00:25:21,200 --> 00:25:24,280

that at least 50 times, maybe more.

564

00:25:24,280 --> 00:25:27,610

- There are objects that we
cannot see with our own eyes,

565

00:25:27,610 --> 00:25:29,830

but they are there.

566

00:25:29,830 --> 00:25:31,610

They are watching us.

567

00:25:31,610 --> 00:25:34,320

In the last months, in Mexico,

568

00:25:34,320 --> 00:25:38,990

after thousands of videos,

we have been registering

569

00:25:38,990 --> 00:25:41,460

some of the most spectacular videos.

570

00:25:41,460 --> 00:25:45,070

You can see hundreds

and hundreds of objects

571

00:25:45,070 --> 00:25:48,160

making formations and flying together

572

00:25:48,160 --> 00:25:52,740

exactly the same thing that you can see

573

00:25:52,740 --> 00:25:54,600

in the military video.

574

00:25:54,600 --> 00:25:57,950

These formations moving

at the same speeds,

575

00:25:57,950 --> 00:26:02,950

in the same direction,

at the same altitude.

576

00:26:03,687 --> 00:26:06,687

(suspenseful music)

577

00:26:10,060 --> 00:26:13,310

- As the more one researches,

the more one discovers,

578

00:26:13,310 --> 00:26:16,350

that literally tens of thousands

of very credible people

579

00:26:16,350 --> 00:26:20,430

of every age, occupation,

and nationality are claiming

580

00:26:20,430 --> 00:26:22,410

that they have had personal contact

581

00:26:22,410 --> 00:26:25,650

with either aliens or

interdimensional beings.

582

00:26:25,650 --> 00:26:27,133

- [Narrator] Credible researchers now say

583

00:26:27,133 --> 00:26:29,270

that as many as 60 different species

584

00:26:29,270 --> 00:26:31,450

of intelligent, super conscious beings

585

00:26:31,450 --> 00:26:35,270

have been interacting with

humanity for millions of years.

586

00:26:35,270 --> 00:26:38,240

- Physically, they look, they're humanoid.

587

00:26:38,240 --> 00:26:41,670

Their skin is as white

as a piece of paper.

588

00:26:41,670 --> 00:26:43,862

Throughout much of their adult life

589

00:26:43,862 --> 00:26:48,500

they are the same height that

I am: 5'11", 6 feet tall.

590

00:26:48,500 --> 00:26:51,870

Their eyes are perhaps

twice as large as ours.

591

00:26:51,870 --> 00:26:54,480

They're typically blue

eyes with white pupils.

592

00:26:54,480 --> 00:26:57,940

Although, when they get
older, especially the men,

593

00:26:57,940 --> 00:27:00,800

their eyes take on a pink shade.

594

00:27:00,800 --> 00:27:03,590

Their eyes stretch
further around the sides

595

00:27:03,590 --> 00:27:06,099

of their head than human eyes do.

596

00:27:06,099 --> 00:27:08,640

And their ears and their nose

597

00:27:08,640 --> 00:27:12,490

are only about half the size
of human ears and noses,

598

00:27:12,490 --> 00:27:15,360

and their ears lay back
along the side of their head

599

00:27:15,360 --> 00:27:17,053

more than a human does.

600

00:27:17,920 --> 00:27:20,970

Their lips are not as prominent as humans,

601

00:27:20,970 --> 00:27:24,640

and they don't have teeth,
they just have ridges,

602

00:27:24,640 --> 00:27:27,540

because they are plant
eaters, they don't eat meat.

603

00:27:27,540 --> 00:27:29,920

- How can we know for sure

604

00:27:29,920 --> 00:27:31,920

exactly how many extraterrestrial races

605

00:27:31,920 --> 00:27:34,960

are visiting us or

interacting with humanity?

606

00:27:34,960 --> 00:27:36,500

There are different sources

607

00:27:37,450 --> 00:27:39,620

disclosing some of that information.

608

00:27:39,620 --> 00:27:41,910

I find one of the most

credible to be whistleblowers.

609

00:27:41,910 --> 00:27:46,400

People who have worked in
these various secret projects,

610

00:27:46,400 --> 00:27:48,830

who in some way have kind of,

611

00:27:48,830 --> 00:27:50,970

been given information

that gives them an idea

612

00:27:50,970 --> 00:27:54,080

of exactly how many races are here.

613

00:27:54,080 --> 00:27:56,515

One of those sources is a,

614

00:27:56,515 --> 00:27:58,630

a Sergeant who worked in the,

615

00:27:58,630 --> 00:28:02,280

for 22 years in the Air

Force, Clifford Stone.

616

00:28:02,280 --> 00:28:06,370

And he was involved in

these top secret projects

617

00:28:06,370 --> 00:28:10,040

that involve the retrieval

of crashed discs.

618

00:28:10,040 --> 00:28:12,450

And in that process he was able to get

619

00:28:13,320 --> 00:28:15,590

quite a bit of information

on how many extraterrestrial

620

00:28:15,590 --> 00:28:17,100

races are visiting us.

621

00:28:17,100 --> 00:28:20,600

And he came up with the figure of 57.

622

00:28:20,600 --> 00:28:24,060

Others have come up with slightly more.

623

00:28:24,060 --> 00:28:27,043

Another prominent whistleblower,

624

00:28:27,043 --> 00:28:30,910

a former employee of the CIA is John Lear.

625

00:28:30,910 --> 00:28:33,800

And he talks about over 60 races

626

00:28:33,800 --> 00:28:35,170

that are visiting the Earth.

627

00:28:35,170 --> 00:28:39,820

On one night I saw between 200 and 300

628

00:28:39,820 --> 00:28:42,690

different tall, white individuals.

629

00:28:42,690 --> 00:28:44,860

There were so many, I couldn't count them,

630

00:28:44,860 --> 00:28:48,270

lined up along the mountains

to the east up along

631

00:28:48,270 --> 00:28:50,223

where the ammunition bunker was.

632

00:28:51,140 --> 00:28:54,340

On the night that the tall

white lady known as Pamela

633

00:28:54,340 --> 00:28:58,160

was supposed to finish her final exam

634

00:28:58,160 --> 00:29:01,840

to be head of the

technology transfer team,

635

00:29:01,840 --> 00:29:03,740

to go into Livermore.

636

00:29:03,740 --> 00:29:06,660

In amongst those two or

three hundred tall whites,

637

00:29:06,660 --> 00:29:08,760

and that's just an estimate, because I,

638

00:29:08,760 --> 00:29:10,637

I couldn't, there was a crowd of people

639

00:29:10,637 --> 00:29:12,530

and I couldn't count them all.

640

00:29:12,530 --> 00:29:16,253

There were also American

Air Force personnel,

641

00:29:17,480 --> 00:29:20,060

nobody below the rank of Colonel.

642

00:29:20,060 --> 00:29:22,270

There were others like

a Four-Star-General,

643

00:29:22,270 --> 00:29:23,930

a Three-Star-General,

644

00:29:23,930 --> 00:29:25,390

There were several of them.

645

00:29:25,390 --> 00:29:28,400

There were also several

American government people,

646

00:29:28,400 --> 00:29:31,090

in civilian clothing over there.

647

00:29:31,090 --> 00:29:32,870

- [Narrator] Could it be

possible that our universe

648

00:29:32,870 --> 00:29:36,270

is not only immense but

that it is full of life,

649

00:29:36,270 --> 00:29:38,610

and that there is a great

diversity of this life

650

00:29:38,610 --> 00:29:40,770

spread throughout own own local galaxy,

651

00:29:40,770 --> 00:29:42,920

and even our solar system?

652

00:29:42,920 --> 00:29:45,440

Equally outstanding is

the recent revelation

653

00:29:45,440 --> 00:29:46,970

by the government of Brazil

654

00:29:46,970 --> 00:29:50,070

of their intent to turn

over the official UFO files,

655

00:29:50,070 --> 00:29:54,010

dating back to as early as

1954, to the people of Brazil.

656

00:29:54,010 --> 00:29:56,180

- Well, the Varginha case is probably

657

00:29:56,180 --> 00:29:59,860

the best well documented
case that we have in Brazil,

658

00:29:59,860 --> 00:30:01,690

and probably in the world.

659

00:30:01,690 --> 00:30:06,690

You know, that over 80
witnesses came forward,

660

00:30:06,760 --> 00:30:08,910

first-hand witnesses came forward,

661

00:30:08,910 --> 00:30:10,510

during the first weeks,

662

00:30:10,510 --> 00:30:13,780

and they are still

coming after it happened.

663

00:30:13,780 --> 00:30:15,510

During all of these years we still

664

00:30:15,510 --> 00:30:18,310

keep getting witnesses that

come forward and tell us

665

00:30:19,150 --> 00:30:24,150

pieces of the big story, that

we know already, in comprises

666

00:30:24,930 --> 00:30:29,250

the capture of at least

two alien creatures

667

00:30:29,250 --> 00:30:30,710

in Aselo, Varginha.

668

00:30:30,710 --> 00:30:34,340

We know for a fact, because

we have it all documented,

669

00:30:34,340 --> 00:30:37,980

plus the witnesses have

confirmed and cross confirmed

670

00:30:38,940 --> 00:30:43,380

that one alien was captured

in the morning of that day

671

00:30:43,380 --> 00:30:46,350

which was a Saturday, about 10.30,

672

00:30:46,350 --> 00:30:50,530

by a Fire Department and

some personnel from the Army.

673

00:30:50,530 --> 00:30:53,470

Another creature was seen on the same day

674

00:30:53,470 --> 00:30:56,860

by middle-afternoon, by three girls.

675

00:30:56,860 --> 00:31:00,860

It was them who called

attention of all the city

676

00:31:00,860 --> 00:31:04,310

to the fact that strange

creatures had been seen.

677

00:31:04,310 --> 00:31:07,080

Because when the first

one was seen and captured

678

00:31:07,080 --> 00:31:10,210

in the morning, it didn't

draw too much attention.

679

00:31:10,210 --> 00:31:14,750

But at the afternoon when the
girls saw another creature

680

00:31:14,750 --> 00:31:18,360

and then spread the word to
everybody, we saw the devil.

681

00:31:18,360 --> 00:31:19,930

That's what they thought they saw.

682

00:31:19,930 --> 00:31:24,030

That night of the Saturday,
January 20th 1996,

683

00:31:24,030 --> 00:31:25,360

that second creature,

684

00:31:25,360 --> 00:31:28,990

probably the same one saw by
the girls, was also captured

685

00:31:28,990 --> 00:31:33,990

by a police car, actually
a military police car

686

00:31:35,130 --> 00:31:36,823

with two policeman inside.

687

00:31:37,740 --> 00:31:40,480

The one who was sitting
in the passenger seat

688

00:31:40,480 --> 00:31:42,350

was Marco Eli Chereze,

689

00:31:42,350 --> 00:31:44,930

and he was lucky enough to be the one

690

00:31:44,930 --> 00:31:49,540

who spotted the creature and
grabbed it with his bear arms,

691

00:31:49,540 --> 00:31:52,110

bear hands, got back to the car,

692

00:31:52,110 --> 00:31:54,830

put the creature in his lap,
and took it to hospital.

693

00:31:54,830 --> 00:31:59,401

25 days after that, he
died, on February 15th,

694

00:31:59,401 --> 00:32:03,570

of some bacteria attacks,

695

00:32:03,570 --> 00:32:08,570

proving that his immunodeficiency system

696

00:32:08,690 --> 00:32:10,603

was absolutely destroyed.

697

00:32:12,640 --> 00:32:16,510

Army personnel and

authorities kept it all secret

698

00:32:16,510 --> 00:32:19,250

for lots of time until the UFO researchers

699

00:32:19,250 --> 00:32:22,492

started protesting along with the press,

700

00:32:22,492 --> 00:32:24,730

and we gave so much

pressure, that eventually,

701

00:32:24,730 --> 00:32:26,087

information was released about it.

702

00:32:26,087 --> 00:32:29,190

- The exobiological aspect

that the probability of life

703

00:32:29,190 --> 00:32:32,630

out there has actually increased

over what it was in 1950

704

00:32:32,630 --> 00:32:36,530

and the indication that there may be ways

705

00:32:36,530 --> 00:32:37,920

of traveling faster

than the speed of light.

706

00:32:37,920 --> 00:32:39,770

So hey, they can get here from there.

707

00:32:41,050 --> 00:32:43,110

It doesn't mean that they

are coming in five minutes,

708

00:32:43,110 --> 00:32:45,483

or they're coming every hour

of everyday, but you know,

709

00:32:45,483 --> 00:32:47,870

they might be able to

traverse just huge distances

710

00:32:47,870 --> 00:32:49,470

in a period of weeks

or months or something

711

00:32:49,470 --> 00:32:51,910

instead of spending hundreds

or thousands of years.

712

00:32:51,910 --> 00:32:53,880

Well, look at the UFO sightings.

713

00:32:53,880 --> 00:32:56,800

Maybe they provide the
answer that they are here.

714

00:32:56,800 --> 00:32:58,420

- There was talk in the War Room

715

00:32:58,420 --> 00:33:00,573

about a study that was underway.

716

00:33:01,990 --> 00:33:06,240

And this study became initiated in 1961

717

00:33:06,240 --> 00:33:08,420

as the result of an event that occurred

718

00:33:08,420 --> 00:33:11,950

early February in 1961,

719

00:33:11,950 --> 00:33:14,090

where a flight of

Unidentified Flying Objects

720

00:33:14,090 --> 00:33:17,750

were flying from the

Soviet sector to the east,

721

00:33:17,750 --> 00:33:22,750

over the Warsaw pact towards

the west over the NATO lines.

722

00:33:23,140 --> 00:33:28,140

These objects were very

high and were very fast.

723

00:33:28,550 --> 00:33:30,470

They were in formation.

724

00:33:30,470 --> 00:33:32,563

They appeared to be circular in shape.

725

00:33:33,450 --> 00:33:36,393

And they were obviously
under intelligent control.

726

00:33:38,230 --> 00:33:42,085

They came in a formation
of what appeared to be

727

00:33:42,085 --> 00:33:43,668

almost 100 of them.

728

00:33:44,747 --> 00:33:46,600

And they flew in formation

729

00:33:46,600 --> 00:33:49,783

at a high rate of speed
from the east over NATO,

730

00:33:51,160 --> 00:33:53,950

over the channel,
southern coast of England,

731

00:33:53,950 --> 00:33:58,360

where they turned, flew
north and disappeared

732

00:33:58,360 --> 00:34:01,810

from NATO radar over the Norwegian sea.

733

00:34:01,810 --> 00:34:04,470

We found out that the
Soviets had gone on alert.

734

00:34:04,470 --> 00:34:06,560

The Warsaw pact had gone on alert

735

00:34:06,560 --> 00:34:08,160

because they had picked them up.

736

00:34:09,030 --> 00:34:13,080

All of our Air Force and
radar sensory devices

737

00:34:13,080 --> 00:34:13,913

picked them up.

738

00:34:17,410 --> 00:34:20,123

NATO thought those objects
belonged to the Russians.

739

00:34:21,300 --> 00:34:22,970

We found later that the Russians thought

740

00:34:22,970 --> 00:34:24,323

they belonged to us.

741

00:34:26,210 --> 00:34:30,890

Both forces were to find out later

742

00:34:30,890 --> 00:34:33,137

that they didn't belong to any of us,

743

00:34:34,432 --> 00:34:36,232

that they belonged to somebody else.

744

00:34:37,310 --> 00:34:38,510

And of course, the big question is

745

00:34:38,510 --> 00:34:40,110

who the hell do they belong to?

746

00:34:40,110 --> 00:34:40,943

Who are they?

747

00:34:40,943 --> 00:34:41,990

What are they?

748

00:34:41,990 --> 00:34:42,990

Where are they from?

749

00:34:43,920 --> 00:34:46,603

They demonstrated
incredibly high technology.

750

00:34:48,128 --> 00:34:49,343

They were not jets.

751

00:34:50,431 --> 00:34:52,860

There were no contrails.

752

00:34:52,860 --> 00:34:56,000

They were circular, they were metallic.

753

00:34:56,000 --> 00:34:57,660

They were in formation.

754

00:34:57,660 --> 00:35:01,780

They moved, obviously,
under intelligent control.

755

00:35:01,780 --> 00:35:06,440

NATO-SHAPE, Supreme

Headquarters Allied Powers,

756

00:35:06,440 --> 00:35:08,117

initiated a study in 1961,

757

00:35:09,690 --> 00:35:12,400

which was underway when I arrived in '63

758

00:35:13,530 --> 00:35:15,560

to determine what the

hell these things were.

759

00:35:15,560 --> 00:35:18,670

- Some experts now claim

that societies exist

760

00:35:18,670 --> 00:35:21,770

in our universe at every
conceivable level of social

761

00:35:21,770 --> 00:35:24,050

and spiritual development,

762

00:35:24,050 --> 00:35:27,190

societies and civilizations

that express themselves

763

00:35:27,190 --> 00:35:31,650

in countless manners of physical

forms and spiritual ways.

764

00:35:31,650 --> 00:35:33,510

- [Narrator] Have great wars and conflicts

765

00:35:33,510 --> 00:35:35,633

occurred within our own Solar System?

766

00:35:36,530 --> 00:35:39,680

Does our true planetary
past include rebellions

767

00:35:39,680 --> 00:35:43,000

and disputes that have raged
throughout our heavens?

768

00:35:43,000 --> 00:35:44,520

In our distant past,

769

00:35:44,520 --> 00:35:47,140

have massive spacecrafts
rained destruction

770

00:35:47,140 --> 00:35:49,720

down from the heavens ravishing continents

771

00:35:49,720 --> 00:35:52,113

and destroying advanced civilizations?

772

00:35:53,030 --> 00:35:55,600

Genesis 6:1,

773

00:35:55,600 --> 00:35:58,420

when men began to increase

in number on the Earth

774

00:35:58,420 --> 00:36:00,210

and daughters were born to them,

775

00:36:00,210 --> 00:36:02,320

the sons of God saw that

the daughters of men

776

00:36:02,320 --> 00:36:05,960

were beautiful, and they

married any of them they chose.

777

00:36:05,960 --> 00:36:08,270

- The historical record is plain.

778

00:36:08,270 --> 00:36:10,580

This has been a phenomenon
that has been around

779

00:36:10,580 --> 00:36:12,750

since our recorded history.

780

00:36:12,750 --> 00:36:15,860

The Vedas, the Hindu Vedas,
which are among the oldest

781

00:36:15,860 --> 00:36:19,020

writings in the world, talk
about the flying Vimana's,

782

00:36:19,020 --> 00:36:22,220

and how that they were
used to launch weapons

783

00:36:22,220 --> 00:36:25,880

and blow up cities and
all this stuff, you know.

784

00:36:25,880 --> 00:36:30,880

Again, we've got Ezekiel, and
it just goes all the way back.

785

00:36:30,930 --> 00:36:32,570

So they've been here all along.

786

00:36:32,570 --> 00:36:36,130

If their game plan was
like an Independence Day

787

00:36:36,130 --> 00:36:38,370

type invasion, where they
were going to blow up

788

00:36:38,370 --> 00:36:41,268

everything and eat everybody or whatever,

789

00:36:41,268 --> 00:36:42,970

It would have happened, long before now.

790

00:36:42,970 --> 00:36:46,310

- My main question was,

is God out there too?

791

00:36:46,310 --> 00:36:48,310

If God is on this planet,

is he out there too?

792

00:36:48,310 --> 00:36:50,660

and those questions were

answered by reading the Bible.

793

00:36:50,660 --> 00:36:53,080

And that really set me on this journey,

794

00:36:53,080 --> 00:36:55,100

to understanding the abduction phenomenon.

795

00:36:55,100 --> 00:36:58,460

What is the reasoning for this?

796

00:36:58,460 --> 00:36:59,480

Who is doing this?

797

00:36:59,480 --> 00:37:01,750

And all those questions that we all ask.

798

00:37:01,750 --> 00:37:05,360

We think of aliens and

we think of angels as,

799

00:37:05,360 --> 00:37:08,347

you know, divine beings,

that we have no idea of,

800

00:37:08,347 --> 00:37:10,290

and we don't see and we

don't communicate with

801

00:37:10,290 --> 00:37:11,880

on a daily basis.

802

00:37:11,880 --> 00:37:13,117

- [Narrator] But it is not only the Bible

803

00:37:13,117 --> 00:37:16,740

and other holy works that are

filled with references to UFOs

804

00:37:16,740 --> 00:37:18,900

and extraterrestrials.

805

00:37:18,900 --> 00:37:22,650

Drawings, paintings, stone

carvings and even coins

806

00:37:22,650 --> 00:37:25,050

reflect strange humanoid like creatures

807

00:37:25,050 --> 00:37:26,250

and their flying crafts.

808

00:37:27,160 --> 00:37:29,890

- Serious researchers now

say that the real question

809

00:37:29,890 --> 00:37:32,400

is not whether there are

abductions occurring,

810

00:37:32,400 --> 00:37:35,647

but are the abductions

to help, or to harm us?

811

00:37:35,647 --> 00:37:38,460

- And they Greys were authorized to

812

00:37:38,460 --> 00:37:40,450

sort of like a Noah's Ark,

813

00:37:40,450 --> 00:37:45,280

to develop a full genetic and DNA bank

814

00:37:45,280 --> 00:37:50,280

of all flora and fauna on this

planet, so as to replant it,

815

00:37:50,530 --> 00:37:53,330

centuries down the road

after the catastrophe.

816

00:37:53,330 --> 00:37:56,343

- Can you imagine any President,

817

00:37:57,790 --> 00:38:00,500

whether it be Bush or Clinton or whatever,

818

00:38:00,500 --> 00:38:03,850

standing before the
public and saying, yes,

819

00:38:03,850 --> 00:38:07,520

I am aware that we have this
joint program with some aliens

820

00:38:08,430 --> 00:38:11,180

to upgrade our biological computers.

821

00:38:11,180 --> 00:38:13,720

To build better bodies to house our souls

822

00:38:13,720 --> 00:38:15,433

in future incarnations.

823

00:38:16,682 --> 00:38:19,090

You can't talk about things like that.

824

00:38:19,090 --> 00:38:22,080

He wouldn't be able to do the
job that we hired him to do.

825

00:38:22,080 --> 00:38:26,050

- What we know of the
reptilians by a number of

826

00:38:26,050 --> 00:38:30,090

abductees, contactees, and
also whistleblowers is that

827

00:38:30,090 --> 00:38:33,490

there seems to be a lot
of evidence supporting

828

00:38:33,490 --> 00:38:36,280

the existence of this race of beings

829

00:38:36,280 --> 00:38:37,910

on the planet for thousands of years.

830

00:38:37,910 --> 00:38:40,460

In other words that we might consider them

831

00:38:40,460 --> 00:38:43,236

to be an indigenous Earth

species, an advanced,

832

00:38:43,236 --> 00:38:46,770

non-human species, that

has lived on the Earth

833

00:38:46,770 --> 00:38:48,160

for thousands of years,

834

00:38:48,160 --> 00:38:51,150

and actually may have played

quite an important role

835

00:38:51,150 --> 00:38:55,020

in the genetic manipulation
or engineering,

836

00:38:55,020 --> 00:38:58,420

which supposedly has happened
when it comes to humanity.

837

00:38:58,420 --> 00:39:02,920

- There are various groups,
individuals, species,

838

00:39:02,920 --> 00:39:05,440

who from time to time,
come and visit this planet,

839

00:39:05,440 --> 00:39:09,780

and zoop around, and I
think that to try to ascribe

840

00:39:09,780 --> 00:39:13,740

any one particular motive to them is

841

00:39:13,740 --> 00:39:16,030

tantamount to us looking up at the air

842

00:39:16,030 --> 00:39:20,580

at a Boeing 767 aircraft and saying,

843

00:39:20,580 --> 00:39:23,030

are those people good or bad?

844

00:39:23,030 --> 00:39:24,960

You know, you just can't ask that.

845

00:39:24,960 --> 00:39:26,610

It's just, it's a group of people,

846

00:39:26,610 --> 00:39:28,690

a group of intelligent beings.

847

00:39:28,690 --> 00:39:31,560

Some of them are good, some
of them are not so good.

848

00:39:31,560 --> 00:39:34,770

But I will say this, I don't
think there is any reason

849

00:39:34,770 --> 00:39:37,320

for great fear and anxiety.

850

00:39:37,320 --> 00:39:39,860

- Most recently, two
new terms have emerged

851

00:39:39,860 --> 00:39:43,050

that also describe
human-alien interaction.

852

00:39:43,050 --> 00:39:46,090

The most widely used
is the word Experiencer

853

00:39:46,090 --> 00:39:50,580

for those who have had some
sort of experience, good or bad.

854

00:39:50,580 --> 00:39:53,830

And Participator, which
has been coined to explain

855

00:39:53,830 --> 00:39:56,560

the cases where the
individual may have been

856

00:39:56,560 --> 00:39:59,590

an abductee originally but has transcended

857

00:39:59,590 --> 00:40:02,900

the situation by now
volunteering to participate

858

00:40:02,900 --> 00:40:04,840

with his abductors.

859

00:40:04,840 --> 00:40:08,660

- My contact with extraterrestrial
intelligence occurred

860

00:40:08,660 --> 00:40:11,470

when I was aboard my
sailing boat in Hawaii

861

00:40:11,470 --> 00:40:12,900

in the Honolulu harbor.

862

00:40:12,900 --> 00:40:14,230

And it was early one morning,

863

00:40:14,230 --> 00:40:17,360

it was about 5 o'clock

and I had gotten up early,

864

00:40:17,360 --> 00:40:18,990

and I had gotten a cup of coffee

865

00:40:18,990 --> 00:40:20,360

and I had gone back to my bunk.

866

00:40:20,360 --> 00:40:23,040

And I was just laying

there completely dressed

867

00:40:23,040 --> 00:40:26,840

trying to just look at

the beautiful sunrise

868

00:40:26,840 --> 00:40:30,500

that was occurring through the

large skylight above my bed,

869

00:40:30,500 --> 00:40:35,030

and then suddenly, the most
incredible energy enveloped me,

870

00:40:35,030 --> 00:40:37,440

and the whole room began to, like,

871

00:40:37,440 --> 00:40:39,980

glow and glisten and a beautiful woman

872

00:40:39,980 --> 00:40:42,801

materialized right next to my bed.

873

00:40:42,801 --> 00:40:46,540

And at first I thought I was
dreaming or hallucinating,

874

00:40:46,540 --> 00:40:48,240

and I said, you can't be real.

875

00:40:48,240 --> 00:40:50,310

And she said, well I am.

876

00:40:50,310 --> 00:40:52,780

And I said, wellm why are you here?

877

00:40:52,780 --> 00:40:56,640

And she said, I'm here as

a representative of a group

878

00:40:56,640 --> 00:41:00,880

of friends that want you

to come to a briefing.

879

00:41:00,880 --> 00:41:04,293

- The room was lit up completely,

but my eyes were closed.

880

00:41:05,140 --> 00:41:08,640

I knew somehow not to open my eyes.

881

00:41:08,640 --> 00:41:09,970

There was something telling me,

882

00:41:09,970 --> 00:41:12,340

don't open your eyes

because you won't like

883

00:41:12,340 --> 00:41:13,723

what you're going to see.

884

00:41:14,990 --> 00:41:16,870

Eventually, I did open my eyes,

885

00:41:16,870 --> 00:41:18,870

because I could hear a noise in the room,

886

00:41:18,870 --> 00:41:20,980

there was like a scuffling on the floor.

887

00:41:20,980 --> 00:41:24,713

I opened my eyes, there were three small,

888

00:41:25,900 --> 00:41:28,710

gray beings with big black eyes

889

00:41:28,710 --> 00:41:31,633

and big heads, and very

skinny, spindly limbs.

890

00:41:32,740 --> 00:41:35,793

They pulled me up out of the bed,

891

00:41:37,800 --> 00:41:42,270

and then with one behind

me and one each side of me

892

00:41:42,270 --> 00:41:46,080

holding my elbows, walked

me towards the window.

893

00:41:46,080 --> 00:41:48,210

And I'm thinking, well, the
windows are closed guys,

894

00:41:48,210 --> 00:41:51,370

so you had better open them
before we go any further.

895

00:41:51,370 --> 00:41:54,820

So there was this rationality
and irrationality going on

896

00:41:54,820 --> 00:41:56,200

at the same time.

897

00:41:56,200 --> 00:41:59,610

- I boarded what could be called a saucer.

898

00:41:59,610 --> 00:42:02,930

It was some type of an

interdimensional vehicle

899

00:42:02,930 --> 00:42:06,090

that took me to the

briefing that was occurring

900

00:42:06,090 --> 00:42:09,270

on a planet, a local

planet here in our system,

901

00:42:09,270 --> 00:42:10,620

it was Jupiter.

902

00:42:10,620 --> 00:42:14,150

And the whole planet just

radiated with the energy.

903

00:42:14,150 --> 00:42:18,110

And I spent time there with

these incredible people

904

00:42:18,110 --> 00:42:22,900

or beings, and I got a
glimpse of mankind's destiny

905

00:42:22,900 --> 00:42:25,370

or future, as it was possible.

906

00:42:25,370 --> 00:42:29,460

- And as we approached the
window, I closed my eyes.

907

00:42:29,460 --> 00:42:33,540

And as I did, I felt this stickiness.

908

00:42:33,540 --> 00:42:37,360

It was like, it was a
stickiness and a feeling

909

00:42:37,360 --> 00:42:40,270

of something being pulled

very slowly across my face.

910

00:42:40,270 --> 00:42:43,153

It wasn't painful, it was
just very, very weird.

911

00:42:44,350 --> 00:42:47,600

The next, I opened my
eyes, because I felt cold,

912

00:42:47,600 --> 00:42:49,540

I felt wind on my face,

913

00:42:49,540 --> 00:42:52,230

and I was aware that I was now floating

914

00:42:52,230 --> 00:42:56,100

outside of the window three stories up

915

00:42:56,100 --> 00:42:57,600

looking down at the car park,

916

00:42:57,600 --> 00:43:00,250

with a very bright light above my head.

917

00:43:00,250 --> 00:43:02,300

I couldn't really see

what was above my head,

918

00:43:02,300 --> 00:43:05,010

I was just aware of

this very bright light.

919

00:43:05,010 --> 00:43:08,880

One little gray on each

elbow, I was aware of them,

920

00:43:08,880 --> 00:43:12,210

and we floated up into the craft.

921

00:43:12,210 --> 00:43:14,760

- And people have said,
well, then you were abducted.

922

00:43:14,760 --> 00:43:17,490

And I said, no, I went very willingly.

923

00:43:17,490 --> 00:43:19,210

And they've also asked,

924

00:43:19,210 --> 00:43:22,410

how can you tell if you were
to meet an extraterrestrial?

925

00:43:22,410 --> 00:43:25,250

And I would have to say, the energy field.

926

00:43:25,250 --> 00:43:27,570

Because, when they're in your presence,

927

00:43:27,570 --> 00:43:30,520

they absolutely resonate at a frequency

928

00:43:30,520 --> 00:43:32,120

that is so much higher.

929

00:43:32,120 --> 00:43:35,470

And it can only be described

as dealing with them

930

00:43:35,470 --> 00:43:37,223

could be described as ecstasy.

931

00:43:38,290 --> 00:43:41,240

- I had been taken in

the middle of the night

932

00:43:41,240 --> 00:43:42,990

while I was asleep.

933

00:43:42,990 --> 00:43:46,200

And I was asleep through the whole thing

934

00:43:46,200 --> 00:43:51,200

until all of a sudden I felt

some pressure going up my nose.

935

00:43:51,550 --> 00:43:56,550

And it startled me so much

that I opened my eyes.

936

00:43:56,600 --> 00:44:01,180

And when I opened my eyes, I

saw this large-headed being,

937

00:44:01,180 --> 00:44:06,180

with gray skin, large black

eyes, and small other features

938

00:44:08,400 --> 00:44:10,390

that was looking down at me.

939

00:44:10,390 --> 00:44:15,390

He had long fingers that he was using

940

00:44:15,550 --> 00:44:17,310

to hold this instrument,

941

00:44:17,310 --> 00:44:20,740

that he was using to shove up my nose.

942

00:44:20,740 --> 00:44:22,433

- I feel knowledge is power.

943

00:44:23,700 --> 00:44:28,393

And some day, maybe next

week, maybe tomorrow,

944

00:44:29,290 --> 00:44:30,900

maybe in five years from now,

945

00:44:30,900 --> 00:44:33,090

we're going to get all
of the proof we need

946

00:44:33,090 --> 00:44:35,300

that somebody exists.

947

00:44:35,300 --> 00:44:36,720

Hey, an ET might show up

948

00:44:36,720 --> 00:44:39,050

and I might actually get an interview.

949

00:44:39,050 --> 00:44:43,160

The point is that the more that
we know about this subject,

950

00:44:43,160 --> 00:44:45,980

then the less legend can take over.

951

00:44:45,980 --> 00:44:48,623

If you see a craft hanging near you,

952

00:44:49,680 --> 00:44:52,900

don't get out of the

car, don't stop the car.

953

00:44:52,900 --> 00:44:55,010

Don't see what's happening.

954

00:44:55,010 --> 00:44:57,370

If you see one coming towards you,

955

00:44:57,370 --> 00:45:00,970

you don't have to be an

abductee, if you don't wanna be.

956

00:45:00,970 --> 00:45:02,980

They go away, evidently.

957

00:45:02,980 --> 00:45:05,920

We have tens and tens
of people telling us,

958

00:45:05,920 --> 00:45:09,720

said, I don't want to do that
anymore, and they let them go.

959

00:45:09,720 --> 00:45:12,700

- What we call abductions
or certain categories

960

00:45:12,700 --> 00:45:16,930

of abductions took place as a result

961

00:45:16,930 --> 00:45:21,580

of an authorized genetic
upgrade of the human race

962

00:45:21,580 --> 00:45:24,340

trying to get us out of our war-like ways,

963

00:45:24,340 --> 00:45:27,470

and act-illogically ecocidal ways.

964

00:45:27,470 --> 00:45:31,730

- The indigenous reptilians

seem to have a very strong

965

00:45:31,730 --> 00:45:35,500

interest in the biosphere

of Earth being stable,

966

00:45:35,500 --> 00:45:40,283

that it's not jeopardized unduly,

and some who have kind of,

967

00:45:41,320 --> 00:45:43,410

analyzed what the

reptilians have been doing

968

00:45:43,410 --> 00:45:45,290

or had some kind of interaction,

969

00:45:45,290 --> 00:45:48,400

believe that this is because

the reptilians view humanity

970

00:45:48,400 --> 00:45:49,710

as a resource.

971

00:45:49,710 --> 00:45:52,260

And they don't want that

resource to damage itself

972

00:45:52,260 --> 00:45:53,740

or damage the biosphere.

973

00:45:53,740 --> 00:45:56,120

- They had about 18

scientists and all had been

974

00:45:56,120 --> 00:45:58,600

working on various stages of the project,

975

00:45:58,600 --> 00:46:02,510

gathered around a big oval table

in Los Alamos Headquarters,

976

00:46:02,510 --> 00:46:03,830

with Edward Teller,

977

00:46:03,830 --> 00:46:07,130

the head of the Atomic Energy Commission,

978

00:46:07,130 --> 00:46:09,130

sitting at the head of the table.

979

00:46:09,130 --> 00:46:11,753

One of the aliens on the

opposite side of the table

980

00:46:11,753 --> 00:46:13,740

from my engineering friend

981

00:46:13,740 --> 00:46:17,140

put in a white shirt and slacks

so he would look less alien,

982

00:46:17,140 --> 00:46:19,985

but he still had his alien,

bigger head and bigger eyes,

983

00:46:19,985 --> 00:46:23,816

black eyes, and he was

sitting in the conference.

984

00:46:23,816 --> 00:46:25,473

He could understand everybody else

985

00:46:25,473 --> 00:46:27,540

because he was telepathic,

986

00:46:27,540 --> 00:46:29,440

and the only way he
could communicate though

987

00:46:29,440 --> 00:46:31,040

was with the signs that he had developed

988

00:46:31,040 --> 00:46:33,760

with my engineer friend
to answer the question.

989

00:46:33,760 --> 00:46:36,010

But here was a man, an
alien from another planet,

990

00:46:36,010 --> 00:46:41,010

sitting in a conference in
1968 in Los Alamos Headquarters

991

00:46:41,530 --> 00:46:44,140

on the progress of learning

how to bridge the gap

992

00:46:44,140 --> 00:46:46,070

between the alien technology and ours.

993

00:46:46,070 --> 00:46:49,100

- They were going to suggest

to the American generals

994

00:46:49,100 --> 00:46:52,160

additional technology exchange projects.

995

00:46:52,160 --> 00:46:55,120

And I think they were using

me as the test guineapig,

996

00:46:55,120 --> 00:46:57,520

to take me onboard the scout craft,

997

00:46:57,520 --> 00:46:59,420

and then they could test my reaction

998

00:46:59,420 --> 00:47:02,010

to what I was impressed

with and what I wasn't with.

999

00:47:02,010 --> 00:47:05,530

- My life changed and I was

never, ever quite the same.

1000

00:47:05,530 --> 00:47:08,860

So, the study itself was not as complete

1001

00:47:08,860 --> 00:47:10,280

as it could have been.

1002

00:47:10,280 --> 00:47:12,360

They concluded what

they wanted to conclude.

1003

00:47:12,360 --> 00:47:15,090

One: There was not a threat involved.

1004

00:47:15,090 --> 00:47:18,050

Two: They weren't the Soviets.

1005

00:47:18,050 --> 00:47:20,140

Three: The evidence was overwhelming,

1006

00:47:20,140 --> 00:47:22,310

they were extraterrestrial.

1007

00:47:22,310 --> 00:47:25,023

Four: There were four groups involved.

1008

00:47:26,990 --> 00:47:28,133

Four different groups.

1009

00:47:29,240 --> 00:47:32,863

And they were all humanoid
but they were not human.

1010

00:47:33,860 --> 00:47:38,410

Only one of the four was
what we consider to be human.

1011

00:47:38,410 --> 00:47:41,273

One group out of the four
looked so much like us,

1012

00:47:42,820 --> 00:47:44,739

I mean, almost identical to us,

1013

00:47:44,739 --> 00:47:47,463

these guys could have
put on a suit and a tie.

1014

00:47:50,456 --> 00:47:55,100

The females, because we
encountered some of them as well,

1015

00:47:55,100 --> 00:47:57,330

they could have put on
a dress, suit and tie,

1016

00:47:57,330 --> 00:48:00,320

coat or jacket, sit down with you,

1017

00:48:00,320 --> 00:48:02,450

next to you in a restaurant,

1018

00:48:02,450 --> 00:48:05,880

sit next to you in a theater,
and you'd never know.

1019

00:48:07,430 --> 00:48:11,403

- These extraterrestrials,
they have a body like ours.

1020

00:48:12,272 --> 00:48:16,205

(speaking in foreign language)

1021

00:48:16,205 --> 00:48:18,055

And these extraterrestrial vehicles--

1022

00:48:20,505 --> 00:48:24,422

(speaking in foreign language)

1023

00:48:26,240 --> 00:48:29,130

He says, I'm using this in a large sense

1024

00:48:29,130 --> 00:48:32,635

or the people inside the craft.

1025

00:48:32,635 --> 00:48:36,552

(speaking in foreign language)

1026

00:48:48,930 --> 00:48:51,310

It's very difficult because
they make themselves seen

1027

00:48:51,310 --> 00:48:53,163

and known to people on Earth.

1028

00:48:53,163 --> 00:48:57,120

(speaking in foreign language)

1029

00:48:57,120 --> 00:49:00,630

So it's probably logical
that they are inside a craft

1030

00:49:00,630 --> 00:49:04,193

instead of coming from
somewhere else without a craft.

1031

00:49:05,219 --> 00:49:09,136

(speaking in foreign language)

1032

00:49:13,911 --> 00:49:14,744

He says--

1033

00:49:14,744 --> 00:49:19,120

(speaking in foreign language)

1034

00:49:19,120 --> 00:49:22,614

He says, they will have

to have a soul like we do.

1035

00:49:22,614 --> 00:49:26,105

(speaking in foreign language)

1036

00:49:26,105 --> 00:49:27,953

They'd have to have some kind of body,

1037

00:49:28,921 --> 00:49:31,308

otherwise they would be angels.

1038

00:49:31,308 --> 00:49:34,308

(suspenseful music)

1039

00:49:39,040 --> 00:49:41,930

- How can countries, one
of which actually borders

1040

00:49:41,930 --> 00:49:43,200

with the United States,

1041

00:49:43,200 --> 00:49:46,070

be having UFO visitations by the hundreds

1042

00:49:46,070 --> 00:49:48,960

when other major nations
of our world insist

1043

00:49:48,960 --> 00:49:50,690

that they are not?

1044

00:49:50,690 --> 00:49:52,530

And even more importantly,

1045

00:49:52,530 --> 00:49:55,040

how can these countries'

governmental policy,

1046

00:49:55,040 --> 00:49:57,020

both official and otherwise,

1047

00:49:57,020 --> 00:50:00,793

be that they never have

had UFO or alien contact?

1048

00:50:01,840 --> 00:50:03,900

The only logical explanation

1049

00:50:03,900 --> 00:50:06,610

is in fact that governments

are willing to lie.

1050

00:50:06,610 --> 00:50:08,910

- For the past nine years I
have been researching into

1051

00:50:08,910 --> 00:50:11,250

the United States government files

1052

00:50:11,250 --> 00:50:13,310

on what they have on the UFO phenomenon

1053

00:50:13,310 --> 00:50:15,360

and all sorts of different conspiracies.

1054

00:50:15,360 --> 00:50:18,400

And I've reached 183,000 pages

1055

00:50:18,400 --> 00:50:20,530

of government documents on the Internet.

1056

00:50:20,530 --> 00:50:23,560

- There is a political block,
what I call a Truth Embargo,

1057

00:50:23,560 --> 00:50:25,250

instituted by the government,

1058

00:50:25,250 --> 00:50:28,410

that they are not ready

to formally acknowledge,

1059

00:50:28,410 --> 00:50:29,810

this "presence".

1060

00:50:29,810 --> 00:50:31,810

- Anything that involved absolute proof,

1061

00:50:31,810 --> 00:50:32,890

like hardware and bodies,

1062

00:50:32,890 --> 00:50:35,480

were siphoned off completely

into another track.

1063

00:50:35,480 --> 00:50:38,100

- They just can't allow

information to come out overnight,

1064

00:50:38,100 --> 00:50:39,980

so people would be perturbed

1065

00:50:39,980 --> 00:50:42,770

and actually demand that

something be done about it.

1066

00:50:42,770 --> 00:50:47,320

They stonewall it, deny it,

lie about it, for, you know,

1067

00:50:47,320 --> 00:50:49,890

30 or 40 years, and then

finally just announce it

1068

00:50:49,890 --> 00:50:52,870

as if it's fact and

everybody goes, yeah, okay.

1069

00:50:52,870 --> 00:50:55,630

- It's clear we're dealing

with a cosmic Watergate.

1070

00:50:55,630 --> 00:50:57,800

Meaning, some few people

within major governments

1071

00:50:57,800 --> 00:51:00,620

have known since at least July 1947,

1072

00:51:00,620 --> 00:51:03,020

when two crashed flying saucers

and several alien bodies

1073

00:51:03,020 --> 00:51:04,740

were recovered in New Mexico,

1074

00:51:04,740 --> 00:51:08,220

that indeed some UFOs

are alien spacecraft.

1075

00:51:08,220 --> 00:51:11,170

- The government setup Project

Bluebook, the Air Force did,

1076

00:51:13,060 --> 00:51:16,437

in order to investigate this subject on a,

1077

00:51:16,437 --> 00:51:18,100

let me say, a low level.

1078

00:51:18,100 --> 00:51:22,450

- Researchers, mostly, regular citizens,

1079

00:51:22,450 --> 00:51:24,620

have proven without a doubt

there's an extraterrestrial

1080

00:51:24,620 --> 00:51:26,420

presence and we're being engaged.

1081

00:51:26,420 --> 00:51:27,980

The evidence is overwhelming.

1082

00:51:27,980 --> 00:51:29,240

- In some cases, you can actually point

1083

00:51:29,240 --> 00:51:31,240

to where the Air Force explanation

1084

00:51:31,240 --> 00:51:33,640

completely contradicts what's inside

1085

00:51:33,640 --> 00:51:36,060

the sighting report itself.

1086

00:51:36,060 --> 00:51:38,960

- The word UFO is actually
a disinformation term

1087

00:51:38,960 --> 00:51:40,070

that was invented after they knew

1088

00:51:40,070 --> 00:51:41,350

that they weren't unidentified

1089

00:51:41,350 --> 00:51:43,420

and they knew they didn't fly.

1090

00:51:43,420 --> 00:51:46,860

So it's sort of a, a mind play.

1091

00:51:46,860 --> 00:51:51,860

- When we had first

evidence of ET visitation

1092

00:51:52,110 --> 00:51:56,410

and hardware and so on,

and so on came along,

1093

00:51:56,410 --> 00:51:57,950

the US government took the attitude

1094

00:51:57,950 --> 00:52:00,800

that they couldn't release

this to the general public

1095

00:52:00,800 --> 00:52:04,740

because it had extreme

implications for defense.

1096

00:52:04,740 --> 00:52:07,230

We don't want our enemies

to know that we've got one

1097

00:52:07,230 --> 00:52:08,870

because then they might try to get one.

1098

00:52:08,870 --> 00:52:11,090

To the extent that we might

be able to back-engineer

1099

00:52:11,090 --> 00:52:14,020

the technology, we don't want to

1100

00:52:14,020 --> 00:52:16,630

tell somebody else that we're

trying to do such a thing.

1101

00:52:16,630 --> 00:52:18,930

- Gus Grissom, who was probably the person

1102

00:52:18,930 --> 00:52:22,984

that I was closest to, felt

that they were Spam in a can,

1103

00:52:22,984 --> 00:52:24,490

and that the Astronauts
were just a public relations

1104

00:52:24,490 --> 00:52:27,700

campaign for a secret military program

1105

00:52:27,700 --> 00:52:29,360

that was spending much more.

1106

00:52:29,360 --> 00:52:31,570

The military space program was getting,

1107

00:52:31,570 --> 00:52:33,370

you know, was a gleaming jewel

1108

00:52:33,370 --> 00:52:36,010

compared to the junk that
NASA was getting at the time.

1109

00:52:36,010 --> 00:52:37,700

- You can get a certain

amount of information

1110

00:52:37,700 --> 00:52:38,960

out through the large media,

1111

00:52:38,960 --> 00:52:40,980

but it's very superficial and very brief,

1112

00:52:40,980 --> 00:52:42,120

that's what we've found.

1113

00:52:42,120 --> 00:52:45,790

The in-depth sort of disclosure

of what's really going on,

1114

00:52:45,790 --> 00:52:48,530

who's behind it, what the agenda is,

1115

00:52:48,530 --> 00:52:50,290

that is almost always stopped,

1116

00:52:50,290 --> 00:52:51,430

or if they try to do it,

1117

00:52:51,430 --> 00:52:53,610

it gets turned into something ridiculous.

1118

00:52:53,610 --> 00:52:55,410

- I almost hate the term UFOs

1119

00:52:55,410 --> 00:52:58,730

because they really aren't unidentified to

1120

00:52:58,730 --> 00:53:00,130

the people that know what's going on

1121

00:53:00,130 --> 00:53:01,383

or the researchers too.

1122

00:53:04,883 --> 00:53:07,300

A lot of people that have the answers

1123

00:53:07,300 --> 00:53:08,920

felt it was safe to come out of the water,

1124

00:53:08,920 --> 00:53:12,653

so they're putting out their

information on the Internet,

1125

00:53:12,653 --> 00:53:14,810

and, you know, disguised or whatever,

1126

00:53:14,810 --> 00:53:18,470

but, so these other agents who say they're

1127

00:53:18,470 --> 00:53:21,450

scanning all the time to
counteract what's being said

1128

00:53:21,450 --> 00:53:24,973

by other people from Intel
to think it was safe to okay,

1129

00:53:24,973 --> 00:53:26,060

they can put this out,

1130

00:53:26,060 --> 00:53:28,530

or they feel like it's
the right thing to do now.

1131

00:53:28,530 --> 00:53:29,700

You know, enough is enough.

1132

00:53:29,700 --> 00:53:31,990

Mankind has a right to know type of thing.

1133

00:53:31,990 --> 00:53:33,150

- When I worked for Douglas,

1134

00:53:33,150 --> 00:53:36,140

I was assigned to the Douglas Skyrocket.

1135

00:53:36,140 --> 00:53:39,420

They wanted me to wire up a
camera out on the wing tip

1136

00:53:40,300 --> 00:53:44,070

to look through a course
window back at the canopy.

1137

00:53:44,070 --> 00:53:46,510

So that they could monitor the pilot

1138

00:53:47,470 --> 00:53:49,210

to see what he was doing.

1139

00:53:49,210 --> 00:53:54,210

While I went through the
hanger, which was secured,

1140

00:53:54,210 --> 00:53:55,167

there were two gentlemen in there

1141

00:53:55,167 --> 00:53:56,650

and they introduced themselves.

1142

00:53:56,650 --> 00:54:00,453

One was Naval Intelligence,
the other one was CIA.

1143

00:54:01,553 --> 00:54:05,843

And I started working, doing
my job, wiring up the camera.

1144

00:54:07,000 --> 00:54:08,500

While they sat around and talked,

1145

00:54:08,500 --> 00:54:09,960

it became very apparent to me

1146

00:54:09,960 --> 00:54:12,770

that they were there for

that purpose, to talk.

1147

00:54:12,770 --> 00:54:16,460

They knew about all my

flying saucer experiences,

1148

00:54:16,460 --> 00:54:18,080

all the way from Korea.

1149

00:54:18,080 --> 00:54:22,240

They told me, Intelligence,

the CIA Intelligence group,

1150

00:54:22,240 --> 00:54:27,240

had three intelligence digests,

flying saucer photographs,

1151

00:54:28,012 --> 00:54:31,150

and witness documentation

from all over the world.

1152

00:54:31,150 --> 00:54:34,120

And they said that I

should probably try to get

1153

00:54:34,120 --> 00:54:35,600

those three copies,

1154

00:54:35,600 --> 00:54:38,433

and that's when I wrote

to Admiral Freeman,

1155

00:54:39,800 --> 00:54:42,413

and wasn't able to get the

documents, incidentally.

1156

00:54:45,920 --> 00:54:47,550

In addition to that,

1157

00:54:47,550 --> 00:54:52,190

they told me that I should tell people

1158

00:54:52,190 --> 00:54:54,443

about what my experiences have been.

1159

00:54:56,777 --> 00:55:00,277

They said tell everybody

you can because they can't.

1160

00:55:02,530 --> 00:55:04,800

They were not aloud to talk about it.

1161

00:55:04,800 --> 00:55:06,180

- There is this curtain of ridicule

1162

00:55:06,180 --> 00:55:09,830

that's been drawn up
around the UFO phenomenon

1163

00:55:09,830 --> 00:55:13,830

and as long as that curtain
of ridicule holds solid,

1164

00:55:13,830 --> 00:55:15,570

the scientists will be afraid to

1165

00:55:16,670 --> 00:55:20,660

contribute to anything,
to looking into UFOs.

1166

00:55:22,510 --> 00:55:26,170

And part of that curtain of
ridicule involves the fact that

1167

00:55:26,170 --> 00:55:29,460

hardly any decent papers have

gotten into the refereed,

1168

00:55:29,460 --> 00:55:31,380

scientific literature.

1169

00:55:31,380 --> 00:55:35,570

So that curtain of ridicule

may be slightly opened up now

1170

00:55:35,570 --> 00:55:38,630

that they have a paper

that they can refer to

1171

00:55:38,630 --> 00:55:42,770

if they feel like writing

their own papers on UFOs.

1172

00:55:42,770 --> 00:55:47,400

- The secrecy has invaded, like

a cancer, many institutions,

1173

00:55:47,400 --> 00:55:50,230

including the media, the
government and corporations.

1174

00:55:50,230 --> 00:55:52,980

- I got into more and more controversial

1175

00:55:52,980 --> 00:55:54,380

and exotic subjects,

1176

00:55:54,380 --> 00:55:56,880

and I found myself a
journalist without a journal.

1177

00:55:57,790 --> 00:55:59,730

There is definitely very tight control

1178

00:55:59,730 --> 00:56:02,270

over the flow of information
of certain topics

1179

00:56:02,270 --> 00:56:05,150

through our corporate
controlled mass media.

1180

00:56:05,150 --> 00:56:06,900

They seem to take it upon themselves

1181

00:56:06,900 --> 00:56:09,163

to be the gatekeepers of information.

1182

00:56:10,510 --> 00:56:13,970

Part of this information
that they are keeping from us

1183

00:56:13,970 --> 00:56:18,220

is the just absolutely
immense wealth of information

1184

00:56:18,220 --> 00:56:20,460

concerning the UFO phenomenon,

1185

00:56:20,460 --> 00:56:23,440

and the fact that it can

be tracked and documented

1186

00:56:23,440 --> 00:56:25,400

all the way back through history.

1187

00:56:25,400 --> 00:56:28,430

- The only institution

that is more corrupt

1188

00:56:28,430 --> 00:56:31,470

than what I'm describing as

this rogue, transnational

1189

00:56:31,470 --> 00:56:34,423

kleptocracy is the major media.

1190

00:56:35,410 --> 00:56:38,490

More worse than the Congress,
worse than the White House,

1191

00:56:38,490 --> 00:56:41,250

worse than anything at the
normal level of clearances

1192

00:56:41,250 --> 00:56:43,370

at the Pentagon is big media.

1193

00:56:43,370 --> 00:56:46,430

Big media does not report
the truth about these things,

1194

00:56:46,430 --> 00:56:48,330

because they are not free to.

1195

00:56:48,330 --> 00:56:50,700

And we think in the United
States and in the Western world,

1196

00:56:50,700 --> 00:56:52,290

we really have a free press,

1197

00:56:52,290 --> 00:56:54,700

we have a free press on

everything that's non-important.

1198

00:56:54,700 --> 00:56:57,470

On the really important

issues, it's very controlled,

1199

00:56:57,470 --> 00:56:59,070

and this is the most important issue.

1200

00:56:59,070 --> 00:57:01,680

This is the biggest secret in

the history of the human race.

1201

00:57:01,680 --> 00:57:04,990

The known modern history of government.

1202

00:57:04,990 --> 00:57:08,170

And they have cooperated
with keeping the secret.

1203

00:57:08,170 --> 00:57:11,260

- How is this cover-up contained

1204

00:57:11,260 --> 00:57:15,470

and maintained through
international borders?

1205

00:57:15,470 --> 00:57:18,780

And if it is, are their
motivations the same?

1206

00:57:18,780 --> 00:57:21,910

The best guess is that

1207

00:57:21,910 --> 00:57:26,533

since America has such
overwhelming economic power,

1208

00:57:28,110 --> 00:57:31,320

the only worse thing than
America being mad at you

1209

00:57:31,320 --> 00:57:33,680

is for America to ignore you.

1210

00:57:33,680 --> 00:57:38,680

So many countries economies
depend on America, that I think

1211

00:57:39,520 --> 00:57:43,140

that they take their orders
from America in some ways.

1212

00:57:43,140 --> 00:57:44,500

When it comes to the cover-up,

1213

00:57:44,500 --> 00:57:45,700

I think that's one of them.

1214

00:57:45,700 --> 00:57:48,910

- The US government is not only pressuring

1215

00:57:48,910 --> 00:57:51,600

the Brazilian government

but it's making pressure

1216

00:57:52,540 --> 00:57:55,100

over almost all countries

1217

00:57:55,100 --> 00:57:58,000

that are some how aligned politically

1218

00:57:58,000 --> 00:57:59,190

aligned to the United States.

1219

00:57:59,190 --> 00:58:00,570

Now, all south America,

1220

00:58:00,570 --> 00:58:04,664

except maybe for Chile and Venezuela,

1221

00:58:04,664 --> 00:58:07,350

who has Chavez, who is a rebel.

1222

00:58:07,350 --> 00:58:10,290

All the rest of Latin America

1223

00:58:10,290 --> 00:58:13,880

is very aligned to US politics.

1224

00:58:13,880 --> 00:58:17,060

So, all these countries

will do just exactly,

1225

00:58:17,060 --> 00:58:22,060

US President tells them, it
is keep this under wraps.

1226

00:58:23,260 --> 00:58:24,540

- [Narrator] Recent media polls

1227

00:58:24,540 --> 00:58:26,370

show that over 100 million people

1228

00:58:26,370 --> 00:58:28,480

in the United States alone

believe that there is

1229

00:58:28,480 --> 00:58:31,100

some form of extraterrestrial life.

1230

00:58:31,100 --> 00:58:33,740

45% believe that the

Earth has been visited

1231

00:58:33,740 --> 00:58:35,830

by extraterrestrial beings.

1232

00:58:35,830 --> 00:58:38,870

Nationally known journalists

continue to turn a deaf ear

1233

00:58:38,870 --> 00:58:42,030

to the public's demands for

true investigative reporting

1234

00:58:42,030 --> 00:58:43,303

on a daily basis,

1235

00:58:44,510 --> 00:58:46,860

accepting instead the dribble of denial

1236

00:58:46,860 --> 00:58:49,570

from numerous government agencies as fact,

1237

00:58:49,570 --> 00:58:52,370

while refusing to interview
the legions of researchers,

1238

00:58:52,370 --> 00:58:54,790

who have made serious
scientific investigation

1239

00:58:54,790 --> 00:58:58,383

of UFOs and alien contact
their life's work.

1240

00:59:00,530 --> 00:59:04,760

- What else are the governments
of the world not saying?

1241

00:59:04,760 --> 00:59:06,620

- [Narrator] What if
there is positive proof

1242

00:59:06,620 --> 00:59:09,610

that UFOs do in fact exist?

1243

00:59:09,610 --> 00:59:11,890

What if that proof has existed for years

1244

00:59:11,890 --> 00:59:14,270

but has been hidden

neatly within the fabric

1245

00:59:14,270 --> 00:59:17,320

of a system of lies and grand deception?

1246

00:59:17,320 --> 00:59:19,750

- We need to be very

concerned about the way

1247

00:59:19,750 --> 00:59:22,150

in which this whole area has been managed

1248

00:59:22,150 --> 00:59:24,910

by the national security
agencies responsible.

1249

00:59:24,910 --> 00:59:28,650

By maintaining secrecy,
keeping people in the dark,

1250

00:59:28,650 --> 00:59:33,010

it means that we really don't
know whether this secrecy

1251

00:59:33,010 --> 00:59:34,900

and withholding the information,

1252

00:59:34,900 --> 00:59:38,100

withholding the technologies
from the general public arena,

1253

00:59:38,100 --> 00:59:40,990

is really for the best

interest of all of us.

1254

00:59:40,990 --> 00:59:44,399

- The problem has been
since the early '50s,

1255

00:59:44,399 --> 00:59:47,007

and I have the government documents.

1256

00:59:47,007 --> 00:59:50,810

The United States government
has instituted a policy

1257

00:59:50,810 --> 00:59:55,070

of denial and control
over the information.

1258

00:59:55,070 --> 00:59:56,820

Nothing happening there, folks.

1259

00:59:56,820 --> 00:59:58,570

Nothing happening there, folks.

1260

00:59:58,570 --> 01:00:01,810

And if somebody persists

in saying, but I saw it,

1261

01:00:01,810 --> 01:00:03,250

then they are ridiculed.

1262

01:00:03,250 --> 01:00:05,830

You got a screw loose,

something's not right with him.

1263

01:00:05,830 --> 01:00:08,830

This is absolutely just unconscionable

1264

01:00:08,830 --> 01:00:12,310

in a country that pays

lip service to freedom

1265

01:00:12,310 --> 01:00:14,320

and individual liberty

1266

01:00:14,320 --> 01:00:16,370

because there have been so many people

1267

01:00:16,370 --> 01:00:18,480

whose lives have been wrecked,

1268

01:00:18,480 --> 01:00:20,530

whose families have been wrecked,

1269

01:00:20,530 --> 01:00:24,060

because of this policy

of denial and ridicule

1270

01:00:24,060 --> 01:00:27,810

over a phenomenon that has

happened worldwide for centuries.

1271

01:00:27,810 --> 01:00:30,400

- Disclosure has a very
defined definition.

1272

01:00:30,400 --> 01:00:33,600

It means the formal acknowledgement

1273

01:00:33,600 --> 01:00:34,560

by the governments of the world

1274

01:00:34,560 --> 01:00:36,610

of the extraterrestrial presence.

1275

01:00:36,610 --> 01:00:38,700

- [Narrator] As fellow

inhabitants of planet Earth,

1276

01:00:38,700 --> 01:00:41,070

we live in a rapidly changing world.

1277

01:00:41,070 --> 01:00:43,170

The advent of modern
communication networks

1278

01:00:43,170 --> 01:00:46,300

and the Internet has made
maintaining the UFO cover-up

1279

01:00:46,300 --> 01:00:48,513

a difficult and demanding undertaking.

1280

01:00:49,550 --> 01:00:52,060

- Brian Vike of HBCC UFO

1281

01:00:52,060 --> 01:00:55,033

has the number 1 UFO website
to send information to.

1282

01:00:56,440 --> 01:01:00,550

Him and Rense and UFO Casebook,

1283

01:01:00,550 --> 01:01:03,140

are the three places that

I always send my footage to

1284

01:01:03,140 --> 01:01:06,510

because they will only put

verified sightings on their site,

1285

01:01:06,510 --> 01:01:08,550

they just won't put junk up there.

1286

01:01:08,550 --> 01:01:11,430

And I know they get over three or four,

1287

01:01:11,430 --> 01:01:13,290

up to 10 million hits a month.

1288

01:01:13,290 --> 01:01:15,890

- [Narrator] For over half a

century, the United States,

1289

01:01:15,890 --> 01:01:18,610

Great Britain ,and a

host of aligned countries

1290

01:01:18,610 --> 01:01:21,260

have been able to maintain

a vast web of secrecy

1291

01:01:21,260 --> 01:01:23,520

over what is actually happening worldwide

1292

01:01:23,520 --> 01:01:27,160

relative to aliens or what

are generally known as EBEs,

1293

01:01:27,160 --> 01:01:29,860

Extraterrestrial Biological Entities.

1294

01:01:29,860 --> 01:01:31,410

But that is rapidly changing,

1295

01:01:31,410 --> 01:01:34,690

and disclosure, the lifting

of the truth embargo,

1296

01:01:34,690 --> 01:01:37,120

is now taking place.

1297

01:01:37,120 --> 01:01:40,320

- I'll be getting over

500,000 hits this month.

1298

01:01:40,320 --> 01:01:42,500

But the interesting thing about that is

1299

01:01:42,500 --> 01:01:44,800

is that a couple of thousand

of those hits each month

1300

01:01:44,800 --> 01:01:46,010

are from the military.

1301

01:01:46,010 --> 01:01:47,870

As far as sharing

information on the Internet,

1302

01:01:47,870 --> 01:01:49,750

that is the best way to do it

1303

01:01:49,750 --> 01:01:51,750

and probably the safest way

1304

01:01:51,750 --> 01:01:54,297

only because I know

I've sent DVDs to people

1305

01:01:54,297 --> 01:01:56,290

and they haven't received them.

1306

01:01:56,290 --> 01:01:58,420

And I would email them and say, look,

1307

01:01:58,420 --> 01:01:59,730

I'm gonna send you a DVD,

1308

01:01:59,730 --> 01:02:01,317

can you analyze it for me,

1309

01:02:01,317 --> 01:02:03,320

and let me know what you think this is?

1310

01:02:03,320 --> 01:02:04,440

Two weeks later, they'll email me and say,

1311

01:02:04,440 --> 01:02:05,887

well, I never got it.

1312

01:02:05,887 --> 01:02:07,860

I'm just waiting for that

day when they come knocking

1313

01:02:07,860 --> 01:02:10,150

on my door and wanna talk to me about it,

1314

01:02:10,150 --> 01:02:12,990

but, uh, until that day, I think,

1315

01:02:12,990 --> 01:02:14,050

I think they know who I am,

1316

01:02:14,050 --> 01:02:15,080

I think they know we're here.

1317

01:02:15,080 --> 01:02:17,470

I think this is the way it's gonna be done

1318

01:02:17,470 --> 01:02:19,970

from here on out because

the military definitely

1319

01:02:19,970 --> 01:02:22,310

doesn't want to talk about it anymore.

1320

01:02:22,310 --> 01:02:25,120

Everything at night to them

is a flare or an airplane.

1321

01:02:25,120 --> 01:02:26,070

On the contrary,

1322

01:02:26,070 --> 01:02:29,210

we have all this evidence

that shows otherwise.

1323

01:02:29,210 --> 01:02:30,840

- Like a dawning of a new day,

1324

01:02:30,840 --> 01:02:34,230

the Internet is quickly
sweeping away the darkness.

1325

01:02:34,230 --> 01:02:36,762

The truth will not be stopped.

1326

01:02:36,762 --> 01:02:39,762

(suspenseful music)

1327

01:02:43,280 --> 01:02:45,780

- We're in this strange reality

1328

01:02:45,780 --> 01:02:47,260

which we're caught between two worlds,

1329

01:02:47,260 --> 01:02:48,733

between two paradigms.

1330

01:02:49,790 --> 01:02:51,600

And the bridge between,

1331

01:02:51,600 --> 01:02:53,450

or the door between these two paradigms

1332

01:02:53,450 --> 01:02:56,293

is what is now called

The Disclosure Event.

1333

01:02:57,650 --> 01:02:59,290

- Recently in Washington, D.C.,

1334

01:02:59,290 --> 01:03:01,730

a press conference was held in conjunction

1335

01:03:01,730 --> 01:03:05,260

with an international

event, The X-Conference,

1336

01:03:05,260 --> 01:03:08,300

where a panel of eminent

scientists and researchers

1337

01:03:08,300 --> 01:03:11,010

broke the silence and spoke out and called

1338

01:03:11,010 --> 01:03:13,290

for a full international disclosure

1339

01:03:13,290 --> 01:03:15,830

and an end to the truth embargo relative

1340

01:03:15,830 --> 01:03:18,130

to UFOs and extraterrestrials.

1341

01:03:18,130 --> 01:03:21,250

- If I was an in-the-know person

1342

01:03:21,250 --> 01:03:24,930

high up in government or finance,

1343

01:03:24,930 --> 01:03:26,740

and I knew about the
extraterrestrial issue,

1344

01:03:26,740 --> 01:03:29,180

and I knew about some
extraterrestrial technology,

1345

01:03:29,180 --> 01:03:31,890

and I knew what it could
do when it was released,

1346

01:03:31,890 --> 01:03:34,080

my position would be this:

1347

01:03:34,080 --> 01:03:38,360

Let's keep that technology
under wraps as long as possible,

1348

01:03:38,360 --> 01:03:42,370

while we sell as much of the
rest of the oil as we can

1349

01:03:42,370 --> 01:03:44,620

for as much as possible.

1350

01:03:44,620 --> 01:03:46,730

And then we'll all take that money,

1351

01:03:46,730 --> 01:03:48,140

and we'll use that to own

1352

01:03:48,140 --> 01:03:50,920

the extraterrestrial
technology, all right?

1353

01:03:50,920 --> 01:03:53,990

The point is there's
always people in-the-know

1354

01:03:53,990 --> 01:03:55,270

and out-of-the-know.

1355

01:03:55,270 --> 01:03:57,410

Sometimes it's about stuff, you know,

1356

01:03:57,410 --> 01:03:58,660

you're in or you're out.

1357

01:03:58,660 --> 01:04:00,680

But there are some things you can't have

1358

01:04:00,680 --> 01:04:03,400

the in-the-know and out-of-the-know.

1359

01:04:03,400 --> 01:04:06,620

- Basically, what we're calling on today

1360

01:04:06,620 --> 01:04:10,100

is for the government of the United States

1361

01:04:10,100 --> 01:04:14,380

to take the issue of
extraterrestrial life,

1362

01:04:14,380 --> 01:04:17,010

where it has been stuck in conflict

1363

01:04:17,010 --> 01:04:19,820

for the last 60 years

1364

01:04:19,820 --> 01:04:24,770

and take it out of the
military intelligence agencies,

1365

01:04:24,770 --> 01:04:28,110

and put it into the
department of education,

1366

01:04:28,110 --> 01:04:31,650

and the scientific

departments, where it belongs.

1367

01:04:31,650 --> 01:04:35,160

Take it out of the

threat scenario agencies,

1368

01:04:35,160 --> 01:04:38,410

where it is funded as a potential threat,

1369

01:04:38,410 --> 01:04:42,360

and put it into the opportunity agencies,

1370

01:04:42,360 --> 01:04:47,360

where it is funded as a matter

of education and advancement

1371

01:04:47,410 --> 01:04:50,290

of knowledge for mutual benefit.

1372

01:04:50,290 --> 01:04:54,910

- There is an overwhelming
mass of proven, real,

1373

01:04:54,910 --> 01:04:58,100

government documents
that have been released

1374

01:04:58,100 --> 01:05:00,740

largely through the
Freedom of Information Act,

1375

01:05:00,740 --> 01:05:05,740

that show decades of, for
example, airspace violations.

1376

01:05:07,200 --> 01:05:09,230

Very sensitive places by objects

1377

01:05:09,230 --> 01:05:12,400

doing what appear to be the impossible.

1378

01:05:12,400 --> 01:05:14,380

We have these documents from the 1940s.

1379

01:05:14,380 --> 01:05:15,690

We have them from the 1950s.

1380

01:05:15,690 --> 01:05:19,660

We have them from the 1960s,

'70s, '80s and beyond.

1381

01:05:19,660 --> 01:05:21,730

So these airspace violations continue.

1382

01:05:21,730 --> 01:05:23,170

They are provocative.

1383

01:05:23,170 --> 01:05:26,620

They are, at times,

seemingly confrontational.

1384

01:05:26,620 --> 01:05:28,410

You have pilots who have been going,

1385

01:05:28,410 --> 01:05:30,540

who have been charged with

going up to get these things,

1386

01:05:30,540 --> 01:05:33,270

and they have described

them at times, saying, yes,

1387

01:05:33,270 --> 01:05:38,220

it appears to be a metallic

disc shaped, there it goes.

1388

01:05:38,220 --> 01:05:41,340

- I began on this topic by

trying to do reverse engineering

1389

01:05:41,340 --> 01:05:43,900

on gravity control devices in 1968,

1390

01:05:43,900 --> 01:05:48,900

but now I'm officially looking
at leaked question documents.

1391

01:05:49,010 --> 01:05:51,870

Some of the documents
tell an amazing story.

1392

01:05:51,870 --> 01:05:55,240

One of the leaked
documents started with FDR,

1393

01:05:55,240 --> 01:05:59,430

and FDR had setup through
Vannevar Bush the committee called

1394

01:05:59,430 --> 01:06:02,030

the non-terrestrial science

and engineering committee.

1395

01:06:02,030 --> 01:06:03,930

These were the guys, after the recovery

1396

01:06:03,930 --> 01:06:06,820

of a crashed flying saucer in 1942,

1397

01:06:06,820 --> 01:06:09,450

who were given the parts and were told

1398

01:06:09,450 --> 01:06:11,570

to figure out how they worked.

1399

01:06:11,570 --> 01:06:15,820

They came back to FDR in

1944 and asked for money.

1400

01:06:15,820 --> 01:06:19,000

And he said, no, we got

to win the war first

1401

01:06:19,000 --> 01:06:19,880

and beat the Nazis.

1402

01:06:19,880 --> 01:06:24,640

And then in 1947, it was

Vannevar Bush who went to

1403

01:06:24,640 --> 01:06:26,730

President Truman, who didn't

know about all of this,

1404

01:06:26,730 --> 01:06:28,860

and said, by the way, we have these craft,

1405

01:06:28,860 --> 01:06:31,390

we could do some reverse

engineering in order to

1406

01:06:31,390 --> 01:06:33,930

improve our country,

to improve our culture,

1407

01:06:33,930 --> 01:06:35,430

to improve our standard of living,

1408

01:06:35,430 --> 01:06:37,480

and that was when the

money started to flow.

1409

01:06:37,480 --> 01:06:42,370

- July of 2002, right here

in the Washington, D.C. area,

1410

01:06:42,370 --> 01:06:46,700

there was, yet again,

an airspace, jet chase

1411

01:06:46,700 --> 01:06:48,960

by two F-16 jet interceptors,

1412

01:06:48,960 --> 01:06:53,960

which were chasing a blueish

object right outside D.C.

1413

01:06:55,780 --> 01:06:58,040

- My opinion right now is

the person who is gonna wait

1414

01:06:58,040 --> 01:07:00,900

for hard evidence is

going to be left behind

1415

01:07:00,900 --> 01:07:02,506

when the delouse comes.

1416

01:07:02,506 --> 01:07:05,506

(suspenseful music)

1417

01:07:08,889 --> 01:07:12,870

- Exopolitics offers a bridge out of

1418

01:07:12,870 --> 01:07:16,313

the permanent warfare state,

the permanent warfare economy,

1419

01:07:17,630 --> 01:07:20,490

out of the permanent warfare industry

1420

01:07:20,490 --> 01:07:23,440

into transforming the

permanent warfare industry

1421

01:07:23,440 --> 01:07:28,440

into a cooperative

peaceful space age society

1422

01:07:28,550 --> 01:07:31,310

integrated with universal society.

1423

01:07:31,310 --> 01:07:34,210

- So I began to look
outside of the kind of

1424

01:07:34,210 --> 01:07:37,400

conventional sphere, I
began to explore theories,

1425

01:07:37,400 --> 01:07:39,430

for what it is that really is driving

1426

01:07:39,430 --> 01:07:41,040

international politics.

1427

01:07:41,040 --> 01:07:45,580

And so then I came up with
this area of an undisclosed,

1428

01:07:45,580 --> 01:07:47,670

extraterrestrial presence that is kept

1429

01:07:47,670 --> 01:07:48,760

from the general public.

1430

01:07:48,760 --> 01:07:51,870

So that really did help me
understand what was going on

1431

01:07:51,870 --> 01:07:55,190

and what is driving
international politics.

1432

01:07:55,190 --> 01:08:00,190

- What's important is
the structural blinders

1433

01:08:00,430 --> 01:08:04,080

and the structural belief patterns

1434

01:08:04,080 --> 01:08:06,120

and the structural paradigm.

1435

01:08:06,120 --> 01:08:09,130

If the Exopolitics model can come in

1436

01:08:10,336 --> 01:08:15,336

and establish itself as

the dominant paradigm,

1437

01:08:15,770 --> 01:08:19,560

such that, structurally, within Academia,

1438

01:08:19,560 --> 01:08:24,560

the Earth is no longer

flat, it is now round,

1439

01:08:24,840 --> 01:08:29,040

intelligent life no longer ends

at the geostationing orbit,

1440

01:08:29,040 --> 01:08:33,040

the universe is now highly populated.

1441

01:08:33,040 --> 01:08:37,060

It's that sort of sea change that we need

1442

01:08:37,060 --> 01:08:41,540

to unleash the huge public investment

1443

01:08:41,540 --> 01:08:46,530

and private explosion of

creativity and cooperation

1444

01:08:46,530 --> 01:08:51,510

to turn our spaceship

around to be able to survive

1445

01:08:51,510 --> 01:08:54,800

the environmental pressures

1446

01:08:54,800 --> 01:08:58,700

that are coming now,
which have been the result

1447

01:08:58,700 --> 01:09:01,875

of the embargo that we have been under.

1448

01:09:01,875 --> 01:09:04,875

(suspenseful music)

1449

01:09:09,630 --> 01:09:11,020

- [Narrator] Are we, the people of Earth,

1450

01:09:11,020 --> 01:09:14,020

on the verge of technological destruction?

1451

01:09:14,020 --> 01:09:16,690

Has our use and testing

of nuclear weapons,

1452

01:09:16,690 --> 01:09:19,600

already triggered an inter

dimensional countdown

1453

01:09:19,600 --> 01:09:21,400

that is now moving us as a planet

1454

01:09:21,400 --> 01:09:24,340

towards some kind of

interstellar intervention?

1455

01:09:24,340 --> 01:09:26,667

- Even though there's clearly no evidence,

1456

01:09:26,667 --> 01:09:27,910

I want to emphasize this,

1457

01:09:27,910 --> 01:09:30,290

that these extraterrestrial civilizations

1458

01:09:30,290 --> 01:09:31,820

are hostile towards us,

1459

01:09:31,820 --> 01:09:34,390

I think they're very

worried about our hostility.

1460

01:09:34,390 --> 01:09:35,223

I always turn this on it's head.

1461

01:09:35,223 --> 01:09:37,190

Because most of these sort

of documentaries, you know,

1462

01:09:37,190 --> 01:09:39,850

always like alien invasion

and all this stuff,

1463

01:09:39,850 --> 01:09:40,810

No, no, no, no, no, no.

1464

01:09:40,810 --> 01:09:44,400

The issue is if they were
hostile, we would know it by now.

1465

01:09:44,400 --> 01:09:46,490

It's clear to me that what's going on

1466

01:09:46,490 --> 01:09:48,650

is that they're very
concerned that at the time

1467

01:09:48,650 --> 01:09:53,380

that humanity reached the
ability to go into space,

1468

01:09:53,380 --> 01:09:56,040

early space exploration, the '50s,

1469

01:09:56,040 --> 01:09:58,870

we also had already developed
weapons of mass destruction

1470

01:09:58,870 --> 01:10:02,150

and thermal nuclear
hydrogen bombs and stuff.

1471

01:10:02,150 --> 01:10:03,927

And that the coincidence of that,

1472

01:10:03,927 --> 01:10:05,740

the coming together of those two things,

1473

01:10:05,740 --> 01:10:07,267

put a big red flag over Earth.

1474

01:10:07,267 --> 01:10:10,250

And so, if you look at the
databases from the '50s, '60s,

1475

01:10:10,250 --> 01:10:11,830

70's, on forward,

1476

01:10:11,830 --> 01:10:14,030

not only in the United
States, but in Great Britain,

1477

01:10:14,030 --> 01:10:17,230

in the Soviet Union, and in China,

1478

01:10:17,230 --> 01:10:19,380

that wherever we had space,

1479

01:10:19,380 --> 01:10:21,670

aerospace and nuclear facilities,

1480

01:10:21,670 --> 01:10:24,990

there were a lot of these
so called UFOs being seen.

1481

01:10:24,990 --> 01:10:27,290

- These groups that are interested in us

1482

01:10:27,290 --> 01:10:30,330

at least seem to show some benevolence,

1483

01:10:30,330 --> 01:10:32,860

I think, would probably

step in and keep us

1484

01:10:32,860 --> 01:10:34,640

from blowing the hell out of ourselves

1485

01:10:34,640 --> 01:10:36,233

if push comes to shove.

1486

01:10:36,233 --> 01:10:38,920

- The onset of the whole UFO phenomenon

1487

01:10:38,920 --> 01:10:42,333

beginning about 1946, '47,

1488

01:10:42,333 --> 01:10:44,430

I don't think it's co-incidence that

1489

01:10:44,430 --> 01:10:48,230

that coincided with our

development of nuclear weapons.

1490

01:10:48,230 --> 01:10:51,320

And I think that out in the

universe, they were horrified.

1491

01:10:51,320 --> 01:10:54,793

They said, oh my God, the

kids have found the matches.

1492

01:10:55,770 --> 01:10:57,867

Well they don't want us

to destroy ourselves,

1493

01:10:57,867 --> 01:11:00,300

and they don't want us

to destroy this planet,

1494

01:11:00,300 --> 01:11:03,380

and yet they're prohibited from directly

1495

01:11:03,380 --> 01:11:05,920

intervening in our

affairs and our evolution,

1496

01:11:05,920 --> 01:11:08,130

so I think that we've got crop circles

1497

01:11:08,130 --> 01:11:11,970

and animal mutilations and

abductions and sightings,

1498

01:11:11,970 --> 01:11:14,400

and increasing sightings and all like that

1499

01:11:14,400 --> 01:11:17,210

so that it's not directly impacting on us

1500

01:11:17,210 --> 01:11:19,150

and yet over this conditioning period,

1501

01:11:19,150 --> 01:11:20,590

we are coming to understand

1502

01:11:20,590 --> 01:11:22,980

that we're not the only

ones in the universe.

1503

01:11:22,980 --> 01:11:26,170

And I think they're trying

to kind of boost us up

1504

01:11:26,170 --> 01:11:27,660

the evolutionary ladder,

1505

01:11:27,660 --> 01:11:32,420

so that we can grow to

be full class members

1506

01:11:32,420 --> 01:11:34,880

of the intergalactic community

1507

01:11:34,880 --> 01:11:38,630

instead of destroying ourselves

through our petty bickering

1508

01:11:38,630 --> 01:11:41,063

wars and nuclear holocaust.

1509

01:11:42,240 --> 01:11:43,640

- Like a dawning of a new day,

1510

01:11:43,640 --> 01:11:47,030

the Internet is quickly

sweeping away the darkness.

1511

01:11:47,030 --> 01:11:49,420

The truth will not be stopped.

1512

01:11:49,420 --> 01:11:53,890

- We're now seeing this wall
of censorship cracking apart

1513

01:11:53,890 --> 01:11:55,020

in the United States.

1514

01:11:55,020 --> 01:11:59,860

Just recently, we had a
major TV network special,

1515

01:11:59,860 --> 01:12:02,130

and I found it absolutely amazing

1516

01:12:02,130 --> 01:12:05,150

because Peter Jennings of ABC, flat,

1517

01:12:05,150 --> 01:12:08,740

just very matter-of-factly

told a national audience

1518

01:12:08,740 --> 01:12:11,520

that the Robertson Panel of the '50s

1519

01:12:11,520 --> 01:12:15,370

and the Operation Bluebook,

Project Bluebook of the '60s

1520

01:12:16,270 --> 01:12:19,120

were not really scientific

based investigations,

1521

01:12:19,120 --> 01:12:21,400

they were just public relations efforts

1522

01:12:21,400 --> 01:12:25,160

to try to get people not

to be thinking about UFOs.

1523

01:12:25,160 --> 01:12:26,410

So in other words,

1524

01:12:26,410 --> 01:12:29,160

all you folks out there who

are old enough to have been

1525

01:12:29,160 --> 01:12:31,650

seen all the newspaper

reports on the Robertson Panel

1526

01:12:31,650 --> 01:12:33,323

and heard what Bluebook said,

1527

01:12:34,553 --> 01:12:36,890

it was just hogwash, nevermind.

1528

01:12:36,890 --> 01:12:38,890

- The non-human intelligence presence

1529

01:12:38,890 --> 01:12:40,840

has been here for a long time,

1530

01:12:40,840 --> 01:12:44,480

that Colonel Philip Corso said

there are 57 different races,

1531

01:12:44,480 --> 01:12:47,564

and that some accords

were made to talk about

1532

01:12:47,564 --> 01:12:51,400

their presence, whether it be

Hollywood movies or whatever,

1533

01:12:51,400 --> 01:12:53,530

including the ABC special,

1534

01:12:53,530 --> 01:12:58,530

that if it isn't done soon,
they will probably do it.

1535

01:12:58,530 --> 01:13:01,993

- Extraterrestrials are not
a national security issue.

1536

01:13:04,080 --> 01:13:08,680

They're an educational and
social issue for our society.

1537

01:13:08,680 --> 01:13:11,150

And they may be a spiritual issue.

1538

01:13:11,150 --> 01:13:12,730

- When I retired from the military,

1539

01:13:12,730 --> 01:13:16,510

I went to work for the Federal
Emergency Management Agency,

1540

01:13:16,510 --> 01:13:19,260

and I worked with them for 14 years.

1541

01:13:19,260 --> 01:13:22,150

So I've got 42 years of

government service behind me,

1542

01:13:22,150 --> 01:13:23,930

and throughout all those years,

1543

01:13:23,930 --> 01:13:26,800

I had the very highest

security classification

1544

01:13:26,800 --> 01:13:29,260

you could have, Top Secret.

1545

01:13:29,260 --> 01:13:34,260

When I was in NATO in 1963 through 1967,

1546

01:13:34,340 --> 01:13:36,890

I had Cosmic Top Secret,

1547

01:13:36,890 --> 01:13:38,240

which was, and still is,

1548

01:13:38,240 --> 01:13:41,453

the highest level of security in NATO.

1549

01:13:42,950 --> 01:13:46,600

That's how I got involved in

this, this crazy UFO field.

1550

01:13:46,600 --> 01:13:48,830

- Through the '50s, '60s and '70s

1551

01:13:48,830 --> 01:13:53,170

we referred to aliens

as extraterrestrials,

1552

01:13:53,170 --> 01:13:56,440

but now that science has
been catching up with us

1553

01:13:56,440 --> 01:13:58,400

to a certain degree,

1554

01:13:58,400 --> 01:14:03,240

we have changed our
definition of an alien.

1555

01:14:03,240 --> 01:14:05,500

It's probably more accurate to call them

1556

01:14:05,500 --> 01:14:08,040

extra dimensional beings.

1557

01:14:08,040 --> 01:14:11,080

Because that would explain their ability

1558

01:14:11,080 --> 01:14:13,720

to traverse vast distances.

1559

01:14:13,720 --> 01:14:15,130

They operate in more dimensions,

1560

01:14:15,130 --> 01:14:19,650

I mean, even the current

theoretical model of the universe,

1561

01:14:19,650 --> 01:14:23,410

is upwards of 30 dimensions.

1562

01:14:23,410 --> 01:14:25,967

So we're living in a

multidimensional universe.

1563

01:14:25,967 --> 01:14:30,150

And so it's not uncommon to theorize

1564

01:14:30,150 --> 01:14:31,950

that we're going to encounter beings

1565

01:14:32,960 --> 01:14:35,350

that operate in more

dimensions than we do.

1566

01:14:35,350 --> 01:14:38,410

And that would explain

a lot of the phenomenon

1567

01:14:38,410 --> 01:14:40,130

related to UFOs.

1568

01:14:40,130 --> 01:14:44,010

How they're able to appear

and disappear, move very fast,

1569

01:14:44,010 --> 01:14:47,169

do all the things that the

ETs do, walk through walls,

1570

01:14:47,169 --> 01:14:50,060

have remarkable psychic abilities,

1571

01:14:50,060 --> 01:14:52,550

and communicate telepathically,

1572

01:14:52,550 --> 01:14:54,620

It would really go a long way to explain

1573

01:14:54,620 --> 01:14:56,360

the phenomenon surrounding it.

1574

01:14:56,360 --> 01:14:59,490

What looks like magic to

us can really be explained,

1575

01:14:59,490 --> 01:15:02,380

through extra dimensionality.

1576

01:15:02,380 --> 01:15:04,100

- [Narrator] Are any of us really prepared

1577

01:15:04,100 --> 01:15:05,890

for the kind of paradigm shift

1578

01:15:05,890 --> 01:15:08,350

that would come with not just disclosure,

1579

01:15:08,350 --> 01:15:11,210

but with contact and

communication with intelligences

1580

01:15:11,210 --> 01:15:12,570

from other worlds?

1581

01:15:12,570 --> 01:15:13,580

Is it possible

1582

01:15:13,580 --> 01:15:16,390

that as a species we have
reached the point that our minds

1583

01:15:16,390 --> 01:15:19,590

actually filter and generate
acceptable constructs,

1584

01:15:19,590 --> 01:15:22,723

which all too often become
our day to day realities?

1585

01:15:24,890 --> 01:15:29,530

- There is so little of your reality

1586

01:15:31,140 --> 01:15:34,533

that is really based on truth
that it is just stunning.

1587

01:15:34,533 --> 01:15:38,440

(speaking in foreign language)

1588

01:15:38,440 --> 01:15:42,740

- I heard that there are other
worlds that are inhabited.

1589

01:15:42,740 --> 01:15:44,455

(speaking in foreign language)

1590

01:15:44,455 --> 01:15:46,282

And Father Rapile answered--

1591

01:15:46,282 --> 01:15:50,199

(speaking in foreign language)

1592

01:16:03,082 --> 01:16:06,620

Would you believe that it
would just be our tiny world

1593

01:16:06,620 --> 01:16:08,620

that would be giving glory to God?

1594

01:16:08,620 --> 01:16:11,850

There has to be many more

worlds, many more planets

1595

01:16:11,850 --> 01:16:15,910

that exist with inhabitants

that would be giving glory

1596

01:16:15,910 --> 01:16:18,010

to God, it is not just us.

1597

01:16:18,010 --> 01:16:19,990

If I told you that, you know,

1598

01:16:19,990 --> 01:16:21,920

the very nature of the Moon and Mars

1599

01:16:21,920 --> 01:16:24,330

and most of the planets

in the Solar System

1600

01:16:24,330 --> 01:16:26,270

is being kept from you

for specific reasons

1601

01:16:26,270 --> 01:16:28,480

to make you think that

you're completely alone,

1602

01:16:28,480 --> 01:16:30,340

and that these planets can't be colonized.

1603

01:16:30,340 --> 01:16:32,800

- Back in the 1950's,

the big question was,

1604

01:16:32,800 --> 01:16:34,220

do they come from Mars?

1605

01:16:34,220 --> 01:16:36,370

Or do they come from Venus?

1606

01:16:36,370 --> 01:16:39,410

And by the '60s and '70s

we had gotten a little more

1607

01:16:39,410 --> 01:16:42,827

sophisticated in our

intellect and in our thinking,

1608

01:16:42,827 --> 01:16:44,030

and the question became,

1609

01:16:44,030 --> 01:16:47,910

well, do they come from Alfa

Centauri or Zeta Reticula 4?

1610

01:16:50,040 --> 01:16:53,400

Now up to the day and we've
gotten even more sophisticated,

1611

01:16:53,400 --> 01:16:55,140

and now the question is,

1612

01:16:55,140 --> 01:16:56,490

do they come from another planet?

1613

01:16:56,490 --> 01:16:58,470

Or do they come from another dimension?

1614

01:16:58,470 --> 01:17:00,540

Or are they perhaps time travelers?

1615

01:17:00,540 --> 01:17:03,510

Do they come from another time, okay?

1616

01:17:03,510 --> 01:17:06,090

And in my study of all of this,

1617

01:17:06,090 --> 01:17:08,210

I have kind of come to the conclusion

1618

01:17:08,210 --> 01:17:11,560

that the answer is yes.

1619

01:17:11,560 --> 01:17:13,210

- The more you know about this field,

1620

01:17:13,210 --> 01:17:14,470

it becomes almost paralyzing.

1621

01:17:14,470 --> 01:17:16,820

Because the more you

know, the less you know.

1622

01:17:16,820 --> 01:17:20,740

The more you know, and the

more open minded that you are

1623

01:17:20,740 --> 01:17:24,280

about this, the more you realize

that every answer you find

1624

01:17:24,280 --> 01:17:26,840

just leads to, you know,

a thousand more questions.

1625

01:17:26,840 --> 01:17:29,640

- Vast sums of money are

being siphoned through

1626

01:17:29,640 --> 01:17:31,940

these different agencies,

1627

01:17:31,940 --> 01:17:33,810

into the coffers of the CIA,

1628

01:17:33,810 --> 01:17:38,020

which then forwards

this money onto the DOD.

1629

01:17:38,020 --> 01:17:41,190

And this money is funneled through the DOD

1630

01:17:41,190 --> 01:17:43,130

and goes into the Black Projects,

1631

01:17:43,130 --> 01:17:46,740

which the DOD has direct oversight over.

1632

01:17:46,740 --> 01:17:48,500

So the CIA is kind of like the bagman

1633

01:17:48,500 --> 01:17:49,530

that collects the money.

1634

01:17:49,530 --> 01:17:51,360

It goes to the Department of Defense

1635

01:17:51,360 --> 01:17:53,390

that actually administers how this money

1636

01:17:53,390 --> 01:17:55,800

is gonna be spent on

different Black Projects.

1637

01:17:55,800 --> 01:17:56,930

So, the size.

1638

01:17:56,930 --> 01:17:58,610

How much are we talking about?

1639

01:17:58,610 --> 01:18:01,190

I think the best indication

for just how much

1640

01:18:01,190 --> 01:18:04,920

we are talking about here are

the auditing irregularities

1641

01:18:04,920 --> 01:18:07,390

that the Inspector General

of the Department of Defense

1642

01:18:07,390 --> 01:18:09,120

has himself identified.

1643

01:18:09,120 --> 01:18:12,400

He identified, in three years,

1644

01:18:12,400 --> 01:18:17,310

it was 1998, 1999, and the year 2000.

1645

01:18:18,150 --> 01:18:20,820

In those three years, we identified,

1646

01:18:20,820 --> 01:18:23,900

on average, 1.7 trillion dollars,

1647

01:18:23,900 --> 01:18:25,610

could not be accounted for

1648

01:18:25,610 --> 01:18:27,600

in the Department of Defense budget.

1649

01:18:27,600 --> 01:18:32,050

In other words, this was money

that was being moved around

1650

01:18:32,050 --> 01:18:34,120

in ways that could not be accounted for.

1651

01:18:34,120 --> 01:18:37,260

And I think, what that

indicates is the true size

1652

01:18:37,260 --> 01:18:38,700

of the Black budget.

1653

01:18:38,700 --> 01:18:41,550

We're looking at an infrastructure

1654

01:18:41,550 --> 01:18:43,053

that is funded by as much as

1655

01:18:43,053 --> 01:18:45,470

1.7 trillion dollars a year.

1656

01:18:45,470 --> 01:18:47,200

Now when you consider that the whole

1657

01:18:47,200 --> 01:18:49,430

Department of Defense budget, officially,

1658

01:18:49,430 --> 01:18:52,124

is just over 400 billion dollars,

1659

01:18:52,124 --> 01:18:55,490

we're talking about a vast infrastructure

1660

01:18:55,490 --> 01:18:58,970

that is four times greater than the entire

1661

01:18:58,970 --> 01:19:01,070

Department of Defense budget.

1662

01:19:01,070 --> 01:19:03,800

- As Jack Nicholson would say,

you can't handle the truth.

1663

01:19:03,800 --> 01:19:05,360

- [Narrator] Is it possible that ancient

1664

01:19:05,360 --> 01:19:07,270

and secret societies exist

1665

01:19:07,270 --> 01:19:10,720

that have always had the
real, but hidden information?

1666

01:19:10,720 --> 01:19:13,170

And have they, as a
result of their ongoing

1667

01:19:13,170 --> 01:19:15,690

familial knowledge, been
manipulating and governing,

1668

01:19:15,690 --> 01:19:18,850

virtually all countries
down through the centuries?

1669

01:19:18,850 --> 01:19:21,630

Researchers point to the Illuminati

1670

01:19:21,630 --> 01:19:23,910

and the power elite and
their use of propaganda

1671

01:19:23,910 --> 01:19:26,650

as carried by the mainstream media.

1672

01:19:26,650 --> 01:19:28,690

Many believe that these powerful few

1673

01:19:28,690 --> 01:19:31,150

actually control almost all information

1674

01:19:31,150 --> 01:19:33,270

by implanting false knowledge and beliefs

1675

01:19:33,270 --> 01:19:35,730

into our human collective reality.

1676

01:19:35,730 --> 01:19:37,780

- Essentially, everything

that you would wanna know

1677

01:19:37,780 --> 01:19:38,780

has been covered up.

1678

01:19:39,730 --> 01:19:43,780

From the electrogenetic

magnificence of your DNA,

1679

01:19:43,780 --> 01:19:46,380

being a spiritual antenna to the creator,

1680

01:19:46,380 --> 01:19:50,990

to the most amazing, Pythagorean

mystery score mathematics

1681

01:19:50,990 --> 01:19:53,090

that is essentially freeing to humanity,

1682

01:19:53,090 --> 01:19:56,750

in essence, also very, very clear,

1683

01:19:56,750 --> 01:20:01,750

that everything in our
world is a divine creation,

1684

01:20:02,100 --> 01:20:05,310

where as the math is the expressive tool

1685

01:20:05,310 --> 01:20:06,940

of the creator for creationism.

1686

01:20:06,940 --> 01:20:07,773

- The United States government,

1687

01:20:07,773 --> 01:20:10,140

the leader of the free world,

1688

01:20:10,140 --> 01:20:13,400

is totally controlled
by a wealthy oligarchy,

1689

01:20:13,400 --> 01:20:16,570

a small, handful of people

that are just super rich.

1690

01:20:16,570 --> 01:20:18,730

Most of them are not even in government

1691

01:20:18,730 --> 01:20:20,803

but they tell the government what to do.

1692

01:20:21,800 --> 01:20:24,713

These are the people who

are behind the UFO secrecy.

1693

01:20:25,690 --> 01:20:29,970

They don't care if you

know there's ETs out there,

1694

01:20:29,970 --> 01:20:32,060

but if you know there's ETs out there,

1695

01:20:32,060 --> 01:20:36,403

then you will know that there

is alternative technology.

1696

01:20:37,490 --> 01:20:41,030

And this could upset the monopolies

1697

01:20:41,030 --> 01:20:44,320

over energy, fuel, transportation,

1698

01:20:44,320 --> 01:20:47,100

communications, pharmaceuticals.

1699

01:20:47,100 --> 01:20:48,940

And that's what they don't want.

1700

01:20:48,940 --> 01:20:51,470

After all, who would

continue to pay all these

1701

01:20:51,470 --> 01:20:53,800

ever increasing prices for gasoline

1702

01:20:54,720 --> 01:20:58,810

that's polluting the air,

choking us all, killing our kids?

1703

01:20:58,810 --> 01:21:00,500

Why would we do that if we knew,

1704

01:21:00,500 --> 01:21:02,560

beyond any shadow of a doubt,

1705

01:21:02,560 --> 01:21:05,333

that there was non-polluting

energy sources out there?

1706

01:21:06,647 --> 01:21:08,428

This is what it's all about.

1707

01:21:08,428 --> 01:21:10,790

It comes back to the
old journalistic adage.

1708

01:21:10,790 --> 01:21:11,693

Follow the money.

1709

01:21:12,900 --> 01:21:14,800

- Everything has been covered up.

1710

01:21:14,800 --> 01:21:17,260

Toxicities of the pharmaceuticals.

1711

01:21:17,260 --> 01:21:19,460

You're not learning the
truth about vaccinations.

1712

01:21:19,460 --> 01:21:22,440

You're not learning the truth

about various medications.

1713

01:21:22,440 --> 01:21:24,350

The pharmaceutical industrialists,

1714

01:21:24,350 --> 01:21:25,450

which I prefer to call

1715

01:21:25,450 --> 01:21:30,450

Military Medical Petrochemical

Pharmaceutical Cartel,

1716

01:21:30,650 --> 01:21:34,000

essentially has control of the

media, the mainstream media.

1717

01:21:34,000 --> 01:21:36,810

And so it has control over the mass mind.

1718

01:21:36,810 --> 01:21:41,100

And as a result of those
powers that they assert,

1719

01:21:41,100 --> 01:21:43,610

people are not given factual information

1720

01:21:43,610 --> 01:21:45,320

upon which to make informed decisions.

1721

01:21:45,320 --> 01:21:48,020

They're given propaganda.

1722

01:21:48,020 --> 01:21:48,940

And as a result,

1723

01:21:48,940 --> 01:21:53,130

the choices that people
are making are genocidal.

1724

01:21:53,130 --> 01:21:56,270

And I say genocidal with a

strict definition, meaning,

1725

01:21:56,270 --> 01:21:58,580

the mass killing of people for economic,

1726

01:21:58,580 --> 01:22:01,030

political and/or ideological reasons.

1727

01:22:01,030 --> 01:22:03,410

And those pharmaceutical industrialists

1728

01:22:03,410 --> 01:22:05,760

are intimately connected to those people

1729

01:22:05,760 --> 01:22:08,020

who wish to control populations.

1730

01:22:08,020 --> 01:22:11,220

They've published literature

of what their intent is.

1731

01:22:11,220 --> 01:22:13,540

Not only how best to control populations,

1732

01:22:13,540 --> 01:22:15,950

why populations need to be controlled,

1733

01:22:15,950 --> 01:22:18,700

but ultimately, affecting the technologies

1734

01:22:18,700 --> 01:22:21,200

that are in place to do just that.

1735

01:22:21,200 --> 01:22:24,070

Currently, a 50% reduction in general

1736

01:22:24,070 --> 01:22:25,480

of the planets population

1737

01:22:25,480 --> 01:22:27,730

has been targeted for elimination.

1738

01:22:27,730 --> 01:22:29,410

- The Disclosure Project

is oriented towards

1739

01:22:29,410 --> 01:22:31,290

putting together credible

government documents

1740

01:22:31,290 --> 01:22:35,290

and these witnesses, so that

there is an undeniable case

1741

01:22:35,290 --> 01:22:37,810

made that this is real and not fictitious.

1742

01:22:37,810 --> 01:22:41,130

It started really in 19, the early 1990s.

1743

01:22:41,130 --> 01:22:45,270

After I had briefed President
Clinton's first CIA director

1744

01:22:45,270 --> 01:22:46,370

of this problem,

1745

01:22:46,370 --> 01:22:48,790

it was made very clear to
me that the executive branch

1746

01:22:48,790 --> 01:22:50,950

of the US government
did not want to do this

1747

01:22:50,950 --> 01:22:54,167

because I'm quoting, "The
President was concerned

1748

01:22:54,167 --> 01:22:56,209

"he would end up like Jack Kennedy."

1749

01:22:56,209 --> 01:22:57,042

And I'm not kidding.

1750

01:22:57,042 --> 01:22:59,280

That was said to me by President

Clinton's closest friend.

1751

01:22:59,280 --> 01:23:00,550

- [Narrator] Could it be that much

1752

01:23:00,550 --> 01:23:02,780

of what we believe is illusion?

1753

01:23:02,780 --> 01:23:05,550

Is it possible that the

history of human civilization

1754

01:23:05,550 --> 01:23:08,050

is not as we have been told?

1755

01:23:08,050 --> 01:23:11,620

Have we, as people, been
purposefully dumbed down?

1756

01:23:11,620 --> 01:23:13,700

And have our governments only served

1757

01:23:13,700 --> 01:23:16,660

to strengthen the bonds that
bind us to our ignorance

1758

01:23:16,660 --> 01:23:19,400

not only of our past but of our present

1759

01:23:19,400 --> 01:23:21,470

and potential future?

1760

01:23:21,470 --> 01:23:23,950

- Officials in these

agencies no longer represent

1761

01:23:23,950 --> 01:23:25,890

the best interests of humanity,

1762

01:23:25,890 --> 01:23:27,550

but are now representing the interests

1763

01:23:27,550 --> 01:23:29,840

of a particular extraterrestrial race

1764

01:23:29,840 --> 01:23:32,100

that they have been compromised by.

1765

01:23:32,100 --> 01:23:35,830

So we pay a heavy price if

we don't make this open.

1766

01:23:35,830 --> 01:23:38,130

If we don't bring in
transparency and accountability

1767

01:23:38,130 --> 01:23:40,310

into this whole process,

1768

01:23:40,310 --> 01:23:43,080

it means that we don't know whether or not

1769

01:23:43,080 --> 01:23:45,410

those that are behind the policies

1770

01:23:45,410 --> 01:23:48,030

are actually implementing
these policies for the best

1771

01:23:48,030 --> 01:23:50,470

interest of humanity,
which is what they claim,

1772

01:23:50,470 --> 01:23:52,590

or for the best interest of a particular

1773

01:23:52,590 --> 01:23:53,820

extraterrestrial race.

1774

01:23:53,820 --> 01:23:56,850

- [Narrator] Some of the questions

that we must ask include:

1775

01:23:56,850 --> 01:23:59,350

Are there bases on our moon?

1776

01:23:59,350 --> 01:24:01,350

Are there structures

and life forms on Mars,

1777

01:24:01,350 --> 01:24:03,780

and many of the other local planets?

1778

01:24:03,780 --> 01:24:05,810

Have our governments
made deals and treaties

1779

01:24:05,810 --> 01:24:06,780

with other life forms

1780

01:24:06,780 --> 01:24:10,597

that affect the future of
all of us on planet Earth?

1781

01:24:10,597 --> 01:24:13,597

(suspenseful music)

1782

01:24:18,030 --> 01:24:23,030

- These people will continue
zipping through our atmosphere,

1783

01:24:23,990 --> 01:24:26,733

checking our nuclear plants

and so forth and so on.

1784

01:24:27,780 --> 01:24:29,930

They have never been hostile.

1785

01:24:29,930 --> 01:24:34,700

They pose no air security
problems, whatever.

1786

01:24:34,700 --> 01:24:37,010

The Air Force knows this
and the Air Force has made

1787

01:24:37,010 --> 01:24:42,010

statements to that effect
that UFOs pose no threat.

1788

01:24:43,410 --> 01:24:45,130

- They are here.

1789

01:24:45,130 --> 01:24:46,880

Not just the Grays, but the others,

1790

01:24:46,880 --> 01:24:49,580

who look and act like us.

1791

01:24:49,580 --> 01:24:51,720

Perhaps they are here to instruct us

1792

01:24:51,720 --> 01:24:54,540

to help us safeguard our planet.

1793

01:24:54,540 --> 01:24:57,540

- Definitely rules and regulations
are governing everything.

1794

01:24:58,440 --> 01:25:01,130

And the councils have the history books

1795

01:25:01,130 --> 01:25:03,980

of all the planets and all of the records.

1796

01:25:03,980 --> 01:25:07,980

So when a planet reaches the
point that it can support life,

1797

01:25:07,980 --> 01:25:12,260

that's a very momentous time
in the history of that planet.

1798

01:25:12,260 --> 01:25:15,840

At that time, the planet
is given its life charter.

1799

01:25:15,840 --> 01:25:18,673

- We're dealing with a big, big story.

1800

01:25:19,800 --> 01:25:21,223

It's not just them.

1801

01:25:22,210 --> 01:25:23,760

As I've said, if it was that simple,

1802

01:25:23,760 --> 01:25:26,760

it would have probably
been out some time back.

1803

01:25:26,760 --> 01:25:28,153

It's really about us.

1804

01:25:29,050 --> 01:25:32,303

It's who we are, what we
are, how we came to be.

1805

01:25:32,303 --> 01:25:35,580

and where we might end up going sometime.

1806

01:25:35,580 --> 01:25:38,070

- Life is never allowed to just simply

1807

01:25:38,070 --> 01:25:40,533

spontaneously develop.

1808

01:25:40,533 --> 01:25:43,920

If it did, it would be very chaotic.

1809

01:25:43,920 --> 01:25:45,650

- If we could integrate,

1810

01:25:45,650 --> 01:25:48,697

I call it the spiritual but

the esoteric or whatever.

1811

01:25:48,697 --> 01:25:51,720

But I mean true esoteric, I

don't mean religion necessarily,

1812

01:25:51,720 --> 01:25:52,800

because there is a difference, I think,

1813

01:25:52,800 --> 01:25:54,740

between religion and spirituality.

1814

01:25:54,740 --> 01:25:57,940

- To produce a thinking,

intelligent human being

1815

01:25:57,940 --> 01:26:00,330

would have taken millions more years

1816

01:26:00,330 --> 01:26:03,460

than what's happening by normal evolution

1817

01:26:03,460 --> 01:26:04,760

than it would have taken.

1818

01:26:04,760 --> 01:26:08,060

And it would have still, not

of got to the point we are now.

1819

01:26:08,060 --> 01:26:09,880

They create life on other planets

1820

01:26:09,880 --> 01:26:12,820

because this is the way they were created

1821

01:26:12,820 --> 01:26:15,600

by what they called the Archaic ones,

1822

01:26:15,600 --> 01:26:17,970

the ones from the very beginning

1823

01:26:17,970 --> 01:26:20,060

have been doing this forever.

1824

01:26:20,060 --> 01:26:23,430

- Mankind was developed as a
species, as a spiritual being.

1825

01:26:23,430 --> 01:26:27,200

And I think we've gotten so far
away from who we really are,

1826

01:26:27,200 --> 01:26:30,490

that it's very hard for us
to go back there and digest

1827

01:26:30,490 --> 01:26:32,860

that maybe we have cosmic
brothers and sisters.

1828

01:26:32,860 --> 01:26:35,300

We fight among ourselves for diversity.

1829

01:26:35,300 --> 01:26:38,000

I mean, if anybody walks in
here and looks totally different

1830

01:26:38,000 --> 01:26:39,220

we fight among ourselves.

1831

01:26:39,220 --> 01:26:40,340

Now I'm thinking, oh my God,

1832

01:26:40,340 --> 01:26:43,550

what are the ETs that are

involved, thinking about,

1833

01:26:43,550 --> 01:26:45,173

the way we handle ourselves with people

1834

01:26:45,173 --> 01:26:47,100

that are so different from us.

1835

01:26:47,100 --> 01:26:48,930

They're probably scared to death to appear

1836

01:26:48,930 --> 01:26:50,460

because of what we might do to them.

1837

01:26:50,460 --> 01:26:53,083

We have not handled diversity very well.

1838

01:26:54,090 --> 01:26:59,090

- One day, I would hope

that the people of Earth

1839

01:26:59,470 --> 01:27:03,020

would stand up and extend

their hand in friendship

1840

01:27:03,020 --> 01:27:03,853

to these people,

1841

01:27:03,853 --> 01:27:06,800

we have never done that

here on this planet.

1842

01:27:06,800 --> 01:27:08,560

You know, we've shot at them.

1843

01:27:09,470 --> 01:27:10,350

We've done everything.

1844

01:27:10,350 --> 01:27:13,093

We've fired radar, we've

fired lasers, everything.

1845

01:27:13,980 --> 01:27:15,977

We need to say hi (chuckles).

1846

01:27:17,050 --> 01:27:18,950

- There are other extraterrestrial groups

1847

01:27:18,950 --> 01:27:22,020

who are human looking

such as the Pleiadians,

1848

01:27:22,020 --> 01:27:24,930

the famous Pleiadians of

Billy Meyer and others.

1849

01:27:24,930 --> 01:27:29,380

And they are much more intent
on trying to assist humanity,

1850

01:27:29,380 --> 01:27:33,170

to become free of this
kind of manipulation

1851

01:27:33,170 --> 01:27:36,370

from other races that
really try to use humanity

1852

01:27:36,370 --> 01:27:37,550

as a resource.

1853

01:27:37,550 --> 01:27:38,950

- Let's think about it.

1854

01:27:38,950 --> 01:27:41,010

You can't say, whoopee, Star Kids.

1855

01:27:41,010 --> 01:27:43,320

These wonderful advanced
children have been transformed

1856

01:27:43,320 --> 01:27:45,770

by contact with people from the stars,

1857

01:27:45,770 --> 01:27:46,950

when in the same breath you say

1858

01:27:46,950 --> 01:27:48,610

there's no such things as UFOs.

1859

01:27:49,530 --> 01:27:51,720

- The question of UFOs

and extraterrestrials,

1860

01:27:51,720 --> 01:27:54,250

most people just think,
is something entertaining.

1861

01:27:54,250 --> 01:27:57,290

In reality, it's something that is central

1862

01:27:57,290 --> 01:27:59,690

to how we're going to

be able to go forward

1863

01:27:59,690 --> 01:28:00,980

as a civilization.

1864

01:28:00,980 --> 01:28:03,180

Because that issue involves

1865

01:28:03,180 --> 01:28:07,120

sciences, technologies,

energy and propulsion systems

1866

01:28:07,120 --> 01:28:09,310

that could give us a
whole new civilization.

1867

01:28:09,310 --> 01:28:11,200

- It's terribly important
the whole thing come apart,

1868

01:28:11,200 --> 01:28:12,530

because it's all one package,

1869

01:28:12,530 --> 01:28:14,660

and it's part of our bright and very,

1870

01:28:14,660 --> 01:28:16,460

I think, hopeful future.

1871

01:28:16,460 --> 01:28:18,050

And I think of these Star Kids growing up

1872

01:28:18,050 --> 01:28:19,880

and being our leaders, our presidents,

1873

01:28:19,880 --> 01:28:24,143

Congress people, senators,

university professors,

1874

01:28:26,130 --> 01:28:28,763

leaders in medicine and

science and so forth.

1875

01:28:29,720 --> 01:28:32,860

I think what brilliant

and expansive future

1876

01:28:32,860 --> 01:28:33,693

we're going to have,

1877

01:28:33,693 --> 01:28:35,780

but we have to get from

point A to point B,

1878

01:28:35,780 --> 01:28:38,510

and this cover-up is just stultifying us

1879

01:28:38,510 --> 01:28:39,823

in a very painful way.

1880

01:28:40,680 --> 01:28:43,420

- [Narrator] Is it possible

that an intergalactic federation

1881

01:28:43,420 --> 01:28:46,820

exists and that this collective

of different member beings

1882

01:28:46,820 --> 01:28:49,620

are in the process of

offering the people of Earth

1883

01:28:49,620 --> 01:28:52,530

membership in a federation of planets?

1884

01:28:52,530 --> 01:28:55,440

Most importantly for all

of us and our children,

1885

01:28:55,440 --> 01:28:58,010

some of these researchers

say that acceptance

1886

01:28:58,010 --> 01:29:00,560

of their invitation to

federation membership

1887

01:29:00,560 --> 01:29:04,230

would end all war,

starvation, and dependency

1888

01:29:04,230 --> 01:29:06,610

upon fossil fuel based energy systems,

1889

01:29:06,610 --> 01:29:08,163

for our entire planet.

1890

01:29:09,410 --> 01:29:12,010

- Part of the problem with
the UFO cover-up coming apart,

1891

01:29:12,010 --> 01:29:14,060

you've got to uncover the
whole thing at the same time.

1892

01:29:14,060 --> 01:29:16,090

You can't half uncover it.

1893

01:29:16,090 --> 01:29:18,127

People who try, they only look stupid.

1894

01:29:18,127 --> 01:29:22,566

(speaking in foreign language)

1895

01:29:22,566 --> 01:29:25,370

- But they are doing it for
us, they are praying for us.

1896

01:29:25,370 --> 01:29:29,287

(speaking in foreign language)

1897

01:29:30,829 --> 01:29:35,829

We are the lowest of the category
in the evolutionary scale.

1898

01:29:37,160 --> 01:29:39,210

He really believes that
humanity is the lowest

1899

01:29:39,210 --> 01:29:41,550

of the category of the evolutionary scale.

1900

01:29:41,550 --> 01:29:43,100

With all the proof that he gave you

1901

01:29:43,100 --> 01:29:46,530

of the ecological problem,

of the war problem,

1902

01:29:46,530 --> 01:29:50,028

of the choosing evil

problem, and all that.

1903

01:29:50,028 --> 01:29:51,650

This is his belief system.

1904

01:29:51,650 --> 01:29:53,550

- We all have a responsibility to find out

1905

01:29:53,550 --> 01:29:56,120

what the truth is about

something like this.

1906

01:29:56,120 --> 01:29:59,010

People have to take
responsibility for looking into

1907

01:29:59,010 --> 01:29:59,843

what the truth is.

1908

01:29:59,843 --> 01:30:02,460

We've put together the
means for people to do that.

1909

01:30:02,460 --> 01:30:04,170

Now, people have to take the initiative.

1910

01:30:04,170 --> 01:30:05,550

And we need all the help we can get.

1911

01:30:05,550 --> 01:30:07,930

I would ask people to
help us network this to

1912

01:30:07,930 --> 01:30:11,600

anyone and any institution that can help.

1913

01:30:11,600 --> 01:30:13,610

The reason this is so critical is that

1914

01:30:13,610 --> 01:30:15,900

we've reached a point in our civilization,

1915

01:30:15,900 --> 01:30:19,380

where for us to go forward, as a people,

1916

01:30:19,380 --> 01:30:22,910

we're gonna have to end this

kind of illegal secrecy.

1917

01:30:22,910 --> 01:30:25,220

And we're going to have

to allow this information

1918

01:30:25,220 --> 01:30:28,420

and these technologies to
get out and begin to fix

1919

01:30:28,420 --> 01:30:30,730

many of these large problems.

1920

01:30:30,730 --> 01:30:33,733

- I've always believed our
destiny is in the stars.

1921

01:30:35,470 --> 01:30:36,910

That's a hope that I have

1922

01:30:36,910 --> 01:30:40,823

that generations yet to
come will travel out there.

1923

01:30:42,210 --> 01:30:44,310

And we'll become a part of that community.

1924

01:30:46,370 --> 01:30:48,280

That's a dream that I won't live to see,

1925

01:30:48,280 --> 01:30:51,703

but it's a dream I hold dear.

1926

01:30:53,260 --> 01:30:54,210

That we'll make it.

1927

01:30:55,459 --> 01:30:57,493

That we will survive as a species,

1928

01:30:58,430 --> 01:31:00,760

because I think we've got some,

1929

01:31:00,760 --> 01:31:03,913

I jokingly say, we have some
good friends in high places.

1930

01:31:05,011 --> 01:31:07,594

(gentle music)
