

■1

00:00:01,466 --> 00:00:04,299

(spooky rumbling)

2

00:00:05,720 --> 00:00:07,120

- [J. Michael] What if I told you

3

00:00:07,120 --> 00:00:08,770

the United States government

4

00:00:08,770 --> 00:00:11,930

has known of the existence

of extraterrestrials

5

00:00:11,930 --> 00:00:13,936

since the late 1800s.

6

00:00:13,936 --> 00:00:17,436

(dissonant ambient music)

7

00:00:18,847 --> 00:00:21,920

(spooky rumbling)

8

00:00:21,920 --> 00:00:24,782

What if I told you I can show you.

9

00:00:24,782 --> 00:00:25,615

(dissonant ominous music)

10

00:00:25,615 --> 00:00:27,660

- The UFO phenomenon is going to threaten,

11

00:00:27,660 --> 00:00:30,271

is going to threaten,

is going to threaten...

12

00:00:30,271 --> 00:00:32,942

(stars whooshing)

(haunting music)

13

00:00:32,942 --> 00:00:36,530

(stars exploding)

14

00:00:36,530 --> 00:00:38,640

- [J. Michael] Would you believe?

15

00:00:38,640 --> 00:00:41,390

(star exploding)

16

00:00:45,037 --> 00:00:48,370

(somber haunting music)

17

00:00:59,730 --> 00:01:02,130

The first official observation

18

00:01:02,130 --> 00:01:05,830

of a crashed UFO and an extraterrestrial

19

00:01:05,830 --> 00:01:07,650

marking the initial involvement

20

00:01:07,650 --> 00:01:11,843

of a U.S. military officer

occurred in the late 1800s.

21

00:01:33,379 --> 00:01:36,046

(UFO whooshing)

22

00:01:37,707 --> 00:01:40,374

(UFO exploding)

23

00:01:41,713 --> 00:01:44,963

(gentle shadowy music)

24

00:01:59,430 --> 00:02:02,260

During 1896 and 1897,

25

00:02:02,260 --> 00:02:06,110

seven years before the Wright

brothers would take flight,

26

00:02:06,110 --> 00:02:09,220

several cigar-shaped

airship reports appeared

27

00:02:09,220 --> 00:02:12,290

in newspapers across the United States.

28

00:02:12,290 --> 00:02:16,890

One account appeared in the

April 19th, 1897 edition

29

00:02:16,890 --> 00:02:19,050

of the Dallas Morning News.

30

00:02:19,050 --> 00:02:21,420

It was written by S.E. Hayden.

31

00:02:21,420 --> 00:02:24,580

The account reported that

an airship crashed into

32

00:02:24,580 --> 00:02:29,393

the property of J.S. Proctor

at 6:00 a.m. on the 17th.

33

00:02:30,380 --> 00:02:33,780

The pilot was described

as not of this world

34

00:02:33,780 --> 00:02:35,443

and had died on impact.

35

00:02:36,300 --> 00:02:39,720

Debris from the crash was

spread across several acres

36

00:02:39,720 --> 00:02:42,773

when the craft collided

with Mr. Procter's windmill.

37

00:02:43,620 --> 00:02:47,070

Wreckage from the craft was
dumped into a nearby well

38

00:02:47,070 --> 00:02:51,213

and the pilot was buried at
the local Aurora cemetery.

39

00:02:52,943 --> 00:02:55,693

(dramatic music)

40

00:03:01,940 --> 00:03:05,660

T. J. Weems, a United States
Signal Service Officer

41

00:03:05,660 --> 00:03:08,810

from nearby Fort Worth viewed the body

42

00:03:08,810 --> 00:03:12,430

and referred to the pilot as a Marsian.

43

00:03:12,430 --> 00:03:15,660

And Mr. Weems, who was also an astronomer,

44

00:03:15,660 --> 00:03:19,750

would become the first United

States government official

45

00:03:19,750 --> 00:03:22,120

to observe an extraterrestrial

46

00:03:22,120 --> 00:03:24,224

and report back to the government.

47

00:03:24,224 --> 00:03:27,224

(suspenseful music)

48

00:03:33,250 --> 00:03:35,520

Papers found on the pilot were assumed

49

00:03:35,520 --> 00:03:37,590

to be a journal of his travels,

50

00:03:37,590 --> 00:03:41,820

but were written in an unknown

hieroglyphic-type script

51

00:03:41,820 --> 00:03:43,940

and could not be deciphered.

52

00:03:43,940 --> 00:03:47,520

It's likely, these papers

returned to Fort Worth

53

00:03:47,520 --> 00:03:49,690

with Mr. Weems and fell into

54

00:03:49,690 --> 00:03:52,044

the hands of government officials.

55

00:03:52,044 --> 00:03:54,627

(somber music)

56

00:03:56,790 --> 00:04:00,940

The beginning of the UFO

cover up was at hand.

57

00:04:00,940 --> 00:04:04,770

The first official

observation of an alien.

58

00:04:04,770 --> 00:04:07,320

The crashed remains of a craft

59

00:04:07,320 --> 00:04:10,870

and all the reports of airships

from the previous months

60

00:04:10,870 --> 00:04:13,763

would cause serious

concerns in Washington.

61

00:04:15,010 --> 00:04:18,090

How the government would
handle this information,

62

00:04:18,090 --> 00:04:21,860

will have repercussions
on the entire world

63

00:04:21,860 --> 00:04:23,173

till present day.

64

00:04:30,198 --> 00:04:33,350

(thunder rumbles)

65

00:04:33,350 --> 00:04:37,120

At 7:00 a.m. on the 30th of June in 1908

66

00:04:37,120 --> 00:04:40,370

near the Lower Tunguska River in Siberia,

67

00:04:40,370 --> 00:04:42,900

a large explosion occurred.

68

00:04:42,900 --> 00:04:45,000

The explosion was so massive

69

00:04:45,000 --> 00:04:48,730

that it caused damage 400 miles away,

70

00:04:48,730 --> 00:04:50,899

and was heard even further.

71

00:04:50,899 --> 00:04:52,350

(UFO exploding)

For several nights

72

00:04:52,350 --> 00:04:54,290

all over Northern Europe,

73

00:04:54,290 --> 00:04:57,873

the sky glowed enough to
light the streets of London.

74

00:04:58,773 --> 00:05:00,630

At first, it was assumed

75

00:05:00,630 --> 00:05:04,580

that a massive meteorite
had collided with the Earth.

76

00:05:04,580 --> 00:05:07,540

However, after the Second World War

77

00:05:07,540 --> 00:05:10,580

and the bombing of Hiroshima and Nagasaki,

78

00:05:10,580 --> 00:05:14,810

photos of the cities were

compared with aerial photos

79

00:05:14,810 --> 00:05:18,703

of the Tunguska blast and
they were stunningly similar.

80

00:05:19,800 --> 00:05:21,650

As a result of this,

81

00:05:21,650 --> 00:05:25,660

various scientists speculated
that a nuclear explosion

82

00:05:25,660 --> 00:05:28,210

had taken place over the area

83

00:05:28,210 --> 00:05:30,380

and because no nation possessed

84

00:05:30,380 --> 00:05:33,170

a nuclear device at that time,

85

00:05:33,170 --> 00:05:35,570

the logical conclusion was that

86

00:05:35,570 --> 00:05:39,693

it was from an exploded

alien nuclear-powered craft.

87

00:05:43,277 --> 00:05:46,777

(distant explosion roars)

88

00:05:54,397 --> 00:05:57,064

(ominous music)

89

00:06:03,740 --> 00:06:05,330

During World War II,

90

00:06:05,330 --> 00:06:09,570

American pilots often

reported seeing foo fighters,

91

00:06:09,570 --> 00:06:12,010

strange glowing orbs that circled

92

00:06:12,010 --> 00:06:14,510

and chased their fighter planes.

93

00:06:14,510 --> 00:06:15,950

Governments around the world

94

00:06:15,950 --> 00:06:18,840

would begin detailed

records of these encounters,

95

00:06:18,840 --> 00:06:22,623

as some believed they belonged

to other enemy countries.

96

00:06:28,650 --> 00:06:31,100

The great Los Angeles air raid occurred

97

00:06:31,100 --> 00:06:33,970

on February 24th, 1942

98

00:06:33,970 --> 00:06:37,283

when a UFO strayed too

close to the coast line.

99

00:06:39,090 --> 00:06:41,070

It was less than three months after

100

00:06:41,070 --> 00:06:44,280

the United States entered

World War II as a result

101

00:06:44,280 --> 00:06:48,190

of the Japanese Imperial

Navy's attack on Pearl Harbor,

102

00:06:48,190 --> 00:06:52,463

and one day after the bombardment
of Ellwood on the 23rd.

103

00:06:54,800 --> 00:06:57,030

Something flew over the coast line

104

00:06:57,030 --> 00:07:00,090

causing the military to go on alert.

105

00:07:00,090 --> 00:07:01,770

Air raid sirens sounded

106

00:07:01,770 --> 00:07:04,313

throughout Los Angeles

County on that night.

107

00:07:06,010 --> 00:07:08,110

A total blackout was ordered

108

00:07:08,110 --> 00:07:10,120

and thousands of air raid wardens

109

00:07:10,120 --> 00:07:12,330

were summoned to their positions.

110

00:07:12,330 --> 00:07:17,130

At 3:16 a.m., the 37th

Coast Artillery Brigade

111

00:07:17,130 --> 00:07:21,810

began firing 12.8 pound

anti-aircraft shells into the air

112

00:07:21,810 --> 00:07:23,630

at the reported object.

(gun firing)

113

00:07:23,630 --> 00:07:26,250

Over 1,400 shells

(rapid gunfire shooting)

114

00:07:26,250 --> 00:07:27,603

would eventually be fired.

115

00:07:29,190 --> 00:07:32,840

Pilots of the 4th Interceptor

Command were alerted,

116

00:07:32,840 --> 00:07:35,180

but never ordered to fly.

117

00:07:35,180 --> 00:07:40,083

The artillery fire continued

sporadically until 4:14 a.m.

118

00:07:44,930 --> 00:07:48,040

To this day, no one knows for sure

119

00:07:48,040 --> 00:07:49,625

what they were shooting at.

120

00:07:49,625 --> 00:07:52,790

(soft rhythmic music)

121

00:07:52,790 --> 00:07:55,570

Images taken on that night clearly show

122

00:07:55,570 --> 00:07:59,810

a saucer-shaped object hovering

within the intense beams

123

00:07:59,810 --> 00:08:01,563

of the military spotlights.

124

00:08:15,473 --> 00:08:18,640

(haunting drum music)

125

00:08:23,614 --> 00:08:27,410

Then in 1947, the United States government

126

00:08:27,410 --> 00:08:29,700

would become mired in secrecy

127

00:08:29,700 --> 00:08:33,843

when an alien spacecraft crashed

near Roswell, New Mexico.

128

00:08:34,780 --> 00:08:36,730

The Roswell incident seemed

129

00:08:36,730 --> 00:08:40,090

just to involve debris

from a craft of some sort,

130

00:08:40,090 --> 00:08:41,960

as no main part of the craft

131

00:08:41,960 --> 00:08:44,093

could be found on the Brazel Ranch.

132

00:08:45,550 --> 00:08:48,670

This led to speculation that
the main part of the craft

133

00:08:48,670 --> 00:08:52,073

had managed to travel on
before coming to rest.

134

00:08:53,910 --> 00:08:57,430

Later, the second section
of the saucer was found.

135

00:08:57,430 --> 00:09:01,670

It came down in an area
west of Socorro, New Mexico

136

00:09:01,670 --> 00:09:04,410

known as the Plains of San Agustin,

137

00:09:04,410 --> 00:09:08,210

where witnesses discovered

a strange metallic object

138

00:09:08,210 --> 00:09:10,483

and several dead bodies.

139

00:09:19,000 --> 00:09:20,860

The bodies in wreckage were sent

140

00:09:20,860 --> 00:09:24,100

to Wright Patterson Air

Force base for study.

141

00:09:24,100 --> 00:09:27,603

Many speculate, it

remains there to this day.

142

00:09:34,680 --> 00:09:36,580

After the Roswell incident,

143

00:09:36,580 --> 00:09:38,160

the United States government

144

00:09:38,160 --> 00:09:41,980

began many programs to study UFOs.

145

00:09:41,980 --> 00:09:44,800

Project Sign, Project Grudge,

146

00:09:44,800 --> 00:09:47,813

and later Project Blue

Book, to name a few.

147

00:09:52,280 --> 00:09:55,510

Some may assume the country

was simply keeping tabs

148

00:09:55,510 --> 00:09:57,910

on a growing public phenomenon.

149

00:09:57,910 --> 00:10:01,010

However, these reports filtered through

150

00:10:01,010 --> 00:10:03,783

the highest offices within the government.

151

00:10:10,330 --> 00:10:13,950

As early as 1948, the

government already knew

152

00:10:13,950 --> 00:10:15,970

the UFO secret.

153

00:10:15,970 --> 00:10:19,290

In that year, the United

States Air Force produced

154

00:10:19,290 --> 00:10:23,340

its top-secret and highly

controversial estimate

155

00:10:23,340 --> 00:10:25,090

of the situation.

156

00:10:25,090 --> 00:10:28,540

An official report

concluding flying saucers

157

00:10:28,540 --> 00:10:31,003

to be interplanetary in origin.

158

00:10:33,120 --> 00:10:37,500

General Nathan Twining, head

of the Air Materiel Command,

159

00:10:37,500 --> 00:10:40,740

stated that flying saucers were real

160

00:10:40,740 --> 00:10:43,640

and not visionary or fictitious,

161

00:10:43,640 --> 00:10:47,670

that they had metallic or
light reflecting surfaces,

162

00:10:47,670 --> 00:10:50,530

were circular or elliptical in shape,

163

00:10:50,530 --> 00:10:53,420

flat on the bottom and domed on top,

164

00:10:53,420 --> 00:10:57,970

and were sometimes sighted in
well kept formation flights

165

00:10:57,970 --> 00:11:00,831

varying from three to nine objects.

166

00:11:00,831 --> 00:11:03,498

(ominous music)

167

00:11:05,856 --> 00:11:08,550

A top-secret Canadian government document,

168

00:11:08,550 --> 00:11:12,670

dating from 1950,

written by Wilbert Smith,

169

00:11:12,670 --> 00:11:16,590

the head of the Canadian

government's UFO research project,

170

00:11:16,590 --> 00:11:20,777

entitled Magnet, quotes Mr. Smith saying,

171

00:11:20,777 --> 00:11:24,317

"The matter is the most

highly classified subject

172

00:11:24,317 --> 00:11:26,437

"in the United States government,

173

00:11:26,437 --> 00:11:28,947

"rating higher than the H-Bomb."

174

00:11:35,890 --> 00:11:40,890

By 1969, after multiple

secret studies had concluded

175

00:11:41,040 --> 00:11:44,210

that flying saucers were very real,

176

00:11:44,210 --> 00:11:46,610

the United States government closed

177

00:11:46,610 --> 00:11:50,000

its public study on UFOs.

178

00:11:50,000 --> 00:11:53,720

Project Blue Book ended with

assurance from the government

179

00:11:53,720 --> 00:11:58,333

that the UFOs represented no
threat to national security.

180

00:12:06,120 --> 00:12:10,000

However, Brigadier General
C.H. Bolander states

181

00:12:10,000 --> 00:12:13,330

that even after the Blue
Book system was dissolved,

182

00:12:13,330 --> 00:12:16,847

that, "Reports of UFOs
would still continue

183

00:12:16,847 --> 00:12:20,477

"to be handled through the
standard Air Force procedures

184

00:12:20,477 --> 00:12:23,240

"designated for this purpose."

185

00:12:23,240 --> 00:12:24,947

Furthermore, he wrote,

186

00:12:24,947 --> 00:12:27,807

"Reports of unidentified flying objects

187

00:12:27,807 --> 00:12:31,087

"which could affect national security,

188

00:12:31,087 --> 00:12:33,927

"were not a part of the Blue Book system."

189

00:12:38,490 --> 00:12:42,310

To date, these other
investigation channels,

190

00:12:42,310 --> 00:12:47,310

agencies, or groups are
completely unknown and secret.

191

00:13:08,821 --> 00:13:12,321

(dissonant ambient Music)

192

00:13:19,890 --> 00:13:22,670

The question of the existence of UFOs

193

00:13:22,670 --> 00:13:25,020

has long been answered.

194

00:13:25,020 --> 00:13:28,560

It's obvious to anyone
capable of critical thinking

195

00:13:28,560 --> 00:13:32,040

that indeed the phenomenon is real.

196

00:13:32,040 --> 00:13:34,690

The question we must ask now is,

197

00:13:34,690 --> 00:13:37,623

where do they come from and what are they?

198

00:13:39,640 --> 00:13:42,090

For decades, the most likely theory

199

00:13:42,090 --> 00:13:45,100

has leaned towards the

origin of flying saucers

200

00:13:45,100 --> 00:13:46,493

to be from outer space,

201

00:13:47,450 --> 00:13:50,630

beings visiting Earth either as explorers

202

00:13:50,630 --> 00:13:53,983

or for some reasons we cannot understand.

203

00:13:55,150 --> 00:13:57,690

However, the actions of the spacecraft

204

00:13:57,690 --> 00:14:02,233

and their pilots continue

to befuddle us, or does it?

205

00:14:03,840 --> 00:14:07,180

If you take the UFO phenomenon as a whole,

206

00:14:07,180 --> 00:14:10,120

there are several

theories that could apply,

207

00:14:10,120 --> 00:14:13,503

even concepts that are

sinister and manevolent.

208

00:14:14,980 --> 00:14:19,240

It makes sense that aliens
would be much like us.

209

00:14:19,240 --> 00:14:23,510

After all, they would need
the same emotional motivations

210

00:14:23,510 --> 00:14:26,200

to even want to go into space.

211

00:14:26,200 --> 00:14:29,573

They would need the desire
to explore or conquer.

212

00:14:30,740 --> 00:14:34,090

If we look at the UFO
phenomenon as a whole,

213

00:14:34,090 --> 00:14:36,470

then we must come to the conclusion

214

00:14:36,470 --> 00:14:40,633

that the aliens have

some long-term agenda.

215

00:14:42,170 --> 00:14:44,260

Their agenda could be as simple

216

00:14:44,260 --> 00:14:47,260

as observation of a fledgling race,

217

00:14:47,260 --> 00:14:49,880

or they may have plans of their own.

218

00:14:49,880 --> 00:14:52,893

Perhaps an agenda we can't understand.

219

00:15:02,440 --> 00:15:06,970

Consider this, there are many

reasons why aliens may come

220

00:15:06,970 --> 00:15:10,543

to our insignificant
quadrant of the galaxy.

221

00:15:12,230 --> 00:15:14,470

The most logical reason would be

222

00:15:14,470 --> 00:15:18,413

to get something they
cannot find anywhere else.

223

00:15:23,597 --> 00:15:27,190

(glowing light exploding)

224

00:15:27,190 --> 00:15:30,813

In space, natural resources are abundant.

225

00:15:31,800 --> 00:15:34,680

Hollywood movies often have aliens coming

226

00:15:34,680 --> 00:15:37,773

to take our water or even mine gold,

227

00:15:38,740 --> 00:15:40,470

but these elements are available

228

00:15:40,470 --> 00:15:43,500

in space in great quantities.

229

00:15:43,500 --> 00:15:47,510

If you're looking for

water, just capture a comet.

230

00:15:47,510 --> 00:15:49,820

Comets are mostly ice.

231

00:15:49,820 --> 00:15:51,940

Other minerals and elements are available

232

00:15:51,940 --> 00:15:56,343

on entire planets with no
life and free for the taking.

233

00:15:58,600 --> 00:16:01,500

But the Earth offers something not found

234

00:16:01,500 --> 00:16:03,860

in the rest of the universe.

235

00:16:03,860 --> 00:16:06,330

Earth has humans.

236

00:16:06,330 --> 00:16:08,430

We evolved here.

237

00:16:08,430 --> 00:16:10,980

We are unique to this planet.

238

00:16:10,980 --> 00:16:13,870

So are our animals and plants.

239

00:16:13,870 --> 00:16:16,120

And because we evolved here,

240

00:16:16,120 --> 00:16:19,320

we have a specific genetic code.

241

00:16:19,320 --> 00:16:22,610

We have adapted to our

world and are not affected

242

00:16:22,610 --> 00:16:26,623

by organisms that would

kill or harm an outsider.

243

00:16:27,970 --> 00:16:32,550

To an extraterrestrial, we

would be very intriguing.

244

00:16:32,550 --> 00:16:34,130

Our world could be seen as

245

00:16:34,130 --> 00:16:37,900

a massive laboratory for experimentation.

246

00:16:37,900 --> 00:16:40,700

Several unique organisms here

247

00:16:40,700 --> 00:16:45,580

would be very useful to an
alien race looking to expand.

248

00:16:45,580 --> 00:16:48,770

And here on Earth is the only place

249

00:16:48,770 --> 00:16:51,216

to observe these organisms.

250

00:16:51,216 --> 00:16:53,883

(ominous music)

251

00:16:57,880 --> 00:16:58,800

(bell tolls)

252

00:16:58,800 --> 00:17:03,800

It's even possible that the

extraterrestrials could see us

253

00:17:03,890 --> 00:17:07,463

as a hindrance to their nefarious plans.

254

00:17:13,024 --> 00:17:16,191

(dramatic drum music)

255

00:17:26,020 --> 00:17:30,263

We know now that extraterrestrials

are not new to Earth.

256

00:17:31,270 --> 00:17:35,180

Throughout history UFOs and even aliens

257

00:17:35,180 --> 00:17:37,180

have appeared in our artwork,

258

00:17:37,180 --> 00:17:40,113

from cave paintings to

medieval tapestries.

259

00:17:41,130 --> 00:17:44,320

Even in monuments and

structures around the planet,

260

00:17:44,320 --> 00:17:48,420

we can see the influence

of alien technology.

261

00:17:48,420 --> 00:17:50,600

We know the aliens have been here

262

00:17:50,600 --> 00:17:53,123

and we know they are here even today.

263

00:17:54,710 --> 00:17:57,880

The modern fascination with UFOs, aliens,

264

00:17:57,880 --> 00:18:02,160

and extraterrestrial

visits began in the 1950s,

265

00:18:02,160 --> 00:18:05,820

with several craft were

sighted by Kenneth Arnold.

266

00:18:05,820 --> 00:18:09,363

Even the term flying saucer

was coined at that time.

267

00:18:10,690 --> 00:18:14,730

But UFOs, flying saucers,

and alien spacecraft

268

00:18:14,730 --> 00:18:17,710

were already recorded in our history.

269

00:18:17,710 --> 00:18:21,610

Something of this magnitude

would not go amiss

270

00:18:21,610 --> 00:18:25,669

to world governments or even the church.

271

00:18:25,669 --> 00:18:28,919

(haunting choir music)

272

00:18:31,940 --> 00:18:35,300

The Vatican has always kept a stern stance

273

00:18:35,300 --> 00:18:38,403

on UFOs and aliens until recently.

274

00:18:39,710 --> 00:18:43,620

They viewed these things

as the work of the devil.

275

00:18:43,620 --> 00:18:45,693

Even much of science was heresy.

276

00:18:46,800 --> 00:18:51,400

We think of belief systems

as separated from government,

277

00:18:51,400 --> 00:18:52,940

but throughout the world,

278

00:18:52,940 --> 00:18:56,050

the church and state are often fused,

279

00:18:56,050 --> 00:18:59,090

even becoming a government of their own.

280

00:18:59,090 --> 00:19:01,910

This was the case for the Catholic Church.

281

00:19:01,910 --> 00:19:04,250

For centuries, they ruled,

282

00:19:04,250 --> 00:19:07,753

and for centuries, they

kept records in the Vatican.

283

00:19:09,920 --> 00:19:12,680

Many of the worlds best kept secrets

284

00:19:12,680 --> 00:19:14,380

are not sequestered away

285

00:19:14,380 --> 00:19:17,023

in a warehouse under government control.

286

00:19:17,940 --> 00:19:22,210

The Vatican, a government
of and within itself,

287

00:19:22,210 --> 00:19:24,830

keeps vaults and records too.

288

00:19:24,830 --> 00:19:27,163

Perhaps they knew something we don't.

289

00:19:34,190 --> 00:19:37,940

Recently the Vatican has made
some startling statements,

290

00:19:37,940 --> 00:19:42,163

some that go against their
long-held stance on UFOs.

291

00:19:43,060 --> 00:19:48,060

Reverend Jose Gabriel Funes,

the Vatican's chief astronomer,

292

00:19:48,290 --> 00:19:51,947

has stated that, "Ruling

out extraterrestrial life

293

00:19:51,947 --> 00:19:53,877

"would be like putting limits

294

00:19:53,877 --> 00:19:56,630

"on God's creative freedom."

295

00:19:56,630 --> 00:19:59,607

Further, he states that, "In my opinion,

296

00:19:59,607 --> 00:20:04,143

"this possibility of life

on other planets exists.

297

00:20:04,143 --> 00:20:07,737

"How can we exclude that life
has developed elsewhere."

298

00:20:10,614 --> 00:20:12,950

Monsignor Corrado Balducci,

299

00:20:12,950 --> 00:20:16,090

a Roman Catholic theologian

of the Vatican Curia,

300

00:20:16,090 --> 00:20:17,740

a close friend of the pope

301

00:20:17,740 --> 00:20:20,060

and a demonologist from the Vatican,

302

00:20:20,060 --> 00:20:22,730

has openly declared publicly

303

00:20:22,730 --> 00:20:26,667

that, "Extraterrestrial
intelligences are real phenomenon."

304

00:20:49,236 --> 00:20:51,903

(ominous music)

305

00:21:13,160 --> 00:21:15,860

If the United States government somehow

306

00:21:15,860 --> 00:21:19,170

was inexplicably unaware of the existence

307

00:21:19,170 --> 00:21:23,170

of extraterrestrial life up to the 1950s,

308

00:21:23,170 --> 00:21:26,470

then on July 29th, 1952,

309

00:21:26,470 --> 00:21:29,130

they would be forced to concede the issue

310

00:21:29,130 --> 00:21:32,990

when a squadron of UFOs

overflew the capital.

311

00:21:32,990 --> 00:21:35,350

(exclamatory music)

312

00:21:35,350 --> 00:21:37,960

The Washington National Airport sightings

313

00:21:37,960 --> 00:21:42,320

were not just a single

night of UFO flyovers.

314

00:21:42,320 --> 00:21:45,800

From July 12th to July 29th,

(airplane whooshing)

315

00:21:45,800 --> 00:21:49,010

the capital was buzzing with UFO activity

316

00:21:49,010 --> 00:21:51,310

on a nightly basis.

317

00:21:51,310 --> 00:21:54,810

On July 19th, at 11:40 p.m.,

318

00:21:54,810 --> 00:21:59,340

air traffic controller Edward

Newgen spotted several craft

319

00:21:59,340 --> 00:22:02,033

15 miles southwest of the capital.

320

00:22:02,960 --> 00:22:05,740

There were no scheduled

aircraft in the area

321

00:22:05,740 --> 00:22:07,930

and these craft were not flying

322

00:22:07,930 --> 00:22:10,440

any established flight paths.

323

00:22:10,440 --> 00:22:12,280

He wrote in his report

324

00:22:12,280 --> 00:22:15,850

that their movements

were completely radical

325

00:22:15,850 --> 00:22:18,693

compared to those of ordinary aircraft.

326

00:22:19,900 --> 00:22:22,290

Other controllers in the area confirmed

327

00:22:22,290 --> 00:22:24,630

the radar blips and observed

328

00:22:24,630 --> 00:22:28,573

the orange ball-type UFOs

outside their windows.

329

00:22:29,580 --> 00:22:32,420

More objects appeared

on their radar scopes

330

00:22:32,420 --> 00:22:34,350

and moved over the White House

331

00:22:34,350 --> 00:22:36,483

(rapid dinging)

and the Capital building.

332

00:22:38,840 --> 00:22:41,390

The story made front page headlines

333

00:22:41,390 --> 00:22:44,260

and alarmed the Truman administration.

334

00:22:44,260 --> 00:22:47,010

The president himself personally called

335

00:22:47,010 --> 00:22:50,130

Captain Edward J.

Rupert, the supervisor of

336

00:22:50,130 --> 00:22:53,160

the Air Force's Project

Blue Book investigation

337

00:22:53,160 --> 00:22:55,240

into the UFO mystery,

338

00:22:55,240 --> 00:22:58,690

and asked for an explanation

of the sightings.

339

00:22:58,690 --> 00:23:02,840

The president was told it
was a temperature inversion.

340

00:23:02,840 --> 00:23:06,130

However, the Air Force
placed several jet pilots

341

00:23:06,130 --> 00:23:08,680

on nationwide alert with orders

342

00:23:08,680 --> 00:23:12,965

to shoot down any UFO that
ignores orders to land.

343

00:23:12,965 --> 00:23:15,965

(suspenseful music)

344

00:23:18,810 --> 00:23:22,873

To this day, there is no
explanation for this incident.

345

00:23:23,930 --> 00:23:28,130

The government accepted the
weather-related explanation,

346

00:23:28,130 --> 00:23:31,410

because it was easy to
tell this to the public

347

00:23:31,410 --> 00:23:36,410

rather than admit they knew
the craft were alien in origin.

348

00:23:36,982 --> 00:23:39,649

(ominous music)

349

00:23:44,060 --> 00:23:47,170

One important aspect of the UFO phenomenon

350

00:23:47,170 --> 00:23:49,204

is alien abductions.

351

00:23:49,204 --> 00:23:52,470

(haunting music)

352

00:23:52,470 --> 00:23:55,130

Though dismissed by most of the scientific

353

00:23:55,130 --> 00:24:00,070

and mental health community,

alien abductions are very real.

354

00:24:01,070 --> 00:24:03,400

People claiming to have been abducted

355

00:24:03,400 --> 00:24:07,197

are usually called

abductees or experiencers.

356

00:24:09,150 --> 00:24:11,780

Typical claims involved being subjected

357

00:24:11,780 --> 00:24:14,310

to forced medical examination

358

00:24:14,310 --> 00:24:17,213

that emphasizes their reproductive system.

359

00:24:19,850 --> 00:24:24,460

In 1961, Betty and Barney Hill were taken.

360

00:24:24,460 --> 00:24:26,590

Betty described a medical procedure

361

00:24:26,590 --> 00:24:29,080

that had not been invented yet,

362

00:24:29,080 --> 00:24:31,700

and under hypnosis she drew

363

00:24:31,700 --> 00:24:35,240

a complex three-dimensional star map

364

00:24:35,240 --> 00:24:38,400

that astronomers confirmed years later

365

00:24:38,400 --> 00:24:41,043

after new maps became available.

366

00:24:48,300 --> 00:24:52,120

In 1975, Travis Walton was abducted

367

00:24:52,120 --> 00:24:55,730

in full view of five forestry workers.

368

00:24:55,730 --> 00:25:00,490

He was missing for five

days and presumed dead.

369

00:25:00,490 --> 00:25:03,270

On the fifth day he was returned,

370

00:25:03,270 --> 00:25:06,623

brandishing a full five days beard growth.

371

00:25:08,140 --> 00:25:10,700

The witnesses, as well as Travis,

372

00:25:10,700 --> 00:25:13,950

took and passed lie detector tests.

373

00:25:13,950 --> 00:25:16,930

Travis described the

interior of the craft,

374

00:25:16,930 --> 00:25:20,423

as well the beings who

abducted him, in detail.

375

00:25:22,430 --> 00:25:27,320

If he was not abducted,
where was he for five days

376

00:25:27,320 --> 00:25:31,123

while his co-workers were
being accused of his murder?

377

00:25:34,220 --> 00:25:38,620

Abductees have shown that
they display all the symptoms

378

00:25:38,620 --> 00:25:41,123

of post traumatic stress disorder.

379

00:25:42,480 --> 00:25:47,480

Nothing can cause this except
a real experienced event.

380

00:25:48,121 --> 00:25:50,871

(haunting music)

381

00:25:55,420 --> 00:25:56,820

Governments are all

(thunder rumbles)

382

00:25:56,820 --> 00:26:00,200

about one thing, control.

383

00:26:00,200 --> 00:26:05,200

Control policy, control

information, control the public.

384

00:26:06,750 --> 00:26:09,240

No government wants to appear to be

385

00:26:09,240 --> 00:26:11,800

out of control and impotent.

386

00:26:11,800 --> 00:26:13,800

The more powerful you appear,

387

00:26:13,800 --> 00:26:15,323

the stronger you become.

388

00:26:16,360 --> 00:26:19,170

After the Washington UFO incidents,

389

00:26:19,170 --> 00:26:21,740

the CIA issued a memorandum

390

00:26:21,740 --> 00:26:24,280

to the Air Force and Project Blue Book

391

00:26:24,280 --> 00:26:27,780

that stated that the Air

Force and Project Blue Book

392

00:26:27,780 --> 00:26:32,750

should take steps to strip the

unidentified flying objects

393

00:26:32,750 --> 00:26:35,140

of the special status that they have

394

00:26:35,140 --> 00:26:40,090

and the aura of mystery

they unfortunately acquired.

395

00:26:40,090 --> 00:26:42,500

After this mellow, Project Blue Book

396

00:26:42,500 --> 00:26:45,640

would rarely publicize any UFO case

397

00:26:45,640 --> 00:26:49,570

that it had not labeled as solved.

398

00:26:49,570 --> 00:26:54,053

And unsolved cases were rarely

mentioned by the Air Force.

399

00:26:56,552 --> 00:27:00,052

(dissonant ambient Music)

400

00:27:01,680 --> 00:27:03,780

Because the government is invested

401

00:27:03,780 --> 00:27:05,780

in controlling the country,

402

00:27:05,780 --> 00:27:07,450

they have multiple reasons

403

00:27:07,450 --> 00:27:10,633

to avoid disclosure of the UFO mystery.

404

00:27:12,270 --> 00:27:15,980

The primary reason is national security.

405

00:27:15,980 --> 00:27:19,900

The government is afraid
you can't handle it

406

00:27:19,900 --> 00:27:23,980

and they fear the actions
of the aliens themselves.

407

00:27:23,980 --> 00:27:27,530

Disclosure would relinquish
much of their control

408

00:27:27,530 --> 00:27:30,810

and like a comfortable security blanket,

409

00:27:30,810 --> 00:27:32,563

they don't want to give it up.

410

00:27:34,080 --> 00:27:37,060

This also creates a paralyzing condition

411

00:27:37,060 --> 00:27:38,920

within the government.

412

00:27:38,920 --> 00:27:42,810

Many officials simply

don't know what to do.

413

00:27:42,810 --> 00:27:45,810

It's better for them remain ignorant

414

00:27:45,810 --> 00:27:47,713

than to face the UFO issue.

415

00:27:50,760 --> 00:27:53,250

It is much easier to deal with an issue

416

00:27:53,250 --> 00:27:56,160

especially one where there is no roadmap,

417

00:27:56,160 --> 00:27:59,810

in secrecy where dirty

laundry and mistakes

418

00:27:59,810 --> 00:28:02,780

can be handled outside the scrutiny

419

00:28:02,780 --> 00:28:05,080

of media and the public.

420

00:28:05,080 --> 00:28:07,000

It's easier to deal with the issue

421

00:28:07,000 --> 00:28:10,343

in the black world than

with everyone watching.

422

00:28:12,560 --> 00:28:15,750

The announcement of an

ET presence on Earth

423

00:28:15,750 --> 00:28:18,850

would be front page news for months.

424

00:28:18,850 --> 00:28:21,910

It would dominate the
government's every action

425

00:28:21,910 --> 00:28:26,380

and not allow it to carry out
any of its planned business.

426

00:28:26,380 --> 00:28:30,900

Agencies like NASA would
become irrelevant overnight.

427

00:28:30,900 --> 00:28:32,800

The government would face the question

428

00:28:32,800 --> 00:28:35,690

of why they continue to fund NASA

429

00:28:35,690 --> 00:28:38,260

when they knew our space efforts

430

00:28:38,260 --> 00:28:40,950

were a waste of taxpayer money.

431

00:28:40,950 --> 00:28:44,500

It would significantly impact our economy.

432

00:28:44,500 --> 00:28:47,820

Jobs in the space industry

could be lost quickly,

433

00:28:47,820 --> 00:28:51,940

and demands for technology

gleaned from the captured craft

434

00:28:51,940 --> 00:28:54,673

would throw Wall Street into turmoil.

435

00:28:58,935 --> 00:29:02,435

(dissonant ambient music)

436

00:29:14,777 --> 00:29:18,194

(suspenseful drum music)

437

00:29:23,360 --> 00:29:26,520

It is estimated that 9.2 million people

438

00:29:26,520 --> 00:29:29,920

are directly and indirectly employed

439

00:29:29,920 --> 00:29:34,270

by the United States oil

and natural gas industry.

440

00:29:34,270 --> 00:29:35,730

This could be a major factor

441

00:29:35,730 --> 00:29:37,140

in keeping the money flowing

442

00:29:37,140 --> 00:29:39,483

to the people who are benefiting now,

443

00:29:40,470 --> 00:29:45,370

so retooling an economy

based almost entirely on oil

444

00:29:45,370 --> 00:29:47,963

would be very disruptive to society.

445

00:29:49,040 --> 00:29:51,210

There would be uncomfortable questions

446

00:29:51,210 --> 00:29:54,630

the public would demand

the government answer.

447

00:29:54,630 --> 00:29:56,570

And no politician wants to face

448

00:29:56,570 --> 00:29:59,753

an outraged public demanding answers.

449

00:30:14,340 --> 00:30:18,190

However, the main reason

there has not been disclosure

450

00:30:18,190 --> 00:30:22,360

is because the general

public doesn't care.

451

00:30:22,360 --> 00:30:24,890

In the last 57 years,

452

00:30:24,890 --> 00:30:26,840

a United States president

453

00:30:26,840 --> 00:30:31,180

has only faced the UFO question twice.

454

00:30:31,180 --> 00:30:33,320

In the 2004 election,

(thunder rumbles)

455

00:30:33,320 --> 00:30:36,810

there was not a single

UFO-related question

456

00:30:36,810 --> 00:30:40,100

to one of the two major candidates.

457

00:30:40,100 --> 00:30:45,100

The public does not see the

UFO/ET presence as a key issue,

458

00:30:46,190 --> 00:30:50,250

so why would the government

risk all the potential fallouts

459

00:30:50,250 --> 00:30:53,523

for an issue that no one cares about.

460

00:30:56,490 --> 00:30:59,250

It would require enormous public pressure

461

00:30:59,250 --> 00:31:01,820

to bring this issue to the forefront

462

00:31:01,820 --> 00:31:03,360

and all indications are

463

00:31:03,360 --> 00:31:07,529

that you don't care enough

to make this happen.

464

00:31:07,529 --> 00:31:10,279

(sinister music)

465

00:31:24,896 --> 00:31:26,530

It's frightening to consider

466

00:31:26,530 --> 00:31:30,230

that an intelligence exists

outside our comfort zone

467

00:31:31,080 --> 00:31:34,450

and is operating within

and around our world

468

00:31:34,450 --> 00:31:36,095

with complete impunity.

469

00:31:36,095 --> 00:31:38,345

(rattling)

470

00:31:40,330 --> 00:31:42,980

There's an ample proof for the existence

471

00:31:42,980 --> 00:31:46,583

of UFOs, aliens and the ET agenda.

472

00:31:47,440 --> 00:31:51,844

You and I are the key

to solving this mystery.

473

00:31:51,844 --> 00:31:54,677

(spooky rumbling)

474

00:32:00,840 --> 00:32:04,270

Politicians react to pressure.

475

00:32:04,270 --> 00:32:06,520

Our world today has changed

476

00:32:06,520 --> 00:32:10,380

in no small part to

grassroots organizations

477

00:32:10,380 --> 00:32:13,173

that have pressured our
government to react.

478

00:32:14,080 --> 00:32:17,730

Immigration, gay rights, social security,

479

00:32:17,730 --> 00:32:19,780

and all the major issues

480

00:32:19,780 --> 00:32:23,913

are driven by a growing
public demand for change.

481

00:32:24,890 --> 00:32:27,713

The UFO issue is no different.

482

00:32:28,880 --> 00:32:33,880

The key to solving the ET

mystery is within each of us.

483

00:32:34,070 --> 00:32:37,870

It is up to us to support

and publicly demand answers

484

00:32:37,870 --> 00:32:41,540

and disclosure from the

politicians we elect.

485

00:32:41,540 --> 00:32:46,183

If enough pressure is

applied, change is inevitable.

486

00:32:51,835 --> 00:32:54,502

(ominous music)

487

00:33:05,650 --> 00:33:07,720

The United States of America

488

00:33:07,720 --> 00:33:12,720

is not the only government
suppressing UFO activity.

489

00:33:12,810 --> 00:33:17,810

After all, the ET issue is
an international conspiracy.

490

00:33:19,500 --> 00:33:23,920

Recently world governments
such as Brazil, Great Britain,

491

00:33:23,920 --> 00:33:26,620

New Zealand, Denmark and others

492

00:33:26,620 --> 00:33:29,393

have released some of their hidden files.

493

00:33:30,650 --> 00:33:34,000

However, these files
are carefully selected

494

00:33:34,000 --> 00:33:37,070

and are only sighting reports.

495

00:33:37,070 --> 00:33:40,913

They do not delve into the
deeper issue of direct contact.

496

00:33:43,730 --> 00:33:45,820

Governments are doing this simply

497

00:33:45,820 --> 00:33:47,950

to appease the growing frustration

498

00:33:47,950 --> 00:33:50,833

of the people concerned
with the UFO issue.

499

00:33:52,220 --> 00:33:55,063

Nothing substantial has

been released so far.

500

00:33:57,803 --> 00:34:00,380

For example, we know that pilots,

501

00:34:00,380 --> 00:34:02,230

both military and commercial,

502

00:34:02,230 --> 00:34:06,483

have observed UFOs numerous
times at close range.

503

00:34:08,050 --> 00:34:11,350

Fighter planes from the
1950s to present day

504

00:34:11,350 --> 00:34:16,350

regularly observed and have
filmed UFOs near their aircraft.

505

00:34:19,740 --> 00:34:22,530

After landing, this gun camera footage

506

00:34:22,530 --> 00:34:25,490

is packaged and sent

through the chain of command

507

00:34:25,490 --> 00:34:27,500

to military headquarters

508

00:34:27,500 --> 00:34:30,293

and has never been seen by civilians.

509

00:34:32,150 --> 00:34:34,960

Multiple retired and active service pilots

510

00:34:34,960 --> 00:34:36,423

have testified to this.

511

00:34:37,720 --> 00:34:40,483

So where is all this physical evidence?

512

00:34:42,020 --> 00:34:45,330

Releasing files and stories is one thing,

513

00:34:45,330 --> 00:34:48,600

releasing footage of saucers in flight

514

00:34:48,600 --> 00:34:52,800

displaying aeronautic abilities

beyond our capabilities

515

00:34:52,800 --> 00:34:56,400

would be shocking and would prove visually

516

00:34:56,400 --> 00:34:58,810

the existence of these craft,

517

00:34:58,810 --> 00:35:00,580

especially if the footage

518

00:35:00,580 --> 00:35:03,507

was taken well before the digital age.

519

00:35:15,467 --> 00:35:18,050

(gentle music)

520

00:35:35,780 --> 00:35:39,570

In the early 1950s,

astronaut Gordon Cooper

521

00:35:39,570 --> 00:35:43,130

was assigned to a

jet-fighter group in Germany.

522

00:35:43,130 --> 00:35:44,660

While stationed there,

523

00:35:44,660 --> 00:35:48,880

he remembers very vividly

the week an entire formation

524

00:35:48,880 --> 00:35:52,120

of circular objects

passed over the airbase

525

00:35:52,120 --> 00:35:54,433

on an almost daily routine.

526

00:35:55,490 --> 00:35:57,090

But that's not all.

527

00:35:57,090 --> 00:36:00,240

While a project manager

at Edwards Air Force Base,

528

00:36:00,240 --> 00:36:04,450

just three years before entering

America's Space Program,

529

00:36:04,450 --> 00:36:07,380

Cooper had assigned a
team of photographers

530

00:36:07,380 --> 00:36:11,193

to an area of the vast dry
lake beds near Edwards.

531

00:36:12,220 --> 00:36:14,690

The former astronaut disclosed

532

00:36:14,690 --> 00:36:16,930

that while the crew was deployed,

533

00:36:16,930 --> 00:36:20,820

they spotted a strange looking
craft above the lake bed

534

00:36:20,820 --> 00:36:22,643

and they began filming it.

535

00:36:24,030 --> 00:36:27,000

Cooper says the object was very definitely

536

00:36:27,000 --> 00:36:28,860

hovering above the ground,

537

00:36:28,860 --> 00:36:31,450

and then it slowly came down

538

00:36:31,450 --> 00:36:34,223

and sat on the lake bed for a few minutes.

539

00:36:35,790 --> 00:36:39,973

During this time, the motion

picture cameras were filming.

540

00:36:41,290 --> 00:36:43,840

There were varied

estimates by the cameraman

541

00:36:43,840 --> 00:36:47,070

on what the actual size of the object was,

542

00:36:47,070 --> 00:36:49,130

but they all agreed that it was

543

00:36:49,130 --> 00:36:51,570

at least the size of a vehicle

544

00:36:51,570 --> 00:36:54,833

that would carry normal

sized people in it.

545

00:37:02,313 --> 00:37:04,930

(projector clicking)

546

00:37:04,930 --> 00:37:07,597

(ominous music)

547

00:37:15,230 --> 00:37:17,540

Colonel Cooper was not fortunate enough

548

00:37:17,540 --> 00:37:21,840

to be outside at the time of
this incredible encounter,

549

00:37:21,840 --> 00:37:23,610

but he did see the films

550

00:37:23,610 --> 00:37:26,743

as soon as they were rushed
through the development process.

551

00:37:28,400 --> 00:37:32,730

It was a typical
circular-shaped UFO, he recalls.

552

00:37:32,730 --> 00:37:34,310

Not too many people saw it,

553

00:37:34,310 --> 00:37:36,830

because it took off at quite a sharp angle

554

00:37:36,830 --> 00:37:39,653

and just climbed straight on out of sight.

555

00:37:41,160 --> 00:37:43,433

Where are these films today?

556

00:37:44,460 --> 00:37:46,280

Why would Gordon Cooper,

557

00:37:46,280 --> 00:37:49,250

a respected and honorable American hero,

558

00:37:49,250 --> 00:37:51,420

make up such a story?

559

00:37:51,420 --> 00:37:55,000

According to him, UFOs were seen regularly

560

00:37:55,000 --> 00:37:56,573

at Edwards Air Force base.

561

00:37:58,930 --> 00:38:01,660

Gordon Cooper is not the only astronaut

562

00:38:01,660 --> 00:38:04,770

to concede the existence of aliens.

563

00:38:04,770 --> 00:38:08,330

Dr. Edgar Mitchell, the sixth

man to walk on the moon,

564

00:38:08,330 --> 00:38:10,790

appeared on a British radio show

565

00:38:10,790 --> 00:38:15,237

to say that he was, "Privileged

enough to be in on the fact

566

00:38:15,237 --> 00:38:17,657

"that we've been visited on this planet

567

00:38:17,657 --> 00:38:20,492

"and the UFO phenomenon is real."

568

00:38:20,492 --> 00:38:23,080

(bell tolls)

569

00:38:23,080 --> 00:38:25,450

However, this goes much deeper

570

00:38:25,450 --> 00:38:28,580

than two accomplished American astronauts,

571

00:38:28,580 --> 00:38:31,190

there are multiple military officers

572

00:38:31,190 --> 00:38:34,400

ready and willing to

disclose what they know,

573

00:38:34,400 --> 00:38:35,810

but are being prevented

574

00:38:35,810 --> 00:38:39,438

by government oaths taken

during their service.

575

00:38:39,438 --> 00:38:41,620

(bell tolls)

(ominous tapping)

576

00:38:41,620 --> 00:38:44,910

Many of these witnesses

were in high level positions

577

00:38:44,910 --> 00:38:48,443

within the military and
are ranking officers.

578

00:38:49,750 --> 00:38:53,410

Individuals, who through
their missions and positions,

579

00:38:53,410 --> 00:38:57,523

were privy to serious
information regarding UFOs,

580

00:38:57,523 --> 00:39:00,830

(bell tolls)

up to and including access

581

00:39:00,830 --> 00:39:03,873

to physical evidence from downed craft.

582

00:39:06,020 --> 00:39:08,570

How many respected and honorable people,

583

00:39:08,570 --> 00:39:12,410

both military and

civilian, must come forward

584

00:39:12,410 --> 00:39:15,094

before we take them at their word?

585

00:39:15,094 --> 00:39:17,844

(haunting music)

586

00:39:20,990 --> 00:39:24,920

What is so terrifying that

would cause world governments,

587

00:39:24,920 --> 00:39:27,500

even those politically, militarily,

588

00:39:27,500 --> 00:39:30,560

and ideologically opposed to each other

589

00:39:30,560 --> 00:39:35,199

to maintain a level of secrecy
above the Manhattan project?

590

00:39:35,199 --> 00:39:38,366

(drum and wind music)

591

00:40:01,280 --> 00:40:03,440

Perhaps the most damning evidence

592

00:40:03,440 --> 00:40:06,720

that the United States
was actively participating

593

00:40:06,720 --> 00:40:08,530

in a government cover up

594

00:40:08,530 --> 00:40:11,518

comes from Lieutenant
Colonel Philip Corso.

595

00:40:11,518 --> 00:40:13,720

(bell tolls)

596

00:40:13,720 --> 00:40:16,510

Corso was the chief of the Pentagon's

597

00:40:16,510 --> 00:40:20,250

Foreign Technology desk in

Army Research and Development

598

00:40:20,250 --> 00:40:23,423

working under Lieutenant

General Arthur Trudeau.

599

00:40:25,250 --> 00:40:26,670

And he was on the staff

600

00:40:26,670 --> 00:40:30,330

of President Eisenhower's

601

00:40:30,330 --> 00:40:35,213

for four years between 1953 and 1957.

602

00:40:38,080 --> 00:40:41,080

In his book, *The Day After Roswell*,

603

00:40:41,080 --> 00:40:45,700

Corso claims that technology

gleaned from the Roswell crash

604

00:40:45,700 --> 00:40:48,750

helped kick start

technological advancement

605

00:40:48,750 --> 00:40:53,740

and accelerated particle beam

devices, fiber optics, lasers,

606

00:40:53,740 --> 00:40:57,063

integrated circuit chips
and Kevlar material.

607

00:41:02,400 --> 00:41:05,270

Corso's duties at the
Pentagon required him

608

00:41:05,270 --> 00:41:09,520

to oversee the storage of
physical evidence and files

609

00:41:09,520 --> 00:41:11,600

on the Roswell crash,
(bell tolls)

610

00:41:11,600 --> 00:41:15,300

and to leak this material to corporations

611

00:41:15,300 --> 00:41:18,304

for the advancement of our technology.

612

00:41:18,304 --> 00:41:20,971

(ominous music)

613

00:41:26,490 --> 00:41:30,460

Corso also claimed the
strategic defense initiative,

614

00:41:30,460 --> 00:41:33,290

or Star Wars, was meant to achieve

615

00:41:33,290 --> 00:41:37,500

the destructive capacity of
electronic guidance systems

616

00:41:37,500 --> 00:41:40,130

in incoming enemy war heads,

617

00:41:40,130 --> 00:41:44,660

as well as disabling enemy spacecraft,

618

00:41:44,660 --> 00:41:48,513

including those of

extraterrestrial origin.

619

00:41:50,523 --> 00:41:53,273

(bomb whooshing)

620

00:42:01,388 --> 00:42:06,388

(bomb exploding)

(sinister music)

621

00:42:18,220 --> 00:42:20,510

Perhaps the most terrifying aspect

622

00:42:20,510 --> 00:42:25,440

to this material is not the

alien phenomenon itself,

623

00:42:25,440 --> 00:42:27,140

but that world governments

624

00:42:27,140 --> 00:42:30,303

have been keeping it

secret from the populous.

625

00:42:32,170 --> 00:42:33,800

For over a millennium,

626

00:42:33,800 --> 00:42:37,300

the United States and

governments around the world

627

00:42:37,300 --> 00:42:41,440

have actively participated

in clandestine operations

628

00:42:41,440 --> 00:42:45,337

to keep the UFO truth away

from public knowledge.

629

00:42:45,337 --> 00:42:47,450

(bell tolls)

630

00:42:47,450 --> 00:42:51,080

Over the years, many

individuals have sacrificed

631

00:42:51,080 --> 00:42:55,317

their careers and their lives

to get this information out.

632

00:42:57,840 --> 00:43:00,900

Countless citizens have

been abducted and subjected

633

00:43:00,900 --> 00:43:04,270

to cruel medical experiments

by certain aliens

634

00:43:04,270 --> 00:43:08,330

with their own agenda

and in full cooperation

635

00:43:08,330 --> 00:43:11,283

by the government we elect to protect us.

636

00:43:13,930 --> 00:43:16,720

We have a great deal of

information available

637

00:43:16,720 --> 00:43:18,850

on the UFO situation,

638

00:43:18,850 --> 00:43:21,890

yet we have only scratched the surface.

639

00:43:21,890 --> 00:43:25,400

For every scrap of

information that gets leaked,

640

00:43:25,400 --> 00:43:29,050

there are volumes more

remaining sequestered away

641

00:43:29,050 --> 00:43:31,210

in government vaults.

642

00:43:31,210 --> 00:43:34,410

And of the leaked information

that makes it out,

643

00:43:34,410 --> 00:43:37,170

most of it is mired in debate

644

00:43:37,170 --> 00:43:39,653

and tainted with misinformation.

645

00:43:41,920 --> 00:43:44,540

Government agencies go out of their way

646

00:43:44,540 --> 00:43:47,800

to belittle anyone or any material

647

00:43:47,800 --> 00:43:51,963

that purports to tell the
truth about the UFO issue.

648

00:44:03,310 --> 00:44:05,870

Change is inevitable.

649

00:44:05,870 --> 00:44:09,090

No secret can be kept forever,

650

00:44:09,090 --> 00:44:14,090

but we have to ask ourselves,
do we really want to know?

651

00:44:14,290 --> 00:44:18,920

Is it better to live in
ignorance than face the truth?

652

00:44:18,920 --> 00:44:23,920

How will we handle the truth
when it is fully disclosed?

653

00:44:27,157 --> 00:44:30,657

(dissonant ambient music)

654

00:44:31,735 --> 00:44:35,068

(gentle haunting music)

655

00:44:42,850 --> 00:44:45,800

The government is lying to you.

656

00:44:45,800 --> 00:44:48,100

They lied about Watergate.

657

00:44:48,100 --> 00:44:51,910

They lied about a syphilis
program in the 1950s.

658

00:44:51,910 --> 00:44:55,483

They lied about weapons of
mass destruction in Iraq.

659

00:44:56,600 --> 00:45:00,850

So why is it so difficult to
believe they are lying to you

660

00:45:00,850 --> 00:45:04,453

about the most important
issue of the 21st century.

661

00:45:06,650 --> 00:45:11,143

Extraterrestrial contact will
change the world forever.

662

00:45:12,040 --> 00:45:15,420

Knowledge of contact, even in the past,

663

00:45:15,420 --> 00:45:19,950

will have repercussions on
every facet of our lives.

664

00:45:19,950 --> 00:45:23,160

It will affect our
religions, our governments,

665

00:45:23,160 --> 00:45:25,433

and the way we think of ourselves.

666

00:45:30,890 --> 00:45:32,930

Once we have confirmation

667

00:45:32,930 --> 00:45:36,650

that we have been visited by
people from another world,

668

00:45:36,650 --> 00:45:39,623

our world will never be the same.

669

00:45:50,060 --> 00:45:52,770

And yet, as we ponder these questions,

670

00:45:52,770 --> 00:45:56,200

information about the ET presence on Earth

671

00:45:56,200 --> 00:45:58,440

has been continuously flowing out

672

00:45:58,440 --> 00:46:02,293

from agencies and the public

for over a millennium.

673

00:46:09,380 --> 00:46:13,120

Ancient tapestries

depicting UFOs and aliens

674

00:46:13,120 --> 00:46:17,563

have been on display right

before our eyes for centuries.

675

00:46:32,465 --> 00:46:35,940

And modern UFO sightings

and reports arrive

676

00:46:35,940 --> 00:46:39,093

via our social media on a daily basis.

677

00:46:42,070 --> 00:46:45,630

A wealth of information

is available today,

678

00:46:45,630 --> 00:46:50,143

so much so that most of

it is simply ignored.

679

00:46:52,230 --> 00:46:56,797

If you want to hide something,

hide it in plain sight.

680

00:46:56,797 --> 00:46:59,448

(thunder rumbles)

681

00:46:59,448 --> 00:47:02,115

(ominous music)

682

00:47:09,674 --> 00:47:13,007

(gentle haunting music)

683

00:47:19,920 --> 00:47:23,260

We are immersed in UFO information,

684

00:47:23,260 --> 00:47:26,583

yet determining what

is truth is the issue.

685

00:47:27,600 --> 00:47:31,750

We don't have to prove

every alien encounter,

686

00:47:31,750 --> 00:47:34,210

only one will suffice.

687

00:47:34,210 --> 00:47:37,580

And all of the best data

and physical materials

688

00:47:37,580 --> 00:47:41,772

on UFOs and aliens is

under government control.

689

00:47:41,772 --> 00:47:43,380

(bell tolls)

690

00:47:43,380 --> 00:47:46,630

It isn't that we don't

trust the government,

691

00:47:46,630 --> 00:47:50,092

the government doesn't trust us.

692

00:47:50,092 --> 00:47:52,842

(sinister music)

693

00:47:59,880 --> 00:48:02,670

Over the decades, UFOs have gone

694

00:48:02,670 --> 00:48:06,303

from a curiosity to a political quagmire.

695

00:48:07,190 --> 00:48:09,530

Agencies and the government

696

00:48:09,530 --> 00:48:11,880

would have a lot of explaining to do

697

00:48:11,880 --> 00:48:15,443

if they disclosed all

they know about UFOs.

698

00:48:15,443 --> 00:48:17,000

(bell tolls)

699

00:48:17,000 --> 00:48:20,413

Getting to the truth will

be a delicate matter.

700

00:48:21,443 --> 00:48:24,016

(ominous music)

701

00:48:24,016 --> 00:48:27,849

(television static crackling)

702

00:48:39,133 --> 00:48:44,133

One would think the news media

would be all over this issue.

703

00:48:44,560 --> 00:48:47,620

However, the media is controlled

704

00:48:47,620 --> 00:48:51,025

by big business and the government

705

00:48:51,025 --> 00:48:53,643

and they can't report the truth to you.

706

00:48:55,750 --> 00:48:59,660

Just as the government is

hiding UFO information,

707

00:48:59,660 --> 00:49:00,990

the media in which

(glass shattering)

708

00:49:00,990 --> 00:49:04,330

this information would

be disseminated to you,

709

00:49:04,330 --> 00:49:06,046

has their own agenda.

710

00:49:06,046 --> 00:49:09,296

(haunting choir music)

711

00:49:13,630 --> 00:49:18,560

News outlets are concerned
about one thing, ratings.

712

00:49:18,560 --> 00:49:22,680

In order for the media to
report on the UFO issue,

713

00:49:22,680 --> 00:49:25,860

they must have tangible proof.

714

00:49:25,860 --> 00:49:29,140

Should they report on
something they cannot prove?

715

00:49:29,140 --> 00:49:31,670

They would be considered untrustworthy

716

00:49:31,670 --> 00:49:33,963

and they would lose ratings points.

717

00:49:34,840 --> 00:49:37,080

The media can only report

718

00:49:37,080 --> 00:49:39,470

what they are instructed to say

719

00:49:39,470 --> 00:49:43,433

and without hard evidence,

they remain silent.

720

00:49:44,474 --> 00:49:46,420

(bell tolls)

721

00:49:46,420 --> 00:49:51,350

The media would scramble to

bring you UFO disclosure,

722

00:49:51,350 --> 00:49:54,000

however, their hands are tied

723

00:49:54,000 --> 00:49:57,400

by the very government

they are beholding to

724

00:49:57,400 --> 00:50:01,780

and the huge corporations

that control and censor

725

00:50:01,780 --> 00:50:03,993

what they are allowed to discuss.

726

00:50:05,880 --> 00:50:09,660

In order for the UFO issue

to become mainstream,

727

00:50:09,660 --> 00:50:11,970

the media would have to be placed

728

00:50:11,970 --> 00:50:14,793

in a position to demand answers.

729

00:50:15,880 --> 00:50:20,880

That can only occur if

public outcry became so great

730

00:50:20,970 --> 00:50:23,410

that they could not ignore it.

731

00:50:23,410 --> 00:50:26,060

(upbeat haunting music)

732

00:50:26,060 --> 00:50:28,270

Everything we need to bring

733

00:50:28,270 --> 00:50:31,840

the UFO issue out to the general public

734

00:50:31,840 --> 00:50:36,793

is already freely available to
anyone who seeks to find it.

735

00:50:40,895 --> 00:50:43,645

(sinister music)

736

00:50:54,900 --> 00:50:57,630

Multitude of books, DVDs,

737

00:50:57,630 --> 00:51:01,743

and UFO researchers are available to you.

738

00:51:04,070 --> 00:51:06,240

Knowledge is power.

739

00:51:06,240 --> 00:51:07,923

Educate yourselves.

740

00:51:08,820 --> 00:51:12,973

The UFO issue need not
be lost to antiquity.

741

00:51:14,148 --> 00:51:15,500

(bell tolls)

742

00:51:15,500 --> 00:51:19,900

You have the power to ensure
future generations grow up

743

00:51:19,900 --> 00:51:23,783

in the truth and knowledge
that we are not alone.

744

00:51:25,810 --> 00:51:29,950

And that we reside in a universe populated

745

00:51:29,950 --> 00:51:34,038

with many species much like ourselves.

746

00:51:34,038 --> 00:51:37,455

(frenetic ominous music)

747

00:52:06,220 --> 00:52:09,773

Perhaps the UFO issue is too overwhelming.

748

00:52:11,200 --> 00:52:14,770

Leaked UFO data is not conveniently placed

749

00:52:14,770 --> 00:52:17,070

in one single location.

750

00:52:17,070 --> 00:52:19,080

There is far too much information

751

00:52:19,080 --> 00:52:22,670

and sources that have

pieces of the puzzle.

752

00:52:22,670 --> 00:52:26,203

However, having it all is not necessary.

753

00:52:27,860 --> 00:52:32,240

We simply need to understand

that there is a cover up

754

00:52:32,240 --> 00:52:35,093

and that this knowledge

is being kept from us.

755

00:52:36,625 --> 00:52:40,191

That in itself is a

reason to fear the issue.

756

00:52:40,191 --> 00:52:43,608

(frenetic ominous music)

757

00:52:57,490 --> 00:53:00,310

Whenever you sequester knowledge away,

758

00:53:00,310 --> 00:53:02,580

whoever controls that knowledge

759

00:53:02,580 --> 00:53:05,840

is under constant

temptation to use it against

760

00:53:05,840 --> 00:53:08,753

the populous or for their own agenda.

761

00:53:10,689 --> 00:53:13,106

(bell tolls)

762

00:53:16,640 --> 00:53:19,680

The fact that any extraterrestrial race

763

00:53:19,680 --> 00:53:24,103

can enter our atmosphere with

impunity, invites danger.

764

00:53:26,930 --> 00:53:29,220

We would never allow a foreign country

765

00:53:29,220 --> 00:53:32,603

to invade our air space

or take our citizens.

766

00:53:38,780 --> 00:53:42,810

So why are our governments

allowing aliens to abduct us,

767

00:53:42,810 --> 00:53:46,250

fly over our cities,

and conduct experiments

768

00:53:46,250 --> 00:53:48,124

on the people of our nations?

769

00:53:48,124 --> 00:53:50,541

(bell tolls)

770

00:53:56,340 --> 00:53:58,903

Is it because they can

do nothing about it,

771

00:53:59,910 --> 00:54:03,420

or is it because they are

aware of the extraterrestrials

772

00:54:03,420 --> 00:54:05,720

and even allied with them?

773

00:54:05,720 --> 00:54:07,923

Either scenario is frightening.

774

00:54:11,040 --> 00:54:14,570

All of the information

gathered to date suggests

775

00:54:14,570 --> 00:54:18,910

that world governments are
well aware of the ET presence

776

00:54:18,910 --> 00:54:22,283

and that they have been aware for decades.

777

00:54:39,700 --> 00:54:43,543

You may ask yourself, why
should I be concerned?

778

00:54:46,060 --> 00:54:48,483

Only you can answer that question.

779

00:54:51,150 --> 00:54:53,950

However, consider this,

780

00:54:53,950 --> 00:54:58,183

if the extraterrestrials are
here for some nefarious plan,

781

00:55:01,040 --> 00:55:02,513

wouldn't you want to know?

782

00:55:03,604 --> 00:55:06,550

(bell tolls)

783

00:55:06,550 --> 00:55:09,380

Or if they are simply here to observe us,

784

00:55:09,380 --> 00:55:12,410

are you comfortable being a lab rat?

785

00:55:12,410 --> 00:55:14,827

(bell tolls)

786

00:55:19,080 --> 00:55:22,540

And if the government truly

is working with aliens,

787

00:55:22,540 --> 00:55:26,250

then your tax dollars are
supporting this effort.

788

00:55:26,250 --> 00:55:31,046

Be it for the betterment
of mankind, or it's demise.

789

00:55:31,046 --> 00:55:33,463

(bell tolls)

790

00:55:37,370 --> 00:55:40,410

At the very least, you should be informed

791

00:55:40,410 --> 00:55:43,053

of anything that affects you personally.

792

00:55:50,690 --> 00:55:53,620

Until there is full UFO disclosure,

793

00:55:53,620 --> 00:55:55,570

we do not know the reasons

794

00:55:55,570 --> 00:55:57,360

why nations have been keeping

795

00:55:57,360 --> 00:56:00,423

this world changing information secret.

796

00:56:01,388 --> 00:56:03,805

(bell tolls)

797

00:56:11,270 --> 00:56:13,410

Since the late 1800s,

798

00:56:13,410 --> 00:56:17,300

and the first alien encounter

was officially observed,

799

00:56:17,300 --> 00:56:20,950

to modern day UFO

sightings and abductions,

800

00:56:20,950 --> 00:56:23,730

all Earth religions and governments

801

00:56:23,730 --> 00:56:27,279

have been withholding the

truth from the people.

802

00:56:27,279 --> 00:56:29,696

(bell tolls)

803

00:56:34,960 --> 00:56:38,810

They have accumulated a fast

knowledge base on the subject,

804

00:56:38,810 --> 00:56:40,570

hidden physical evidence,

805

00:56:40,570 --> 00:56:43,530

and lied when confronted with questions.

806

00:56:43,530 --> 00:56:45,947

(bell tolls)

807

00:56:47,140 --> 00:56:49,593

Ask yourself why?

808

00:56:51,280 --> 00:56:54,900

The only answer you can possibly conceive

809

00:56:54,900 --> 00:56:58,373

should frighten you into

demanding the truth.

810

00:57:00,025 --> 00:57:03,525

(dissonant ambient music)

811

00:57:19,200 --> 00:57:22,683

Our world today is rocked with suspicion.

812

00:57:25,890 --> 00:57:28,370

Conspiracy theories abound

813

00:57:28,370 --> 00:57:30,670

and each new televised incident

814

00:57:30,670 --> 00:57:34,143

brings forth a new litany

of alternate ideas.

815

00:57:39,100 --> 00:57:41,700

However, the UFO issue

816

00:57:41,700 --> 00:57:44,653

has remained constant throughout history.

817

00:57:47,800 --> 00:57:50,950

Little by little, the

truth of the ET presence

818

00:57:50,950 --> 00:57:54,760

on Earth leaks out and has always remained

819

00:57:54,760 --> 00:57:57,377

just under the radar of our lives.

820

00:57:57,377 --> 00:58:00,794

(suspenseful drum music)

821

00:58:07,190 --> 00:58:10,000

Our world is changing.

822

00:58:10,000 --> 00:58:12,620

We are becoming more receptive to the fact

823

00:58:12,620 --> 00:58:16,433

that we are not, nor

ever have been, alone.

824

00:58:24,049 --> 00:58:27,466

(frenetic ominous music)

825

00:58:28,570 --> 00:58:31,690

All that is needed now is confirmation

826

00:58:31,690 --> 00:58:34,210

of the facts we already know

827

00:58:34,210 --> 00:58:36,650

and acceptance of the concept

828

00:58:36,650 --> 00:58:41,263

that we are part of a vast

and growing universal society.

829

00:58:44,325 --> 00:58:47,158

(light exploding)

830

00:58:50,611 --> 00:58:54,028

(dramatic ambient music)

831

00:59:19,030 --> 00:59:22,653

What if I told you,

there is nothing to fear?

832

00:59:24,900 --> 00:59:29,893

What if I told you, that

disclosure is happening now?

833

00:59:32,980 --> 00:59:34,263

Would you do your part?

834

00:59:36,025 --> 00:59:38,275

(rattling)

835

00:59:57,074 --> 00:59:59,907

(light exploding)

836

01:00:02,667 --> 01:00:06,084

(sinister chiming music)
