

■1

00:00:01,686 --> 00:00:05,019

(soft mysterious music)

2

00:00:09,691 --> 00:00:11,840

- [Narrator] A troubling
and persistent phenomenon

3

00:00:11,840 --> 00:00:14,110

has been occurring throughout history

4

00:00:14,110 --> 00:00:16,890

to people on Earth for centuries.

5

00:00:16,890 --> 00:00:19,440

The belief that they are
being taken by beings

6

00:00:19,440 --> 00:00:21,090

from some other place,

7

00:00:21,090 --> 00:00:23,823

perhaps outer space or another dimension.

8

00:00:25,760 --> 00:00:27,750

These people have real memories

9

00:00:27,750 --> 00:00:30,510

of being taken secretly against their will

10

00:00:30,510 --> 00:00:32,860

by apparently non-human entities

11

00:00:32,860 --> 00:00:35,300

and subjected to complex physical

12

00:00:35,300 --> 00:00:37,243

and psychological procedures.

13

00:00:38,640 --> 00:00:40,960

People claiming to have been abducted

14

00:00:40,960 --> 00:00:44,877

are usually called

abductees or experiencers.

15

00:00:46,660 --> 00:00:48,570

There are famous modern cases,

16

00:00:48,570 --> 00:00:51,150

such as the Betty and

Barney Hill abduction,

17

00:00:51,150 --> 00:00:54,170

the Charles Hickson and

Calvin Parker abduction

18

00:00:54,170 --> 00:00:56,123

and the Travis Walton abduction.

19

00:00:57,270 --> 00:01:02,250

However, for every well-documented
abduction case on record

20

00:01:02,250 --> 00:01:05,030

there are hundreds of less-known cases

21

00:01:05,030 --> 00:01:08,893

where people have
experienced alien abductions.

22

00:01:10,250 --> 00:01:12,180

Each have unique differences

23

00:01:13,770 --> 00:01:16,033

but all have a common thread.

24

00:01:17,320 --> 00:01:22,300

- The term abductee has been
used a lot over the years

25

00:01:22,300 --> 00:01:26,500

to explain how some unknown intelligence,

26

00:01:26,500 --> 00:01:28,380

it might be extraterrestrial,

27

00:01:28,380 --> 00:01:31,030

might even be from another
dimension or another time,

28

00:01:31,950 --> 00:01:34,730

that these entities

have come to take people

29

00:01:34,730 --> 00:01:36,730

against their will, do things,

30

00:01:36,730 --> 00:01:39,010

they take them away, they
do things to these people

31

00:01:39,010 --> 00:01:41,010

that are very unpleasant

32

00:01:41,010 --> 00:01:43,740

and the whole thing leaves the person

33

00:01:43,740 --> 00:01:48,740

that went through this type

of experience very victimized

34

00:01:48,890 --> 00:01:53,890

but the term experiencer

is a bit more loose.

35

00:01:54,420 --> 00:01:58,980

It is just indicating that

somebody's encountered

36

00:02:00,070 --> 00:02:02,550

an intelligence but not necessarily

37

00:02:02,550 --> 00:02:05,000

been traumatized by it in all cases,

38

00:02:05,000 --> 00:02:08,820

not necessarily been taken in all cases,

39

00:02:08,820 --> 00:02:11,800

just they've come into contact with it.

40

00:02:11,800 --> 00:02:14,110

The term contactee

actually was another term

41

00:02:14,110 --> 00:02:17,980

that was used back in the

'50s, a little bit in the '60s.

42

00:02:17,980 --> 00:02:19,810

That kind of the thing
is no longer in vogue.

43

00:02:19,810 --> 00:02:24,180

But experimenter is, I think,
the proper term for it

44

00:02:24,180 --> 00:02:25,770

because not everybody's taken

45

00:02:25,770 --> 00:02:28,853

and those who go are not always
taken against their will.

46

00:02:30,549 --> 00:02:33,882

(soft mysterious music)

47

00:02:40,383 --> 00:02:42,590

- [Narrator] The study of the
alien abduction phenomenon

48

00:02:42,590 --> 00:02:46,570

often begins with a UFO sighting.

49

00:02:46,570 --> 00:02:48,880

The sightings make occur in childhood

50

00:02:48,880 --> 00:02:51,840

and the individual will

have UFO encounters

51

00:02:51,840 --> 00:02:53,213

throughout their lives.

52

00:02:55,930 --> 00:02:58,810

Many abductees remember their encounters

53

00:02:58,810 --> 00:03:02,177

but some require hypnosis regression

54

00:03:02,177 --> 00:03:05,534

to draw out details of their experience.

55

00:03:05,534 --> 00:03:08,867

(soft mysterious music)

56

00:03:11,566 --> 00:03:16,096

Often they do not realize that
an early childhood encounter

57

00:03:16,096 --> 00:03:19,679

has led to a lifetime
of alien experiences.

58

00:03:23,080 --> 00:03:26,020

- My whole family were
going to bed at 11 o'clock

59

00:03:26,020 --> 00:03:29,470

and I looked out the
window from my bedroom

60

00:03:29,470 --> 00:03:34,380

and I saw this green,
shimmering light in the sky

61

00:03:34,380 --> 00:03:39,380

and below the clouds, a
small point in the sky

62

00:03:40,470 --> 00:03:45,470

maybe 500, tops 1,000 feet in the air.

63

00:03:46,360 --> 00:03:48,790

So it was will within our atmosphere.

64

00:03:48,790 --> 00:03:50,880

And the smoke was blowing out

65

00:03:50,880 --> 00:03:53,810

with green shimmering lights behind it.

66

00:03:53,810 --> 00:03:57,407

I called to my mother, "The sky is green."

67

00:03:58,340 --> 00:04:00,490

And she comes in and she looks.

68

00:04:00,490 --> 00:04:02,610

Sure enough the sky was green

69

00:04:02,610 --> 00:04:07,220

and pretty soon my whole family,

70

00:04:07,220 --> 00:04:09,510

my parents, my sister and myself

71

00:04:09,510 --> 00:04:12,330

were out on the front lawn.

72

00:04:12,330 --> 00:04:15,310

So it was summer, because
we were still in our pajamas

73

00:04:15,310 --> 00:04:16,507

and I wasn't cold.

74

00:04:16,507 --> 00:04:18,810

My father didn't know what it was.

75

00:04:18,810 --> 00:04:22,400

My mother said, "It's the second coming."

76

00:04:22,400 --> 00:04:24,600

Very religious woman

77

00:04:24,600 --> 00:04:26,640

and she thought it was the second coming

78

00:04:26,640 --> 00:04:31,210

'cause none of us had any

clue as to what it was.

79

00:04:31,210 --> 00:04:34,510

But it was a huge craft, perfectly silent,

80

00:04:34,510 --> 00:04:38,380

huge round lights of various colors,

81

00:04:38,380 --> 00:04:43,380

none of which were FAA

standard, and just sat there.

82

00:04:43,760 --> 00:04:46,520

And then we looked up to the left

83

00:04:46,520 --> 00:04:51,520

and here's a little funnel

cloud of smoke coming down.

84

00:04:52,370 --> 00:04:56,620

- The room was lit up completely
but my eyes were closed.

85

00:04:56,620 --> 00:05:00,100

I knew somehow not to open my eyes.

86

00:05:00,100 --> 00:05:02,450

There was something telling
me don't open your eyes

87

00:05:02,450 --> 00:05:05,400

because you don't want the
light, you won't be able to see.

88

00:05:06,460 --> 00:05:08,340

Eventually I did open my eyes

89

00:05:08,340 --> 00:05:10,340

because I could hear noise in the room,

90

00:05:10,340 --> 00:05:12,460

there was like scuffling on the floor.

91

00:05:12,460 --> 00:05:17,163

I open my eyes, there were

three small, gray beings

92

00:05:18,800 --> 00:05:20,800

with big black eyes, big heads

93

00:05:20,800 --> 00:05:23,083

and very skinny spindly limbs.

94

00:05:24,200 --> 00:05:29,200

They pulled me up out of the

bed and then with one behind me

95

00:05:31,860 --> 00:05:34,710

and one each side of me holding my elbows

96

00:05:34,710 --> 00:05:37,510

walked me towards the window.

97

00:05:37,510 --> 00:05:39,840

And I'm thinking, well the

windows are closed guys

98

00:05:39,840 --> 00:05:42,790

so you better open them

before we go any further.

99

00:05:42,790 --> 00:05:46,250

So there was this

rationality-irrationality going on

100

00:05:46,250 --> 00:05:47,183

at the same time.

101

00:05:48,730 --> 00:05:51,793

- And it was later.

102

00:05:52,860 --> 00:05:57,290

My sister just didn't pay any
more attention after that.

103

00:05:57,290 --> 00:06:00,750

And under hypnosis, it was revealed that

104

00:06:01,810 --> 00:06:05,410

this little tornado of
smoke that came down

105

00:06:06,369 --> 00:06:08,263

had a craft, a smaller craft in it,

106

00:06:09,770 --> 00:06:13,453

and small, gray beings
came out of the craft,

107

00:06:14,540 --> 00:06:17,000

took me and then took her,

108

00:06:17,000 --> 00:06:20,870

she remembers them taking

me and then taking her,

109

00:06:20,870 --> 00:06:22,694

to be examined.

110

00:06:22,694 --> 00:06:23,970

She doesn't know what happened with me

111

00:06:23,970 --> 00:06:26,640

but she knows what happened with her.

112

00:06:26,640 --> 00:06:28,210

And then returned us.

113

00:06:28,210 --> 00:06:30,690

We don't know if our

parents were taken or not

114

00:06:30,690 --> 00:06:34,660

because when she was returned,

115

00:06:34,660 --> 00:06:38,390

I was back on the lawn

and so were my parents.

116

00:06:38,390 --> 00:06:43,390

We were all just looking up,

like we were frozen in time.

117

00:06:43,390 --> 00:06:44,223

Okay?

118

00:06:45,846 --> 00:06:49,670

- And as we approach the

window, I closed my eyes

119

00:06:49,670 --> 00:06:53,760

and as I did, I felt this stickiness.

120

00:06:53,760 --> 00:06:57,570

It was like, it was a
stickiness and a feeling

121

00:06:57,570 --> 00:07:00,470

of something being pulled
very slowly across my face.

122

00:07:00,470 --> 00:07:03,363

It wasn't painful, just very very weird.

123

00:07:04,570 --> 00:07:07,800

The next, I open my eyes
because I felt cold,

124

00:07:07,800 --> 00:07:10,770

I felt wind on my face and I was aware

125

00:07:10,770 --> 00:07:14,380

that I was now floating

outside of the window

126

00:07:14,380 --> 00:07:17,810

three stories up, looking

down at the car park

127

00:07:17,810 --> 00:07:20,610

with a very bright light above my head.

128

00:07:20,610 --> 00:07:22,500

I couldn't really see

what was above my head.

129

00:07:22,500 --> 00:07:25,230

I was just very aware of

this very bright light.

130

00:07:25,230 --> 00:07:29,090

One little gray on each
elbow, I was aware of them.

131

00:07:29,090 --> 00:07:32,290

And we floated up into the craft.

132

00:07:32,290 --> 00:07:34,040

- And then I can only assume

133

00:07:34,040 --> 00:07:36,730

this is the missing time phenomenon, okay?

134

00:07:36,730 --> 00:07:40,193

So when we were all back in place,

135

00:07:41,080 --> 00:07:44,233

we were switched back on, so to speak,

136

00:07:45,300 --> 00:07:46,650

and the craft had departed.

137

00:07:46,650 --> 00:07:48,733

All there was left was that smoke.

138

00:07:50,143 --> 00:07:53,476

(soft mysterious music)

139

00:08:06,730 --> 00:08:09,813

(gentle piano music)

140

00:08:20,260 --> 00:08:22,880

- [Narrator] The late

professor John Edward Mack,

141

00:08:22,880 --> 00:08:26,230

a respected Harvard

University psychiatrist,

142

00:08:26,230 --> 00:08:29,840

was asked to investigate

an experimenter's case

143

00:08:29,840 --> 00:08:32,830

and became so perplexed by the phenomenon

144

00:08:32,830 --> 00:08:35,530

that he devoted a

substantial amount of time

145

00:08:35,530 --> 00:08:38,123

to investigating additional cases.

146

00:08:41,900 --> 00:08:46,153

His desire was to understand

objectively what was going on.

147

00:08:47,520 --> 00:08:50,310

Professor Mack eventually concluded

148

00:08:50,310 --> 00:08:52,840

that the only phenomenon in psychiatry

149

00:08:52,840 --> 00:08:56,040

that adequately explained

the patient symptoms

150

00:08:56,040 --> 00:08:59,470

in several of the most compelling cases

151

00:08:59,470 --> 00:09:02,143

was post-traumatic stress disorder.

152

00:09:02,980 --> 00:09:06,250

This would imply that the

patient genuinely believed

153

00:09:06,250 --> 00:09:09,070

that the remembered frightening incident

154

00:09:09,070 --> 00:09:11,380

had really occurred.

155

00:09:11,380 --> 00:09:13,530

- These people have
been examined by myself,

156

00:09:13,530 --> 00:09:15,190

they've been tested psychologically,

157

00:09:15,190 --> 00:09:18,060

they are of above average intelligence,

158

00:09:18,060 --> 00:09:19,100

they are of sound mind,

159

00:09:19,100 --> 00:09:22,180

they've been shown as of
superior mental functioning

160

00:09:22,180 --> 00:09:25,140

by the testers, so there is not indication

161

00:09:25,140 --> 00:09:26,900

of any kind of psychiatric condition

162

00:09:26,900 --> 00:09:28,960

that can account for this

that I've been able to find.

163

00:09:28,960 --> 00:09:31,280

In fact, when one abductee

164

00:09:31,280 --> 00:09:33,520

hears the story of another abductee,

165

00:09:33,520 --> 00:09:34,610

they react with shock

166

00:09:34,610 --> 00:09:36,390

because they don't want

to believe it's true.

167

00:09:36,390 --> 00:09:38,150

They would rather believe it's a dream

168

00:09:38,150 --> 00:09:39,320

or a form of mental illness

169

00:09:39,320 --> 00:09:40,550

than that this is something real

170

00:09:40,550 --> 00:09:43,770

because it's so shattering

to their notion of reality

171

00:09:43,770 --> 00:09:46,350

and that's happened over and over again

172

00:09:46,350 --> 00:09:48,350

among the people I've been working with.

173

00:09:49,661 --> 00:09:52,578

(soft piano music)

174

00:09:56,230 --> 00:09:59,300

- [Narrator] Alien abductions

can occur at any time

175

00:09:59,300 --> 00:10:01,740

throughout an individual's life.

176

00:10:01,740 --> 00:10:03,993

They are rarely a one time event.

177

00:10:05,049 --> 00:10:07,966

(soft piano music)

178

00:10:10,750 --> 00:10:15,360

Many abductees have endured

encounters their entire lives,

179

00:10:15,360 --> 00:10:17,413

including when they were very young.

180

00:10:21,160 --> 00:10:25,660

These experiences have a
profound effect on the individual

181

00:10:25,660 --> 00:10:27,700

with some being traumatic

182

00:10:27,700 --> 00:10:30,033

while others are completely benign.

183

00:10:33,200 --> 00:10:37,520

- My very first memory in life

is actually of an encounter.

184

00:10:37,520 --> 00:10:41,070

I was two years old, I was

in my crib late at night

185

00:10:41,070 --> 00:10:45,710

and a face came in to the
room and stared down at me

186

00:10:45,710 --> 00:10:46,760

at the foot of the crib.

187

00:10:46,760 --> 00:10:48,770

It was kind of skeletal,

188

00:10:48,770 --> 00:10:51,770

that's how I was able to
put it into some context

189

00:10:51,770 --> 00:10:55,000

'cause at the tender age of two

190

00:10:55,000 --> 00:10:57,540

you don't really have a background

191

00:10:57,540 --> 00:10:59,400

in saying, oh that's an alien.

192

00:10:59,400 --> 00:11:02,070

Well, maybe today's television.

193

00:11:02,070 --> 00:11:06,590

Back in 1973, that was the

closest I could equate it to.

194

00:11:06,590 --> 00:11:09,490

But it wasn't a dream, it didn't go away.

195

00:11:09,490 --> 00:11:13,060

I started to scream and it

continued to stare down at me

196

00:11:13,060 --> 00:11:15,480

and my parents in the other room,

197

00:11:15,480 --> 00:11:17,137

I could hear my mother's voice saying,

198

00:11:17,137 --> 00:11:19,920

"Go back to sleep, go

back to sleep, it's okay."

199

00:11:19,920 --> 00:11:22,100

And she never came to the room.

200

00:11:22,100 --> 00:11:25,460

And after a few moments,

the face just got up

201

00:11:25,460 --> 00:11:27,250

and left the room.

202

00:11:27,250 --> 00:11:29,620

I say face, there was

a body attached to it

203

00:11:29,620 --> 00:11:32,030

but it was so dark I

really couldn't make it out

204

00:11:32,030 --> 00:11:34,070

and I could tell it was on its way

205

00:11:34,070 --> 00:11:35,370

over to my brother's room.

206

00:11:39,368 --> 00:11:42,285

(soft piano music)

207

00:11:52,440 --> 00:11:54,410

- [Narrator] The origins of these beings

208

00:11:54,410 --> 00:11:58,337

are sometimes disputed

by alien experiencers.

209

00:11:59,650 --> 00:12:02,380

The most common and accepted theory

210

00:12:02,380 --> 00:12:05,500

is that aliens are from outer space

211

00:12:05,500 --> 00:12:08,693

and are traveling here

from some distant planet.

212

00:12:09,830 --> 00:12:12,100

They are here to observe humans

213

00:12:12,100 --> 00:12:14,560

and abductions are situations

214

00:12:14,560 --> 00:12:16,700

whereby the extraterrestrials

215

00:12:16,700 --> 00:12:19,380

are conducting medical examinations

216

00:12:19,380 --> 00:12:21,823

to better understand our species.

217

00:12:23,150 --> 00:12:26,440

However, a recent and more complex theory

218

00:12:26,440 --> 00:12:30,890

involves the aliens using an

inter-dimensional corridor

219

00:12:30,890 --> 00:12:32,300

to reach Earth

220

00:12:32,300 --> 00:12:36,193

and many may not even be

from out universe at all.

221

00:12:38,180 --> 00:12:43,180

- We were watching as the
sky seemed to be giving birth

222

00:12:43,360 --> 00:12:45,283

to this huge craft.

223

00:12:46,240 --> 00:12:49,140

The lights were there

224

00:12:49,140 --> 00:12:53,600

and it just kind of came through a vortex

225

00:12:53,600 --> 00:12:57,430

and that's why I believe extraterrestrials

226

00:12:57,430 --> 00:13:00,440

come from other planets

and/or other dimensions

227

00:13:01,420 --> 00:13:02,577

through a vortex.

228

00:13:04,155 --> 00:13:07,610

Instead of going from point

A to point B, they fold time

229

00:13:07,610 --> 00:13:12,282

and leave their spacetime and

arrive at our instantaneously.

230

00:13:12,282 --> 00:13:15,560

(mysterious music)

231

00:13:15,560 --> 00:13:17,230

- [Narrator] Not only are the origins

232

00:13:17,230 --> 00:13:19,660

of extraterrestrials a mystery,

233

00:13:19,660 --> 00:13:23,853

their motivations are also a
subject of much conjecture.

234

00:13:25,050 --> 00:13:27,890

Clearly they are interested in our bodies

235

00:13:27,890 --> 00:13:31,090

as most abductees describe procedures

236

00:13:31,090 --> 00:13:33,580

that appear to be medical in nature

237

00:13:33,580 --> 00:13:36,053

and focus on our genetic makeup.

238

00:13:36,970 --> 00:13:38,910

Yet they also appear to be concerned

239

00:13:38,910 --> 00:13:41,050

with our psychological makeup

240

00:13:41,050 --> 00:13:44,660

and our attitudes towards

the environment, society

241

00:13:44,660 --> 00:13:47,293

and even our spiritual development.

242

00:13:48,470 --> 00:13:51,540

Often, the extraterrestrials

will intervene

243

00:13:51,540 --> 00:13:56,540

and direct an experiencer's

life in a direction they prefer,

244

00:13:56,770 --> 00:14:00,023

rather than allowing
nature to take its course.

245

00:14:01,280 --> 00:14:04,090

- The teen years were
definitely the height

246

00:14:04,090 --> 00:14:05,410

of what had happened to me

247

00:14:05,410 --> 00:14:06,913

but in my early 20s,

248

00:14:08,120 --> 00:14:11,200

there were still a lot of
things going on in my life.

249

00:14:11,200 --> 00:14:13,450

At that age, in my early 20s,

250

00:14:13,450 --> 00:14:15,420

they became very interested in things

251

00:14:15,420 --> 00:14:18,490

like whom I was dating,

that kind of a thing.

252

00:14:18,490 --> 00:14:22,530

In fact, they had, it

seems very intentionally,

253

00:14:22,530 --> 00:14:25,430

scared away a woman that they

thought wasn't right for me.

254

00:14:26,600 --> 00:14:31,600

She and I were out in a fairly

secluded part of some woods

255

00:14:32,330 --> 00:14:35,240

and, doing some stargazing,

256

00:14:35,240 --> 00:14:38,920

and suddenly we were both paralyzed

257

00:14:38,920 --> 00:14:42,840

and they approached us,

three little gray guys

258

00:14:42,840 --> 00:14:46,970

and they started very

harshly inspecting her.

259

00:14:46,970 --> 00:14:51,540

Not touching her, just

staring at her very fiercely

260

00:14:51,540 --> 00:14:53,530

and they were like, no, she's no good.

261

00:14:53,530 --> 00:14:55,010

Not this one, no no.

262

00:14:55,010 --> 00:14:58,520

And then they left and the paralysis broke

263

00:14:58,520 --> 00:15:01,010

and we hightailed back at the car

264

00:15:01,010 --> 00:15:05,230

and she broke with me immediately after,

265

00:15:05,230 --> 00:15:07,530

although I hadn't told her yet

266

00:15:07,530 --> 00:15:09,280

because we'd only been

dating a couple of months

267

00:15:09,280 --> 00:15:10,663

about my experiences.

268

00:15:11,760 --> 00:15:13,490

It seemed like she understood

269

00:15:13,490 --> 00:15:14,870

that what had just happened to us

270

00:15:14,870 --> 00:15:16,400

had everything to do with me

271

00:15:16,400 --> 00:15:18,653

and she was right in that respect.

272

00:15:22,677 --> 00:15:25,760

(gentle piano music)

273

00:15:33,810 --> 00:15:35,940

- [Narrator] The majority of abductees

274

00:15:35,940 --> 00:15:40,240

do not appear to be deluded,
confabulated, whine,

275

00:15:40,240 --> 00:15:45,240

self-dramatizing or suffering
from a clear mental illness.

276

00:15:45,510 --> 00:15:47,660

While psychopathology is indicated

277

00:15:47,660 --> 00:15:50,950

in some isolated alien abduction cases,

278

00:15:50,950 --> 00:15:54,040

assessment by both clinical examination

279

00:15:54,040 --> 00:15:57,200

and standardized tests has shown that,

280

00:15:57,200 --> 00:16:00,370

as a group, abduction experiencers

281

00:16:00,370 --> 00:16:03,980

are no different from

the general population.

282

00:16:03,980 --> 00:16:07,680

Psychologists have argued

that abductees' mental health

283

00:16:07,680 --> 00:16:11,963

is no better or worse than

the average individual.

284

00:16:13,970 --> 00:16:16,850

The abduction phenomenon has been going on

285

00:16:16,850 --> 00:16:21,083

for a very long time,

perhaps even in antiquity.

286

00:16:22,040 --> 00:16:24,860

Cave paintings made by our ancestors

287

00:16:24,860 --> 00:16:29,853

are strikingly similar to

modern-day descriptions of aliens.

288

00:16:30,750 --> 00:16:35,730

History is replete with mystical

tales that sound very much

289

00:16:35,730 --> 00:16:39,833

like alien abductions or

extraterrestrial encounters.

290

00:16:40,680 --> 00:16:45,223

Such tales are often

found in our holy texts.

291

00:16:46,830 --> 00:16:50,820

For example, the Bible
contains many stories

292

00:16:50,820 --> 00:16:55,053

that could be interpreted
as alien encounters.

293

00:17:01,310 --> 00:17:03,460

- The biblical UFO hypothesis

294

00:17:05,190 --> 00:17:07,630

tries to examine the connection

295

00:17:07,630 --> 00:17:12,630

between anomalous aerial phenomenon

296

00:17:12,940 --> 00:17:17,100

that was witnessed 2,000-4,000 years ago

297

00:17:17,100 --> 00:17:21,220

by Ezekiel, a wheel within a wheel,

298

00:17:21,220 --> 00:17:25,430

Moses' pillar of cloud, pillar of fire.

299

00:17:25,430 --> 00:17:26,263

Chariots of fire,

300

00:17:26,263 --> 00:17:30,350

the Romans used to call them flying shields

301

00:17:34,552 --> 00:17:36,080

because they looked like the shields

302

00:17:36,080 --> 00:17:39,053

that they went off into

battle with in the sky.

303

00:17:41,430 --> 00:17:46,430

So my theory and, it wasn't
my original theory actually.

304

00:17:49,510 --> 00:17:54,130

Erich Von Daniken has said,
in his Chariots of the Gods,

305

00:17:54,130 --> 00:17:56,490

these things were in fact

306

00:17:57,650 --> 00:18:00,373

forerunners of today's UFO phenomena.

307

00:18:01,230 --> 00:18:06,230

And what they were seeing
then were the same type

308

00:18:06,470 --> 00:18:11,157

of other-dimensional
beings that would come

309

00:18:11,157 --> 00:18:16,157

and just like when Columbus
arrived on American shores,

310

00:18:16,500 --> 00:18:19,423

just like when Captain

Cook arrived in Hawaii,

311

00:18:20,800 --> 00:18:23,100

they all revered them as gods

312

00:18:23,100 --> 00:18:27,193

because they came over the flat Earth,

313

00:18:28,590 --> 00:18:31,080

over the horizon in these huge canoes

314

00:18:31,080 --> 00:18:33,820

with the sheets to catch the wind,

315

00:18:33,820 --> 00:18:38,820

strange-looking men with
different kind of clothes,

316

00:18:39,930 --> 00:18:41,503

different colored skin.

317

00:18:42,670 --> 00:18:43,963

They must be gods.

318

00:18:44,813 --> 00:18:47,563

(dramatic music)

319

00:19:30,150 --> 00:19:32,710

- [Narrator] The Bible

is not the only holy text

320

00:19:32,710 --> 00:19:36,090

that contains references to aliens.

321

00:19:36,090 --> 00:19:39,160

The Hindu Mahabharata describes weapons

322

00:19:39,160 --> 00:19:41,590

reminiscent of guided rockets,

323

00:19:41,590 --> 00:19:45,210

beam weapons and nuclear

devices being used

324

00:19:45,210 --> 00:19:48,433

in an ancient war between alien races.

325

00:19:49,290 --> 00:19:51,930

Technologies that, from their description,

326

00:19:51,930 --> 00:19:55,600

could only be advanced

propulsion systems as well.

327

00:19:57,564 --> 00:20:00,147

(gentle music)

328

00:20:29,630 --> 00:20:31,400

During medieval times,

329

00:20:31,400 --> 00:20:34,600

tales of the Succubus

and other fairy creatures

330

00:20:34,600 --> 00:20:38,840

are reminiscent of

extraterrestrial visitations.

331

00:20:38,840 --> 00:20:43,520

In fact, throughout history,

references to aliens, gods

332

00:20:43,520 --> 00:20:48,113

or other beings having come

from the stars are quiet common.

333

00:20:53,310 --> 00:20:55,990

Many researchers today are beginning

334

00:20:55,990 --> 00:20:59,710

to piece together a

theory that we ourselves

335

00:20:59,710 --> 00:21:02,963

may be the product of alien intervention.

336

00:21:07,540 --> 00:21:12,460

Humans could be a hybrid

created by the extraterrestrials

337

00:21:12,460 --> 00:21:14,110

and left here on Earth

338

00:21:14,110 --> 00:21:18,003

to be monitored in some
long-term experiment.

339

00:21:37,720 --> 00:21:41,930

- But there are species
that we look just like.

340

00:21:41,930 --> 00:21:44,060

The reason we look just like them

341

00:21:44,060 --> 00:21:46,810

is because I believe
that that particular race

342

00:21:46,810 --> 00:21:51,810

or a race like them came to
Earth how many millennia ago,

343

00:21:55,360 --> 00:22:00,360

and through genetic
engineering used their DNA,

344

00:22:02,210 --> 00:22:07,210

mixed their DNA with a simian
creature Earth-bound being

345

00:22:09,400 --> 00:22:13,490

and created our species.

346

00:22:13,490 --> 00:22:15,120

So yes, they are our creators.

347

00:22:15,120 --> 00:22:17,120

Then you go back to the book of Genesis,

348

00:22:19,320 --> 00:22:20,940

Orthodox religion's gonna say

349

00:22:21,960 --> 00:22:24,900

God said he made us in his image.

350

00:22:24,900 --> 00:22:26,073

Well, no, it doesn't.

351

00:22:28,330 --> 00:22:33,190

God said let us make them in our image.

352

00:22:33,190 --> 00:22:35,193

Well, who's got talking to?

353

00:22:36,030 --> 00:22:39,010

So the apes and the
monkeys that we see today

354

00:22:39,960 --> 00:22:43,410

were not part of this hybridization.

355

00:22:43,410 --> 00:22:44,243

We are.

356

00:22:47,841 --> 00:22:52,841

(suspenseful piano music)

(thunder roaring)

357

00:23:00,980 --> 00:23:03,930

- [Narrator] Alien

abductions are often benign.

358

00:23:03,930 --> 00:23:07,460

Some even report them to be enjoyable.

359

00:23:07,460 --> 00:23:10,500

However, a large number of experiencers

360

00:23:10,500 --> 00:23:13,940

tell tragic tales of being taken.

361

00:23:13,940 --> 00:23:16,230

Harsh medical examinations,

362

00:23:16,230 --> 00:23:19,600

invasive physical and
psychological procedures,

363

00:23:19,600 --> 00:23:22,380

as well as sinister techniques

364

00:23:22,380 --> 00:23:25,500

used by the extraterrestrials.

365

00:23:25,500 --> 00:23:28,430

- When I was seven I woke up

366

00:23:28,430 --> 00:23:33,430

and saw a big black hole
hanging above my head in the bed

367

00:23:35,240 --> 00:23:40,240

and out of that a metallic cable
came out through the portal

368

00:23:42,360 --> 00:23:47,240

that was above my head and
started kicking off electricity

369

00:23:47,240 --> 00:23:51,020

and just whipping around above my head

370

00:23:51,020 --> 00:23:55,530

and as it did that, I
felt a high vibration

371

00:23:55,530 --> 00:23:59,440

running, pulsing through
me and it was very heavy.

372

00:23:59,440 --> 00:24:02,310

It almost felt like I could just explode.

373

00:24:02,310 --> 00:24:07,310

And as it revved up, I

started to feel engulfed

374

00:24:08,559 --> 00:24:12,310

by what was this black hole in front of me

375

00:24:12,310 --> 00:24:14,530

and then suddenly I found myself onboard

376

00:24:14,530 --> 00:24:16,800

what appeared to be a craft.

377

00:24:16,800 --> 00:24:19,450

I didn't go through the

front door, so to speak,

378

00:24:19,450 --> 00:24:22,930

I came in however this

contraption allowed me

379

00:24:22,930 --> 00:24:26,060

to transmit over to the craft

380

00:24:26,060 --> 00:24:29,510

and I was in a small room

with two little gray guys.

381

00:24:29,510 --> 00:24:33,440

They led me into what appeared

to be an examination room

382

00:24:33,440 --> 00:24:35,160

and there was another little gray in there

383

00:24:35,160 --> 00:24:37,370

and then they left me alone in the room.

384

00:24:37,370 --> 00:24:40,090

Now normally when I'm taken I'm paralyzed,

385

00:24:40,090 --> 00:24:42,380

they keep me under close watch.

386

00:24:42,380 --> 00:24:44,140

But I was like, this is strange.

387

00:24:44,140 --> 00:24:46,470

They just kind of left me

alone here in this room

388

00:24:46,470 --> 00:24:49,950

and they don't seem to care that I'm here

389

00:24:49,950 --> 00:24:53,090

so I'm gonna see what's

in that door there.

390

00:24:53,090 --> 00:24:57,400

So I walked off and I

exited a door from the room,

391

00:24:57,400 --> 00:25:00,360

walked down a hallway and I look back

392

00:25:00,360 --> 00:25:01,540

and they were following me.

393

00:25:01,540 --> 00:25:05,350

It seemed like they very

quickly realized I left the room

394

00:25:05,350 --> 00:25:07,750

but just wanted to see what I would do

395

00:25:07,750 --> 00:25:10,660

and as I walked around the

sort of curving hallway

396

00:25:10,660 --> 00:25:14,460

I came to a dead end so I had to come back

397

00:25:14,460 --> 00:25:16,920

and as I started back towards them

398

00:25:16,920 --> 00:25:18,990

a door on my right opened up

399

00:25:18,990 --> 00:25:22,540

and I could tell that's where

they actually wanted me to go.

400

00:25:22,540 --> 00:25:25,910

We went into this room,

there was a big metal chair

401

00:25:25,910 --> 00:25:29,483

in the center of the room

and they had me sit in it.

402

00:25:30,680 --> 00:25:33,150

And the little gray guys that

were following me around,

403

00:25:33,150 --> 00:25:36,420

they were about three foot

tall, kind of a charred gray,

404

00:25:36,420 --> 00:25:38,480

and they ushered me into a room

405

00:25:38,480 --> 00:25:40,740

where there was a slightly taller being

406

00:25:40,740 --> 00:25:43,370

that looked a lot like

them but had lighter skin,

407

00:25:43,370 --> 00:25:45,150

he was about five feet tall,

408

00:25:45,150 --> 00:25:50,150

and had a very doctor type of feel to him.

409

00:25:50,310 --> 00:25:53,167

And as I sat in the chair

he looked at me and he said,

410

00:25:53,167 --> 00:25:57,040

"Okay, be very good and you'll
get to see the color blue."

411

00:25:57,040 --> 00:26:01,080

Now as a kid you expect, be
very good you get ice cream,

412

00:26:01,080 --> 00:26:03,640

soccer, some kind of
treat, something like that

413

00:26:03,640 --> 00:26:04,763

but the color blue.

414

00:26:05,690 --> 00:26:07,290

These guys don't really understand

415

00:26:07,290 --> 00:26:08,710

children very well, do they?

416

00:26:14,000 --> 00:26:16,583

(gentle music)

417

00:26:27,420 --> 00:26:29,660

- [Narrator] Simply being

taken against your will

418

00:26:29,660 --> 00:26:33,880

is frightening enough but

what if our own government

419

00:26:33,880 --> 00:26:38,630

is aware of abductions and

are powerless to prevent it

420

00:26:38,630 --> 00:26:41,240

or even more frightening is the theory

421

00:26:41,240 --> 00:26:43,890

that they are in league with the aliens

422

00:26:43,890 --> 00:26:47,720

and have signed treaties

to allow humans to be taken

423

00:26:47,720 --> 00:26:52,260

and used as the aliens see fit.

424

00:26:52,260 --> 00:26:55,890

If the government is aware

of the abduction phenomenon

425

00:26:55,890 --> 00:26:57,763

would it matter to an abductee?

426

00:26:59,590 --> 00:27:04,590

- I believe that the
government knows so much more

427

00:27:04,630 --> 00:27:08,360

about this phenomenon
than they're letting on

428

00:27:08,360 --> 00:27:12,670

that even finding out
the tip of the iceberg

429

00:27:12,670 --> 00:27:15,950

of what they know is going
to put people in shock

430

00:27:17,210 --> 00:27:22,010

but as I'm actively involved

431

00:27:22,010 --> 00:27:25,010

in the local MUFON chapter in Michigan

432

00:27:25,010 --> 00:27:27,900

we get currently about

200 sightings a year

433

00:27:27,900 --> 00:27:30,170

just in Michigan.

434

00:27:30,170 --> 00:27:33,970

And that is enough to fill

your plate several times over

435

00:27:33,970 --> 00:27:37,710

with UFO cases so to me

it's almost at a point

436

00:27:37,710 --> 00:27:40,120

where I don't care what

the government knows

437

00:27:40,120 --> 00:27:41,060

and what they're hiding.

438

00:27:41,060 --> 00:27:43,510

I've got in an

embarrassment of riches here

439

00:27:43,510 --> 00:27:47,590

with the number of UFO cases

coming into our local chapter.

440

00:27:47,590 --> 00:27:50,610

I don't need them to try to hide anything

441

00:27:50,610 --> 00:27:53,650

because it's all just flowing freely now,

442

00:27:53,650 --> 00:27:56,500

people are talking about what's

happening to them openly.

443

00:28:00,846 --> 00:28:03,429

(gentle music)

444

00:28:12,360 --> 00:28:13,900

- [Narrator] While alien abductions

445

00:28:13,900 --> 00:28:18,430

did not achieve widespread

attention until the 1960s,

446

00:28:18,430 --> 00:28:23,430

there were many similar stories

circulating decades earlier.

447

00:28:23,550 --> 00:28:25,810

These early abduction-like accounts

448

00:28:25,810 --> 00:28:28,240

have been dubbed paleo-abductions

449

00:28:28,240 --> 00:28:31,023

by UFO researcher Jerome Clark.

450

00:28:33,930 --> 00:28:38,780

In an 1897 edition of the

Stockton California Daily Mail,

451

00:28:38,780 --> 00:28:43,630

Colonel HG Shaw claimed he

and a friend were harassed

452

00:28:43,630 --> 00:28:46,780

by three tall slender humanoids

453

00:28:46,780 --> 00:28:50,323

whose bodies were covered

with a fine dainty hair.

454

00:28:51,580 --> 00:28:54,180

Colonel Shaw reported that these beings

455

00:28:54,180 --> 00:28:56,213

tried to kidnap the pair.

456

00:28:58,130 --> 00:29:02,050

The 1955 publication of Harold T. Wilkins

457

00:29:02,050 --> 00:29:04,420

Flying Saucers Uncensored,

458

00:29:04,420 --> 00:29:08,230

declared that Karl Hunrath

and Wilbur Wilkinson

459

00:29:08,230 --> 00:29:11,490

who had claimed they

were contacted by aliens

460

00:29:11,490 --> 00:29:15,240

had disappeared under
mysterious circumstances.

461

00:29:15,240 --> 00:29:18,870

Wilkins reported his
speculation that the duo

462

00:29:18,870 --> 00:29:23,653

was the victims of alleged
abduction by flying saucers.

463

00:29:26,730 --> 00:29:31,710

A wave of contactee cases
emerged in the 1950s as well.

464

00:29:31,710 --> 00:29:36,300

These individuals claimed to
have been contacted by aliens.

465

00:29:36,300 --> 00:29:40,350

However, the substance

of contactee narratives

466

00:29:40,350 --> 00:29:43,340

is often regarded as quite different

467

00:29:43,340 --> 00:29:45,423

from alien abduction accounts.

468

00:29:46,777 --> 00:29:49,360

(gentle music)

469

00:30:10,800 --> 00:30:13,340

Widespread publicity was generated

470

00:30:13,340 --> 00:30:17,983

by the Betty and Barney

Hill abduction case of 1961.

471

00:30:19,600 --> 00:30:21,910

The Hill incident was probably

472

00:30:21,910 --> 00:30:26,470

the prototypical abduction
case and was perhaps the first

473

00:30:26,470 --> 00:30:28,890

in which the claimer described beings

474

00:30:28,890 --> 00:30:33,100

that later became widely
known as the grays

475

00:30:33,100 --> 00:30:37,820

and in which the beans were
said to explicitly identify

476

00:30:37,820 --> 00:30:39,893

as extraterrestrial origin.

477

00:30:45,010 --> 00:30:48,740

An entire subculture has
developed around the subject

478

00:30:48,740 --> 00:30:51,960

with various groups and a detailed mythos

479

00:30:51,960 --> 00:30:55,173

explaining the reasons for abductions.

480

00:30:56,070 --> 00:30:58,520

The very various aliens, the grays,

481

00:30:58,520 --> 00:31:01,640

reptilians, Nordics and so on

482

00:31:01,640 --> 00:31:06,640

are said to have specific

roles, origins and motivations.

483

00:31:08,470 --> 00:31:10,550

Abduction claimants do not always

484

00:31:10,550 --> 00:31:12,980

attempt to explain the phenomenon

485

00:31:12,980 --> 00:31:17,310

but some take independent

research interest in it themselves

486

00:31:17,310 --> 00:31:21,940

and explain the lack of greater

awareness of alien abduction

487

00:31:21,940 --> 00:31:25,350

as the result of either extraterrestrial

488

00:31:25,350 --> 00:31:27,113

or governmental interest.

489

00:31:32,320 --> 00:31:35,630

Often abductees share experiences

490

00:31:35,630 --> 00:31:39,240

or recall meeting on board a spacecraft.

491

00:31:39,240 --> 00:31:43,230

However most alien abductions

occur to individuals

492

00:31:43,230 --> 00:31:46,653

with no way to prove what

has happened to them.

493

00:31:48,870 --> 00:31:53,130

- There's a couple different

ways where other people

494

00:31:53,130 --> 00:31:55,640

are involved in these

types of experiences.

495

00:31:55,640 --> 00:31:58,620

Sometimes you find yourself aboard a craft

496

00:31:58,620 --> 00:32:02,060

or in some situation where

you run into other people.

497

00:32:02,060 --> 00:32:06,270

I've never been one of those

people to be in that situation

498

00:32:06,270 --> 00:32:09,510

where I've been aboard anything

and I've seen anybody else.

499

00:32:09,510 --> 00:32:11,270

Although it's not uncommon.

500

00:32:11,270 --> 00:32:13,570

In fact there's a lot of stories

501

00:32:13,570 --> 00:32:16,430

that are from people I know quite well

502

00:32:16,430 --> 00:32:20,430

who have been aboard a

craft, have met somebody

503

00:32:20,430 --> 00:32:22,730

and then later in life have actually met

504

00:32:22,730 --> 00:32:23,930

that person in real life

505

00:32:24,860 --> 00:32:29,640

and then they were like, oh

yes, we've met somewhere before

506

00:32:29,640 --> 00:32:31,573

and they figure out it was on board.

507

00:32:33,920 --> 00:32:37,620

I have been involved in experiences
along with other people,

508

00:32:37,620 --> 00:32:40,063

like seeing UFOs with
other people present.

509

00:32:40,980 --> 00:32:44,440

There was the time where
I was dating a girl

510

00:32:44,440 --> 00:32:48,310

and they came up and paralyzed us both

511

00:32:48,310 --> 00:32:52,040

and that experience was
definitely a shared one

512

00:32:52,040 --> 00:32:54,880

so it doesn't always happen
when somebody's alone.

513

00:32:54,880 --> 00:32:57,260

I mean go figure Betty and Barney Hill,

514

00:32:57,260 --> 00:32:59,060

one of the most infamous cases of course

515

00:32:59,060 --> 00:33:01,120

was about a couple being taken.

516

00:33:01,120 --> 00:33:03,760

So sometimes there are
other people involved.

517

00:33:03,760 --> 00:33:06,800

Most of the time, they just isolate you

518

00:33:06,800 --> 00:33:09,083

and take you, the individual.

519

00:33:19,030 --> 00:33:20,670

- [Narrator] Dr. Ronald Sprinkle,

520

00:33:20,670 --> 00:33:23,650

a University of Wyoming psychologist,

521

00:33:23,650 --> 00:33:28,560

became interested in the

abduction phenomenon in the 1960s.

522

00:33:28,560 --> 00:33:33,260

For some years he was probably

the only academic figure

523

00:33:33,260 --> 00:33:36,240

devoting any time to studying

524

00:33:36,240 --> 00:33:39,440

or researching abduction accounts.

525

00:33:39,440 --> 00:33:43,150

Sprinkle became convinced
of the phenomenon's reality

526

00:33:43,150 --> 00:33:46,400

and was perhaps the
first to suggest a link

527

00:33:46,400 --> 00:33:49,800

between abductions and cattle mutilations.

528

00:33:49,800 --> 00:33:52,590

Eventually Sprinkle came to believe

529

00:33:52,590 --> 00:33:56,540

that he had been abducted
by aliens in his youth.

530

00:33:56,540 --> 00:34:01,173

After that, he was forced

from his job in 1989.

531

00:34:02,400 --> 00:34:05,640

Being an abductee often has repercussions

532

00:34:05,640 --> 00:34:09,120

on an experiencer's

career and social life.

533

00:34:09,120 --> 00:34:11,770

Some have even turned the experiences

534

00:34:11,770 --> 00:34:15,853

into ways of expressing

themselves and educating others.

535

00:34:17,050 --> 00:34:19,693

- It has not affected my

career or social life.

536

00:34:22,160 --> 00:34:23,050

I didn't talk much.

537

00:34:23,050 --> 00:34:25,120

I was at a die maker

538

00:34:25,120 --> 00:34:28,280

and I didn't talk much

about UFO phenomenon.

539

00:34:28,280 --> 00:34:31,960

In fact, after I retired in 2000,

540

00:34:31,960 --> 00:34:35,773

I got a show, Comcast Cable TV,

541

00:34:37,540 --> 00:34:38,793

called We Are Not Alone.

542

00:34:40,090 --> 00:34:44,580

And some of the guys saw me and
just could not believe that.

543

00:34:45,971 --> 00:34:50,817

Look, David Twitchell's
on TV talking about UFOs.

544

00:34:52,626 --> 00:34:55,860

Well, some percentage
of them were into that.

545

00:34:55,860 --> 00:34:58,630

A bigger percentage were not.

546

00:34:58,630 --> 00:35:02,610

But I did that show,
that TV show for 10 years

547

00:35:02,610 --> 00:35:07,580

before I gave it up and
now I've been on WHFR Radio

548

00:35:09,060 --> 00:35:12,300

for the past six years
doing the same show,

549

00:35:12,300 --> 00:35:13,623

one-hour interviews.

550

00:35:14,946 --> 00:35:16,480

- I worked several places where

551

00:35:16,480 --> 00:35:20,000

when they found out about
what had happened to me

552

00:35:20,900 --> 00:35:23,830

I could feel a distance suddenly.

553

00:35:23,830 --> 00:35:27,410

I was never really
openly ridiculed at work,

554

00:35:27,410 --> 00:35:30,710

though I do think that at
one of the places I worked at

555

00:35:32,000 --> 00:35:36,263

they let me go when they found
out about my experiences.

556

00:35:38,960 --> 00:35:43,960

But as time went on, I found
myself working at a college

557

00:35:43,990 --> 00:35:46,640

a very open-minded environment,

558

00:35:46,640 --> 00:35:50,700

and as I've sort of come out
there about my experiences,

559

00:35:50,700 --> 00:35:54,140

to some degree, they've
been very supportive

560

00:35:54,140 --> 00:35:57,210

and it's been a wonderful experience

561

00:35:57,210 --> 00:36:01,120

being able to actually talk
about that other side of my life

562

00:36:01,120 --> 00:36:03,120

that it happened to me all these years

563

00:36:03,120 --> 00:36:05,970

so I feel fairly blessed in that respect.

564

00:36:05,970 --> 00:36:09,430

My family has had a number of
unusual experiences as well

565

00:36:09,430 --> 00:36:12,170

so they've always been supportive

566

00:36:12,170 --> 00:36:16,950

and socially my friends
from high school have,

567

00:36:16,950 --> 00:36:20,180

I've told them all along
what's happened to me

568

00:36:20,180 --> 00:36:21,530

and they're still right behind me

569

00:36:21,530 --> 00:36:25,150

and I've been, again I would say blessed

570

00:36:25,150 --> 00:36:26,940

that I've been fortunate enough

571

00:36:26,940 --> 00:36:29,290

to be able to share what's happened to me

572

00:36:29,290 --> 00:36:31,323

without too much backlash.

573

00:36:34,524 --> 00:36:37,607

(gentle piano music)

574

00:36:47,610 --> 00:36:49,080

- [Narrator] The late Budd Hopkins,

575

00:36:49,080 --> 00:36:51,610

a painter and sculptor by profession,

576

00:36:51,610 --> 00:36:55,500

had been interested in

UFOs for some years.

577

00:36:55,500 --> 00:37:00,500

In the 1970s, he became

interested in abduction reports

578

00:37:00,520 --> 00:37:04,760

and began using hypnosis

to extract more details

579

00:37:04,760 --> 00:37:07,450

of dimly remembered events.

580

00:37:07,450 --> 00:37:09,680

Hopkins soon became a figurehead

581

00:37:09,680 --> 00:37:12,333

of the growing abductees subculture.

582

00:37:16,670 --> 00:37:20,080

The mid and late 1980s,
saw the involvement

583

00:37:20,080 --> 00:37:23,080

of two esteemed academic figures,

584

00:37:23,080 --> 00:37:25,630

Harvard psychiatrist John Mack

585

00:37:25,630 --> 00:37:28,423

and historian David M. Jacobs.

586

00:37:29,660 --> 00:37:31,810

This decade brought a major degree

587

00:37:31,810 --> 00:37:34,700

of mainstream attention to the subject.

588

00:37:34,700 --> 00:37:38,140

Works by Budd Hopkins, Whitley Strieber,

589

00:37:38,140 --> 00:37:41,100

David M. Jacobs and John Edward Mack

590

00:37:41,100 --> 00:37:45,233

presented alien abduction

as a genuine phenomenon.

591

00:37:46,660 --> 00:37:50,160

Jacobs and Hopkins argued

that alien abduction

592

00:37:50,160 --> 00:37:54,000

was far more common

than earlier suspected.

593

00:37:54,000 --> 00:37:57,780

They estimated that tens of

thousands of North Americans

594

00:37:57,780 --> 00:38:01,830

had been taken by unexplained beings.

595

00:38:01,830 --> 00:38:05,150

Furthermore, Jacobs and Hopkins believed

596

00:38:05,150 --> 00:38:08,300

that there was an

elaborate scheme underway

597

00:38:08,300 --> 00:38:11,740

that the aliens were attempting to create

598

00:38:11,740 --> 00:38:14,113

human-alien hybrids.

599

00:38:15,330 --> 00:38:19,610

- It seemed a lot of things

that were psychological,

600

00:38:19,610 --> 00:38:24,610

more mental than physical, in some cases.

601

00:38:24,723 --> 00:38:26,840

In other cases they just seem like,

602

00:38:26,840 --> 00:38:29,953

let's grab this body, do

something to it and dump it back.

603

00:38:31,040 --> 00:38:35,230

Very traumatic, an awful time

trying to sleep at night.

604

00:38:35,230 --> 00:38:39,870

It was usually with the

light on, TV or radio.

605

00:38:39,870 --> 00:38:41,850

We'd usually have the dog in the room.

606

00:38:41,850 --> 00:38:43,730

I would put stuff in front of the door

607

00:38:43,730 --> 00:38:46,420

so that nobody could get

in, that kind of a thing,

608

00:38:46,420 --> 00:38:49,243

and it continued into my early 20s.

609

00:38:50,794 --> 00:38:53,711

(mysterious music)

610

00:38:59,640 --> 00:39:02,800

- [Narrator] Though the motives

for hybrids were unknown,

611

00:39:02,800 --> 00:39:06,390

there were incidental

reports of phantom pregnancy

612

00:39:06,390 --> 00:39:11,390

related to UFO encounters, at
least as early as the 1960s.

613

00:39:13,790 --> 00:39:17,490

Budd Hopkins and
especially David M. Jacobs

614

00:39:17,490 --> 00:39:20,740

were instrumental in popularizing the idea

615

00:39:20,740 --> 00:39:25,060

of widespread systematic
interbreeding efforts

616

00:39:25,060 --> 00:39:28,370

on the part of the alien intruders.

617

00:39:28,370 --> 00:39:30,760

Jacob's presents this scenario

618

00:39:30,760 --> 00:39:34,343

as not only plausible but self-evident.

619

00:39:35,410 --> 00:39:39,417

Dr. David Jacobs, author

of The Threats says,

620

00:39:39,417 --> 00:39:44,327

"The entire abduction event

is precisely orchestrated.

621

00:39:44,327 --> 00:39:47,620

"All of the procedures are predetermined."

622

00:39:47,620 --> 00:39:51,430

There is no standing around

and deciding what to do next.

623

00:39:51,430 --> 00:39:54,230

The beings are task-oriented

624

00:39:54,230 --> 00:39:56,840

and there's no indication whatsoever

625

00:39:56,840 --> 00:40:01,220

that they've been able to find

of any aspect of their lives

626

00:40:01,220 --> 00:40:05,203

outside of performing

the abduction procedures.

627

00:40:06,780 --> 00:40:10,283

Alien abductions follow

a standard scenario.

628

00:40:14,150 --> 00:40:16,140

First, the capture.

629

00:40:16,140 --> 00:40:19,220

An abductee is rendered
incapable of resisting

630

00:40:19,220 --> 00:40:21,640

and taken from terrestrial surroundings

631

00:40:21,640 --> 00:40:24,663

to an apparent alien spacecraft.

632

00:40:26,170 --> 00:40:28,410

Then the examination.

633

00:40:28,410 --> 00:40:31,450

Physiological and
psychological procedures,

634

00:40:31,450 --> 00:40:35,173

training and testing or sexual liaisons.

635

00:40:36,450 --> 00:40:38,280

Next is the conference.

636

00:40:38,280 --> 00:40:41,390

The objectors communicate

with the abductee

637

00:40:41,390 --> 00:40:45,270

or direct them to interact

with specific individuals

638

00:40:45,270 --> 00:40:49,403

for some purpose, usually

instructed telepathically.

639

00:40:50,380 --> 00:40:54,573

In some cases, abductees are

then given a tour of the ship.

640

00:40:55,630 --> 00:40:58,190

Abductees often rapidly forget

641

00:40:58,190 --> 00:41:00,530

the majority of their experience

642

00:41:00,530 --> 00:41:05,173

either as a result of fear,

medical intervention or both.

643

00:41:06,510 --> 00:41:09,080

The abductees are returned to Earth

644

00:41:09,080 --> 00:41:11,450

occasionally in a different location

645

00:41:11,450 --> 00:41:16,323

from where they were allegedly

taken or with new injuries.

646

00:41:18,080 --> 00:41:21,890

- But as I sat there I

was just sort of staring

647

00:41:21,890 --> 00:41:25,780

at his giant, giant, big black liquid eyes

648

00:41:25,780 --> 00:41:29,250

and I felt a sharp pain on my right arm

649

00:41:29,250 --> 00:41:32,960

and when I looked down I saw

there was a cut across my arm.

650

00:41:32,960 --> 00:41:36,090

And then I saw it heal

right before my eyes,

651

00:41:36,090 --> 00:41:37,480

right when I was looking at it.

652

00:41:37,480 --> 00:41:38,980

I don't know what caused the cut,

653

00:41:38,980 --> 00:41:41,360

I didn't actually see a scalpel or a laser

654

00:41:41,360 --> 00:41:43,670

or any type of device cutting it.

655

00:41:43,670 --> 00:41:46,230

I just saw, felt the

pain and I saw the cut

656

00:41:46,230 --> 00:41:49,060

and then I looked and I

saw it heal up into a scar.

657

00:41:49,060 --> 00:41:51,560

And I look back at the being

658

00:41:51,560 --> 00:41:56,120

and suddenly his black eyes

turned a bright backlit blue,

659

00:41:56,120 --> 00:41:58,720

very bright blue, like had these lights

660

00:41:58,720 --> 00:42:00,450

almost right in front of its head

661

00:42:00,450 --> 00:42:02,980

and it was very bizarre

662

00:42:02,980 --> 00:42:06,380

but at the same time it was beautiful.

663

00:42:06,380 --> 00:42:11,380

His eyes were such a wonderful

deep lustrous Cerulean blue

664

00:42:12,110 --> 00:42:15,360

and it was very tranquilizing,

it was very calming,

665

00:42:15,360 --> 00:42:17,320

it was peaceful, it was wonderful

666

00:42:17,320 --> 00:42:20,570

and I just lost myself in these eyes.

667

00:42:20,570 --> 00:42:23,710

And then I woke up in bed the next day

668

00:42:23,710 --> 00:42:28,440

and I had this scar there

and I still have the scar.

669

00:42:28,440 --> 00:42:33,440

In fact, later that same day,

the story wasn't over yet.

670

00:42:33,560 --> 00:42:36,340

I was playing in the backyard

with a friend of mine,

671

00:42:36,340 --> 00:42:38,950

six-year-old from a few doors down,

672

00:42:38,950 --> 00:42:41,430

and this mist rolled into the backyard

673

00:42:41,430 --> 00:42:42,950

and there was a little gray guy in it

674

00:42:42,950 --> 00:42:46,061

and he just came to check up

on me, make sure I was fine,

675

00:42:46,061 --> 00:42:49,420

and it only took a second

for him to figure out I was

676

00:42:49,420 --> 00:42:51,190

and then the mist, then

the little gray guy

677

00:42:51,190 --> 00:42:52,820

just continued down through the backyard

678

00:42:52,820 --> 00:42:55,700

of the next-door neighbors and kept going.

679

00:42:55,700 --> 00:42:57,700

My friend didn't even seem aware

680

00:42:57,700 --> 00:42:58,920

that there was anything in the mist.

681

00:42:58,920 --> 00:43:03,120

We definitely saw the missed

but only I saw the little guy

682

00:43:03,120 --> 00:43:06,170

and then that was probably

about the end of that one

683

00:43:06,170 --> 00:43:07,563

but I still have the scar.

684

00:43:09,010 --> 00:43:11,330

- [Narrator] Many experiencers describe

685

00:43:11,330 --> 00:43:14,920

unusual feelings after an abduction.

686

00:43:14,920 --> 00:43:18,030

They may have a profound sense of love,

687

00:43:18,030 --> 00:43:21,880

a high similar to those

induced by certain drugs,

688

00:43:21,880 --> 00:43:24,350

or a mystical experience

689

00:43:24,350 --> 00:43:27,460

accompanied by a feeling

of oneness with God,

690

00:43:27,460 --> 00:43:31,260

the universe or their abductors.

691

00:43:31,260 --> 00:43:34,770

Whether this is the result

of a metaphysical change,

692

00:43:34,770 --> 00:43:38,660

Stockholm Syndrome or

prior medical tampering,

693

00:43:38,660 --> 00:43:40,183

remains a mystery.

694

00:43:41,650 --> 00:43:45,300

The abductee must then cope
with the psychological,

695

00:43:45,300 --> 00:43:48,740

physical and social
effects of the experience.

696

00:43:55,090 --> 00:43:57,640

If alien abductions are happening

697

00:43:57,640 --> 00:44:00,870

shouldn't we see an effect on society

698

00:44:00,870 --> 00:44:03,240

or would something so subtle

699

00:44:03,240 --> 00:44:06,323

be difficult to emerge in social behavior.

700

00:44:07,480 --> 00:44:11,690

The UFO phenomenon has
been with us for centuries.

701

00:44:11,690 --> 00:44:16,240

Is it possible that our
society is being directed

702

00:44:16,240 --> 00:44:18,163

by the extraterrestrials?

703

00:44:19,190 --> 00:44:24,190

Could genetic changes in
us alter our behavior?

704

00:44:24,290 --> 00:44:27,000

And our attitudes toward the phenomenon

705

00:44:27,000 --> 00:44:32,000

changing dramatically since
the modern era of UFOs began.

706

00:44:33,940 --> 00:44:37,864

- Sadly I don't see much
of a change in people

707

00:44:37,864 --> 00:44:42,864

from years ago, from centuries ago.

708

00:44:44,460 --> 00:44:45,300

I really don't see it.

709

00:44:45,300 --> 00:44:47,970

I see a change in technologies.

710

00:44:47,970 --> 00:44:49,773

I see a change in weaponry.

711

00:44:51,670 --> 00:44:55,190

I see a change in intelligence

712

00:44:55,190 --> 00:44:59,010

as to the knowledge of

the world around us,

713

00:44:59,010 --> 00:45:01,283

the Universe in which we live.

714

00:45:02,880 --> 00:45:07,107

But I don't see a change

in human attitude, sadly.

715

00:45:09,650 --> 00:45:12,743

And all you have to do is

read the paper to learn that.

716

00:45:16,110 --> 00:45:18,200

- [Narrator] Some proposed psychological

717

00:45:18,200 --> 00:45:21,970

alternative explanations
of the abduction phenomenon

718

00:45:21,970 --> 00:45:26,520

have included hallucinations,
temporary schizophrenia,

719

00:45:26,520 --> 00:45:31,290

epileptic seizures and parasomnia,
near sleep mental state

720

00:45:31,290 --> 00:45:35,150

such as night terrors and sleep paralysis.

721

00:45:35,150 --> 00:45:37,620

Sleep paralysis in particular,

722

00:45:37,620 --> 00:45:40,570

a theory often accepted by skeptics,

723

00:45:40,570 --> 00:45:42,680

is accompanied by hallucinations

724

00:45:42,680 --> 00:45:45,690

and a particular sensation of malevolence

725

00:45:45,690 --> 00:45:49,500

or a neutral presence of

something in the room.

726

00:45:49,500 --> 00:45:52,570

Though usually people experiencing it

727

00:45:52,570 --> 00:45:56,370

do not interpret that something as aliens.

728

00:45:56,370 --> 00:46:00,100

- You can write it off to

the abduction phenomenon,

729

00:46:00,100 --> 00:46:03,440

write it off to sleep paralysis.

730

00:46:03,440 --> 00:46:04,660

Sleep paralysis.

731

00:46:04,660 --> 00:46:06,900

Yes, there's such a

thing as sleep paralysis.

732

00:46:06,900 --> 00:46:11,900

Everybody's awakened

half awake, half asleep

733

00:46:12,170 --> 00:46:14,320

and thought they saw

something in the room.

734

00:46:15,290 --> 00:46:16,600

This has happened.

735

00:46:16,600 --> 00:46:20,960

At the same time, a goodly number,

736

00:46:20,960 --> 00:46:25,583

I think the late Budd

Hopkins said it was like 33%.

737

00:46:27,160 --> 00:46:28,563

One third of these cases,

738

00:46:30,520 --> 00:46:32,990

were abductions that happened at work

739

00:46:32,990 --> 00:46:37,750

while a person was wide

awake and conscious.

740

00:46:37,750 --> 00:46:42,390

For example, my sister
walked into her bedroom

741

00:46:43,300 --> 00:46:46,890

perfectly conscious,
and the lights are out

742

00:46:46,890 --> 00:46:49,163

but this is one of her weird experiences,

743

00:46:51,110 --> 00:46:53,263

there was a blue light in her room.

744

00:46:54,750 --> 00:46:57,430

Her room was illuminated
with his blue light

745

00:46:57,430 --> 00:46:58,883

although the lights were off.

746

00:47:00,260 --> 00:47:02,040

She walked in and she looked around.

747

00:47:02,040 --> 00:47:04,560

She said, what is this blue light

748

00:47:04,560 --> 00:47:05,990

as she stood in the doorway

749

00:47:07,470 --> 00:47:11,040

and the next thing she knows

there's no light in the room,

750

00:47:11,040 --> 00:47:13,427

she's sitting on the end of the bed.

751

00:47:14,547 --> 00:47:17,423

Now she just gets up, gets

ready for bed and goes to bed.

752

00:47:18,460 --> 00:47:20,577

Being it no more tension.

753

00:47:20,577 --> 00:47:22,994

(soft music)

754

00:47:33,530 --> 00:47:36,240

- [Narrator] Proving alien

abductions is difficult

755

00:47:36,240 --> 00:47:39,250

without obvious physical evidence.

756

00:47:39,250 --> 00:47:41,960

When an experiencer is returned,

757

00:47:41,960 --> 00:47:44,570

all he has to prove his encounter

758

00:47:44,570 --> 00:47:49,570

are the fragments of memories

left intact by the aliens

759

00:47:49,610 --> 00:47:52,850

though throughout the

history of UFO studies,

760

00:47:52,850 --> 00:47:55,390

countless cases have occurred

761

00:47:55,390 --> 00:47:58,910

that do indeed present physical evidence.

762

00:47:58,910 --> 00:48:01,160

Many are not aware of this

763

00:48:01,160 --> 00:48:05,160

or the facts of a case are simply ignored.

764

00:48:05,160 --> 00:48:08,010

Details in each case often are the proof

765

00:48:08,010 --> 00:48:09,850

an encounter happened

766

00:48:09,850 --> 00:48:14,370

but even with specific details

we're left with the account

767

00:48:14,370 --> 00:48:16,623

and the sincerity of the witness,

768

00:48:17,720 --> 00:48:20,790

- I think a lot of people

if they don't see it

769

00:48:20,790 --> 00:48:22,840

and it doesn't affect their life,

770

00:48:22,840 --> 00:48:26,690

they have the luxury of
ignoring the phenomenon.

771

00:48:26,690 --> 00:48:29,360

I mean, if they buy into it

772

00:48:29,360 --> 00:48:31,510

and it questions what they've been taught

773

00:48:31,510 --> 00:48:33,700

in their religion for example,

774

00:48:33,700 --> 00:48:36,490

why would they entertain that

775

00:48:36,490 --> 00:48:39,960

if they're comfortable with
their religious teaching.

776

00:48:39,960 --> 00:48:43,773

If it doesn't affect their
life in any other respect,

777

00:48:44,840 --> 00:48:47,690

they can choose to ignore it,

778

00:48:47,690 --> 00:48:51,790

unless it comes knocking at your door.

779

00:48:51,790 --> 00:48:54,480

I think a lot of people
say I don't have time

780

00:48:54,480 --> 00:48:57,260

or space for this in my life

781

00:48:57,260 --> 00:49:00,520

and until it becomes an issue

782

00:49:00,520 --> 00:49:02,960

where it's going to affect my world

783

00:49:02,960 --> 00:49:05,740

then I'm just going to ignore it.

784

00:49:05,740 --> 00:49:08,720

- If the evidence that

has presented itself

785

00:49:10,072 --> 00:49:14,390

are both circumstantial

and direct evidence

786

00:49:16,430 --> 00:49:20,070

is not enough to sway people's opinion

787

00:49:20,970 --> 00:49:23,490

then nothing's going to

prove their existence

788

00:49:23,490 --> 00:49:26,870

except maybe, and I say maybe,

789

00:49:26,870 --> 00:49:29,580

them landing on the White House lawn

790

00:49:29,580 --> 00:49:32,440

which almost happened a couple times,

791

00:49:32,440 --> 00:49:35,822

earliest as '52, I believe, '54.

792

00:49:35,822 --> 00:49:40,822

I think it was 1952 when they

overflew the White House.

793

00:49:41,870 --> 00:49:44,363

That's when Truman shoot them down.

794

00:49:48,090 --> 00:49:50,050

Well, he's in Washington

795

00:49:50,050 --> 00:49:52,873

and there's a crash out

in Roswell, New Mexico.

796

00:49:54,290 --> 00:49:55,730

That's alright, we'll deal with that.

797

00:49:55,730 --> 00:49:59,490

But when they start overflying

my house, shoot them down

798

00:49:59,490 --> 00:50:01,040

if they don't answer your call.

799

00:50:07,100 --> 00:50:10,140

- [Narrator] California

podiatrist Dr. Roger Leir

800

00:50:10,140 --> 00:50:14,933

claims to have removed alien

implants from patients.

801

00:50:16,060 --> 00:50:19,990

Alien implants is a term used in ufology

802

00:50:19,990 --> 00:50:24,520

to describe a physical object

placed in someone's body

803

00:50:24,520 --> 00:50:28,370

after they have been abducted by aliens.

804

00:50:28,370 --> 00:50:32,830

Claimed abilities of the

implants range from telepresence,

805

00:50:32,830 --> 00:50:35,920

mind control and bio telemetry,

806

00:50:35,920 --> 00:50:38,923

the way we tag wild animals for study.

807

00:50:39,760 --> 00:50:42,610

As with UFO subjects in general,

808

00:50:42,610 --> 00:50:47,500

the idea of alien implants

has seen very little attention

809

00:50:47,500 --> 00:50:50,301

from mainstream scientists.

810

00:50:50,301 --> 00:50:52,770

- We found in several

cases that they put out

811

00:50:52,770 --> 00:50:56,070

an electromagnetic field

measurable on a Gauss meter

812

00:50:56,070 --> 00:50:57,950

of about six milligauss.

813

00:50:57,950 --> 00:51:00,480

And if anybody's into

electronics and radio

814

00:51:00,480 --> 00:51:04,270

you'll know that's a pretty

strong magnetic field.

815

00:51:04,270 --> 00:51:07,530

When they're taken out of the

body, they don't do anything.

816

00:51:07,530 --> 00:51:09,880

Also on an instrument called a trimeter

817

00:51:09,880 --> 00:51:13,570

we get a mid-range reading

on a combined scale

818

00:51:13,570 --> 00:51:16,490

electrical scale and magnetic scale,

819

00:51:16,490 --> 00:51:18,980

and that's also a pretty strong reading.

820

00:51:18,980 --> 00:51:20,820

We have electrical engineers

821

00:51:22,320 --> 00:51:25,010

and he has designed a special probe

822

00:51:25,010 --> 00:51:27,030

that's connected with an oscilloscope

823

00:51:27,030 --> 00:51:29,527

so we can read the wave

and see what it looks like

824

00:51:29,527 --> 00:51:31,960

and it says there's a good indication

825

00:51:31,960 --> 00:51:33,730

that there's something going in

826

00:51:33,730 --> 00:51:36,060

and there's something coming out

827

00:51:36,060 --> 00:51:40,610

so obviously these objects

are in communication

828

00:51:40,610 --> 00:51:42,560

with somebody at some distance.

829

00:51:43,574 --> 00:51:46,157

(gentle music)

830

00:51:56,090 --> 00:51:58,790

- [Narrator] One

recommendation from skeptics

831

00:51:58,790 --> 00:52:03,570

is to try to trick the aliens

into presenting evidence,

832

00:52:03,570 --> 00:52:07,460

such as bringing back

something from the spacecraft

833

00:52:07,460 --> 00:52:11,660

or set up a camera trap

to record in abduction.

834

00:52:11,660 --> 00:52:14,360

This has been tried and in each case

835

00:52:14,360 --> 00:52:16,780

the cameras simply failed

836

00:52:16,780 --> 00:52:19,610

and the experiencers

are so closely watched

837

00:52:19,610 --> 00:52:22,380

and controlled during an abduction,

838

00:52:22,380 --> 00:52:25,530

taking something is impossible.

839

00:52:25,530 --> 00:52:29,150

- I've never done anything

like set up a camera

840

00:52:29,150 --> 00:52:31,840

or any sort of recording device

841

00:52:31,840 --> 00:52:35,870

to try to track my experiences

842

00:52:35,870 --> 00:52:38,970

since they happen so infrequently.

843

00:52:38,970 --> 00:52:41,200

It would be a very disciplined effort

844

00:52:41,200 --> 00:52:43,620

to try to set up a camera

845

00:52:43,620 --> 00:52:46,510

for something that maybe happens only

846

00:52:46,510 --> 00:52:49,360

even at the peak of when I

was having these experiences

847

00:52:49,360 --> 00:52:51,623

every few months, which is still a lot.

848

00:52:53,276 --> 00:52:56,160

In the past decade or

so I really haven't had

849

00:52:56,160 --> 00:52:59,460

the same types of experiences

that I had prior to this

850

00:52:59,460 --> 00:53:01,460

to try to do it now.

851

00:53:01,460 --> 00:53:04,110

But yeah, it it happens so infrequently

852

00:53:04,110 --> 00:53:06,880

that I was never really

able to set anything up

853

00:53:06,880 --> 00:53:08,750

that I thought would catch anything.

854

00:53:08,750 --> 00:53:13,090

- I find that the best

cases are cases were people

855

00:53:13,090 --> 00:53:18,090

are coming forward after

20, 30, and 40 years.

856

00:53:18,670 --> 00:53:21,854

They're finally coming

forward with these cases

857

00:53:21,854 --> 00:53:24,810

where they had lived

at the time in Michigan

858

00:53:26,084 --> 00:53:28,853

and saw this, had a very close encounter,

859

00:53:29,750 --> 00:53:34,750

like myself, like my family with a UFO.

860

00:53:35,070 --> 00:53:37,090

Not just the light in the sky,

861

00:53:37,090 --> 00:53:42,090

but a close encounter where

it's a couple hundred feet away

862

00:53:42,550 --> 00:53:45,350

and you can see it's perfectly silent,

863

00:53:45,350 --> 00:53:50,350

it has no visible sign of propulsion,

864

00:53:50,640 --> 00:53:54,833

has no wings, has no

rotors, makes no sound.

865

00:53:55,970 --> 00:53:56,803

What is it?

866

00:53:56,803 --> 00:54:00,890

And then it hovers, shoots off.

867

00:54:00,890 --> 00:54:05,890

What do we have that would

cancel out the inertia

868

00:54:07,070 --> 00:54:11,210

to where the pilot would not

be a grease spot on the wall

869

00:54:11,210 --> 00:54:12,193

when it takes off.

870

00:54:13,260 --> 00:54:18,260

So I've seen, I've heard of a lot of cases

871

00:54:19,550 --> 00:54:24,140

with Michigan MUFON,

some have good evidence.

872

00:54:24,140 --> 00:54:29,140

But personally all I

can say is my sighting.

873

00:54:31,300 --> 00:54:35,260

Now I can't convince you, I

can't convince your viewers

874

00:54:35,260 --> 00:54:37,210

that my family actually saw this thing

875

00:54:38,630 --> 00:54:41,260

but what would be my motivation?

876

00:54:41,260 --> 00:54:43,250

I've written three books.

877

00:54:43,250 --> 00:54:44,630

Is it to sell books?

878

00:54:44,630 --> 00:54:47,360

Trust me you don't get

rich selling books on UFOs.

879

00:54:49,810 --> 00:54:54,810

But the purpose of the books

is to get the word out there.

880

00:54:55,550 --> 00:54:57,300

To let people know we're not alone.

881

00:55:07,430 --> 00:55:10,570

- [Narrator] If the presence

of extraterrestrials on Earth

882

00:55:10,570 --> 00:55:14,240

is made known or the aliens themselves

883

00:55:14,240 --> 00:55:17,840

reveal their interaction

with people of Earth

884

00:55:17,840 --> 00:55:22,060

what would be the reaction

of the general populace?

885

00:55:22,060 --> 00:55:25,790

Would you be able to handle the truth?

886

00:55:25,790 --> 00:55:27,190

- I've written a book called

887

00:55:28,678 --> 00:55:31,610

The Global Implications of UFO Reality

888

00:55:33,370 --> 00:55:37,490

and in it I kind of theorize, speculate

889

00:55:37,490 --> 00:55:40,373

as to how this world will take the news.

890

00:55:41,490 --> 00:55:44,470

Well, France's come out

with the Cometa Report

891

00:55:44,470 --> 00:55:48,410

where their top scientists

and military men

892

00:55:48,410 --> 00:55:53,410

have investigated some of the

cases in Europe and in France

893

00:55:54,120 --> 00:55:58,320

and it was kind of like an

honest Project Blue Book.

894

00:55:58,320 --> 00:56:01,963

Our Project Blue Book I

call Project Whitewash.

895

00:56:03,870 --> 00:56:07,400

But the Cometa Report investigated

896

00:56:08,388 --> 00:56:12,947

these good quality sightings

and abduction cases

897

00:56:15,010 --> 00:56:19,490

and they have concluded

that it is something real.

898

00:56:19,490 --> 00:56:21,130

- If it ever gets to a point

899

00:56:21,130 --> 00:56:24,490

where it's officially acknowledged,

900

00:56:24,490 --> 00:56:26,913

I think we're in for some rough times.

901

00:56:28,820 --> 00:56:32,000

When I found out about the LA riots,

902

00:56:32,000 --> 00:56:34,650

just a very very small

percentage of people

903

00:56:34,650 --> 00:56:37,420

that rioted in LA so many years ago

904

00:56:37,420 --> 00:56:39,800

and what they were able to do to the city

905

00:56:39,800 --> 00:56:42,700

I think a very very small people

906

00:56:42,700 --> 00:56:45,200

will handle something

like this very badly.

907

00:56:45,200 --> 00:56:48,640

They won't be able to accept

it, it'll turn violent

908

00:56:48,640 --> 00:56:52,450

and even again just with a

very small percentage of people

909

00:56:52,450 --> 00:56:54,640

they can cause a lot of mayhem,

910

00:56:54,640 --> 00:56:59,640

and I think that with the modern

media being Internet-based

911

00:57:02,320 --> 00:57:04,670

that all sorts of opinions on it

912

00:57:04,670 --> 00:57:08,040

are gonna be clashing

with each other for years.

913

00:57:08,040 --> 00:57:11,200

I think it's just gonna

be awful unfortunately.

914

00:57:11,200 --> 00:57:13,880

I mean, it's not to say

that it shouldn't happen

915

00:57:13,880 --> 00:57:16,460

because it's a growth thing.

916

00:57:16,460 --> 00:57:19,950

We need to get beyond this

close-minded view that we have

917

00:57:19,950 --> 00:57:21,893

that we're the only ones but,

918

00:57:23,290 --> 00:57:26,080

yeah, those are going to be

some tough times I think.

919

00:57:38,580 --> 00:57:39,880

- [Narrator] A precise number

920

00:57:39,880 --> 00:57:43,440

of alleged abductees is uncertain.

921

00:57:43,440 --> 00:57:46,620

One of the earliest studies of abductions

922

00:57:46,620 --> 00:57:50,230

found 1,700 claimants

923

00:57:50,230 --> 00:57:54,070

while other surveys argued that 5% to 6%

924

00:57:54,070 --> 00:57:57,993

of the general population

might have been abducted.

925

00:57:59,370 --> 00:58:04,203

If true that would be a huge

number of people being taken.

926

00:58:05,460 --> 00:58:07,973

- Best evidence I have

found is my own sighting.

927

00:58:08,940 --> 00:58:09,953

Seeing is believing.

928

00:58:13,570 --> 00:58:18,570

Most researchers have lot

better cases than I have,

929

00:58:20,547 --> 00:58:22,100

the Betty and Barney Hill case,

930

00:58:22,100 --> 00:58:27,100

the Peter Robbins doing

the Rendlesham Forest case.

931

00:58:29,220 --> 00:58:32,030

In Michigan, I am from Michigan of course,

932

00:58:32,030 --> 00:58:33,930

and I'm with Michigan MUFON,

933

00:58:33,930 --> 00:58:37,363

we get a lot of

I-saw-a-light-in-the-sky cases.

934

00:58:38,210 --> 00:58:41,620

These light-in-the-sky
cases, there's a lot of them

935

00:58:41,620 --> 00:58:43,970

because these people are convinced

936

00:58:43,970 --> 00:58:47,880

that they're seeing something anomalous

937

00:58:47,880 --> 00:58:49,603

when it's just a light in the sky.

938

00:58:50,860 --> 00:58:54,670

- I think that the best evidence,

939

00:58:54,670 --> 00:58:58,880

and I do get asked occasionally
what's the best evidence

940

00:58:58,880 --> 00:59:02,660

for the reality of extraterrestrial,

941

00:59:02,660 --> 00:59:05,550

if that's where they're from, visitation

942

00:59:05,550 --> 00:59:08,290

and I just think it's the

wrong number of people

943

00:59:08,290 --> 00:59:11,710

that have had these types of experiences.

944

00:59:11,710 --> 00:59:14,260

There are those who are open about it

945

00:59:14,260 --> 00:59:17,650

but that's a minority for certain.

946

00:59:17,650 --> 00:59:21,030

A lot of people that I
speak to will come up to me

947

00:59:21,030 --> 00:59:25,060

and say I've never told
anybody this before but,

948

00:59:25,060 --> 00:59:26,810

and there are a lot of people

949

00:59:26,810 --> 00:59:29,690

that deny having these
types of experiences

950

00:59:29,690 --> 00:59:32,040

when they know themselves
that they've had them

951

00:59:33,360 --> 00:59:35,550

and it continues, it continues.

952

00:59:35,550 --> 00:59:38,030

It doesn't stop, it doesn't let up

953

00:59:38,030 --> 00:59:42,750

and generations in the past and

generations to come it seems

954

00:59:42,750 --> 00:59:44,670

unless some major change happens

955

00:59:44,670 --> 00:59:46,740

are gonna continue on the same course

956

00:59:46,740 --> 00:59:50,410

of having these types of

experiences regularly.

957

00:59:50,410 --> 00:59:55,410

And whether people choose to

acknowledge it or ignore it

958

00:59:55,430 --> 00:59:59,010

it doesn't matter to the phenomenon.

959

00:59:59,010 --> 01:00:01,170

The phenomenon will just continue.

960

01:00:01,170 --> 01:00:02,340

You can't make it go away,

961

01:00:02,340 --> 01:00:04,383

it's not a fad or anything like that.

962

01:00:07,710 --> 01:00:10,260

- [Narrator] We may never

know the full agenda

963

01:00:10,260 --> 01:00:14,490

of the beings responsible

for alien abductions.

964

01:00:14,490 --> 01:00:16,670

Further research is needed.

965

01:00:16,670 --> 01:00:20,820

However, with each new
case we gain more knowledge

966

01:00:20,820 --> 01:00:24,850

of the alien agenda and
we become better prepared

967

01:00:24,850 --> 01:00:29,123

for the day when we will
have full disclosure.

968

01:00:30,712 --> 01:00:33,462

(dramatic music)

969

01:00:38,850 --> 01:00:41,433

(gentle music)

970

01:00:49,776 --> 01:00:51,609

- [Kid] Reality films.
